(4) Without prejudice to any regulations made under this Order relating to the control of advertisements, a use for the display of advertisements of any external part of a building which is not normally used for that purpose shall be treated for the purposes of this Article as involving a material change in the use of that part of the building.

(6) Any provision of a development order whereby permission is granted for the use of land for any purpose on a limited number of days in a period specified in that provision shall (without prejudice to the generality of other references in this Order to limitations) be taken to be a provision granting permission for the use of land for any purpose subject to the limitation that the land shall not be used for any one purpose in pursuance of that provision on more than that number of days in that period.

(7) For the purpose of enabling development to be carried out in accordance with planning permission, or otherwise for the purpose of promoting proper development in accordance with a development plan, a development order may authorise the Department to suspend the operation of any enactment contained in a local Act or of any regulations, orders, or bye-laws made at any time under any statutory provision in relation to any development specified under the order.

- (3) A certificate for the purposes of sub-paragraph (c) or (d) of paragraph (1) shall set out the names and addresses of the persons to whom the requisite notice was given in accordance with that sub-paragraph and the date of service of the notice.
- (4) Where an application for planning permission is accompanied by such a certificate as is mentioned in paragraph (1)(c) or (d), the Department shall not determine the application before the end of the period of 14 days beginning with the date appearing from the certificate to be the latest of the dates of service of notices as mentioned in the certificate.
- (5) Where a tenancy subsists in any land, and—
- (a) it is necessary, for the purposes of this Article, to determine whether a person is entitled to enter into the actual possession of that land; and
 - (b) by reason of any option or other contractual right with respect to the determination, renewal or continuance of the tenancy the date of expiry of the tenancy is not ascertainable with certainty;

that date shall be taken to be such as appears reasonable and probable having regard to the interests of the party by whom the option is exercisable, or in whose favour the right operates, and to any other material consideration.

- (6) If any person—

- (a) issues a certificate which purports to comply with the requirements of this Article and which contains a statement which he knows to be false or misleading in a material particular; or
- (b) recklessly issues a certificate which purports to comply with those requirements and which contains a statement which is false or misleading in a material particular;

he shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 3 on the standard scale.

(7) Any certificate issued for the purposes of this Article shall be in such form as may be specified in a development order; and any reference in this Article to the requisite notice is a reference to a notice in the form so specified.

Notice requiring planning application

23.—(1) Where it appears to the Department that development has been carried out—

- (a) without the grant of the planning permission required in that behalf in accordance with this Part; or
- (b) without the grant of any approval of the Department required in that behalf under a development order;

the Department may issue a notice under this Article requiring the making of an application for such planning permission or approval to the Department within 28 days from the service of the notice.

(2) A notice under this Article may be issued only within the period of four years from the date on which the development to which it relates was begun; and the provisions of Article 36(1) apply in determining for the purpose of this Article when development shall be taken to be begun.

(3) A notice under this Article shall specify the matters alleged to constitute the development to which the notice relates.

(4) A copy of a notice under this Article shall be served on the owner and on the occupier of the land to which it relates.

(6) If a person against whom proceedings are brought under paragraph (5)—

- (a) was, at the time when the copy of the notice under this Article was served on him, the owner of the land to which the notice relates; but
- (b) has, at some time before the end of the period allowed for compliance with the notice, ceased to be the owner of that land, he shall, upon a complaint duly made by him and on giving to the prosecution not less than three days' notice of his intention, be entitled to have the person who then became the owner of the land (in paragraph (7) referred to as the "subsequent owner") brought before the court in the proceedings.

(7) If after it has been proved, in a case to which paragraph (6) applies, that the application referred to in the notice under this Article has not been made within the period allowed for compliance with the notice, the original defendant proves that the failure to make that application was attributable, in whole or in part, to the default of the subsequent owner—

- (a) the subsequent owner may be convicted of the offence; and
- (b) the original defendant, if he further proves that he took all reasonable steps to secure compliance with the notice, shall be acquitted of the offence.

(8) If, after a person has been convicted under paragraphs (5) to (7), the application referred to in the notice under this Article is not made to the Department, he shall be guilty of a further offence and liable on summary conviction to a fine not exceeding one-tenth of level 3 on the standard scale for each day following his first conviction on which the offence continues.

(9) The Department may, at any time before the end of the period allowed for compliance with a notice under this Article, withdraw the notice.

(10) If it does so the Department shall forthwith give notice of the withdrawal to every person who was served with a copy of the notice.

