COMMISSION REGULATION (EEC) No 281/71

of 9 February 1971

determining the composition of the list of waterways of a maritime character provided for in Article 3 (e) of Council Regulation (EEC) No 1108/70 of 4 June 1970

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 1108/70¹ of 4 June 1970, introducing an accounting system for expenditure on infrastructure in respect of transport by rail, road and inland waterway, and in particular Articles 3 (e) and 9 (2) thereof;

Having regard to the opinions expressed by members of the committee of Government experts;

Whereas the afore-mentioned Council Regulation provides that infrastructure expenditure accounts are not required for various categories of infrastructure; whereas this provision applies *inter alia* to certain waterways of a maritime character, a list of which is to be drawn up by the Commission;

Whereas in drawing up this list account must be taken of the proportion of the traffic on waterways of maritime character accounted for by inland waterway traffic, or of the desirability of introducing an accounting system for infrastructure expenditure

in respect of such waterways in the light of the institution of a system of charging for the use of infrastructure;

HAS ADOPTED THIS REGULATION:

Sole Article

The list of waterways of a maritime character provided for in Article 3 (e) of Council Regulation (EEC) No 1108/70 of 4 June 1970 shall be as given in the Annex to this Regulation, of which it forms an integral part.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 9 February 1971.

For the Commission

The President

Franco M. MALFATTI
