[^{F1}SCHEDULE 1A

INCORPORATED PRACTICES: SUPPLEMENTARY PROVISIONS

F1 1989 NI 14

Compensation Fund

27.—(1) On an application for recognition under Article 26A a body corporate shall pay to the Society with any fee required to be paid by virtue of paragraph (2)(a) of that Article a contribution to the Compensation Fund of such amount as the Council may from time to time determine; and Schedule 2 shall apply to an amount paid to the Society in pursuance of this sub#paragraph as if it were an annual contribution paid in pursuance of paragraph 2 of that Schedule.

- (2) Where the Council, on an application for a grant being made to the Society, are satisfied—
- (a) that a person has suffered loss in consequence of dishonesty on the part of an officer or employee of a recognised body in connection with that body's business or purported business as a recognised body or in connection with any trust of which it is or was a trustee; or
 - (b) that a person has suffered or is likely to suffer hardship in consequence of the failure on the part of a recognised body to account for money which has come into its possession in connection with that body's business or purported business as a recognised body or in connection with any trust of which it is or was a trustee;

then, subject to the provisions of sub-paragraph (3), the Society may, if the Council think fit, make to that person a grant out of the Compensation Fund for the purpose of making good or mitigating that loss or (as the case may be) relieving such hardship.

- (3) The following provisions shall have effect in relation to grants under sub-paragraph (2)—
- (a) the Society shall not make a grant unless the Council are satisfied that the recognised body in respect of whose act or default or in respect of whose officer's or employee's act or default the application is made has been given sufficient notice of the substance of the application and had not given, either to the applicant or to the Society, such explanation as satisfied the Council that no grant should be made;
 - (b) the fact that the applicant is a solicitor, an employee of a solicitor, a recognised body or an officer or employee of such a body shall not disqualify the applicant from receiving a grant.

(4) Where the Council, on an application being made to the Society, are satisfied that a member of a recognised body has suffered or is likely to suffer loss or hardship by reason of his liability to any of that body's clients in consequence of some act or default of any officer or employee of that body, in circumstances where but for the liability of that member a grant might have been made out of the Compensation Fund to some other person, then, subject to the provisions of sub-paragraph (5), the Society may, if the Council think fit, make to that member a grant out of the Compensation Fund for the purpose of relieving that loss or hardship.

- (5) The following provisions shall have effect in relation to grants under sub#paragraph (4)—
