(5) Before acquiring any land under paragraph (1) the Department shall consult with the district council in whose area the land is situated.

(6) Proceedings under this Article for the acquisition of land in connection with a development scheme may be taken concurrently (so far as practicable) with proceedings required by Article 86 to be taken for the purpose of the making of an order in relation to that development scheme, so, however, that a vesting order vesting any such land in the Department shall not be made until the order adopting the development scheme has been made.
