

Directive 2012/30/EU of the European Parliament and of the Council of 25 October 2012 on coordination of safeguards which, for the protection of the interests of members and others, are required by Member States of companies within the meaning of the second paragraph of Article 54 of the Treaty on the Functioning of the European Union, in respect of the formation of public limited liability companies and the maintenance and alteration of their capital, with a view to making such safeguards equivalent (Recast) (Text with EEA relevance) (repealed)

*Article 44*

The laws of the Member States shall provide that the decisions referred to in Articles 33(4) and (5) and Articles 34, 35, 39 and 42 must be taken at least by a majority of not less than two-thirds of the votes attaching to the securities or the subscribed capital represented.

The laws of the Member States may, however, lay down that a simple majority of the votes specified in the first paragraph is sufficient when at least half the subscribed capital is represented.
