

Directive 2010/63/EU of the European Parliament and of the Council of 22 September 2010 on the protection of animals used for scientific purposes (Text with EEA relevance)

CHAPTER IV

AUTHORISATION

Section 3

Requirements for projects

Article 37

Application for project authorisation

1 Member States shall ensure that an application for project authorisation is submitted by the user or the person responsible for the project. The application shall include at least the following:

- a the project proposal;
- b a non-technical project summary; and
- c information on the elements set out in Annex VI.

2 Member States may waive the requirement in paragraph 1(b) for projects referred to in Article 42(1).
