

## 2002 CHAPTER 12

### *Regulations*

#### **Insolvency and winding up**

**10.—**(1) Regulations shall make provision about the insolvency and winding up of limited liability partnerships by applying or incorporating, with such modifications as appear appropriate, Parts II to V, VII and VIII of the [Insolvency \(Northern Ireland\) Order 1989 \(NI 19\)](#).

(2) Regulations may make other provision about the insolvency and winding up of limited liability partnerships, and provision about the insolvency and winding up of oversea limited liability partnerships, by—

- (a) applying or incorporating, with such modifications as appear appropriate, any law relating to the insolvency or winding up of companies or other corporations which would not otherwise have effect in relation to them, or
- (b) providing for any law relating to the insolvency or winding up of companies or other corporations which would otherwise have effect in relation to them not to apply to them or to apply to them with such modifications as appear appropriate.

(3) In this Act “oversea limited liability partnership” means a body incorporated or otherwise established outside Northern Ireland and having such connection with Northern Ireland, and such other features, as regulations may prescribe.
