

Commission Regulation (EC) No 2564/95 of 27 October 1995 concerning  
the classification of certain goods in the combined nomenclature

COMMISSION REGULATION (EC) No 2564/95

of 27 October 1995

concerning the classification of certain goods in the combined nomenclature

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 2658/87<sup>(1)</sup> on the tariff and statistical nomenclature and on the Common Customs Tariff, as last amended by Commission Regulation (EC) No 1739/95<sup>(2)</sup>, and in particular Article 9 thereof,

Whereas in order to ensure uniform application of the combined nomenclature annexed to the said Regulation, it is necessary to adopt measures concerning the classification of the goods referred to in the Annex to this Regulation;

Whereas Regulation (EEC) No 2658/87 has set down the general rules for the interpretation of the combined nomenclature and those rules also apply to any other nomenclature which is wholly or partly based on it or which adds any additional subdivision to it and which is established by specific Community provisions, with a view to the application of tariff and other measures relating to trade in goods;

Whereas, pursuant to the said general rules, the goods described in column 1 of the table annexed to the present Regulation must be classified under the appropriate CN codes indicated in column 2, by virtue of the reasons set out in column 3;

Whereas it is accepted that binding tariff information issued by the customs authorities of Member States in respect of the classification of goods in the combined nomenclature and which do not conform to the rights established by this Regulation can continue to be invoked, under the provisions in Article 12 (6) of Council Regulation (EEC) No 2913/92 of 12 October 1992 establishing the Community Customs Code<sup>(3)</sup>, for a period of three months by the holder;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the tariff and statistical nomenclature section of the Customs Code Committee,

HAS ADOPTED THIS REGULATION:

*Article 1*

The goods described in column 1 of the annexed table are now classified within the combined nomenclature under the appropriate CN codes indicated in column 2 of the said table.

---

**Status:** Point in time view as at 27/10/1995.

**Changes to legislation:** Commission Regulation (EC) No 2564/95 is up to date with all changes known to be in force on or before 12 December 2023. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

---

### *Article 2*

The classification of product No 2 in the annexed table has no effect on the application of Council Regulation (EC) No 1556/95<sup>(4)</sup>

### *Article 3*

Binding tariff information issued by the customs authorities of Member States which do not conform to the rights established by this Regulation can continue to be invoked under the provisions of Article 12 (6) of Regulation (EEC) No 2913/92 for a period of three months.

### *Article 4*

This Regulation shall enter into force on 21st day following its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 27 October 1995.
