Article 19

Notified bodies

1 Member States shall notify to the Commission and the other Member States any bodies entitled to carry out or supervise the procedure for the assessment of conformity to specifications or suitability for use referred to in the implementing acts referred to in Article 15(7), indicating each body's area of competence, and the identification numbers obtained in advance from the Commission. The Commission shall publish in the *Official Journal of the European Union* the list of bodies, their identification numbers and areas of competence, and shall keep the list updated.

2 Member States shall apply the criteria provided for in the delegated acts referred to in paragraph 5 of this Article for the assessment of the bodies to be notified. Bodies meeting the assessment criteria provided for in the relevant European standards shall be deemed to meet the said criteria.

3 A Member State shall withdraw approval from a body which no longer meets the criteria provided for in the delegated acts referred to in paragraph 5 of this Article. It shall immediately inform the Commission and the other Member States thereof.

4 Where a Member State or the Commission considers that a body notified by another Member State does not meet the criteria provided for in the delegated acts referred to in paragraph 5 of this Article, the matter shall be referred to the Electronic Toll Committee referred to in Article 31(1), which shall deliver its opinion within three months. In the light of the opinion of that Committee, the Commission shall inform the Member State which notified the body in question of any changes that are necessary for the notified body to retain the status conferred upon it.

5 The Commission shall adopt delegated acts in accordance with Article 30, at the latest by 19 October 2019, to lay down the minimum criteria of eligibility for notified bodies.
