

Commission Directive 2010/60/EU of 30 August 2010 providing for certain derogations for marketing of fodder plant seed mixtures intended for use in the preservation of the natural environment (Text with EEA relevance)

*Article 10*

**Sealing of packages and containers**

- 1 Member States shall ensure that preservation mixtures may be marketed only in closed packages and containers bearing a sealing device.
- 2 In order to ensure sealing, the sealing system shall comprise at least the label or the affixing of a seal.
- 3 The packages and containers referred to in paragraph 1 shall be sealed in such a manner that they cannot be opened without damaging the sealing system or leaving evidence of tampering on the producer's label, or on the package or container.
