

Commission Implementing Regulation (EU) 2017/1185 of 20 April 2017 laying down rules for the application of Regulations (EU) No 1307/2013 and (EU) No 1308/2013 of the European Parliament and of the Council as regards notifications to the Commission of information and documents and amending and repealing several Commission Regulations (Text with EEA relevance)

COMMISSION IMPLEMENTING REGULATION (EU) 2017/1185

of 20 April 2017

laying down rules for the application of Regulations (EU) No 1307/2013 and (EU) No 1308/2013 of the European Parliament and of the Council as regards notifications to the Commission of information and documents and amending and repealing several Commission Regulations

(Text with EEA relevance)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 1307/2013 of the European Parliament and of the Council of 17 December 2013 establishing rules for direct payments to farmers under support schemes within the framework of the common agricultural policy and repealing Council Regulation (EC) No 637/2008 and Council Regulation (EC) No 73/2009⁽¹⁾ and in particular Article 67(3) thereof,

Having regard to Regulation (EU) No 1308/2013 of the European Parliament and of the Council of 17 December 2013 establishing a common organisation of the markets in agricultural products and repealing Council Regulations (EEC) No 922/72, (EEC) No 234/79, (EC) No 1037/2001 and (EC) No 1234/2007⁽²⁾, and in particular Articles 126 and 151, and Article 223(3) thereof,

Whereas:

- (1) Regulations (EU) No 1307/2013 and (EU) No 1308/2013 have repealed and replaced Council Regulations (EC) No 73/2009⁽³⁾ and (EC) No 1234/2007⁽⁴⁾ respectively. Regulations (EU) No 1307/2013 and (EU) No 1308/2013 and the acts adopted on the basis of those Regulations lay down a wide range of obligations to notify information and documents to the Commission. Those regulations also empower the Commission to adopt delegated and implementing acts in that respect. In order to ensure the smooth notification of information and documents by Member States to the Commission, certain rules have to be adopted by means of such acts. Those acts should replace the rules laid down in Commission Regulation (EC) No 792/2009⁽⁵⁾, which is repealed by Commission Delegated Regulation (EU) 2017/1183⁽⁶⁾.
- (2) The method to be used to notify the information and documents required to meet the notification obligations laid down in Regulations (EU) No 1307/2013 and (EU) No 1308/2013 as supplemented by Delegated Regulation (EU) 2017/1183, should be laid down and exceptions to that notification method should be specified.

Changes to legislation: There are outstanding changes not yet made to Commission Implementing Regulation (EU) 2017/1185. Any changes that have already been made to the legislation appear in the content and are referenced with annotations. (See end of Document for details) [View outstanding changes](#)

