Revocation, suspension and compulsory variation

Compulsory variation: prohibition of alcohol

17.—(1) A council may at any time vary a pavement café licence which does not include an alcohol condition by inserting such a condition, but this is subject to subsection (3).

(2) In this section “an alcohol condition” means a condition requiring the licence holder not to permit persons to consume intoxicating liquor when using furniture on the area covered by the licence.

(3) A council may insert such a condition only if—

- (a) the premises specified in the licence are premises licensed under the Licensing Order of a kind mentioned in Article 5(1)(b) of that Order (off-licences); or
- (b) the council is satisfied that permitting persons to consume intoxicating liquor when using furniture on the area covered by the licence would be likely to result in disorder.
