Directive (EU) 2015/2193 of the European Parliament and of the Council of 25 November 2015 on the limitation of emissions of certain pollutants into the air from medium combustion plants (Text with EEA relevance)

Article 11

Reporting

1   Member States shall, by 1 October 2026 and by 1 October 2031, submit a report to the Commission with qualitative and quantitative information on the implementation of this Directive, on any action taken to verify compliance of the operation of medium combustion plants with this Directive and on any enforcement action for the purposes thereof.

The first report referred to in the first subparagraph shall include an estimate of the total annual emissions of SO_2, NO_x and dust from medium combustion plants, grouped by plant type, fuel type and capacity class.

2   Member States shall also submit a report to the Commission, by 1 January 2021, with an estimate of the total annual emissions of CO and any information available on the concentration of emissions of CO from medium combustion plants, grouped by fuel type and capacity class.

3   For the purposes of the reporting referred to in paragraphs 1 and 2, the Commission shall make an electronic reporting tool available to Member States.

The Commission shall, by way of implementing acts, specify the technical formats for reporting in order to simplify and streamline reporting obligations for the Member States in relation to the information referred to in paragraphs 1 and 2 of this Article. Those implementing acts shall be adopted in accordance with the examination procedure referred to in Article 15.

4   The Commission shall, within twelve months of the receipt of the reports from Member States in accordance with paragraph 1 of this Article, and taking into account information made available in accordance with Article 6(11) and Article 6(12), submit a summary report to the European Parliament and to the Council.

5   When carrying out its duties under paragraphs 3 and 4, the Commission shall be assisted by the European Environment Agency.
