3 The allowance provided for in paragraph 1 shall be weighted, in accordance with the second subparagraph of Article 82 (1) of the Staff Regulations, for the Community country where the recipient provides proof of residence.

If the recipient of that allowance resides outside the Community countries the weighting to be applied to the allowance shall be that valid for Brussels.

That remuneration shall be weighted as provided in paragraph 3.

5 All family allowances shall remain payable where the official receives the allowance provided for in paragraph 1.

6 During the period for which he is entitled to receive that allowance, the official shall be entitled, in respect of himself and of persons covered by his insurance, to benefits under the sickness insurance scheme common to the institutions of the European Communities, provided that he pays the contribution calculated on the basis of the basic salary attaching to his grade and step and is not covered against sickness by another scheme.

7 During the period for which he is entitled to receive the grant the official shall, up to a maximum five years, continue to acquire further rights to retirement pension based on the salary attaching to his grade and step, provided that he pays the contributions provided for in the Staff Regulations during that period. For the purposes of Article 5 of Annex VIII to the Staff Regulations, such period shall be considered to be a period of service.

If the official is reinstated in an institution of the European Communities and thus acquires further pension rights he shall cease during this further period of service to benefit from the provisions provided for in the first subparagraph above. However, for that part of the period referred to in the first subparagraph which is not yet completed at the time of reinstatement, the official may request that both his contribution to the pension scheme and his pension rights be calculated on the basis of the basic salary attaching to the grade and step reached in his previous post.

For the purposes of Article 77 of the Staff Regulations an official receiving the allowance provided for in paragraph 1 shall be treated as an official removed from his post in the interests of the service.

At the end of such period the official shall be entitled to a pension without application of the reduction laid down in Article 9 of Annex VIII to the Staff Regulations, provided that he has reached the age of fifty-five.

In fixing the amount of the survivor's pension, to which the widow of an official who has died during such period is entitled, the provisions of the second subparagraph of Article 79 of the Staff Regulations shall apply.

8 If, in application of these provisions, the official is entitled to receive a pension before the age of sixty, he shall be entitled, for each dependent child within the meaning of Article 2 of Annex VII to the Staff Regulations, to the dependent child allowance.

Article 6

1 An official affected by the measures provided for in Article 4 (1) who has not completed 11 years service may renounce irrevocably his pension rights. In this case he shall receive a payment fixed under the conditions laid down in Article 12 of Annex VIII to the Staff Regulations. The provisions of Article 5 (7) and (8) and Article 7 of this Regulation shall not apply to him.

For the purposes of Article 12 (c) of Annex VIII to the Staff Regulations, the actual length of service shall include the period in which the official is entitled to the grant provided for in Article 5 and the extended period allowed him, where appropriate, in accordance with Article 5 (10).

2 An official who proposes to opt for application of the provisions provided for in paragraph 1 must declare his choice within six months from the date of notification of the measure referred to in Article 4 (1); in default, he shall forgo the right to opt.

Any sums which may have been paid by way of pension prior to the application of the provisions of this Article shall be deducted from the payment provided for in paragraph 1.

Article 7

Article 8

If the official accepts, he may be transferred to such a post notwithstanding the provisions of Article 7 (1) of the Staff Regulations.

2 An official affected by a decision taken in accordance with the second subparagraph of paragraph 1 shall retain his grade and all rights relating thereto. He shall have a priority right of transfer to any post corresponding to his grade which may fall vacant or be created provided that he is suitable for the post in question.
