Chapter 4 – Enforcement

Penalty

Section 59 - Amount

135. This section inserts a new section 50J into the 1996 Act which provides that the amount of the penalty that may be imposed on the ground specified in Case 5 (where an offence has been committed by a RSL) of section 50H of the 1996 Act may not exceed the maximum amount that the court could impose for that offence. In all other cases the maximum amount of penalty that the Welsh Ministers may impose is £5,000. The Welsh Ministers may amend this maximum penalty of £5,000 by affirmative resolution order.
