## **EXPLANATORY NOTES**

### **COMMENTARY ON SECTIONS**

#### **Part 4 – Controlled Reservoirs: Other requirements**

##### ***Section 59 – Display of emergency response information***

This section requires reservoir managers of controlled reservoirs to ensure that emergency response information is displayed at or near the reservoir. Subsection (2) enables the Department to make provision in regulations about the information which must be displayed. Subsection (3) lists the information, which in particular, may be specified in the regulations under subsection (2). Subsection (4) enables the Department to give directions to reservoir managers of controlled reservoirs as to the manner and location of the information to be displayed. Subsection (6) requires the reservoir manager to comply with any such directions from the Department.