- (3) For documents to be recognised as valid for the Commission's purposes it should be possible to guarantee the authenticity, integrity and legibility of the documents and the associated metadata throughout the period for which they are required to be kept.
- (4) Documents must be managed in accordance with the personal data protection rules. To that end, the general rules laid down by Union legislation, notably Directive 95/46/EC of the European Parliament and of the Council⁽⁷⁾, Regulations (EC) No 45/2001⁽⁸⁾ and (EC) No 1049/2001⁽⁹⁾ of the European Parliament and of the Council and Directive 2002/58/EC of the European Parliament and of the Council⁽¹⁰⁾ should apply, and further provisions should be laid down to guide Member States.
- (5) It is important that information notified is of relevance to the market concerned, accurate and complete and Member States should put in place arrangements to ensure this, including the necessary measures to ensure that economic operators provide them with the required information within appropriate time limits.
- (6) For the sake of simplification and reduction of administrative burden, when a Member State has not sent a notification, this should be interpreted by the Commission as a nil notification by the Member State.
- (7) Member States may notify additional information that is relevant to the market beyond what is required by this Regulation. The Commission shall make available, through the information system, the necessary form for the transmission of such information.
- (8) Information on product prices and production and market information is required for the purpose of monitoring, analysing and managing the market in agricultural products and for the purpose of applying Regulation (EU) No 1308/2013. It is accordingly appropriate that rules concerning the notification of this information are laid down.
- (9) In order to simplify and facilitate access to rules concerning notification obligations, it is appropriate to incorporate in this Regulation the provisions regarding notifications from Member States to the Commission on the data on agricultural markets, particularly prices, production and balance sheet data, currently laid down in Commission Regulations (EC) No 315/2002⁽¹¹⁾, (EC) No 546/2003⁽¹²⁾, (EC) No 1709/2003⁽¹³⁾, (EC) No 2336/2003⁽¹⁴⁾, (EC) No 2095/2005⁽¹⁵⁾, (EC) No 952/2006⁽¹⁶⁾, (EC) No 1557/2006⁽¹⁷⁾, (EC) No 589/2008⁽¹⁸⁾, (EC) No 826/2008⁽¹⁹⁾, (EC) No 1249/2008⁽²⁰⁾, (EC) No 436/2009⁽²¹⁾, (EU) No 1272/2009⁽²²⁾ and (EU) No 479/2010⁽²³⁾ and Commission Implementing Regulations (EU) No 543/2011⁽²⁴⁾, (EU) No 1288/2011⁽²⁵⁾, (EU) No 1333/2011⁽²⁶⁾ and (EU) No 807/2013⁽²⁷⁾. Those notification obligations should be updated in the light of acquired experience and for a more effective management of the common agricultural policy.
- (10) In order to have a comprehensive picture of price data notified and to follow trends, it is appropriate to require that each price series is defined.
- (11) Member States that have not adopted the euro shall report price information in their official currency.
- (12) The Union is required to make certain notifications to the World Trade Organisation (WTO) in accordance with Article 18(2) of the WTO Agreement on Agriculture⁽²⁸⁾, as

further detailed in paragraph 4 of WTO document G/AG/2 of 30 June 1995 and the Annex to the WTO Ministerial Decision of 19 December 2015 on export competition (WT/MIN(15)/45-WT/L/980). In order to comply with these requirements, the Union requires certain information from Member States, notably information relating to domestic support and export competition. Provisions concerning the notifications to be made by Member States to the Commission for these purposes should therefore be laid down.

- (13) The provisions on notifications in the sugar sector should apply from 1 October 2017 in order to provide for a smooth transition with the ending of the quota system.
- (14) Regulations (EC) No 315/2002, (EC) No 952/2006, (EC) No 589/2008, (EC) No 826/2008, (EC) No 1249/2008, (EC) No 436/2009, (EU) No 1272/2009, (EU) No 479/2010, and Implementing Regulations (EU) No 543/2011, (EU) No 1333/2011 and (EU) No 807/2013 should therefore be amended accordingly. Regulations (EC) No 546/2003, (EC) No 1709/2003, (EC) No 2336/2003, (EC) No 2095/2005 and (EC) No 1557/2006 and Implementing Regulation (EU) No 1288/2011 should be repealed.
- (15) The measures provided for in this Regulation are in accordance with the opinion of the Committee of Direct Payments and the Committee for the Common Organisation of Agricultural Markets,

HAS ADOPTED THIS REGULATION:

CHAPTER I

PRINCIPLES AND REQUIREMENTS OF THE INFORMATION SYSTEM

Article 1

Commission information system and notification method

1 Notification of information and documents required pursuant to the notification obligations laid down in Regulations (EU) No 1307/2013 and (EU) No 1308/2013 and in the acts adopted on the basis of those Regulations shall be made by means of an information-technology-based system that the Commission makes available to Member States.

The information and documents shall be set up and notified in accordance with:

- a the procedures established for the information system;
- b the access rights granted by the single liaison body referred to in Delegated Regulation (EU) 2017/1183; and
- c the forms made available to users in the information system.

2 By way of exception to the first paragraph of paragraph 1, Member States may make the required information available to the Commission by mail, by telefax, by electronic mail or by hand:

- a if the Commission has not made available the information technology means for a specific notification obligation;
- b in cases of *force majeure* or exceptional circumstances which make it impossible for the Member State to use the information system referred to in paragraph 1.

