

Directive 2006/118/EC of the European Parliament and
of the Council of 12 December 2006 on the protection
of groundwater against pollution and deterioration

Article 11

Evaluation

The report by the Commission provided for under Article 18(1) of Directive 2000/60/EC shall for groundwater include an evaluation of the functioning of this Directive in relation to other relevant environmental legislation, including consistency therewith.
