**Principles of awarding contracts**

1 Member States shall put in place national rules for the award of contracts subject to this Chapter in order to ensure contracting authorities comply with the principles of transparency and equal treatment of economic operators. 2 Member States shall ensure that contracting authorities may take into account the need to ensure quality, continuity, accessibility, affordability, availability and comprehensiveness of the services, the specific needs of different categories of users, including disadvantaged and vulnerable groups, the involvement and empowerment of users and innovation. Member States may also provide that the choice of the service provider shall be made on the basis of the tender presenting the best price-quality ratio, taking into account quality and sustainability criteria for social services.

Article 77 **U.K.**

**Reserved contracts for certain services**

## CHAPTER II **U.K.**

### **Rules governing design contests**

#### Article 78 **U.K.**

##### **Scope**

This Chapter shall apply to:

- (a) design contests organised as part of a procedure leading to the award of a public service contract;
- (b) design contests with prizes or payments to participants.

In the cases referred to in point (a) of the first paragraph of this Article, the threshold referred to in Article 4 is calculated on the basis of the estimated value net of VAT of the public service contract, including any possible prizes or payments to participants.

In the cases referred to in point (b) of the first paragraph of this Article, the threshold refers to the total amount of the prizes and payments, including the estimated value net of VAT of the public services contract which might subsequently be concluded under Article 32(4) if the contracting authority has announced its intention to award such contract in the contest notice.

#### Article 79 **U.K.**

##### **Notices**

1 Contracting authorities that intend to carry out a design contest shall make known their intention by means of a contest notice.

Where they intend to award a subsequent service contract pursuant to Article 32(4), this shall be indicated in the contest notice.

2 Contracting authorities that have held a design contest shall send a notice of the results of the contest in accordance with Article 51 and shall be able to prove the date of dispatch.

Where the release of information on the outcome of the contest would impede law enforcement, would be contrary to the public interest or would prejudice the legitimate commercial interests of a particular enterprise, whether public or private, or might prejudice fair competition between service providers, such information may be withheld from publication.

3 The notices referred to in paragraphs 1 and 2 of this Article shall be published in accordance with Article 51(2) to (6) and Article 52. They shall include the information set out respectively in Annex V parts E and F in the format of the standard forms.