(11) Any reference in this Article and Article 24 to the period allowed for compliance with a notice under this Article is a reference to the period mentioned in paragraph (1) or such extended period as may be allowed by the Department for compliance with the notice.

(12) For the purposes of this Article an application to the Department for any planning permission or approval shall not be taken to be made unless it is accompanied by the fee prescribed under Article 127 in relation to that application.

Appeal against notice under Article 23

24.—(1) A person on whom a copy of a notice has been served under Article 23 may, at any time before the end of the period allowed for compliance with that notice, appeal to the planning appeals commission against the notice.

(2) An appeal may be brought on any of the following grounds—

- (a) that the matters alleged in the notice do not constitute development;
- (b) that the development alleged in the notice has not taken place;
- (c) that the period of four years referred to in Article 23(2) had elapsed at the date when the notice was issued.

(3) An appeal under this Article shall be made by notice in writing to the planning appeals commission and such notice shall indicate the grounds of the appeal and state the facts on which it is based.

(4) Before determining an appeal under this Article, the planning appeals commission shall, if either the appellant or the Department so desires, afford to each of them an opportunity of appearing before and being heard by the commission.

(5) Where an appeal is brought under this Article the notice shall be of no effect pending the final determination or the withdrawal of the appeal.

(6) On an appeal under this Article the planning appeals commission—

- (a) shall quash the notice, vary the terms of the notice or uphold the notice;
- (b) may correct any informality, defect or error in the notice, or vary its terms, if it is satisfied that the correction or variation can be made without injustice to the appellant or to the Department.

(7) The validity of a notice under Article 23 shall not, except by way of an appeal under this Article, be questioned in any proceedings whatsoever on any of the grounds on which such an appeal may be brought.

*Determination of planning applications***Determination of planning applications**

25.—(1) Subject to this Part, where an application is made to the Department for planning permission, the Department, in dealing with the application, shall have regard to the development plan, so far as material to the application, and to any other material considerations, and—

- (a) subject to Articles 34 and 35, may grant planning permission, either unconditionally or subject to such conditions as it thinks fit; or
- (b) may refuse planning permission.

(2) In determining any application for planning permission for development of any class to which Article 21(1) applies, the Department shall take into account any representations relating to that application which are received by it before the expiration of the period of 14 days from the date on which notice of the application is first published in a newspaper.

(3) Where an application for planning permission is accompanied by such a certificate as is mentioned in Article 22(1)(c) or (d), the Department—

- (a) in determining the application, shall take into account any representations relating thereto which are made to it by any person who satisfies it that, in relation to any of the designated land, he is such a person as is described in Article 22(1)(c); and
- (b) shall give notice of its decision on the application to every person who made representations which it was required to take into account under sub-paragraph (a).

Duty to draw attention to certain provisions for benefit of disabled

26.—(1) When granting planning permission for any development which will result in the provision—

- (a) of a building or premises to which section 4 of the Chronically Sick and Disabled Persons (Northern Ireland) Act 1978 applies (buildings or premises to which the public are to be admitted whether on payment or otherwise);

the Department shall draw the attention of the person to whom the permission is granted—

- (i) to the relevant provisions of the Chronically Sick and Disabled Persons (Northern Ireland) Act 1978; and
- (ii) to the Code of Practice for Access for the Disabled to Buildings.

(2) In paragraph (1)—

“the Code of Practice for Access for the Disabled to Buildings” has the same meaning as in section 4(1A) of the Chronically Sick and Disabled Persons (Northern Ireland) Act 1978;

“educational institution” means any of the following—

- (a) a university;

- (b) a school within the meaning of the Education and Libraries (Northern Ireland) Order 1986;

 - (c) for the purposes of sub-paragraph (c), sections 7 and 8(1) and (3).

Conditional grant of planning permission

27.—(1) Without prejudice to the generality of Article 25(1), conditions may be imposed on the grant of planning permission—

- (a) for regulating the development or use of any land under the control of the applicant (whether or not it is land in respect of which the application was made) or requiring the carrying out of works on any such land, so far as appears to the Department to be expedient for the purposes of or in connection with the development authorised by the permission;
 - (b) for requiring the removal of any buildings or works authorised by the permission, or the discontinuance of any use of land so authorised, at the end of a specified period, and the carrying out of any works required for the reinstatement of land at the end of that period.
- (2) Any planning permission granted subject to such a condition as is mentioned in paragraph (1) (b) is in this Order referred to as “planning permission granted for a limited period”.

