

## COMMISSION REGULATION (EEC) No 354/80

of 14 February 1980

laying down conditions for invitations to tender for colza and rape seed held by the Belgian intervention agency

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats<sup>(1)</sup>, as last amended by Regulation (EEC) No 590/79<sup>(2)</sup>, and in particular Article 26 (3) thereof,

Whereas during the 1978/79 and 1979/80 marketing years the Belgian intervention agency bought in certain quantities of colza and rape seed pursuant to Article 26 of Regulation No 136/66/EEC;

Whereas Commission Regulation (EEC) No 189/68<sup>(3)</sup>, as last amended by Regulation (EEC) No 1687/76<sup>(4)</sup>, laid down the conditions for sale by tender on the Community market of oil seeds held by intervention agencies; whereas, in view of the present situation on the Community oil seeds market, it is unlikely that the quantities held by the Belgian intervention agency can be sold in accordance with the price conditions laid down in Article 5 of Regulation (EEC) No 189/68; whereas, therefore, special measures must be taken to dispose of these oil seeds;

Whereas colza and rape seed can at present be marketed in the Community at a price which accords more closely with the actual market situation than that fixed in accordance with the said Article 5;

Whereas a security should be required in order to ensure compliance with the obligations involved in the submission of a tender; whereas, moreover, that security should be such as to prevent the seeds sold by tender from being offered for intervention a second time; whereas the security should therefore be forfeited unless the successful tenderer provides proof that the seeds have been placed under control at an oil mill pursuant to Article 2 of Council Regulation (EEC) No 2114/71<sup>(5)</sup>, as last amended by Regulation (EEC) No 851/78<sup>(6)</sup>, or have been exported;

Whereas the minimum selling price that most closely corresponds to the actual market situation may be determined on the basis of the tenders received;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION:
