

Safety on Learner Transport (Wales) Measure 2011

2011 nawm 6

5 Driver training

After section 14D of the Learner Travel (Wales) Measure 2008 insert—

“14E Driver training

- (1) Regulations may require a relevant body that provides or otherwise secures the provision of learner transport to ensure that drivers of vehicles used for such transport have completed prescribed training to a prescribed standard.
- (2) Training and standards may be prescribed by reference to a document published, as specified in the regulations, by the Welsh Ministers.
- (3) In this section “training” means training about safety on learner transport and working with children.”.