Changes to legislation: There are outstanding changes not yet made to Commission Implementing Regulation (EU) 2017/1185. Any changes that have already been made to the legislation appear in the content and are referenced with annotations. (See end of Document for details) [View outstanding changes](#)

Article 2

Integrity and legibility over time

The information system made available by the Commission shall be designed to protect the integrity of the documents notified and held. In particular, it shall:

- (a) allow each user to be unequivocally identified and shall incorporate effective control measures of access rights in order to protect against illegal, malicious or unauthorised access, deletion, alteration or movement of documents, files or metadata;
- (b) be equipped with physical protection systems against intrusions and environmental incidents and with software protection against possible cyber-attacks;
- (c) prevent any unauthorised changes and incorporate integrity mechanisms to check if a document has been altered over time;
- (d) keep an audit trail for each essential stage of the procedure;
- (e) safeguard stored data in an environment which is secure in both physical and software terms, in accordance with point (b);
- (f) provide reliable format conversion and migration procedures in order to guarantee that documents are legible and accessible throughout the entire storage period required;
- (g) have sufficiently detailed and up-to-date functional and technical documentation on the operation and characteristics of the system; that documentation shall be accessible at all times to the organisational entities responsible for the functional and/or technical specifications.

Article 3

Authenticity of documents

The authenticity of a document notified or stored using an information system in conformity with this Regulation is recognised if the person who sent the document is duly identified and if the document has been set up and notified in compliance with this Regulation.

Article 4

Protection of personal data

1 The provisions of this Regulation shall apply without prejudice to Directive 95/46/EC, Regulation (EC) No 45/2001, Regulation (EC) No 1049/2001, and Directive 2002/58/EC and the provisions adopted pursuant to them.

2 Member States shall take the necessary steps to protect the confidentiality of data received from economic operators.

3 Where information notified to the Commission is obtained from less than three operators, or where information from a single operator accounts for more than 70 % of the

Changes to legislation: There are outstanding changes not yet made to Commission Implementing Regulation (EU) 2017/1185. Any changes that have already been made to the legislation appear in the content and are referenced with annotations. (See end of Document for details) [View outstanding changes](#)

quantum of such information notified, the Member State concerned shall signal this to the Commission when notifying the information.

4 The Commission shall not publish information in such a way that can lead to the identification of an individual operator. Where such a risk exists, the Commission shall only publish such information in an aggregate form.

Article 5

Default notification

Save as otherwise provided for in the acts referred to in Article 1, where a Member State has not notified the Commission the required information or documents by the deadline ('nil return'), the Member State shall be deemed to have notified the Commission:

- (a) in the case of quantitative information, of a zero value;
- (b) in the case of qualitative information, of a 'nothing to report' situation.

CHAPTER II

NOTIFICATIONS ON PRICES, PRODUCTION, MARKET INFORMATION AND THOSE REQUIRED BY INTERNATIONAL AGREEMENTS

SECTION 1

Notification on prices, production and market information

Article 6

Notification on prices, production and market situation

The notification of information on prices required pursuant to the notification obligation laid down in Article 2 of Delegated Regulation (EU) 2017/1183 shall be made in accordance with Annexes I and II.

The notification of production and markets required pursuant to the notification obligation laid down in Article 2 of Delegated Regulation (EU) 2017/1183 shall be made in accordance with Annex III.

Article 7

Integrity of information

1 Member States shall take the necessary steps to ensure that information notified is relevant to the market concerned, accurate and complete. Member States shall ensure that quantitative data notified constitute a consistent statistical series. In the event that a Member State has reason to believe that the information notified might not be relevant, accurate or complete, the Member State concerned shall signal this to the Commission when notifying the information.

Changes to legislation: There are outstanding changes not yet made to Commission Implementing Regulation (EU) 2017/1185. Any changes that have already been made to the legislation appear in the content and are referenced with annotations. (See end of Document for details) [View outstanding changes](#)

2 Member States shall notify the Commission of any important new information likely to alter substantially information already notified.

3 Member States shall take the necessary measures to ensure that the economic operators concerned provide them with the information required within the appropriate time limits. Economic operators shall provide Member States with the information necessary to comply with the information requirements laid down in this Regulation.

