At any time during the contractual relationship the payment service user shall have a right to receive, on request, the contractual terms of the framework contract as well as the information and conditions specified in Article 52 on paper or on another durable medium.

#### Article 54

#### Changes in conditions of the framework contract

1 Any changes in the framework contract or in the information and conditions specified in Article 52 shall be proposed by the payment service provider in the same way as provided for in Article 51(1) and no later than 2 months before their proposed date of application. The payment service user can either accept or reject the changes before the date of their proposed date of entry into force.

Where applicable in accordance with point (6)(a) of Article 52, the payment service provider shall inform the payment service user that it is to be deemed to have accepted those changes if it does not notify the payment service provider before the proposed date of their entry into force that they are not accepted.
