Article 3

1 From 1 January 1998, the following provisions shall apply on all newly built or rebuilt holdings and on all those brought into use after that date:

- a no calf shall be confined in an individual pen after the age of eight weeks, unless a veterinarian certifies that its health or behaviour requires it to be isolated in order to receive treatment. The width of any individual pen for a calf shall be at least equal to the height of the calf at the withers, measured in the standing position, and the length

Status: EU Directives are being published on this site to aid cross referencing from UK legislation. After IP completion day (31 December 2020 11pm) no further amendments will be applied to this version.

shall be at least equal to the body length of the calf, measured from the tip of the nose to the caudal edge of the *tuber ischii* (pin bone), multiplied by 1,1.

Individual pens for calves (except those for isolating sick animals) must not have solid walls, but perforated walls which allow the calves to have direct visual and tactile contact;

- b for calves kept in groups, the unobstructed space allowance available to each calf shall be at least equal to 1,5 m² for each calf of a live weight of less than 150 kilograms, at least equal to 1,7 m² for each calf of a live weight of 150 kilograms or more but less than 220 kilograms, and at least equal to 1,8 m² for each calf of a live weight of 220 kilograms or more.

However, the provisions of the first subparagraph shall not apply to:

- a holdings with fewer than six calves;
- b calves kept with their mothers for suckling.

2 From 31 December 2006, the provisions provided for in paragraph 1 shall apply to all holdings.

Article 4

Member States shall ensure that the conditions for rearing calves comply with the general provisions laid down in Annex I.

Article 5

The general provisions in Annex I may be amended in accordance with the procedure referred to in Article 10(2) in order to take account of scientific progress.

Article 6

By 1 January 2006, the Commission shall submit to the Council a report, drawn up on the basis of an opinion from the European Food Safety Authority, on the intensive farming system(s) which comply with the requirements of the well-being of calves from the pathological, zootechnical, physiological and behavioural point of view, as well as the socioeconomic implications of different systems, together with proposals relevant to the report's conclusions.

Article 7

- F²₁
- F²₂

[^{F13} Member States shall submit to the Commission by 31 August each year an annual report for the previous year on the inspections carried out by the competent authority to check compliance with the requirements of this Directive. The report shall be accompanied by an analysis of the most serious findings of non-compliance and a national action plan to prevent or decrease their occurrence for the forthcoming years. The Commission shall submit summaries of those reports to the Member States.]