Article 8

Additional information

Member States may notify the Commission of information additional to that required in Annexes I, II and III by means of the information system referred to in Article 1 where such information is considered relevant by the Member State concerned. Such notifications shall be made by means of a form made available by the Commission in the system.

Article 9

Price definition

1 For each price notification required by this Section, Member States shall notify the source and methodology used to determine the prices provided. Such notifications shall include information on the representative markets determined by Member States and the associated weighting coefficients.

2 Member States shall notify the Commission of any changes to the information provided in accordance with paragraph 1.

3 Member States shall ensure that the Commission has the right to publish data that they notify to the Commission, subject to Article 4.

Article 10

Reporting of prices in official currency

Unless otherwise specified in Annexes I, II and III, Member States shall notify price information in their official currency, net of VAT.

Article 11

Weekly price monitoring

Unless otherwise specified in Annex I, Member States shall notify the Commission of the weekly price information referred to in that Annex no later than 12.00 (Brussels time) each Wednesday for the previous week.

Changes to legislation: There are outstanding changes not yet made to Commission Implementing Regulation (EU) 2017/1185. Any changes that have already been made to the legislation appear in the content and are referenced with annotations. (See end of Document for details) [View outstanding changes](#)

Article 12

Non-weekly price information and production monitoring

Member States shall notify the Commission, within the time limits laid down, of:

- (a) non-weekly price information referred to in Annex II to this Regulation; and
- (b) production and market information referred to in Annex III to this Regulation.

SECTION 2

Notifications required by international agreements

Article 13

WTO domestic support data

1 Member States shall notify the Commission by 31 October each year of data on national budgetary outlays, including revenue foregone, on domestic support measures in favour of agricultural producers for the previous Union financial year. The notification shall include data on measures co-financed from the Union budget and shall cover both the national and Union components of financing. The notification shall not cover measures wholly financed from the Union budget.

2 The data required under paragraph 1 shall be that set out in WTO document G/AG/2 on domestic support and shall be notified using the format set out in that document.

Article 14

WTO export competition data

1 Member States shall notify the Commission by 28 February each year of data for the preceding calendar year on the following export competition measures applied by them:

- a export financing support (export credits, export credit guarantees or insurance programmes);
- b international food aid;
- c agricultural exporting state trading enterprises.

2 The data required under paragraph 1 shall be that set out in the Annex to the WTO Ministerial Decision of 19 December 2015 on export competition and shall be notified using the format set out in that Annex.

Changes to legislation: There are outstanding changes not yet made to Commission Implementing Regulation (EU) 2017/1185. Any changes that have already been made to the legislation appear in the content and are referenced with annotations. (See end of Document for details) [View outstanding changes](#)

ANNEX I

Requirements relating to weekly price notifications referred to in Article 11

1. Cereals

Content of the notification: representative market prices for each of the cereals and the cereal qualities considered relevant for the Union market, expressed per tonne of product.

Member States concerned: all Member States.

Other: prices shall refer, in particular, to the qualitative properties, the place of quotation and the stage of marketing of each product.

2. Rice

Content of the notification: representative market prices for each of the varieties of rice considered relevant for the Union market, expressed per tonne of product.

Member States concerned: rice producing Member States.

Other: prices shall refer, in particular, to the processing stage, the place of quotation and the stage of marketing of each product.

3. Olive oil

Content of the notification: average prices recorded on the main representative markets and national average prices for the categories of olive oil listed in Part VIII of Annex VII to Regulation (EU) No 1308/2013, expressed per 100 kg of product.

Member States concerned: Member States producing more than 20 000 t of olive oil in the annual period from 1 October to 30 September.

Other: prices shall correspond to olive oil in bulk, ex-mill for virgin olive oil and ex-factory for other categories. Representative markets shall cover at least 70 % of the national production of the product concerned.

4. Fruit and vegetables

Content of the notification: a single weighted average price for the types and varieties of fruit and vegetables listed in Part A of Annex XV to Implementing Regulation (EU) No 543/2011 meeting the general marketing standard set out in Part A of Annex I to that Regulation or for Class I for products covered by a specific marketing standard, expressed per 100 kg net weight of product.

Member States concerned: Member States as specified in Annex XV to Implementing Regulation (EU) No 543/2011, when data are available.

