Having regard to the proposal from the Commission,

Whereas, in accordance with the procedure provided for by the Fisheries Agreement between the European Economic Community, of the one part, and the Government of Denmark and the Home Government of the Faroe Islands, of the other part, both parties have held consultations concerning their mutual fishing rights for 1984;

Whereas as a result of these consultations the two parties have agreed an arrangement for 1984 involving *inter alia* the allocation of certain catch quotas to Community vessels in the fisheries zone of the Faroe Islands;
