

Council Directive 2008/119/EC of 18 December 2008 laying down minimum standards for the protection of calves (Codified version)

*Article 6*

By 1 January 2006, the Commission shall submit to the Council a report, drawn up on the basis of an opinion from the European Food Safety Authority, on the intensive farming system(s) which comply with the requirements of the well-being of calves from the pathological, zootechnical, physiological and behavioural point of view, as well as the socioeconomic implications of different systems, together with proposals relevant to the report's conclusions.
