That corrective amount must be calculated taking account of the factors referred to in Article 1 of Regulation (EC) No 1501/95.
- (3) The world market situation or the specific requirements of certain markets may make it necessary to vary the corrective amount according to destination.
- (4) The corrective amount must be fixed at the same time as the refund and according to the same procedure; it may be altered in the period between fixings.
- (5) It follows from applying the provisions set out above that the corrective amount must be as set out in the Annex hereto.
