

Council Regulation (EEC) No 1434/90 of 14 May 1990 implementing certain provisions of the Agreement between the European Economic Community and the European Atomic Energy Community and the Union of the Soviet Socialist Republics on trade and commercial and economic cooperation

COUNCIL REGULATION (EEC) No 1434/90

of 14 May 1990

implementing certain provisions of the Agreement between the European Economic Community and the European Atomic Energy Community and the Union of the Soviet Socialist Republics on trade and commercial and economic cooperation

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas an Agreement between the European Economic Community and the European Atomic Energy Community and the Union of Soviet Socialist Republics on trade and commercial and economic cooperation<sup>(1)</sup>, hereinafter referred to as the 'Agreement', was signed in Brussels on 18 December 1989 and entered into force on 1 April 1990;

Whereas, under this Agreement, certain liberalization measures intended to facilitate access to the Community market for goods from the Union of Soviet Socialist Republics, hereinafter referred to as the 'USSR', are to be introduced progressively; whereas, pursuant to Article 8 of the Agreement, the Community undertakes, in particular, to eliminate quantitative restrictions on imports into regions of the Community of those products listed in Annex I to the Agreement and to suspend application of quantitative restrictions on imports into regions of the Community of those products listed in Annex II to the Agreement, on the terms and conditions specified therein;

Whereas, however, the Community has already adopted some of the measures provided for in Annex I to the Agreement, by Commission communications to the Council Nos 89/C 288/03<sup>(2)</sup>, 89/C 315/05<sup>(3)</sup>, 90/C 1/06<sup>(4)</sup> and 90/C 36/06<sup>(5)</sup>; whereas it is therefore necessary simply to abolish the quantitative restrictions on imports of the remaining products listed in Annex I and to suspend the quantitative restrictions on imports of the products listed in Annex II to the Agreement, except in the case of one product falling within CN code 4910 00 00 which has already been liberalized at Community level;

Whereas, in consequence, Community imports of some of the products listed in Annex I to the Agreement, originating in the USSR, will be free of all quantitative restrictions; whereas these products — now listed in Annex III — can therefore be covered by Council Regulation (EEC) No 1765/82 of 30 June 1982 on common rules for imports from State-trading countries<sup>(6)</sup>,

HAS ADOPTED THIS REGULATION:

## List of regions of the Community and products referred to in Article 1 (2)

The schemes for the suspension of quantitative restrictions referred to below have been established in order to permit the import of the products concerned without a quantitative limit on an experimental and temporary basis. Consequently, in particular instances, as a result of USSR exports to the regions of the Community concerned, market trends may make it necessary for the Community to discontinue this practice; in this, the USSR will be informed to this effect immediately.