Permission to develop land without compliance with conditions previously attached

28.—(1) This Article applies to applications for planning permission for the development of land without complying with conditions subject to which a previous planning permission was granted.

- (2) A development order may make special provision with respect to—
 - (a) the form and content of such applications; and
 - (b) the procedure to be followed in connection with such applications.
- (3) On such an application the Department shall consider only the question of the conditions subject to which planning permission should be granted, and—
 - (a) if it decides that planning permission should be granted subject to conditions differing from those subject to which the previous permission was granted, or that it should be granted unconditionally, the Department shall grant planning permission accordingly; and
 - (b) if it decides that planning permission should be granted subject to the same conditions as those subject to which the previous permission was granted, the Department shall refuse the application.
- (4) This Article does not apply where the application is made after the previous planning permission has become time-expired, that is to say, the previous permission having been granted subject to a condition as to the time within which the development to which it related was to be begun, that time has expired without the development having been begun.

Permission to retain buildings, etc.

29.—(1) An application for planning permission may relate to buildings or works constructed or carried out, or a use of land instituted, before the date of the application, whether—

- (a) the buildings or works were constructed or carried out or the use instituted without planning permission or in accordance with planning permission granted for a limited period; or
- (b) the application is for permission to retain the buildings or works or to continue the use of land without complying with some condition subject to which a previous planning permission was granted.

(2) Any power to grant planning permission to develop land under this Order shall include power to grant planning permission for the retention on land of buildings or works constructed or carried out, or for the continuance of a use of land instituted, as mentioned in paragraph (1); and references in this Order to planning permission to develop land or carry out any development of land, and to applications for such permission, shall be construed accordingly.

(3) Any planning permission granted under paragraph (2) may be granted so as to take effect from the date on which the buildings or works were constructed or carried out, or the use was instituted, or (in the case of buildings or works constructed or a use instituted in accordance with planning permission granted for a limited period) so as to take effect from the end of that period, as the case may be.

Effect of planning permission

30.—(1) Without prejudice to Articles 34 to 38, any grant of planning permission to develop land shall (except insofar as the permission otherwise provides) enure for the benefit of the land and of all persons for the time being having an estate therein.

(2) Where planning permission is granted for the erection of a building, the grant of permission may specify the purposes for which the building may be used; and if no purpose is so specified the permission shall be construed as including permission to use the building for the purpose for which it is designed.

Special procedure for major planning applications

31.—(1) Where, in relation to an application for planning permission, or an application for any approval required under a development order, the Department considers that the development for which the permission or approval is sought would, if permitted—

- (a) involve a substantial departure from the development plan for the area to which it relates; or
- (b) be of significance to the whole or a substantial part of Northern Ireland; or
- (c) affect the whole of a neighbourhood; or
- (d) consist of or include the construction, formation, laying out or alteration of a means of access to a trunk road or of any other development of land within 67 metres of the middle of such a road, or of the nearest part of a special road;

the Department may within two months from the date of the application serve on the applicant a notice in such form as may be specified by a development order applying this Article to the application.

(2) For the purpose of considering representations made in respect of an application to which this Article applies, the Department may cause a public local inquiry to be held by the planning appeals commission.

(3) Where a public local inquiry is not held under paragraph (2), the Department shall, before determining the application, serve a notice on the applicant indicating the decision which it proposes to make on the application; and if within such period as may be specified in that behalf in the notice (not being less than 28 days from the date of service thereof) the applicant so requests in writing, the Department shall afford to him an opportunity of appearing before and being heard by the planning appeals commission.

(4) In determining an application to which this Article applies, the Department shall, where any inquiry or hearing is held, take into account the report of the planning appeals commission.

(5) The decision of the Department on an application to which this Article applies shall be final.

(6) In this Article “road” includes a proposed road and “special road”, “trunk road” and “proposed road” have the same meaning as in the Roads (Northern Ireland) Order 1980.

Appeals

Appeals

32.—(1) Where an application is made to the Department—

- (a) for planning permission to develop land; or
- (b) for any consent, agreement or approval of the Department required by a condition imposed on a grant of planning permission; or
- (c) for any approval of the Department required under a development order;

then if that permission, consent, agreement or approval is refused or is granted subject to conditions, the applicant may by notice in writing under this Article appeal to the planning appeals commission.

(2) Paragraph (1) shall not apply to any application in relation to which the Department has served a notice under Article 31(1).

(3) Any notice under this Article shall be served on the planning appeals commission within six months from the date of notification of the decision to which it relates or such longer period as the commission may allow.

