

REGULATION (EEC) No 3250/74 OF THE COMMISSION

of 20 December 1974

on an invitation to tender for the levy for the export of common wheat to the Islamic Republic of Pakistan

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 120/67/EEC⁽¹⁾ of 13 June 1967 on the common organization of the market in cereals, as last amended by Regulation (EEC) No 1996/74⁽²⁾;

Having regard to Council Regulation (EEC) No 1968/73⁽³⁾ of 19 July 1973 laying down general rules to be applied in the event of the cereals market being disturbed, as last amended by Regulation (EEC) No 676/74⁽⁴⁾, and in particular Article 4 thereof;

Whereas the world market in common wheat is characterized by a continuing rise in prices; whereas this rise is due in particular to a growing imbalance between supply and demand; whereas the supply of certain markets is especially threatened in consequence; whereas with a view to improving this situation there should be issued in respect of common wheat an invitation to tender for the export levy provided for in the first indent of Article 2 (1) of Regulation (EEC) No 1968/73, such invitation to be limited so as to apply only in respect to the Islamic Republic of Pakistan;

Whereas the detailed rules relating to the organization of invitations to tender for the purpose of fixing the export levy are contained in Commission Regulation (EEC) No 3130/73⁽⁵⁾ of 16 November 1973 establishing the conditions for the application of the system of tendering for export levies for cereals;

Whereas the objective of the invitation to tender can be attained only if a successful tenderer fulfils all the commitments entered into by him when submitting his tender; whereas these commitments include an obligation to lodge an application for an export licence and to export to the prescribed destination; whereas compliance with these obligations may be ensured by requiring tenderers to give security when submitting their tenders;

Whereas, in order to ensure equal treatment to all concerned, it is necessary to make provision such that the effective period of validity of licences issued to

successful tenderers in connection with the invitation to tender is identical;

Whereas, the purpose of fixing an export levy by means of a tendering procedure is to permit better management of the market; whereas this objective could be jeopardized if the period of validity for export licences were too short; whereas use should therefore be made of the powers provided under the second subparagraph of Article 1 (1) of Regulation (EEC) No 3130/73 to fix a special period of validity for licences issued in connection with the invitation to tender;

Whereas provision must be made to ensure the smooth operation of the procedure for tendering for export levies; whereas to this end it is appropriate to prescribe a minimum quantity to be tendered for and a time limit and form for the communication of tenders lodged with the competent authorities and to provide that rights in respect of licences issued in connection with the invitation to tender should not be transferable;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:
