2 Every credit institution which is neither a subsidiary in the Member State where it is authorised and supervised, nor a parent undertaking, and every credit institution not included in the consolidation pursuant to Article 73, shall comply with the obligations laid down in Articles 120 and 123 on an individual basis.

3 Every credit institution which is neither a parent undertaking, nor a subsidiary, and every credit institution not included in the consolidation pursuant to Article 73, shall comply with the obligations laid down in Chapter 5 on an individual basis.

- a there is no current or foreseen material practical or legal impediment to the prompt transfer of own funds or repayment of liabilities by its parent undertaking;
- b either the parent undertaking satisfies the competent authority regarding the prudent management of the subsidiary and has declared, with the consent of the competent authority, that it guarantees the commitments entered into by the subsidiary, or the risks in the subsidiary are of negligible interest;

3 The Member States may choose not to apply Article 68(1) to a parent credit institution in a Member State where that credit institution is subject to authorisation and supervision by the Member State concerned, and it is included in the supervision on a consolidated basis, and all the following conditions are satisfied, in order to ensure that own funds are distributed adequately among the parent undertaking and the subsidiaries:

- a there is no current or foreseen material practical or legal impediment to the prompt transfer of own funds or repayment of liabilities to the parent credit institution in a Member State; and
- b the risk evaluation, measurement and control procedures relevant for consolidated supervision cover the parent credit institution in a Member State.

of Article 69(1), and whose material exposures or material liabilities are to that parent credit institution.

2 The treatment in paragraph 1 shall be allowed only where the parent credit institution demonstrates fully to the competent authorities the circumstances and arrangements, including legal arrangements, by virtue of which there is no material practical or legal impediment, and none are foreseen, to the prompt transfer of own funds, or repayment of liabilities when due by the subsidiary to its parent undertaking.

3 Where a competent authority exercises the discretion laid down in paragraph 1, it shall on a regular basis and not less than once a year inform the competent authorities of all the other Member States of the use made of paragraph 1 and of the circumstances and arrangements referred to in paragraph 2. Where the subsidiary is in a third country, the competent authorities shall provide the same information to the competent authorities of that third country as well.

4 Without prejudice to the generality of Article 144, a competent authority which exercises the discretion laid down in paragraph 1 shall publicly disclose, in the manner indicated in Article 144:

- a the criteria it applies to determine that there is no current or foreseen material practical or legal impediment to the prompt transfer of own funds or repayment of liabilities;
- b the number of parent credit institutions which benefit from the exercise of the discretion laid down in paragraph 1 and the number of these which incorporate subsidiaries in a third country; and

 - (iii) the percentage of total minimum own funds required under Article 75 of parent credit institutions which benefit from the exercise of the discretion laid down in paragraph 1 represented by own funds which are held in subsidiaries in a third country.

Article 71

1 Without prejudice to Articles 68 to 70, parent credit institutions in a Member State shall comply, to the extent and in the manner prescribed in Article 133, with the obligations laid down in Articles 75, 120, 123 and Section 5 on the basis of their consolidated financial situation.

2 Without prejudice to Articles 68 to 70, credit institutions controlled by a parent financial holding company in a Member State shall comply, to the extent and in the manner prescribed in Article 133, with the obligations laid down in Articles 75, 120, 123 and Section 5 on the basis of the consolidated financial situation of that financial holding company.

Where more than one credit institution is controlled by a parent financial holding company in a Member State, the first subparagraph shall apply only to the credit institution to which supervision on a consolidated basis applies in accordance with Articles 125 and 126.

Article 72

1 EU parent credit institutions shall comply with the obligations laid down in Chapter 5 on the basis of their consolidated financial situation.

Significant subsidiaries of EU parent credit institutions shall disclose the information specified in Annex XII, Part 1, point 5, on an individual or sub-consolidated basis.

2 Credit institutions controlled by an EU parent financial holding company shall comply with the obligations laid down in Chapter 5 on the basis of the consolidated financial situation of that financial holding company.

Significant subsidiaries of EU parent financial holding companies shall disclose the information specified in Annex XII, Part 1, point 5, on an individual or sub-consolidated basis.

3 The competent authorities responsible for exercising supervision on a consolidated basis pursuant to Articles 125 and 126 may decide not to apply in full or in part paragraphs 1 and 2 to the credit institutions which are included within comparable disclosures provided on a consolidated basis by a parent undertaking established in a third country.

Article 73

1 The Member States or the competent authorities responsible for exercising supervision on a consolidated basis pursuant to Articles 125 and 126 may decide in the following cases that a credit institution, financial institution or ancillary services undertaking which is a subsidiary or in which a participation is held need not be included in the consolidation:

- a where the undertaking concerned is situated in a third country where there are legal impediments to the transfer of the necessary information;
- b where, in the opinion of the competent authorities, the undertaking concerned is of negligible interest only with respect to the objectives of monitoring credit institutions and in any event where the balance-sheet total of the undertaking concerned is less than the smaller of the following two amounts:
 - (i) EUR 10 million, or
 - (ii) 1 % of the balance-sheet total of the parent undertaking or the undertaking that holds the participation,
- c where, in the opinion of the competent authorities responsible for exercising supervision on a consolidated basis, the consolidation of the financial situation of the undertaking concerned would be inappropriate or misleading as far as the objectives of the supervision of credit institutions are concerned.

If, in the cases referred to in point (b) of the first subparagraph, several undertakings meet the above criteria set out therein, they shall nevertheless be included in the consolidation where collectively they are of non-negligible interest with respect to the specified objectives.

2 Competent authorities shall require subsidiary credit institutions to apply the requirements laid down in Articles 75, 120 and 123 and Section 5 on a sub-consolidated basis if those credit institutions, or the parent undertaking where it is a financial holding company, have a credit institution or a financial institution or an asset management company as defined in Article 2(5) of Directive 2002/87/EC as a subsidiary in a third country, or hold a participation in such an undertaking.

Status: EU Directives are being published on this site to aid cross referencing from UK legislation. After IP completion day (31 December 2020 11pm) no further amendments will be applied to this version.

3 Competent authorities shall require the parent undertakings and subsidiaries subject to this Directive to meet the obligations laid down in Article 22 on a consolidated or sub# consolidated basis, to ensure that their arrangements, processes and mechanisms are consistent and well-integrated and that any data and information relevant to the purpose of supervision can be produced.

2 Notwithstanding the requirements laid down in Articles 68 to 72, the calculations to verify the compliance of credit institutions with the obligations laid down in Article 75 shall be carried out not less than twice each year.

The credit institutions shall communicate the results and any component data required to the competent authorities.
