

**REGULATION (EEC) No 2113/75 OF THE COMMISSION**  
of 12 August 1975

**amending Regulation No 470/67/EEC as regards the varieties of paddy rice to be taken over by intervention agencies**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 359/67/EEC<sup>(1)</sup> of 25 July 1967 on the common organization of the market in rice, as last amended by Regulation (EEC) No 668/75<sup>(2)</sup>, and in particular Article 5 (5) thereof;

Whereas it has become apparent that certain varieties of rice which are listed in the Annexes to Commission Regulation No 470/67/EEC<sup>(3)</sup> of 21 August 1967 on the taking over of paddy rice by intervention agencies, and fixing the corrective amounts, price increases and reductions applied by them, as last amended by Regulation (EEC) No 1721/73<sup>(4)</sup>, now represent only a negligible proportion of the Community crop;

whereas it is no longer necessary that such varieties should continue to figure in the lists of varieties;

Whereas experience in recent marketing years has shown that the quality and yield of certain varieties have improved, while a falling-off in the characteristics and quality of other varieties has been noted;

Whereas new varieties of rice which do not appear in the lists of Community varieties given in Regulation No 470/67/EEC are now being produced in the Community; whereas those varieties should therefore be added thereto, taking into consideration the basic yields currently being obtained and any real difference in quality as compared with the varieties at present listed in that Regulation;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:
