

Pensions (No. 2) Act (Northern Ireland) 2008

2008 CHAPTER 13

An Act to make provision relating to pensions; and for connected purposes. [15th December 2008]

BE IT ENACTED by being passed by the Northern Ireland Assembly and assented to by Her Majesty as follows:

PART 1

PENSION SCHEME MEMBERSHIP FOR JOBHOLDERS

CHAPTER 1

EMPLOYERS' DUTIES

Jobholders

Jobholders

- 1.—(1) For the purposes of this Part a jobholder is a worker—
- (a) who is working or ordinarily works in Northern Ireland under the worker's contract,
 - (b) who is aged at least 16 and under 75, and
 - (c) to whom qualifying earnings are payable by the employer in the relevant pay reference period (see sections 13 and 15).

(2) Where a jobholder has more than one employer, or a succession of employers, this Chapter applies separately in relation to each employment.

(3) Accordingly—

- (a) references to the employer are references to the employer concerned;
- (b) references to membership of a pension scheme are references to membership in relation to the employment concerned.

Employers' duties

Continuity of scheme membership

2.—(1) If a jobholder is an active member of a qualifying scheme, the employer must not take any action, or make any omission, by which (without the jobholder ceasing to be employed by the employer)—

- (a) the jobholder ceases to be an active member of the scheme, or
- (b) the scheme ceases to be a qualifying scheme.

(2) Subsection (1) is not contravened if the jobholder remains an active member of another qualifying scheme.

(3) Subsection (1) is not contravened if the jobholder becomes an active member of another qualifying scheme within the prescribed period.

(4) Subsection (1) is not contravened if the action or omission is at the jobholder's request.

(5) In this Part as it applies in the case of any jobholder, references to a qualifying scheme are references to a pension scheme which is a qualifying scheme in relation to that jobholder (see section 16).

Automatic enrolment

3.—(1) This section applies to a jobholder who—

- (a) is aged at least 22, and
- (b) has not reached pensionable age.

(2) The employer must make prescribed arrangements by which the jobholder becomes an active member of an automatic enrolment scheme with effect from the automatic enrolment date.

(3) Subsection (2) does not apply if the jobholder was an active member of a qualifying scheme on the automatic enrolment date.

(4) Subsection (2) does not apply if, within the prescribed period before the automatic enrolment date, the jobholder ceased to be an active member of a qualifying scheme because of any action or omission by the jobholder.

(5) For the purposes of arrangements under subsection (2) regulations may require information to be provided to any person by the employer or—

- (a) where the arrangements relate to an occupational pension scheme, the trustees or managers of the scheme;
- (b) where the arrangements relate to a personal pension scheme, the provider of the scheme.

(6) For the purposes of arrangements made under subsection (2) in relation to a personal pension scheme, regulations may deem an agreement to exist (subject to section 8) between the jobholder and the provider of the scheme for the jobholder to be an active member of the scheme on terms and conditions determined in accordance with the regulations.

(7) The automatic enrolment date, in relation to any person, is the first day on which this section applies to the person as a jobholder of the employer.

(8) In this Part as it applies in the case of any jobholder, references to an automatic enrolment scheme are references to a pension scheme which is an automatic enrolment scheme in relation to that jobholder (see section 17).

Postponement of automatic enrolment

4.—(1) The Department may by regulations provide that, in prescribed cases, the automatic enrolment date is a date, determined in accordance with regulations under this section, which is later than the date specified in section 3(7).

(2) Where a person becomes an active member of a scheme in accordance with regulations under this section, the employer must not take any action, or make any omission, by which within the minimum period—

- (a) the person ceases to be an active member of the scheme, or
- (b) the scheme ceases to be a scheme of the relevant kind.

(3) The minimum period is so much of a prescribed period as the person remains a jobholder of the employer.

(4) A scheme ceases to be a scheme of the relevant kind, in the case of any person, if it ceases to have a feature by reference to which regulations under this section operated so as to postpone the automatic enrolment date in that person's case.

(5) Subsection (2) does not apply to any action or omission at the member's request.

Automatic re-enrolment

5.—(1) This section applies to a jobholder who—

- (a) is aged at least 22, and

(b) has not reached pensionable age.

(2) The employer must make prescribed arrangements by which the jobholder becomes an active member of an automatic enrolment scheme with effect from the automatic re-enrolment date.

(3) Subsection (2) does not apply if the jobholder was an active member of a qualifying scheme on the automatic re-enrolment date.

(4) Subsection (2) does not apply if, within the prescribed period before the automatic re-enrolment date, the jobholder—

(a) ceased to be an active member of a qualifying scheme because of any action or omission by the jobholder, or

(b) gave notice under section 8.

(5) Subsection (2) is subject to section 6(6).

(6) For the purposes of arrangements under subsection (2) regulations may require information to be provided to any person by the employer or—

(a) where the arrangements relate to an occupational pension scheme, the trustees or managers of the scheme;

(b) where the arrangements relate to a personal pension scheme, the provider of the scheme.

(7) For the purposes of arrangements made under subsection (2) in relation to a personal pension scheme, regulations may deem an agreement to exist (subject to section 8) between the jobholder and the provider of the scheme for the jobholder to be an active member of the scheme on terms and conditions determined in accordance with the regulations.

(8) Automatic re-enrolment dates are dates, after the automatic enrolment date, that are to be determined in accordance with regulations.

Timing of automatic re-enrolment

6.—(1) Regulations under section 5(8) must either—

(a) secure that for any jobholder there is no automatic re-enrolment date less than three years after the jobholder's automatic enrolment date, and that there is not more than one automatic re-enrolment date in any period of three years, or

(b) secure that for any employer there is not more than one automatic re-enrolment date in any period of three years.

(2) Subsection (1) does not restrict the provision that regulations may make about the timing of a jobholder's automatic re-enrolment date ("the relevant date") in the following cases.

(3) The first case is where the jobholder became an active member of a scheme in accordance with regulations under section 4 and—

- (a) at any time before the end of the minimum period under that section, the jobholder ceases to be an active member of the scheme or the scheme ceases to be a scheme of the relevant kind for the purposes of that section,
 - (b) that event is not the effect of any action or omission by the jobholder or the employer, and
 - (c) the relevant date is the jobholder's first automatic re-enrolment date after that time.
- (4) The second case is where—
- (a) at any time after the jobholder's automatic enrolment date, the jobholder ceases to be an active member of a qualifying scheme or a qualifying scheme of which the jobholder is an active member ceases to be such a scheme,
 - (b) that event is not the effect of any action or omission by the jobholder or the employer, and
 - (c) the relevant date is the jobholder's first automatic re-enrolment date after that time.
- (5) The third case is where—
- (a) there is a period beginning at any time after the jobholder's automatic enrolment date during which the requirements of section 1(1)(a) or (c) are not met (so that the person is not a jobholder for that period), and
 - (b) the relevant date is the jobholder's first automatic re-enrolment date after that period.
- (6) Where subsection (3) applies—
- (a) section 5(2) has effect as if the reference to an automatic enrolment scheme were, in relation to the relevant date, a reference to a scheme ("the new scheme") of the kind referred to in subsection (3)(a), and
 - (b) section 4(2) to (5) applies in relation to the new scheme as it applied in relation to the scheme referred to in subsection (3).

Jobholder's right to opt in

7.—(1) This section applies to a jobholder who is not an active member of a qualifying scheme.

(2) But it does not apply at a time when—

- (a) arrangements are required to be made under section 3 or 5 in respect of the jobholder, or
- (b) the jobholder's automatic enrolment date is postponed under section 4.

(3) The jobholder may by notice require the employer to arrange for the jobholder to become an active member of an automatic enrolment scheme.

- (4) The Department may by regulations make provision—
- (a) about the form and content of the notice;
 - (b) about the arrangements that the employer is required to make;
 - (c) for determining the date with effect from which the jobholder is to become an active member under the arrangements.
- (5) For the purposes of arrangements under subsection (3) regulations may require information to be provided to any person by the employer or—
- (a) where the arrangements relate to an occupational pension scheme, the trustees or managers of the scheme;
 - (b) where the arrangements relate to a personal pension scheme, the provider of the scheme.
- (6) For the purposes of arrangements made under subsection (3) in relation to a personal pension scheme, regulations may deem an agreement to exist (subject to section 8) between the jobholder and the provider of the scheme for the jobholder to be an active member of the scheme on terms and conditions determined in accordance with the regulations.
- (7) Subsections (8) and (9) apply where a jobholder becomes an active member of an automatic enrolment scheme in pursuance of a notice under this section and, within the period of 12 months beginning with the day on which that notice was given—
- (a) ceases to be an active member of that scheme, and
 - (b) gives the employer a further notice under this section.
- (8) The further notice does not have effect to require the employer to arrange for the jobholder to become an active member of an automatic enrolment scheme.
- (9) But any arrangements the employer makes for the jobholder to become, within that period, an active member of such a scheme must be made in accordance with regulations under this section.

Jobholder's right to opt out

8.—(1) This section applies on any occasion when arrangements under section 3(2), 5(2) or 7(3) apply to a jobholder (arrangements for the jobholder to become an active member of an automatic enrolment scheme).

- (2) If the jobholder gives notice under this section—
- (a) the jobholder is to be treated for all purposes as not having become an active member of the scheme on that occasion;
 - (b) any contributions paid by the jobholder or by the employer on behalf or in respect of the jobholder, on the basis that the jobholder has become

an active member of the scheme on that occasion must be refunded in accordance with prescribed requirements.

(3) Regulations under subsection (2)(b) may, in particular, make provision about—

- (a) the time within which contributions must be refunded;
- (b) how the amount to be refunded is calculated;
- (c) the procedure for refunding contributions.

(4) The Department may by regulations make further provision in relation to notices under this section.

(5) The regulations may in particular make provision—

- (a) as to the form and content of a notice;
- (b) as to the period within which a notice must be given;
- (c) as to the person to whom a notice must be given;
- (d) requiring any person to make prescribed arrangements for enabling notices to be given;
- (e) requiring any person to take prescribed action in consequence of a notice (in addition to any action prescribed under subsection (2)(b)).

(6) The regulations must provide for the notice—

- (a) to include information about the effect in relation to jobholders of giving notice under this section, and
- (b) to be signed or otherwise authorised by the jobholder.

Duty in relation to workers without qualifying earnings

Workers without qualifying earnings

9.—(1) This section applies to a worker—

- (a) to whom paragraphs (a) and (b) of section 1(1) apply (working in Northern Ireland and aged between 16 and 75),
- (b) to whom paragraph (c) of section 1(1) does not apply (qualifying earnings), and
- (c) who is not an active member of a pension scheme that satisfies the requirements of this section.

(2) The worker may by notice require the employer to arrange for the worker to become an active member of a pension scheme that satisfies the requirements of this section.

(3) The Department may by regulations make provision—

- (a) about the form and content of the notice;

- (b) about the arrangements that the employer is required to make;
- (c) for determining the date with effect from which the worker is (subject to compliance with any requirements of the scheme) to become an active member under the arrangements.

(4) Subsections (5) and (6) apply where a worker becomes an active member of a pension scheme in pursuance of a notice under this section and, within the period of 12 months beginning with the day on which that notice was given—

- (a) ceases to be an active member of that scheme because of any action or omission by the worker, and
- (b) gives the employer a further notice under this section.

(5) The further notice does not have effect to require the employer to arrange for the worker to become an active member of a pension scheme.

(6) But any arrangements the employer makes for the worker to become, within that period, an active member of a pension scheme that satisfies the requirements of this section must be made in accordance with regulations under this section.

(7) A pension scheme satisfies the requirements of this section if—

- (a) it is registered under Chapter 2 of Part 4 of the Finance Act 2004 (c. 12), and
- (b) in the case of a personal pension scheme, there are, in relation to the worker concerned, direct payment arrangements (within the meaning of section 107A of the Pension Schemes (Northern Ireland) Act 1993 (c. 49) (in this Act referred to as “the Pension Schemes Act”)) between the worker and the employer.

Supplementary provision about the duties

Information to be given to workers

10.—(1) The Department must make provision by regulations—

- (a) for all jobholders to be given information about the effect of sections 2 to 8 in relation to them;
- (b) for all workers to whom section 9 applies to be given information about the effect of that section in relation to them;
- (c) for a prescribed person to be required to provide the information.

(2) Regulations under this section must state—

- (a) what information must be given;
- (b) in what circumstances it must be given;
- (c) how and when it must be given.

Information to be given to the Pensions Regulator

11.—(1) The Department may make regulations requiring employers to provide the Pensions Regulator (“the Regulator”) with information about action they have taken or intend to take for the purposes of any provision of, or of regulations under, sections 2 to 10.

(2) The regulations may in particular—

- (a) require an employer to provide information about pension schemes to which any action relates;
- (b) require an employer to identify which of any prescribed descriptions a scheme falls within;
- (c) require an employer to provide information that appears to the Department to be required for the performance by the Regulator of its functions under Chapter 2;
- (d) make provision about how and in what form any information is to be provided.

Introduction of employers' duties

12. The Department may by regulations provide that sections 2 to 9 do not apply in the case of an employer of any description until such date after the coming into operation of those sections as is prescribed in relation to employers of that description.

Qualifying earnings

Qualifying earnings

13.—(1) A person’s qualifying earnings in a pay reference period of 12 months are the part (if any) of the gross earnings payable to that person in that period that is—

- (a) more than £5,035, and
- (b) not more than £33,540.

(2) In the case of a pay reference period of less or more than 12 months, subsection (1) applies as if the amounts in paragraphs (a) and (b) were proportionately less or more.

(3) In this section, “earnings”, in relation to a person, means sums of any of the following descriptions that are payable to the person in connection with the person’s employment—

- (a) salary, wages, commission, bonuses and overtime;

- (b) statutory sick pay under Part 11 of the Social Security Contributions and Benefits (Northern Ireland) Act 1992 (c. 7) (in this Act referred to as “the Contributions and Benefits Act”);
- (c) statutory maternity pay under Part 12 of that Act;
- (d) ordinary statutory paternity pay or additional statutory paternity pay under Part 12ZA of that Act;
- (e) statutory adoption pay under Part 12ZB of that Act;
- (f) sums prescribed for the purposes of this section.

Review of qualifying earnings band

14. Whenever the Secretary of State makes an order under section 14 of the Pensions Act 2008 (c. 30) (review of qualifying earnings band), the Department may make a corresponding order for Northern Ireland.

Pay reference period

15.—(1) In relation to any person a pay reference period is the period prescribed.

(2) The Department may by regulations—

- (a) make provision for determining a person’s earnings in any pay reference period;
- (b) make provision for determining the first date of each pay reference period in relation to a person.

(3) A reference in any provision to the relevant pay reference period is a reference to the period determined in accordance with regulations under this section, as they apply for the purposes of that provision in the case concerned.

Qualifying schemes and automatic enrolment schemes

Qualifying schemes

16.—(1) A pension scheme is a qualifying scheme in relation to a jobholder (J) if—

- (a) it is an occupational pension scheme or a personal pension scheme,
- (b) it is registered under Chapter 2 of Part 4 of the Finance Act 2004 (c. 12),
and
- (c) while J is an active member, the scheme satisfies the quality requirement in relation to J.

(2) The Department may by regulations provide that subsection (1)(b) does not apply in relation to a scheme to which section 25 or 27 applies, if prescribed requirements are satisfied.

(3) The Department may by regulations provide that a scheme is not a qualifying scheme in relation to J if—

- (a) while J is an active member, the payments that must be made to the scheme by, or on behalf or in respect of, J for purposes other than the provision of benefits exceed a prescribed amount,
- (b) while J is an active member, the contributions that must be paid to the scheme by, or on behalf or in respect of, J exceed a prescribed amount, or
- (c) the scheme provides for average salary benefits to be provided to or in respect of J and contains prescribed features.

Automatic enrolment schemes

17.—(1) A pension scheme is an automatic enrolment scheme in relation to a jobholder (J) if—

- (a) it is a qualifying scheme in relation to J,
- (b) it satisfies the conditions in subsection (2), and
- (c) it satisfies any further conditions prescribed.

(2) The conditions mentioned in subsection (1)(b) are that—

- (a) no provision of the scheme prevents the employer from making arrangements prescribed under section 3(2), 5(2) or 7(4) for J to become an active member of the scheme;
- (b) no provision of the scheme requires J to express a choice in relation to any matter, or to provide any information, in order to remain an active member.

Occupational pension schemes

18. For the purposes of this Part, each of these is an occupational pension scheme—

- (a) an occupational pension scheme within the meaning of section 1(1) of the Pension Schemes Act that has its main administration in the United Kingdom;
- (b) an institution for occupational retirement provision within the meaning of Article 6(a) of the IORP Directive that has its main administration in an EEA state other than the United Kingdom;
- (c) a pension scheme that is prescribed or is of a prescribed description and that has its main administration elsewhere than in an EEA state.

Personal pension schemes

19. For the purposes of this Part, a personal pension scheme is a pension scheme that is not an occupational pension scheme.

*Quality requirements***Quality requirement: UK money purchase schemes**

20.—(1) A money purchase scheme that has its main administration in the United Kingdom satisfies the quality requirement in relation to a jobholder if under the scheme—

- (a) the jobholder's employer must pay contributions in respect of the jobholder;
- (b) the employer's contribution, however calculated, must be equal to or more than 3% of the amount of the jobholder's qualifying earnings in the relevant pay reference period;
- (c) the total amount of contributions paid by the jobholder and the employer, however calculated, must be equal to or more than 8% of the amount of the jobholder's qualifying earnings in the relevant pay reference period.

(2) The Department may by regulations provide that, where a certificate has been issued under section 3(1) of the Pension Schemes Act stating that the employment of the jobholder is contracted-out employment by reference to the scheme, paragraphs (b) and (c) of subsection (1) have effect with prescribed modifications.

(3) A scheme does not fail to satisfy the quality requirement under this section merely because the trustees or managers of the scheme may on any occasion refuse to accept a contribution below an amount prescribed for the purposes of this section on the grounds that it is below that amount.

Quality requirement: UK defined benefits schemes

21.—(1) Subject to subsection (3), a defined benefits scheme that has its main administration in the United Kingdom satisfies the quality requirement in relation to a jobholder if the jobholder is in contracted-out employment.

(2) A defined benefits scheme that has its main administration in the United Kingdom satisfies the quality requirement in relation to a jobholder who is not in contracted-out employment if it satisfies the test scheme standard in relation to that jobholder.

(3) The Department may by order provide that a scheme does not satisfy the quality requirement in relation to a jobholder who is in contracted-out employment unless it satisfies the test scheme standard in relation to that

jobholder, with the substitution of a higher fraction, not exceeding 1/80th, for the fraction of 1/120th in section 23(4)(a).

(4) In relation to any scheme, a jobholder is in contracted-out employment for the purposes of this section and section 22 if a certificate has been issued in respect of the jobholder under section 3(1) of the Pension Schemes Act stating that the employment of the jobholder is contracted-out employment by reference to the scheme.

Test scheme standard

22.—(1) A scheme satisfies the test scheme standard in relation to a jobholder (J) if the pensions to be provided for the relevant members of the scheme are broadly equivalent to, or better than, the pensions which would be provided for them under a test scheme.

(2) Subject to subsection (3), the relevant members are J and—

- (a) if J is not in contracted-out employment, all active members who are not in contracted-out employment and are jobholders of the same employer as J;
- (b) if J is in contracted-out employment, all active members who are in contracted-out employment and are jobholders of the same employer as J.

(3) In applying this section the pensions to be provided for relevant members must be considered as a whole.

(4) The Department may by regulations make provision for the manner of, and criteria for, determining whether the pensions to be provided for the relevant members under a scheme are broadly equivalent to, or better than, the pensions which would be provided for them under a test scheme.

(5) Regulations under subsection (4) may provide for the determination to be made in accordance with guidance issued from time to time by the Department.

(6) The Department may by regulations provide that a scheme only satisfies the test scheme standard if the scheme actuary certifies that it does.

(7) Except in prescribed circumstances, the scheme actuary is the actuary appointed under Article 47(1)(b) of the [Pensions \(Northern Ireland\) Order 1995 \(NI 22\)](#) (in this Act referred to as “the 1995 Order”) (professional advisers) in relation to the scheme.

Test scheme

23.—(1) A test scheme is an occupational pension scheme which satisfies—

- (a) the requirements of subsections (2) and (4), and
- (b) any prescribed requirements.

(2) The scheme must provide for a member to be entitled to a pension commencing at the appropriate age and continuing for life.

- (3) The appropriate age is 65 or any higher age prescribed.
- (4) The annual rate of the pension at that age must be—
 - (a) 1/120th of average qualifying earnings in the last three tax years preceding the end of pensionable service,

multiplied by

- (b) the number of years of pensionable service, up to a maximum of 40.

(5) Section 13(1) (qualifying earnings) applies for the purposes of this section as if the reference to a pay reference period were a reference to a tax year.

Quality requirement: UK hybrid schemes

24.—(1) A hybrid scheme that has its main administration in the United Kingdom satisfies the quality requirement in relation to a jobholder if it satisfies the requirements mentioned in whichever of these is the appropriate paragraph—

- (a) the requirements for a money purchase scheme under section 20, subject to any prescribed modifications;
- (b) the requirements for a defined benefits scheme under sections 21 to 23, subject to any prescribed modifications.

(2) Which paragraph of subsection (1) is appropriate for any hybrid scheme is to be determined by rules made by the Department.

(3) The rules may provide for different paragraphs to be appropriate for different provisions of a scheme.

(4) The rules may provide for the paragraphs to be appropriate as alternatives, for any scheme or any provisions of a scheme.

Quality requirement: non-UK occupational pension schemes

25. The Department may by regulations make provision as to the quality requirement to be satisfied in the case of an occupational pension scheme within section 18(b) or (c).

Quality requirement: UK personal pension schemes

26.—(1) This section applies to a personal pension scheme if the operation of the scheme—

- (a) is carried on in such a way as to be a regulated activity for the purposes of the Financial Services and Markets Act 2000 (c. 8), and
- (b) is carried on in the United Kingdom by a person who is in relation to that activity an authorised person or an exempt person under section 19 of that Act.

(2) The scheme satisfies the quality requirement in relation to a jobholder if the following conditions are satisfied.

(3) The first condition is that all of the benefits that may be provided to the jobholder under the scheme are money purchase benefits.

(4) The second condition is that, in relation to the jobholder, there is an agreement between the provider of the scheme and the employer under which—

- (a) the employer must pay contributions in respect of the jobholder;
- (b) the employer's contribution, however calculated, must be equal to or more than 3% of the amount of the jobholder's qualifying earnings in the relevant pay reference period.

(5) In subsection (6), "shortfall" means the difference (if any) between—

- (a) the employer's contribution in respect of the jobholder under the agreement referred to in subsection (4), and
- (b) 8% of the amount of the jobholder's qualifying earnings in the relevant pay reference period.

(6) The third condition is that if there is a shortfall there is an agreement between the provider of the scheme and the jobholder under which the jobholder must pay contributions which, however calculated, are equal to or more than the shortfall.

(7) The fourth condition is that, in relation to the jobholder, there are direct payment arrangements (within the meaning of section 107A of the Pension Schemes Act) between the jobholder and the employer.

(8) The Department may by regulations provide that, where the scheme is an appropriate scheme within the meaning of section 3(4) of the Pension Schemes Act, subsections (4)(b) and (5)(b) have effect with prescribed modifications.

(9) A scheme does not fail to satisfy the quality requirement under this section merely because the provider of the scheme may on any occasion refuse to accept a contribution below an amount prescribed for the purposes of this section on the grounds that it is below that amount.

Quality requirement: other personal pension schemes

27. The Department may by regulations make provision as to the quality requirement to be satisfied in the case of a personal pension scheme to which section 26 does not apply.

Sections 20, 24 and 26: certification that quality requirement is satisfied

28.—(1) The Department may by regulations provide that, subject to provision within subsection (6)(f), a scheme to which this section applies is to be taken to satisfy the relevant quality requirement in relation to any jobholder of

an employer if a certificate given in accordance with the regulations is in force in relation to the employer.

(2) The certificate must state that, in relation to the jobholders of the employer who are active members of the scheme, the scheme is in the opinion of the person giving the certificate able to satisfy the relevant quality requirement throughout the certification period.

(3) This section applies to—

- (a) a money purchase scheme to which section 20 applies;
- (b) a personal pension scheme to which section 26 applies;
- (c) a hybrid scheme, to the extent that requirements within section 24(1)(a) apply.

(4) The “relevant quality requirement”—

- (a) for a scheme within subsection (3)(a), means the quality requirement under section 20;
- (b) for a scheme within subsection (3)(b), means the quality requirement under section 26;
- (c) for a scheme within paragraph (c) of subsection (3), means the requirements mentioned in that paragraph.

(5) Regulations may make further provision in relation to certification under this section.

(6) Regulations may in particular make provision—

- (a) as to the period for which a certificate is in force (the “certification period”);
- (b) as to the persons by whom a certificate may be given;
- (c) as to procedures in connection with certification or where a certificate has been given;
- (d) requiring persons to have regard to guidance issued by the Department;
- (e) requiring an employer to calculate the amount of contributions that a scheme, and any section 26 agreements, required to be paid by or in respect of any jobholder in the certification period;
- (f) as to cases where the requirements of a scheme, and any section 26 agreements, as to payment of contributions by or in respect of jobholders of an employer did not satisfy prescribed conditions.

(7) Provision within subsection (6)(f) includes in particular provision for a scheme not to be treated by virtue of regulations under this section as having satisfied the relevant quality requirement unless prescribed steps are taken (which may include the making of prescribed payments).

(8) In subsection (6) “section 26 agreements” means the agreement required, in the case of a scheme within subsection (3)(b), by section 26(4) and any agreement required, in the case of such a scheme, by section 26(6).

(9) The Department may by order repeal this section.

Transitional

Transitional periods for money purchase and personal pension schemes

29.—(1) During the first transitional period for money purchase and personal pension schemes—

- (a) sections 20(1)(b) and 26(4)(b) have effect as if for “3%” there were substituted “1%”;
- (b) sections 20(1)(c) and 26(5)(b) have effect as if for “8%” there were substituted “2%”.

(2) The first transitional period is a prescribed period of at least one year, beginning with the coming into operation of section 20.

(3) During the second transitional period for money purchase and personal pension schemes—

- (a) sections 20(1)(b) and 26(4)(b) have effect as if for “3%” there were substituted “2%”;
- (b) sections 20(1)(c) and 26(5)(b) have effect as if for “8%” there were substituted “5%”.

(4) The second transitional period is a prescribed period of at least one year, beginning with the end of the first transitional period.

Transitional period for defined benefits and hybrid schemes

30.—(1) Subsection (3) applies if, in relation to a person who on the employer’s first enrolment date is a jobholder to whom section 3 applies, the conditions in subsection (2) are satisfied, and continue to be satisfied during the transitional period for defined benefits and hybrid schemes.

(2) The conditions are that—

- (a) the jobholder has been employed by the employer for a continuous period beginning before the employer’s first enrolment date,
- (b) at a time in that period before the employer’s first enrolment date, the jobholder became entitled to become an active member of a defined benefits scheme or a hybrid scheme,
- (c) the jobholder is, and has always since that time been, entitled to become an active member of a defined benefits scheme or a hybrid scheme, and

(d) the scheme to which that entitlement relates is a qualifying scheme, and any scheme to which it has related on or after the employer's first enrolment date has been a qualifying scheme.

(3) Where this subsection applies, section 3 has effect in relation to the jobholder with the substitution for subsection (2) of the following subsection—

“(2) The employer must make prescribed arrangements by which the jobholder becomes an active member, with effect from the end of the transitional period for defined benefits and hybrid schemes, of an automatic enrolment scheme which is a defined benefits scheme or a hybrid scheme.”.

(4) If at any time in the transitional period for defined benefits and hybrid schemes the condition in subsection (2)(c) or (d) ceases to be satisfied, subsection (5) applies instead of subsection (3) (and the day after the last day on which that condition is satisfied is referred to as “the closure date”).

(5) Where this subsection applies, section 3 has effect in relation to the jobholder with the substitution for subsection (2) of the following subsection—

“(2) The employer must make prescribed arrangements by which the jobholder either—

(a) becomes an active member, with effect from the closure date, of an automatic enrolment scheme which is a defined benefits scheme or a hybrid scheme, or

(b) becomes an active member, with effect from the automatic enrolment date, of an automatic enrolment scheme which is a money purchase scheme.”.

(6) If the jobholder becomes a member of a scheme under arrangements made under subsection (2)(b) of that section (as substituted by subsection (5))—

(a) the employer's contributions are payable with effect from the automatic enrolment date;

(b) any requirement of the scheme (in accordance with section 20(1)) for contributions to be payable by the jobholder does not apply in respect of the period of the jobholder's membership before the closure date;

(c) regulations made for the purposes of section 3(2)(b) must secure that the jobholder may pay, within a period prescribed by the regulations, any contributions which would have been payable by the jobholder but for paragraph (b) of this subsection.

(7) Where subsection (3) or (5) applies, section 3(3) and (4) applies as if references to the automatic enrolment date were references to the day on which arrangements would by virtue of this section fall to be made in respect of the jobholder.

(8) The transitional period for defined benefits and hybrid schemes is a prescribed period beginning with the day on which section 3 comes into operation.

(9) In this section, the “employer’s first enrolment date” means the first day on which section 3 applies in the case of the employer (where that day falls within the transitional period for defined benefits and hybrid schemes).

Miscellaneous

Effect of freezing order or assessment period

31.—(1) Where a jobholder is an active member of a qualifying scheme and a freezing event occurs in relation to the scheme, the jobholder does not, for the purposes of this Chapter, cease to be an active member of the scheme, and the scheme does not, for those purposes, cease to be a qualifying scheme, by virtue of any relevant provision.

(2) Where a worker is an active member of a scheme that satisfies the requirements of section 9 and a freezing event occurs in relation to the scheme, the worker does not, for the purposes of section 9(1)(c), cease to be an active member of the scheme by virtue of any relevant provision.

(3) In this section—

“freezing event” in relation to a scheme means—

- (a) the making of a freezing order under Article 19 of the [Pensions \(Northern Ireland\) Order 2005 \(NI 1\)](#) (in this Act referred to as “the 2005 Order”) in relation to the scheme, or
- (b) the beginning of an assessment period within the meaning of Article 116 of that Order in relation to the scheme;

“relevant provision” means—

- (a) in relation to a freezing order, provision contained in the order, or the provision made with respect to the order by Article 19 of the 2005 Order;
- (b) in relation to an assessment period, the provision made with respect to the period by Article 117 of that Order.

Power of trustees to modify by resolution

32.—(1) The trustees of an occupational pension scheme may by resolution modify the scheme—

- (a) with a view to enabling the scheme to comply with the conditions in section 17(2), or

- (b) by increasing the amount required to be paid in contributions in order for the scheme to satisfy the requirements contained in section 20(1) or those requirements as modified under section 24(1)(a).
- (2) An increase under subsection (1)(b) may be made only—
- (a) by increasing the amount of any contribution, directly or by modifying the basis on which it is calculated, or
- (b) by increasing the frequency of any contributions.
- (3) No modification may be made by virtue of subsection (1) without the consent of the employer in relation to the scheme.
- (4) In the application of subsection (3) to a scheme in relation to which there is more than one employer, references to the employer have effect as if they were references to a person nominated by the employers, or by the scheme, to act as the employers' representative for the purposes of this section or, if no such nomination is made, to all of the employers.
- (5) Regulations may provide that this section does not apply to occupational pension schemes within a prescribed class or description.

Deduction of contributions

33.—(1) An employer who arranges for a person to become a member of a scheme in accordance with section 3(2), 5(2) or 7(3), or of an occupational pension scheme in accordance with section 9(2), may deduct the person's contributions to the scheme from the person's remuneration and pay them to the trustees or managers of the scheme (in the case of an occupational pension scheme) or the provider of the scheme (in the case of a personal pension scheme).

(2) Regulations prescribing arrangements for the purposes of section 3(2), 5(2), 7(3) or 9(2), may require the employer to make such a deduction or payment at any time on or after the date with effect from which the jobholder is to become an active member of a scheme under the arrangements.

CHAPTER 2

COMPLIANCE

Effect of failure to comply

Effect of failure to comply

34.—(1) Contravention of any of the employer duty provisions does not give rise to a right of action for breach of statutory duty.

(2) But nothing in the employer duty provisions or this Chapter affects any right of action arising apart from those provisions.

(3) In this Chapter, references to the employer duty provisions are references to any provision of sections 2 to 11 or of regulations under those sections.

Compliance notices and unpaid contributions notices

Compliance notices

35.—(1) The Regulator may issue a compliance notice to a person if it is of the opinion that the person has contravened one or more of the employer duty provisions.

(2) A compliance notice is a notice directing the person to whom it is issued to take, or refrain from taking, the steps specified in the notice in order to remedy the contravention.

(3) A compliance notice may, in particular—

- (a) state the period within which any step must be taken or must cease to be taken;
- (b) require the person to whom it is issued to provide within a specified period specified information relating to the contravention;
- (c) require the person to inform the Regulator, within a specified period, how the person has complied or is complying with the notice;
- (d) state that, if the person fails to comply with the requirements of the notice, the Regulator may issue a fixed penalty notice under section 40.

(4) The steps specified in the notice may, in particular, include such steps as the Regulator thinks appropriate for placing the worker in the same position (as nearly as possible) as if the contravention had not occurred.

(5) If the compliance notice is issued in respect of a failure to comply with an enrolment duty and the specified steps relate to membership of a defined benefits scheme or a hybrid scheme, the notice may, in particular, require the employer to ensure that the worker is entitled to the same benefits under the scheme as if the employer had complied with that duty.

Third party compliance notices

36.—(1) The Regulator may issue a third party compliance notice if it is of the opinion that—

- (a) a person has contravened one or more of the employer duty provisions,
- (b) the contravention is or was, wholly or partly, a result of a failure of another person (the “third party”) to do any thing, and
- (c) that failure is not itself a contravention of any of the employer duty provisions.

(2) A third party compliance notice is a notice directing the third party to take, or refrain from taking, the steps specified in the notice in order to remedy or prevent a recurrence of the failure.

(3) A third party notice may, in particular—

- (a) state the period within which any step must be taken or must cease to be taken;
- (b) require the third party to inform the Regulator, within a specified period, how the third party has complied or is complying with the notice;
- (c) state that, if the third party fails to comply with the requirements of the notice, the Regulator may issue a fixed penalty notice under section 40.

(4) A third party notice may give the third party a choice between different ways of remedying or preventing the recurrence of the third party's failure.

Unpaid contributions notices

37.—(1) The Regulator may issue an unpaid contributions notice to an employer if it is of the opinion that relevant contributions have not been paid on or before the due date.

(2) An unpaid contributions notice is a notice requiring an employer to pay into a pension scheme by a specified date an amount in respect of relevant contributions that have not been paid.

(3) “Due date” has the meaning prescribed.

(4) An unpaid contributions notice may, in particular—

- (a) specify the scheme to which the contributions are due;
- (b) specify the workers, or category of workers, in respect of whom the contributions are due;
- (c) state the period in respect of which the contributions are due;
- (d) state the due date in respect of the contributions;
- (e) require the employer to take such other steps in relation to remedying the failure to pay the contributions as the Regulator considers appropriate;
- (f) state that if the employer fails to comply with the notice, the Regulator may issue a fixed penalty notice under section 40.

(5) In this section, “employer” in relation to a worker means the person by whom the worker is or, if the employment has ceased, was employed.

Calculation and payment of contributions

38.—(1) This section applies to—

- (a) a compliance notice issued to an employer in respect of a contravention of section 2(1) or a failure to comply with an enrolment duty;

(b) an unpaid contributions notice.

