CHAPTER IV

LEVYING OF CHARGES FOR THE USE OF RAILWAY INFRASTRUCTURE AND ALLOCATION OF RAILWAY INFRASTRUCTURE CAPACITY

SECTION 2

Infrastructure and services charges

Article 36

Reservation charges

Infrastructure managers may levy an appropriate charge for capacity that is allocated but not used. That non-usage charge shall provide incentives for efficient use of capacity. The levy of such a charge on applicants that were allocated a train path shall be mandatory in the event of their regular failure to use allocated paths or part of them. For the imposition of this charge, the infrastructure managers shall publish in their network statement the criteria to determine such failure to use. The regulatory body referred to in Article 55 shall control such criteria in accordance with Article 56. Payments for this charge shall be made by either the applicant or the railway undertaking appointed in accordance with Article 41(1). The infrastructure manager shall always be able to inform any interested party of the infrastructure capacity which has already been allocated to user railway undertakings.
