Part 3: Integrated Family Support Teams

Section 60: Composition of integrated family support teams

125. **Section 60** places a duty on a local authority to ensure that IFSTs include the relevant professionals who are prescribed in regulations. Regulations will therefore be able to determine the professional make-up of the teams. Subsection (2) gives a local authority power to include other persons (in addition to those prescribed) in the IFST if they have the consent of the Local Health Board.