(2) The notice may, in particular, include—

- (a) a requirement to calculate the amount of relevant contributions that are of a description specified in the notice (“unpaid relevant contributions”);
- (b) if the contributions are being paid within the prescribed period after the appropriate date, a requirement to pay an amount equal to the amount of unpaid relevant contributions within section 39(2)(a);
- (c) if the contributions are not being paid within the prescribed period after the appropriate date, a requirement to pay (on the employer’s own account) an amount equal to the amount of unpaid relevant contributions;
- (d) if paragraph (b) applies, a requirement to ensure—
 - (i) that the worker is not required to pay an amount equal to the balance of the unpaid relevant contributions during the prescribed period, and
 - (ii) that, if the worker chooses to pay that amount, it may be paid in instalments;
- (e) if the contributions are payable to a money purchase scheme, a hybrid scheme or a personal pension scheme, a requirement to pay interest on the amount required by the notice to be paid in respect of unpaid relevant contributions, at a rate and in respect of a period determined in accordance with regulations.

(3) The Department may by regulations make provision about the way in which the Regulator may (without prejudice to subsection (2)(a)) estimate the amount of contributions that an employer has failed to pay on behalf or in respect of a worker.

(4) Regulations under subsection (3) may include, in particular, provision about the sources of information that the Regulator may use in estimating that amount, other than information provided by the employer.

(5) In this section, “appropriate date” means—

- (a) in the case of a compliance notice, such date as may be specified in the notice;
- (b) in the case of an unpaid contributions notice, the due date within the meaning of section 37(3).

(6) In this section, “employer” in relation to a worker means the person by whom the worker is or, if the employment has ceased, was employed.

Meaning of “relevant contributions”

39.—(1) In sections 37 and 38 “relevant contributions” are—

- (a) in relation to a jobholder, employer contributions payable to a qualifying scheme in relation to the jobholder;

- (b) in relation to a worker to whom section 9 applies, employer contributions payable to a pension scheme which satisfies the requirements of that section.

- (3) This section applies to any requirement imposed on the employer by or under any provision of Chapter 1.
- (4) This section does not apply where the detriment in question amounts to dismissal within the meaning of Part 11 of the [Employment Rights \(Northern Ireland\) Order 1996 \(NI 16\)](#) (in this Act referred to as “the Employment Rights Order”) (unfair dismissal).

Scope of mechanism

86.—(1) Pension compensation sharing is available under this Chapter in relation to a person’s shareable rights to PPF compensation.

(2) For the purposes of this Chapter, a right of a person to PPF compensation is “shareable” unless it is of a description specified by regulations made by the Department.

Interpretation

87. In this Chapter—

“the Board” means the Board of the Pension Protection Fund;

“PPF compensation” means compensation payable under the pension compensation provisions;

“the pension compensation provisions” means—

- (c) any provision corresponding to the provisions mentioned in paragraph (a) or (b) in force in Great Britain;

“the relevant order or provision” means the pension compensation sharing order, or provision contained in a qualifying agreement, which gives rise to the pension compensation sharing;

“the transfer day” means the day on which the relevant order or provision takes effect;

“the transferee” means the person for whose benefit the relevant order or provision is made;

“the transferor” means the person to whose rights the relevant order or provision relates.

Activation of pension compensation sharing

88. Section 89 applies on the taking effect of any of the following relating to a person’s shareable rights to PPF compensation—

89.—(1) On the application of this section—

- (a) the transferor’s shareable rights to PPF compensation that derive from rights under the specified scheme become subject to a debit of the appropriate amount, and
- (b) the transferee becomes entitled to a credit of that amount as against the Board.

(2) For the purposes of subsection (1) “the appropriate amount” means—

- (a) where the relevant order or provision specifies a percentage to be transferred, that percentage of the cash equivalent of the relevant compensation on the valuation day;
- (b) where the relevant order or provision specifies an amount to be transferred, the lesser of—
 - (i) that specified amount, and
 - (ii) the cash equivalent of the relevant compensation on the valuation day.

(3) For the purposes of subsection (2) “the relevant compensation” means the payments or future payments to which, immediately before the transfer day, the transferor is entitled under the pension compensation provisions by virtue of the transferor’s shareable rights to PPF compensation that derive from rights under the specified scheme.

(4) The Department may by regulations provide for any description of payment to be disregarded for the purposes of subsection (3).

(5) For the purposes of this section—

“the specified scheme” means the pension scheme specified in the relevant order or provision;

“the valuation day” means such day within the implementation period for the credit under subsection (1)(b) as the Board may specify by notice in writing to the transferor and transferee.

90.—(1) The Department may by regulations make provision about the calculation and verification of cash equivalents for the purposes of section 89.

(2) Regulations under this section may include provision for calculation and verification in a manner approved by the Board.

(2) For the purposes of subsection (1) a payment is “a qualifying payment” if the cash equivalent by reference to which the amount of the pension compensation debit is determined includes an amount in respect of it.

(3) In this section “the appropriate percentage”, in relation to a pension compensation debit, means—

- (a) the percentage specified in the pension compensation sharing order or provision on which the debit depends; or
- (b) if the pension compensation sharing order or provision on which the debit depends specifies an amount to be transferred, the percentage which the appropriate amount for the purposes of subsection (1) of section 89 represents of the amount mentioned in subsection (2)(b)(ii) of that section.

Time for discharge of liability

92.—(1) This section applies where the Board is subject to a liability in respect of a pension compensation credit.

Discharge of liability

94.—(1) This section applies where the Board is subject to a liability in respect of a pension compensation credit.

(2) The Board must discharge the liability by sending a notice to the transferee.

(3) On the sending of the notice the transferee becomes entitled, with effect from (and including) the transfer day, to compensation calculated in accordance with Schedule 4.

(4) For the purposes of that calculation, the initial annual rate of compensation is an amount determined by the Board.

(5) The Board must determine that amount in such a way as to secure that the cash equivalent value of the compensation to which the transferee becomes entitled under subsection (3) equals the amount of the credit.

(6) The Department may by regulations make provision about the calculation of cash equivalents for the purposes of subsection (5).

(7) The notice sent under this section must—

- (a) state that the transferee is entitled to periodic pension compensation calculated under Schedule 4, and

(3) For the purposes of regulations under subsection (1), the question of how much of a charge recoverable under the regulations is attributable to a party to pension compensation sharing is to be determined as follows—

- (a) where the relevant order or provision includes provision (“provision for apportionment”) about the apportionment of charges under this section, there is attributable to the party so much of the charge as is apportioned to that party by that provision for apportionment;
- (b) where the relevant order or provision does not include provision for apportionment, the charge is attributable to the transferor.

(4) In subsection (1) the reference to pension compensation sharing activity is to activity attributable directly or indirectly to the application of section 89 by virtue of the relevant order or provision.

INTRODUCTORY

Introductory

1. This Schedule applies for the purposes of determining the compensation payable to or in respect of a person entitled to compensation on the discharge of a pension compensation credit in accordance with this Chapter.

Interpretation

“the initial annual rate of compensation” is the amount determined by the Board under section 94(4);

the “pension compensation age” of the transferee is the age determined in accordance with paragraph 3.

Pension compensation age

3.—(1) This paragraph applies for the purpose of determining the transferee’s pension compensation age.

(2) Sub-paragraphs (3) and (4) apply where the transferor’s PPF compensation, or any of it, is determined under Schedule 6 to the 2005 Order.

(3) Where the transferor's right to PPF compensation arises by virtue of his or her status as a member of a pension scheme for which the Board assumed responsibility in accordance with Chapter 3 of Part 3 of that Order, the transferee's pension compensation age is the same as—

- (a) the normal pension age of the transferor, or
- (b) where the transferor was a pension credit member, the normal benefit age of the transferor.

(4) Where the transferor's right to PPF compensation arises by virtue of his or her status as a person connected with a member of a scheme for which the Board assumed responsibility in accordance with Chapter 3 of Part 3 of that Order, the transferee's pension compensation age is the same as—

- (a) the normal pension age of that member, or
- (b) where that member was a pension credit member, the normal benefit age of that member.

(5) Sub-paragraph (6) applies where the transferor's PPF compensation is determined only under this Schedule.

(7) In this paragraph, "normal benefit age", "normal pension age" and "pension credit member" have the same meanings as in Schedule 6 to the 2005 Order.

This is subject to paragraph 20 (power of Board to alter rates of revaluation and indexation).

Commutation of periodic compensation

9.—(1) A transferee who is entitled to periodic compensation under paragraph 6 may, in prescribed circumstances, opt to commute for a lump sum a portion of the periodic compensation with effect from the time it becomes payable.

(2) Except in such circumstances as may be prescribed, the portion commuted under sub-paragraph (1) must not exceed 25%.

(3) Any reduction required to be made by virtue of paragraph 18 (compensation cap) must be made before determining the amount of the transferee’s periodic compensation which may be commuted under this paragraph.

(4) Where the transferee opts to commute any part of his or her periodic compensation under this paragraph, the lump sum payable under sub-paragraph (1) is the actuarial equivalent of the commuted portion of the periodic compensation calculated from tables designated for this purpose by the Board.

