

2015 CHAPTER 8

PART 6

CIVIL ENFORCEMENT, EMERGENCY POWERS AND FURTHER OFFENCES

Enforcement of commissioning of engineers

PROSPECTIVE

Commissioning by the Department: engineers' reports, certificates, recommendations etc.

70 Where the Department commissions a relevant engineer under section 69, the following are to be given to the Department (instead of being given to the reservoir manager) and copied to the reservoir manager, not later than 28 days after being given to the Department—

- (a) where the relevant engineer is a supervising engineer, any notice under section 26(2)(a) or (g), recommendation under section 26(3) or statement under section 26(5) by the supervising engineer,
- (b) where the relevant engineer is an inspecting engineer, any inspection report, interim inspection compliance certificate or inspection compliance certificate by the inspecting engineer,
- (c) where the relevant engineer is a construction engineer, any safety report, safety measure certificate, preliminary certificate, construction certificate or final certificate by the construction engineer.

Status:

This version of this provision is prospective.

Changes to legislation:

There are currently no known outstanding effects for the Reservoirs Act (Northern Ireland) 2015, Section 70.
