

Directive 2006/48/EC of the European Parliament and of the council of 14 June 2006 relating to the taking up and pursuit of the business of credit institutions (recast) (Text with EEA relevance) (repealed)

TITLE V

**PRINCIPLES AND TECHNICAL INSTRUMENTS FOR  
PRUDENTIAL SUPERVISION AND DISCLOSURE**

CHAPTER 4

*Supervision and disclosure by competent authorities*

*Section 1*

***Supervision***

*Article 126*

1 Where credit institutions authorised in two or more Member States have as their parent the same parent financial holding company in a Member State or the same EU parent financial holding company, supervision on a consolidated basis shall be exercised by the competent authorities of the credit institution authorised in the Member State in which the financial holding company was set up.

Where the parents of credit institutions authorised in two or more Member States comprise more than one financial holding company with head offices in different Member States and there is a credit institution in each of these States, supervision on a consolidated basis shall be exercised by the competent authority of the credit institution with the largest balance sheet total.

2 Where more than one credit institution authorised in the Community has as its parent the same financial holding company and none of these credit institutions has been authorised in the Member State in which the financial holding company was set up, supervision on a consolidated basis shall be exercised by the competent authority that authorised the credit institution with the largest balance sheet total, which shall be considered, for the purposes of this Directive, as the credit institution controlled by an EU parent financial holding company.

3 In particular cases, the competent authorities may by common agreement waive the criteria referred to in paragraphs 1 and 2 if their application would be inappropriate, taking into account the credit institutions and the relative importance of their activities in different countries, and appoint a different competent authority to exercise supervision on a consolidated basis. In these cases, before taking their decision, the competent authorities shall give the EU parent credit institution, or EU parent financial holding company, or credit institution with the largest balance sheet total, as appropriate, an opportunity to state its opinion on that decision.

4 The competent authorities shall notify the Commission of any agreement falling within paragraph 3.