(5) The Board must publish in such manner as it considers appropriate the tables designated by it for the purposes of sub-paragraph (4).

(6) Regulations may prescribe the manner in which an option to commute periodic compensation under this paragraph may be exercised.

(7) The Department may, by order, amend sub-paragraph (2) so as to substitute a different percentage for that for the time being specified there.

Early payment of compensation

10.—(1) Regulations may prescribe circumstances in which, and conditions subject to which, the transferee may become entitled to periodic compensation under paragraph 6 before attaining pension compensation age.

(2) The Board must determine the amount of the actuarial reduction to be applied to compensation to which the transferee is entitled by virtue of this paragraph.

(3) Where, by virtue of this paragraph, periodic compensation is payable to the transferee before he or she attains pension compensation age, paragraph 8(2)(b) (end of revaluation period) applies as if the reference to the day before the transferee attains pension compensation age were to the day on which compensation is payable by virtue of this paragraph.

Deferral of compensation

11.—(1) Regulations may prescribe circumstances in which, and conditions subject to which, the transferee may opt to defer entitlement to periodic compensation under paragraph 6 until some time after attaining pension compensation age.

(2) The Board must determine the amount of the actuarial increase to be applied to compensation to which the transferee is entitled by virtue of this paragraph.

(3) Where, by virtue of this paragraph, periodic compensation is payable to the transferee after he or she attains pension compensation age, paragraph 8(2)(b) (end of revaluation period) applies as if the reference to the day before the transferee attains pension compensation age were to the day on which compensation is payable by virtue of this paragraph.

Terminal illness lump sum: eligibility

12.—(1) This paragraph applies where all of the following conditions are met—

- (a) the transferee is terminally ill;
- (b) if the transferee lived to the relevant age, he or she would become entitled on attaining that age to compensation under paragraph 6 in respect of the pension compensation credit;
- (c) the transferee has not yet become entitled to any compensation under this Chapter in respect of the pension compensation credit;

(d) the whole or any part of the transferee's lifetime allowance is available.

(2) The transferee may make an application to the Board to commute the future entitlement mentioned in sub-paragraph (1)(b) for a lump sum ("a terminal illness lump sum") payable on the granting of the application.

(3) For the purposes of this Chapter a person is "terminally ill" at any time if at that time the person suffers from a progressive disease and the person's death in consequence of that disease can reasonably be expected within six months.

(4) In this paragraph—

"lifetime allowance", in relation to a person, has the same meaning as in Part 4 of the Finance Act 2004 (c. 12) (pension schemes etc.) (see section 218 of that Act);

"relevant age", in relation to a person, means—

- (a) in relation to compensation entitlement to which has been accelerated or deferred under regulations under paragraph 10 or (as the case may be) 11, the age at which the person becomes entitled to the compensation in accordance with the regulations;
- (b) in relation to compensation entitlement to which has not been so accelerated or deferred, pension compensation age.

Terminal illness lump sum: application and evidence

13. An application for a terminal illness lump sum—

- (a) must be made in writing, either on a form approved by the Board for the purposes of this paragraph or in such other manner as the Board may accept as sufficient in the circumstances of the case;
- (b) must be accompanied by such information as the Board may require for the purpose of determining the application.

Terminal illness lump sum: determination of application

(2) The Board must—

- (a) if satisfied that the conditions in paragraph 12(1) are met, grant the application;
- (b) in any other case (subject to sub-paragraph (3)), reject the application.

(3) The Board may hold over the application for determination at a later date if it is satisfied that—

- (a) although the condition in paragraph 12(1)(a) is not met, the transferee suffers from a progressive disease and may become terminally ill within six months, and
- (b) the conditions in paragraph 12(1)(b) to (d) are met.

Terminal illness lump sum: effect of successful application

15.—(1) If the Board grants an application for a terminal illness lump sum, the transferee—

- (a) becomes entitled to a terminal illness lump sum calculated in accordance with this paragraph, and
- (b) loses the entitlement he or she otherwise would have had on attaining the relevant age to compensation under paragraph 6 in respect of the pension compensation credit.

(2) The amount of the terminal illness lump sum is 2 times the amount to which the transferee would have been entitled under paragraph 6 in respect of the pension compensation credit in the year following the granting of the application, if he or she had attained the relevant age on the granting of the application.

(3) In this paragraph “the relevant age” has the same meaning as in paragraph 12.

Terminal illness lump sum: information

16.—(1) Relevant information held by the Department or the Secretary of State about an individual may be disclosed to the Board for use for a purpose relating to its functions under paragraphs 12 to 15.

(8) the definition of “the appropriate percentage” in sub-paragraph (4) is subject to paragraph 20 (power of Board to alter rates of revaluation and indexation).

(9) In this paragraph “post-1997 service” has the same meaning as in paragraph 28 of Schedule 6 to the 2005 Order (annual increase in periodic pension compensation).

SCHEDULE 8

Section 103.

CONTRIBUTION NOTICES AND FINANCIAL
SUPPORT DIRECTIONS UNDER 2005 ORDER*Introduction*

1. The 2005 Order is amended as follows.

Contributions notices: material detriment test

2.—(1) In Article 34(5)(a) (main purpose or one of main purposes of act or failure to prevent recovery of employer debt under Article 75 of the 1995 Order etc.), after “is of the opinion that” insert “the material detriment test is met in relation to the act or failure (see Article 34A) or that”.

- (2) After Article 34 insert—

“Article 34 contribution notice: meaning of “material detriment test”

34A.—(1) For the purposes of Article 34 the material detriment test is met in relation to an act or failure if the Regulator is of the opinion that the act or failure has detrimentally affected in a material way the likelihood of accrued scheme benefits being received (whether the benefits are to be received as benefits under the scheme or otherwise).

(2) In this Article any reference to accrued scheme benefits being received is a reference to benefits the rights to which have accrued by the relevant time being received by, or in respect of, the persons who were members of the scheme before that time.

- (3) In this Article “the relevant time” means—

- (a) in the case of an act, the time of the act, or

- (b) in the case of a failure—

- (i) the time when the failure occurred, or

- (ii) where the failure continued for a period of time, the time which the Regulator determines and which falls within that period;

and, in the case of acts or failures to act forming part of a series, any reference in this paragraph to an act or failure is a reference to the last of the acts or failures in that series.

(4) In deciding for the purposes of Article 34 whether the material detriment test is met in relation to an act or failure, the Regulator must have regard to such matters as it considers relevant, including (where relevant)—

- (a) the value of the assets or liabilities of the scheme or of any relevant transferee scheme,

- (b) the effect of the act or failure on the value of those assets or liabilities,
- (c) the scheme obligations of any person,
- (d) the effect of the act or failure on any of those obligations (including whether the act or failure causes the country or territory in which any of those obligations would fall to be enforced to be different),
- (e) the extent to which any person is likely to be able to discharge any scheme obligation in any circumstances (including in the event of insolvency or bankruptcy),
- (f) the extent to which the act or failure has affected, or might affect, the extent to which any person is likely to be able to do as mentioned in sub-paragraph (e), and
- (g) such other matters as may be prescribed.

(5) In paragraph (4) “scheme obligation” means a liability or other obligation (including one that is contingent or otherwise might fall due) to make a payment, or transfer an asset, to—

- (a) the scheme, or
- (b) any relevant transferee scheme in respect of any persons who were members of the scheme before the relevant time.

(6) In this Article—

- (a) “relevant transferee scheme” means any work-based pension scheme to which any accrued rights to benefits under the scheme are transferred;
- (b) any reference to the assets or liabilities of any relevant transferee scheme is a reference to those assets or liabilities so far as relating to persons who were members of the scheme before the relevant time.

(7) For the purposes of paragraph (6)(a) the reference to the transfer of accrued rights of members of a pension scheme to another pension scheme includes a reference to the extinguishing of those accrued rights in consequence of the obligation to make a payment, or transfer an asset, to that other scheme.

(8) In this Article—

- (a) “work-based pension scheme” has the meaning given by Article 4(3);
- (b) any reference to rights which have accrued is to be read in accordance with Article 67A(6) and (7) of the 1995 Order (reading any reference in those paragraphs to a subsisting right as a reference to a right which has accrued).

(9) In deciding for the purposes of this Article whether an act or failure has detrimentally affected in a material way the likelihood of accrued

scheme benefits being received, the following statutory provisions are to be disregarded—

- (a) Chapter 3 of Part 3 (the Board of the Pension Protection Fund: pension protection), and
 - (b) section 286 of the Pensions Act 2004 (the financial assistance scheme for members of certain pension schemes).
- (10) Regulations may amend any provision of paragraphs (4) to (8).

Article 34 contribution notice issued by reference to material detriment test: defence

34B.—(1) This Article applies where—

- (a) a warning notice is given to any person (“P”) in respect of a contribution notice under Article 34, and
- (b) the contribution notice under consideration would be issued wholly or partly by reference to the Regulator’s opinion that the material detriment test is met in relation to an act or deliberate failure to act to which P was a party.

(2) If the Regulator is satisfied that P has shown that—

- (a) conditions A and C are met, and
- (b) where applicable, condition B is met,

the Regulator must not issue the contribution notice by reference to its being of the opinion mentioned in paragraph (1)(b).

