SAND AND OTHER BALLAST

PART II

CARRIAGE OF BALLAST BY ROAD

10. In the case of any document such as is mentioned in paragraph 7, if at any time during the journey or on unloading at the place of delivery the quantity of the ballast to which the document relates is found to be less than that stated in the document, the statement shall nevertheless be deemed for the purposes of this Order to be correct if, but only if, it is proved that the deficiency is solely attributable to the draining away of normal moisture from, or the consolidation of, the ballast during the journey.

Changes to legislation:

There are currently no known outstanding effects for the Weights and Measures (Northern Ireland) Order 1981, Paragraph 10.
