

Commission Implementing Regulation (EU) 2015/10 of 6 January 2015
on criteria for applicants for rail infrastructure capacity and repealing
Implementing Regulation (EU) No 870/2014 (Text with EEA relevance)

Article 1

Subject matter

This Regulation sets out the requirements for financial guarantees that an infrastructure manager may request to ensure that its legitimate expectations about future revenues are met without exceeding a level proportional to the level of activities contemplated by the applicant. The requirements include in particular the conditions when a guarantee or an advance payment may be requested and the level and duration of a financial guarantee. In addition, this Regulation sets out certain details as regards the criteria to assess the capability of an applicant to prepare compliant bids for infrastructure capacity.