(3) Condition A is that, before becoming a party to the act or failure, P gave due consideration to the extent to which the act or failure might detrimentally affect in a material way the likelihood of accrued scheme benefits being received.

(4) Condition B is that, in any case where as a result of that consideration P considered that the act or failure might have such an effect, P took all reasonable steps to eliminate or minimise the potential detrimental effects that the act or failure might have on the likelihood of accrued scheme benefits being received.

(5) Condition C is that, having regard to all relevant circumstances prevailing at the relevant time, it was reasonable for P to conclude that the act or failure would not detrimentally affect in a material way the likelihood of accrued scheme benefits being received.

(6) P is to be regarded as giving the consideration mentioned in condition A only if P has made the enquiries, and done the other acts, that a reasonably diligent person would have made or done in the circumstances.

(7) For the purposes of condition C—

- (a) “the relevant time” means the time at which the act occurred or the failure to act first occurred;
- (b) the reference to the circumstances mentioned in that condition is a reference to those circumstances of which P was aware, or ought reasonably to have been aware, at that time (including acts or failures to act which have occurred before that time and P’s expectation at that time of other acts or failures to act occurring).

(8) In the case of acts or failures to act forming part of a series, P is to be regarded as having shown the matters mentioned in paragraph (2) if P shows in the case of each of the acts or failures in the series that—

- (a) conditions A and C are met, and (where applicable) condition B is met, in relation to the act or failure, or
- (b) the act or failure was one of a number of acts or failures (a “group” of acts or failures) selected by P in relation to which the following matters are shown.

(9) The matters to be shown are that—

- (a) before becoming a party to the first of the acts or failures in the group, condition A is met in relation to the effect of the acts or failures in the group taken together,
- (b) condition B is (where applicable) met in relation to that effect, and
- (c) condition C is then met in relation to each of the acts or failures in the group (determined at the time at which each act or failure concerned occurred or first occurred).

(10) If at any time P considers that condition C will not be met in relation to any particular act or failure in the group—

- (a) the previous acts or failures in the group are to be regarded as a separate group for the purposes of paragraph (8), and
- (b) P may then select another group consisting of the particular act or failure concerned, and any subsequent act or failure, in relation to which P shows the matters mentioned in paragraph (9).

Nothing in sub-paragraph (b) is to be read as preventing P from showing the matters mentioned in paragraph (8)(a).

(11) If—

- (a) P is unable to show in the case of each of the acts or failures in the series that the matters set out in paragraph (8)(a) or (b) are met, but
- (b) does show in the case of some of them that those matters are met,

the acts or failures within sub-paragraph (b) are not to count for the purposes of Article 34A as acts or failures to act in the series.

(12) In this Article—

- (a) “a warning notice” means a notice given as mentioned in Article 91(2)(a);
- (b) any reference to an act or failure to which a person is a party has the same meaning as in Article 34(6)(a);
- (c) any reference to the accrued scheme benefits being received has the same meaning as in Article 34A;

and paragraph (9) of Article 34A applies for the purposes of conditions A to C as it applies for the purposes of that Article.

(13) Regulations may amend this Article.”.

3. In Article 85(2) (the matters in relation to which the Pensions Regulator must issue codes of practice), after sub-paragraph (a) insert—

“(aa) the circumstances in which the Regulator expects to issue contribution notices under Article 34 as a result of being of the opinion that the material detriment test is met in relation to an act or failure;”.

4. In Article 91 (standard procedure), after paragraph (1) insert—

“(1A) In any case where—

- (a) a warning notice is given to any person in respect of a contribution notice under Article 34, and
- (b) the contribution notice under consideration would be issued wholly or partly by reference to the Regulator’s opinion that the material detriment test is met in relation to an act or failure,

the standard procedure must provide for the following matters.

(1B) The matters are—

- (a) a requirement for the warning notice to explain the general effect of Article 34B, and
- (b) a requirement for the person to be given an opportunity before the contribution notice is issued to show the matters mentioned in paragraph (2) of that Article.”.

5. In Article 288(3) (orders and regulations under Order that are subject to confirmatory procedure), after sub-paragraph (a) insert—

“(aa) regulations under Article 34A(10) or 34B(13) (Article 34 contribution notices: “the material detriment test”);”.

Contribution notices: acting or failing to act otherwise than in good faith

6. In Article 34(5) (acts or failures to act in relation to which Pensions Regulator may issue contribution notices), in sub-paragraph (a)(ii), omit “otherwise than in good faith,”.

Whether reasonable for Pensions Regulator to issue contribution notice

7.—(1) Article 34 (contribution notices where avoidance of employer debt) is amended as follows.

(2) In paragraph (3) (conditions which must be met before Pensions Regulator can issue contribution notice), for sub-paragraph (d) substitute—

“(d) the Regulator is of the opinion that it is reasonable to impose liability on the person to pay the sum specified in the notice, having regard to—

(i) the extent to which, in all the circumstances of the case, it was reasonable for the person to act, or fail to act, in the way that the person did, and

(ii) such other matters as the Regulator considers relevant, including (where relevant) the matters falling within paragraph (7).”.

(3) In paragraph (7) (list of relevant matters for purposes of paragraph (3)(d))—

(a) for the words from the beginning to “the following matters—” substitute “The matters within this paragraph are—”; and

(b) after sub-paragraph (e) insert—

“(ea) the value of any benefits which directly or indirectly the person receives, or is entitled to receive, from the employer or under the scheme;

(eb) the likelihood of relevant creditors being paid and the extent to which they are likely to be paid;”.

(4) After that paragraph insert—

“(7A) In paragraph (7)(eb) “relevant creditors” means—

(a) creditors of the employer, and

(b) creditors of any other person who has incurred a liability or other obligation (including one that is contingent or otherwise might fall due) to make a payment, or transfer an asset, to the scheme.”.

Contribution notices: series of acts or failures to act

8.—(1) In Article 34 (contribution notices where avoidance of employer debt), at the end add—

“(12) Paragraph (13) applies if the Regulator is of the opinion that—

(a) a person was a party to a series of acts or failures to act,

(b) each of the acts or failures in the series falls within paragraph (5) (b) and (c), and

- (c) the material detriment test is met in relation to the series, or the main purpose or one of the main purposes of the series was as mentioned in paragraph (5)(a)(i) or (ii).

(13) The series of acts or failures to act is to be regarded as an act or failure to act falling within paragraph (5) (and, accordingly, the reference in paragraph (6)(b)(i) to the act or failure to act falling with paragraph (5) is to the first of the acts or failures to act in the series).”.

(2) In Article 35 (the sum specified in an Article 34 contribution notice)—

- (a) in paragraph (4), after “means” insert “(subject to paragraph (4A))”; and
- (b) after paragraph (4) insert—

“(4A) In the case of a series of acts or failures to act, “the relevant time” is determined by reference to whichever of the acts or failures in the series is, in the Regulator’s opinion, most appropriate.”.

Contribution notices and financial support directions: bulk transfers

9. After Article 35 (the sum specified in an Article 34 contribution notice) insert

“Article 34 contribution notice: transfer of members of the scheme

35A.—(1) This Article applies where—

- (a) the Regulator is of the opinion that in relation to a scheme (“the initial scheme”) in relation to which Article 34 applies—
 - (i) an act or failure to act falling within paragraph (5) of that Article has occurred (or first occurred) at any time, and
 - (ii) the other conditions in that Article for issuing a contribution notice are met in relation to the initial scheme (or, but for any transfer falling within sub-paragraph (b), would be met), and
- (b) the accrued rights of at least two persons who were members of the initial scheme are transferred at that or any subsequent time to one or more work-based pension schemes (whether by virtue of the act or otherwise).

(2) The Regulator may issue a contribution notice under Article 34 in relation to any transferee scheme (and, accordingly, any reference in Article 36 or 37 to the scheme is to the transferee scheme).

(3) In the case of any contribution notice issued by virtue of paragraph (2) to any transferee scheme which is not within paragraph (5)(a) or (b), Article 35 has effect as if any reference in that Article to the scheme were a reference to whichever of—

- (a) the initial scheme, and

(b) the transferee scheme,

the Regulator determines to be more appropriate in the circumstances.

(4) In any case where Article 35 has effect in relation to the transferee scheme by virtue of paragraph (3), any reference in that Article to a debt under Article 75 of the 1995 Order is a reference to so much of that debt as, in the Regulator's opinion, is attributable to those members of the transferee scheme who were members of the initial scheme.

(5) In the case of any contribution notice issued by virtue of paragraph (2) to any transferee scheme which is—

- (a) a scheme to which Article 75 of the 1995 Order does not apply, or
- (b) a scheme to which that Article does apply in a case where the liabilities of the scheme that would be taken into account for the purposes of that Article do not relate to the members of the initial scheme,

the sum specified by the Regulator in the notice is determined in accordance with regulations (and not in accordance with Article 35).

(6) The Regulator may also issue a direction to the trustees or managers of any transferee scheme requiring them to take specified steps to secure that the sum payable under the notice is applied for the benefit of the members of the transferee scheme who were members of the initial scheme.

