Where the competent authorities of the management company's home Member State refuse to communicate the information referred to in paragraph 2 to the competent authorities of the management company's host Member State, they shall give reasons for such refusal to the management company concerned within two months of receiving all the information. The refusal or any failure to reply shall be subject to the right to apply to the courts in the management company's home Member State.

7 On receipt of a communication from the competent authorities of the management company's host Member State or on the expiry of the period provided for in paragraph 6 without receipt of any communication from those authorities, the branch may be established and start business.

8 In the event of change of any particulars communicated in accordance with paragraph 2(b), (c) or (d), a management company shall give written notice of that change to the competent authorities of the management company's home Member State and of the management company's host Member State at least one month before implementing the change so that the competent authorities of the management company's home Member State may take a decision on the change under paragraph 3 and the competent authorities of the management company's host Member State may do so under paragraph 6.

The competent authorities of the management company's home Member State shall update the information contained in the attestation referred to in the third subparagraph of paragraph 3 and inform the competent authorities of the management company's host Member State whenever there is a change in the scope of the management company's authorisation or in the details of any restriction on the types of UCITS that the management company is authorised to manage.

7 The competent authorities of the management company's home Member State shall be responsible for supervising the adequacy of the arrangements and organisation of the management company so that the management company is in a position to comply with the obligations and rules which relate to the constitution and functioning of all the UCITS it manages.

8 Member States shall ensure that any management company authorised in a Member State is not subject to any additional requirement established in the UCITS home Member State in respect of the subject matter of this Directive, except in the cases expressly referred to in this Directive.

Article 20

1 Without prejudice to Article 5, a management company which applies to manage a UCITS established in another Member State shall provide the competent authorities of the UCITS home Member State with the following documentation:

Article 21

1 A management company's host Member State may, for statistical purposes, require all management companies with branches within its territory to report periodically on their activities pursued in that host Member State to the competent authorities of that host Member State.

Status: EU Directives are being published on this site to aid cross referencing from UK legislation. After IP completion day (31 December 2020 11pm) no further amendments will be applied to this version.

2 A management company's host Member State may require management companies pursuing business within its territory through the establishment of a branch or under the freedom to provide services, to provide the information necessary for the monitoring of their compliance with the rules under the responsibility of the management company's host Member State that apply to them.

Those requirements shall not be more stringent than those which the same Member State imposes on management companies authorised in that Member State for the monitoring of their compliance with the same standards.

Management companies shall ensure that the procedures and arrangements referred to in Article 15 enable the competent authorities of the UCITS home Member State to obtain directly from the management company the information referred to in this paragraph.

3 Where the competent authorities of a management company's host Member State ascertain that a management company that has a branch or provides services within its territory is in breach of one of the rules under their responsibility, those authorities shall require the management company concerned to put an end to that breach and inform the competent authorities of the management company's home Member State thereof.

4 If the management company concerned refuses to provide the management company's host Member State with information falling under its responsibility, or fails to take the necessary steps to put an end to the breach referred to in paragraph 3, the competent authorities of the management company's host Member State shall inform the competent authorities of the management company's home Member State accordingly. Member States shall ensure that within their territories it is possible to serve the legal documents necessary for those measures on management companies. Where the service provided within the management company's host Member State is the management of a UCITS, the management company's host Member State may require the management company to cease managing that UCITS.

6 Any measure adopted pursuant to paragraphs 4 or 5 involving measures or penalties shall be properly justified and communicated to the management company concerned. Every such measure shall be subject to the right to apply to the courts in the Member State which adopted it.

Every two years the Commission shall issue a report on such cases.
