

Commission Regulation (EC) No 1966/94 of 28 July 1994 concerning
the classification of certain goods in the combined nomenclature

COMMISSION REGULATION (EC) No 1966/94

of 28 July 1994

concerning the classification of certain goods in the combined nomenclature

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 2658/87 of 23 July 1987 on the tariff and statistical nomenclature and on the Common Customs Tariff⁽¹⁾, as last amended by Commission Regulation (EC) No 1737/94⁽²⁾, and in particular Article 9 thereof,

Whereas in order to ensure uniform application of the combined nomenclature annexed to the said Regulation, it is necessary to adopt measures concerning the classification of the goods referred to in the Annex to this Regulation;

Whereas Regulation (EEC) No 2658/87 has set down the general rules for the interpretation of the combined nomenclature and these rules also apply to any other nomenclature which is wholly or partly based on it or which adds any additional subdivisions to it and which is established by specific Community provisions, with a view to the application of tariff or other measures relating to trade in goods;

Whereas, pursuant to the said general rules, the goods described in column 1 of the table annexed to this Regulation must be classified under the appropriate CN codes indicated in column 2, by virtue of the reasons set out in column 3;

Whereas it is appropriate that, subject to the measures in force in the Community relating to double checking systems and to prior and retrospective Community surveillance of textile products on importation into the Community, binding tariff information in the matter of classification of goods in the combined nomenclature issued by the customs authorities of the Member States which do not conform to this Regulation may continue to be invoked in accordance with the provisions of Article 12 (6) of Council Regulation (EEC) No 2913/92 of 12 October 1992, establishing the Community Customs Code⁽³⁾, for a period of 60 days by the holder;

Whereas the tariff and statistical nomenclature section of the Customs Code Committee has not delivered an opinion with the time limit set by its chairman as regards products Nos 3, 5, 6, 7 in the annexed table;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the tariff and statistical nomenclature section of the Customs Code Committee as regards products Nos 1, 2, 4 in the annexed table,

HAS ADOPTED THIS REGULATION:

Status: Point in time view as at 28/07/1994.

Changes to legislation: Commission Regulation (EC) No 1966/94 is up to date with all changes known to be in force on or before 12 December 2023. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Article 1

The goods described in column 1 of the annexed table are now classified within the combined nomenclature under the appropriate CN codes indicated in column 2 of the said table.

Article 2

Subject to the measures in force in the Community relating to double checking systems and to prior and retrospective Community surveillance of textile products on importation into the Community, binding tariff information in the matter of classification of goods in the combined nomenclature issued by the customs authorities of the Member States which no longer conform to this Regulation may continue to be invoked in accordance with the provisions of Article 12 (6) of Regulation (EEC) No 2913/92 for a period of 60 days.

Article 3

This Regulation shall enter into force on the 21st day following its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 28 July 1994.

ANNEX

Description (1)	Classification CN code (2)	Reasons (3)
1. Woven fabric in the piece, printed with decorative motifs of different colours (93 % polyester, 7 % viscose), with added sequins and a number of flowers of synthetic woven textile material. The sequins are glued to the fabric. The flower motifs are few in number (approximately 6 to an area 1,70 m by 1,15 m) and are loosely sewn to the fabric.	5407 54 00	Classification is determined by general rules 1 and 6 for the interpretation of the combined nomenclature, by subheading note 1 (ij) to section XI and the wording of CN codes 5407 and 5407 54 00. See also the Harmonized System explanatory notes to heading 5810. Classification as embroidery under CN code 5810 is ruled out because the decorative motifs are so loosely sewn to the fabric that they come off at the slightest pull.
2. Doormat with an external surface consisting of tufts of coconut fibres about one centimetre in length directly inserted vertically into a layer of PVC mixed with a plasticizer.	5705 00 90	Classification is determined by the provisions of general rules 1 and 6 for the interpretation of the combined nomenclature and by the wording of CN codes 5705 and 5705 00 90. See also the Harmonized System explanatory note to heading 5705.
3. Lightweight loose-fitting garment made of two different knitted printed fabrics (100 % cotton) intended to cover the upper part of the body reaching down to mid-thigh. It has a rounded neckline with a partial opening fastening right over left, short, loose-fitting	6104 42 00	Classification is determined by the provisions of general rules 1 and 6 for the interpretation of the combined nomenclature and by the wording of CN codes 6104 and 6104 42 00.
