#### ***Section 23: Application of certain provisions to certain joint committees constituted as bodies corporate***

Northern Ireland councils have formed themselves into 3 joint committees (Waste Management Groups) to address waste management issues. Two of the joint committees have been constituted as bodies corporate by orders made by the Department. This section amends those orders to apply certain provisions of the Act to those bodies. The amendments will permit arc21 and SWaMP2008 to enter into certified contracts, vest land for waste management purposes and provide warranties or indemnities in relation to contracts.
