amending Regulation (EC) No 341/2007 opening and providing for the administration of tariff quotas and introducing a system of import licences and certificates of origin for garlic and certain other agricultural products imported from third countries

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1234/2007 of 22 October 2007 establishing a common organisation of agricultural markets and on specific provisions for certain agricultural products (Single CMO Regulation)⁽¹⁾, and in particular Articles 134 and 148 thereof in conjunction with Article 4,

Whereas:

- (1) In accordance with Chapter II of Commission Regulation (EC) No 341/2007⁽²⁾, applications for 'A' licence have to be submitted in April, July, October and January of each year, and 'A' licences are only valid for the subperiod for which they have been issued.

garlic from Taiwan. It provides for a regime similar to that laid down in Chapter IV of Regulation (EC) No 341/2007 for garlic of certain other origins. In the interests of legislative simplification and readability, it is appropriate to list all countries to which an origin certificate for garlic is needed in one place. Taiwan should therefore be added to the list of countries in Annex IV to Regulation (EC) No 341/2007 to which Chapter IV of that Regulation is applied. Regulation (EC) No 1084/95 should therefore be repealed.

- (6) Regulation (EC) No 341/2007 should therefore be amended accordingly.
