

Council Directive 2008/72/EC of 15 July 2008 on the
marketing of vegetable propagating and planting material,
other than seed (Text with EEA relevance) (Codified version)

Article 4

In accordance with the procedure referred to in Article 21(3), a schedule shall be established in Annex I for each genus and species referred to in Annex II and for rootstocks of other genera and species if material of the genus or species is, or has to be, grafted on to them, with a reference to the plant health conditions laid down in Directive 2000/29/EC applying to the genus and/or species concerned, and laying down:

- (a) the conditions with which vegetable planting material must comply, in particular those relating to the quality and purity of the crop and, where appropriate varietal characteristics. These conditions shall be added to Annex I, Part A;
- (b) the conditions with which propagating material must comply, in particular those relating to the propagation system applied, the purity of the growing crop and, where appropriate, the varietal characteristics. These conditions shall be set out in Annex I, Part B.