(7) If the trustees or managers fail to comply with a direction issued to them under paragraph (6), Article 10 of the 1995 Order (civil penalties) applies to any trustee or manager who has failed to take all reasonable steps to secure compliance.

Article 35A: supplemental

35B.—(1) In Article 35A a “transferee scheme”, in relation to any time, means any work-based pension scheme—

- (a) to which the accrued rights of at least two persons who were members of the initial scheme have been transferred, and
- (b) of which any of those persons are members at that time.

(2) For the purposes of Article 35A(1) and paragraph (1) it does not matter whether any rights are transferred to a work-based pension scheme directly from the initial scheme or following one or more other transfers to other work-based pension schemes.

(3) For the purposes of Article 35A and this Article references to the transfer of accrued rights of members of a pension scheme to another pension scheme include references to the extinguishing of those accrued rights in consequence of the obligation to make a payment, or transfer an asset, to that other scheme.

- (4) In Article 35A and this Article—
- (a) “work-based pension scheme” has the meaning given by Article 4(3);
 - (b) any reference to rights which have accrued is to be read in accordance with Article 67A(6) and (7) of the 1995 Order (reading any reference in those paragraphs to a subsisting right as a reference to a right which has accrued).
- (5) Article 35A applies even if the initial scheme—
- (a) is wound up as a result of any transfer falling within paragraph (1) (b) of that Article, or
 - (b) otherwise ceases to exist at the time of the transfer or at any subsequent time.
- (6) Accordingly, in any such case, in paragraph (1) of that Article—
- (a) the reference to a scheme to which Article 34 applies is a reference to a scheme which was such a scheme before the transfer;
 - (b) the reference to any conditions in Article 34 being met is a reference to any conditions in that Article that, but for the transfer, would have been met in relation to the scheme.
- (7) Nothing in Article 35A or this Article is to be read as preventing the Regulator from issuing a contribution notice in relation to the initial scheme.
- (8) Regulations may make provision applying, with or without modifications, any provision made by or under Article 35A or this Article in relation to any scheme or other arrangement in any case where the accrued rights of persons who were members of the initial scheme are transferred or extinguished directly or indirectly in consequence of or otherwise in connection with—
- (a) the making of any payment at any time to or for the benefit of the scheme or other arrangement,
 - (b) the transfer of any asset at any time to or for the benefit of the scheme or other arrangement,
 - (c) the discharge (wholly or partly) at any time of any liability incurred by or on behalf of the scheme or other arrangement, or
 - (d) the incurring at any time of any obligation to do any act falling within sub-paragraphs (a) to (c).
- (9) Any reference in paragraph (8)(a) to (d) to the doing of an act of any description at any time in relation to the scheme or other arrangement includes a reference to the doing of an act of that description at any previous time in relation to any other scheme or other arrangement.
- (10) Regulations under paragraph (8) may—

- (a) make provision having effect in relation to any case where rights are transferred or extinguished on or after the date on which the Department publishes a statement of the intention to make the regulations; and
- (b) without prejudice to Article 287(3), make consequential provision applying with modifications any provision of this Order which relates to contribution notices under Article 34.”.

10. After Article 39 (financial support directions) insert—

“Financial support directions: transfer of members of the scheme

39A.—(1) This Article applies where—

- (a) the Regulator is of the opinion by reference to any time that the conditions in Article 39 for issuing a financial support direction are met in relation to a scheme (“the initial scheme”) in relation to which that Article applies (or, but for any transfer falling within sub-paragraph (b), would be met), and
- (b) the accrued rights of at least two persons who were members of the initial scheme are transferred at any subsequent time to one or more work-based pension schemes.

(2) The Regulator may issue a financial support direction under that Article in relation to any transferee scheme (and, accordingly, any reference in Article 41 or any of Articles 43 to 46 to the scheme is to the transferee scheme).

(3) The Regulator may also issue a direction to the trustees or managers of any transferee scheme requiring them to take specified steps to secure that the financial support is put in place for the benefit of the members of the transferee scheme who were members of the initial scheme.

(4) If the trustees or managers fail to comply with a direction issued to them under paragraph (3), Article 10 of the 1995 Order (civil penalties) applies to any trustee or manager who has failed to take all reasonable steps to secure compliance.

Article 39A: supplemental

39B.—(1) In Article 39A a “transferee scheme”, in relation to any time, means any work-based pension scheme—

- (a) to which the accrued rights of at least two persons who were members of the initial scheme have been transferred, and
- (b) of which any of those persons are members at that time.

(2) For the purposes of Article 39A(1) and paragraph (1) it does not matter whether any rights are transferred to a work-based pension scheme

directly from the initial scheme or following one or more other transfers to other work-based pension schemes.

(3) For the purposes of Article 39A and this Article references to the transfer of accrued rights of members of a pension scheme to another pension scheme include references to the extinguishing of those accrued rights in consequence of the obligation to make a payment, or transfer an asset, to that other scheme.

(4) In Article 39A and this Article—

- (a) “work-based pension scheme” has the meaning given by Article 4(3);
- (b) any reference to rights which have accrued is to be read in accordance with Article 67A(6) and (7) of the 1995 Order (reading any reference in those paragraphs to a subsisting right as a reference to a right which has accrued).

(5) Article 39A applies even if the initial scheme—

- (a) is wound up as a result of any transfer falling within paragraph (1) (b) of that Article, or
- (b) otherwise ceases to exist at the time of the transfer or at any subsequent time.

(6) Accordingly, in any such case, in paragraph (1) of that Article—

- (a) the reference to a scheme to which Article 39 applies is a reference to a scheme which was such a scheme before the transfer;
- (b) the reference to any conditions in Article 39 being met is a reference to any conditions in that Article that, but for the transfer, would have been met in relation to the scheme.

(7) Nothing in Article 39A or this Article is to be read as preventing the Regulator from issuing a financial support direction in relation to the initial scheme.

(8) Regulations may make provision applying, with or without modifications, any provision made by Article 39A or this Article in relation to any scheme or other arrangement in any case where the accrued rights of persons who were members of the initial scheme are transferred or extinguished directly or indirectly in consequence of or otherwise in connection with—

- (a) the making of any payment at any time to or for the benefit of the scheme or other arrangement,
- (b) the transfer of any asset at any time to or for the benefit of the scheme or other arrangement,
- (c) the discharge (wholly or partly) at any time of any liability incurred by or on behalf of the scheme or other arrangement, or

(d) the incurring at any time of any obligation to do any act falling within sub-paragraphs (a) to (c).

(9) Any reference in paragraph (8)(a) to (d) to the doing of an act of any description at any time in relation to the scheme or other arrangement includes a reference to the doing of an act of that description at any previous time in relation to any other scheme or other arrangement.

(10) Regulations under paragraph (8) may—

(a) make provision having effect in relation to any case where rights are transferred or extinguished on or after the date on which the Department publishes a statement of the intention to make the regulations; and

(b) without prejudice to Article 287(3), make consequential provision applying with modifications any provision of this Order which relates to financial support directions under Article 39.”.

11. In Article 279(2) (overriding requirements)—

(a) after sub-paragraph (d) insert—

“(da) any direction issued by the Regulator under Article 35A(6);”; and

(b) after sub-paragraph (e) insert—

“(ea) any direction issued by the Regulator under Article 39A(3);”.

12. In Article 288(3) (orders and regulations under Order that are subject to confirmatory procedure), after sub-paragraph (aa) (as inserted by paragraph 5 of this Schedule) insert—

“(ab) regulations under Article 35A(5), 35B(8) or 39B(8) (contribution notices and financial support directions: bulk transfers);”.

13. In Part 4 of Schedule 2 (the reserved regulatory functions of Pensions Regulator: functions under Order)—

(a) after paragraph 30 insert—

“**30A.** The power to issue a direction under Article 35A(6) to any person.”; and

(b) after paragraph 33 insert—

“**33A.** The power to issue a direction under Article 39A(3) to any person.”.

Financial support directions: meaning of “insufficiently resourced”

14.—(1) In Article 40(3) (meaning of “insufficiently resourced”), for sub-paragraph (b) substitute—

“(b) condition A or B is met.”.

(2) After paragraph (3) insert—

“(3A) Condition A is met if—

(a) there is at that time a person who falls within Article 39(6)(b) or (c), and

(b) the value at that time of that person’s resources is not less than the relevant deficit, that is to say the amount which is the difference between—

(i) the value of the resources of the employer, and

(ii) the amount which is the prescribed percentage of the estimated Article 75 debt.

(3B) Condition B is met if—

(a) there are at that time two or more persons who—

(i) fall within Article 39(6)(b) or (c), and

(ii) are connected with, or associates of, each other, and

(b) the aggregate value at that time of the resources of the persons who fall within sub-paragraph (a) (or any of them) is not less than the relevant deficit.”.

(3) In paragraph (4), for “paragraph (3)” substitute “paragraphs (3) to (3B)”.

Effect of amendments made by this Schedule

15.—(1) The amendments made by paragraphs 2, 6 and 7 have effect in relation to any act occurring, or any failure to act first occurring, on or after 14th April 2008.

(2) The amendments made by paragraph 8 have effect—
