Article 18

Resources for the transfer of applicants for international protection or of beneficiaries of international protection

1. With a view to implementing the principle of solidarity and fair sharing of responsibility and in the light of Union policy developments within the implementation period of the Fund, Member States shall receive, in addition to their allocation calculated in accordance with point (a) of Article 15(1), an additional amount as set out in point (b) of Article 15(2) based on a lump sum of EUR 6 000 for each M1 applicant for international protection or beneficiary of international protection transferred from another Member State.

2. Member States may also be eligible for lump sums for family members of persons referred to in paragraph 1, where appropriate, provided that those family members have been transferred in accordance with this Regulation.

Recommitments of those amounts to the same action under the national programme or transfers of those amounts to other actions under the national programme shall be possible where duly justified in the revision of the relevant national programme. An amount may only be recommitted or transferred once. The Commission shall approve the recommittment or transfer through the revision of the national programme.

In respect of amounts stemming from the provisional measures established by Council Decisions (EU) 2015/1523 (1) and (EU) 2015/1601 (2), with a view to enhancing solidarity and in accordance with Article 80 TFEU, Member States shall allocate at least 20 % of those amounts to actions under the national programmes for the transfer of applicants for international protection or of beneficiaries of international protection, for resettlement or other ad hoc humanitarian admissions, as well as for preparatory measures for the transfer of applicants for international protection following their arrival in the Union, including arrival by sea, or for the transfer of beneficiaries of international protection. Such measures shall not include any measures related to detention. Where a Member State recommits or transfers resources below that minimum percentage, it shall not be possible to transfer the difference between the recommitted or transferred amount and the minimum percentage to other actions under the national programme.

3a. For the purpose of Article 50(1) of Regulation (EU) No 514/2014, where amounts stemming from the provisional measures established by Decisions (EU) 2015/1523 and (EU) 2015/1601 are recommitted to the same action under the national programme or transferred to other actions under the national programme in accordance with

paragraph 3 of this Article, the amounts concerned shall be considered to have been committed in the year of the revision of the national programme that approves the recommitment or transfer in question.

3b. By way of derogation from Article 50(1) of Regulation (EU) No 514/2014, the deadline for the decommitment of the amounts referred to in paragraph 3a of this Article shall be extended by a period of six months.

3c. The Commission shall report annually to the European Parliament and to the Council on the application of this Article.

4. To effectively pursue the objectives of solidarity and fair sharing of responsibility between the Member States referred to in Article 80 TFEU, and within the limits of available resources, the Commission shall be empowered to adopt delegated acts in accordance with Article 26 of this Regulation to adjust the lump sum referred to in paragraph 1 of this Article, taking into account in particular the current rates of inflation, relevant developments in the field of transfer of applicants for international protection and of beneficiaries of international protection from one Member State to another and in the field of resettlement and other ad hoc humanitarian admission, as well as factors which can optimise the use of the financial incentive brought by the lump sums.