Other: Prices shall be ex-packaging station, sorted, packaged and where applicable on pallets.

5. Bananas

Content of the notification: wholesale prices for yellow bananas falling within the CN code 0803 90 10, expressed per 100 kg of product.

Member States concerned: all Member States marketing more than 50 000 tonnes of yellow bananas per calendar year.

Other: prices shall be notified by group of countries of origin.

Changes to legislation: There are outstanding changes not yet made to Commission Implementing Regulation (EU) 2017/1185. Any changes that have already been made to the legislation appear in the content and are referenced with annotations. (See end of Document for details) [View outstanding changes](#)

6. Meat

Content of the notification: prices for beef, pig and sheep carcasses and certain live cattle, calves and piglets as regards the classification of beef, pig and sheep carcasses and the reporting of market prices in accordance with Union rules under Regulation (EU) No 1308/2013.

Member States concerned: all Member States.

Other: where in the opinion of the competent authority of the Member State concerned there are insufficient numbers of carcasses or live animals to notify, the Member State concerned may decide for the period in question to suspend the recording of prices for such carcasses or live animals and shall notify the Commission of the reason for its decision.

7. Milk and milk products

Content of the notification: prices of whey powder, skimmed milk powder, whole milk powder, butter and commodity cheeses expressed per 100 kg of product.

Member States concerned: Member States whose national production represents 2 % or more of Union production; or, in the case of commodity cheeses, where the cheese type represents 4 % or more of the total national cheese production.

Other: prices shall be notified for products purchased from the manufacturer, excluding any other cost (transport, loading, handling, storage, pallets, insurance, etc.) based on contracts concluded for deliveries within three months.

8. Eggs

Content of the notification: wholesale price for Class A eggs from caged hens (average of categories L and M), expressed per 100 kg of product.

Member States concerned: all Member States.

Other: prices shall be notified for products in packing stations. Where the production in cages is no longer representative, the Member State concerned shall notify the wholesale price of Class A eggs, produced by laying hens kept in barn systems, expressed per 100 kg.

9. Poultrymeat

Content of the notification: average wholesale price for whole Class A chickens ('65 % chickens'), expressed per 100 kg of product.

Member States concerned: all Member States.

Other: prices shall be notified for products in slaughter plants or recorded on representative markets. Where another chicken presentation or specific cuts of chicken are important in terms of its market structure, the Member State concerned may notify, in addition to the average wholesale price for whole Class A chickens ('65 % chickens'), the wholesale price of a different chicken presentation or cuts of Class A quality, specifying the type of presentation or cuts to which the price refers, expressed per 100 kg.

Changes to legislation: There are outstanding changes not yet made to Commission Implementing Regulation (EU) 2017/1185. Any changes that have already been made to the legislation appear in the content and are referenced with annotations. (See end of Document for details) [View outstanding changes](#)

ANNEX II

Requirements relating to non-weekly price notifications as referred to in point (a) of Article 12

1. **Sugar**

Content of the notification

- (a) the weighted averages of the following sugar prices, expressed per tonne of sugar, as well as the total corresponding quantities and the weighted standard deviations:
 - (i) for the previous month, the selling price;
 - (ii) for the current month, the selling price forecast in the framework of contracts or other transactions;
- (b) the weighted average price of sugar beet during the previous marketing year, expressed per tonne of beet, as well as the total corresponding quantities.

Member States concerned

- (a) for sugar prices, all Member States where more than 10 000 tonnes of sugar is produced from sugar beet or from raw sugar;
- (b) for sugar beet prices, all Member States where sugar beet is produced.

Period of notification

- (a) for sugar prices, by the end of each month;
- (b) for sugar beet prices, by 30 June each year.

Other

Prices shall be established in line with the methodology published by the Commission and shall relate to:

- (a) bulk white sugar prices ex-factory for sugar of a standard quality as defined in point B II of Annex III to Regulation (EU) No 1308/2013 collected from sugar undertakings and refiners;
- (b) sugar beet price for sugar beet of a standard quality as defined in point B I of Annex III to Regulation (EU) No 1308/2013 paid by sugar undertakings to producers. The beet shall be attributed to the same marketing year as the sugar extracted from it.

