

Directive (EU) 2016/1629 of the European Parliament and of the Council of 14 September 2016 laying down technical requirements for inland waterway vessels, amending Directive 2009/100/EC and repealing Directive 2006/87/EC

CHAPTER 2

NAVIGATION CERTIFICATES

Article 14

Major alterations or major repairs of craft

In the event of major alterations or major repairs which affect the craft's compliance with the technical requirements referred to in Annexes II and V concerning its structural soundness, navigation, manoeuvrability or special features, that craft shall undergo, prior to any further voyage, the technical inspection provided for in Article 6.

Following that inspection, the existing Union inland navigation certificate shall be amended to reflect the altered technical characteristics of the craft or that certificate shall be withdrawn and a new one issued. If the new certificate is issued in a Member State other than that which issued or renewed the initial certificate, the competent authority which issued or renewed the certificate shall be informed accordingly within 30 days from the date of issuance of the new certificate.
