

LOCAL GOVERNMENT (WALES) MEASURE 2009

EXPLANATORY NOTES

COMMENTARY ON SECTIONS

Section 44 - community planning etc: community involvement

85. [Section 44](#) requires a local authority and its community planning partners to make arrangements to involve and take account of the views of:

- local residents;
- non-residents who receive services provided by the authority or one of its community planning partners;
- representatives of voluntary organisations;
- representatives of business interests; and
- anyone else whom the authority considers to have an interest in improving the area's social, economic or environmental well-being

in connection with community planning, preparation of a community strategy and the review of a community strategy.