2. **Flax fibre**

Content of the notification: average prices ex-factory for the previous month recorded on the main representative markets for long flax fibre, expressed per tonne of product.

Member States concerned: all Member States where long flax fibres are produced from a planted area exceeding 1 000 ha of fibre flax.

Period of notification: by 25th of each month in respect of the preceding month.

3. **Wine**

Content of the notification: in relation to the wines referred to in point 1 of Part II of Annex VII to Regulation (EU) No 1308/2013:

- (a) a summary of the prices for the previous month expressed per hectolitre of wine with reference to the volumes concerned; or

Changes to legislation: There are outstanding changes not yet made to Commission Implementing Regulation (EU) 2017/1185. Any changes that have already been made to the legislation appear in the content and are referenced with annotations. (See end of Document for details) [View outstanding changes](#)

- (b) by 31 July 2017, the publicly available information sources considered credible for the recording of prices.

Member States concerned: Member States whose wine production during the past five years on average exceeded 5 % of the total Union wine production.

Period of notification: by 15th of each month in respect of the preceding month.

Other: prices shall be for product unpacked ex-producer's premises. For the information referred to in points (a) and (b), the Member States concerned shall make a selection of the eight most representative markets to be monitored, which shall include at least two for wines with protected designation of origin or protected geographical indication.

4. **Milk and milk products**

- (a) Milk

Content of the notification: the price of raw milk, and the estimated price for deliveries in the running month, expressed per 100 kg of product at real fat and protein content.

Member States concerned: all Member States.

Period of notification: by the end of each month in respect of the preceding month.

Other: the price shall be that paid by first purchasers established in the territory of the Member State.

- (b) Milk products

Content of the notification: prices for cheeses, other than commodity cheeses referred to in Point 7 of Annex I, expressed per 100 kg of product.

Member States concerned: all Member States for types of cheeses relevant for the national market.

Period of notification: by 15th of each month in respect of the preceding month.

Other: the prices shall relate to cheese purchased from the manufacturer, excluding any other cost (transport, loading, handling, storage, pallets, insurance, etc.) based on contracts concluded for deliveries within three months.

ANNEX III

Requirements relating to production and market information notifications as referred to in point (b) of Article 12

1. **Rice**

Content of the notification: for each of the types of rice referred to in points 2 and 3 of Part I of Annex II to Regulation (EU) No 1308/2013:

- (a) area planted, agronomic yield, production of paddy rice in the harvest year and milling yield;
- (b) stocks of rice (expressed in milled equivalent) held by producers and by rice mills on 31 August each year, broken down by rice produced in the European Union and rice imported.

Changes to legislation: There are outstanding changes not yet made to Commission Implementing Regulation (EU) 2017/1185. Any changes that have already been made to the legislation appear in the content and are referenced with annotations. (See end of Document for details) [View outstanding changes](#)

Period of notification: by 15 January each year in respect of the previous year.

Member States concerned

- (a) for paddy rice production, all rice producing Member States;
- (b) for rice stocks, all rice producing Member States and Member States with rice mills.

2. **Sugar**

A. Beet areas

Content of the notification: sugar beet area for the current marketing year and an estimate for the following marketing year.

Period of notification: by 31 May each year.

Member States concerned: all Member States with a planted area of more than 1 000 ha of sugar beet in the year in question.

Other: these figures shall be expressed in hectares and broken down by areas intended for production of sugar and those intended for production of bioethanol.

B. Sugar and bioethanol production

Content of the notification: sugar production and bioethanol production by each undertaking in the previous marketing year and an estimate of sugar production by each undertaking for the current marketing year;

Period of notification: by 30 November each year as regards the previous marketing year production and by 31 March each year (30 June for the French departments of Guadeloupe and Martinique) as regards the current marketing year production.

Member States concerned: all Member States where more than 10 000 tonnes of sugar is produced.

Other

- (a) ‘sugar production’ means the total quantity, expressed in tonnes of white sugar as follows, of:
 - (i) white sugar, disregarding differences in quality;