(4) Where an appeal is brought under this Article from a decision of the Department, the planning appeals commission, subject to paragraphs (5) and (6), may allow or dismiss the appeal or may reverse or vary any part of the decision whether the appeal relates to that part thereof or not and may deal with the application as if it had been made to it in the first instance.

(5) Before determining an appeal under this Article, the planning appeals commission shall, if either the applicant or the Department so desires, afford to each of them an opportunity of appearing before and being heard by the commission.

(6) Subject to paragraph (5), Articles 21 to 28 shall apply, with any necessary modifications, in relation to an appeal to the planning appeals commission under this Article as they apply to an application for planning permission.

Appeal in default of planning decision

33. Where any such application as is mentioned in Article 32(1) is made to the Department, then unless within such period as may be specified by a development order, or within such extended period as may be agreed upon in writing between the applicant and the Department, the Department either—

- (a) gives notice to the applicant of its decision on the application; or
- (b) gives notice to him that the application is one to which Article 31 applies, Article 32 shall apply in relation to the application—

- (i) as if the permission, consent, agreement or approval to which it relates had been refused by the Department; and
- (ii) as if notification of the Department's decision had been received by the applicant at the end of the period so specified, or at the end of the said extended period, as the case may be.

Duration of planning permission

Duration of planning permission

34.—(1) Subject to this Article, every planning permission granted shall be granted subject to the condition that the development to which it relates must be begun within—

- (a) five years of the date on which the permission is granted; or
- (b) such other period (whether longer or shorter) as the Department considers appropriate.

(2) If planning permission is granted without the condition required by paragraph (1), it shall be deemed to have been granted subject to the condition that the development to which it relates must be begun within five years of the date of the grant.

(3) Nothing in paragraphs (1) and (2) applies—

- (a) to any outline planning permission;
- (b) to any planning permission granted by a development order;
- (c) to any planning permission granted for a limited period;
- (d) to any planning permission granted under Article 29;
- (e) to any planning permission granted by an enterprise zone scheme; or
- (f) to any planning permission granted by a simplified planning zone scheme.

Duration of outline planning permission

35.—(1) In this Article and in Article 34 “outline planning permission” means planning permission granted in accordance with the provisions of a development order, conditional on the subsequent approval by the Department of the particulars of the proposed development (in this Article referred to as “reserved matters”).

(2) Subject to this Article, where outline planning permission is granted for development consisting of or including the carrying out of building or other operations it shall be granted subject to conditions to the following effect—

- (a) that in the case of any reserved matter application for approval must be made within three years of the date of the grant of outline planning permission; and
- (b) that the development to which the permission relates must be begun by whichever is the later of the following dates—
 - (i) the expiration of five years from the date of the grant of outline planning permission; or
 - (ii) the expiration of two years from the final approval of the reserved matters or, in the case of approval on different dates, the final approval of the last such matter to be approved.

(3) If outline planning permission is granted without the conditions required by paragraph (2), it shall be deemed to have been granted subject to those conditions.

(4) The Department may, in applying paragraph (2), substitute for the periods of three years, five years or two years referred to in that paragraph, such other periods respectively (whether longer or shorter) as it considers appropriate.

(5) The Department may, in applying paragraph (2), specify separate periods under paragraph (2) (a) in relation to separate parts of the development to which the planning permission relates; and if it does so, the condition required by paragraph (2)(b) shall then be framed correspondingly by reference to those parts, instead of by reference to the development as a whole.

Provisions supplementary to Articles 34 and 35

36.—(1) For the purposes of Articles 34 and 35, development shall be taken to be begun on the earliest date on which any of the following operations comprised in the development begins to be carried out—

- (a) where the development consists of or includes the erection of a building, any work of construction in the course of the erection of the building;
- (b) where the development consists of or includes alterations to a building, any work involved in the alterations;
- (c) where the development consists of or includes a change of use of any building or other land, that change of use;
- (d) where the development consists of or includes mining operations, any of those operations.

(2) For the purposes of Article 35(2), a reserved matter shall be treated as finally approved when an application for approval is granted, or, where there is an appeal under Article 32, on the date of the determination of the appeal.

(3) Where the Department grants planning permission on an application to which Article 31 does not apply the fact that any of the conditions of the permission are required by this Order to be imposed or are deemed by this Order to be imposed, shall not prevent the conditions being the subject of an appeal under Article 32 against the decision of the Department.

(4) Where a planning permission (whether outline or other) has conditions attached to it by or under Article 34 or 35—

- (a) development commenced and carried out after the date by which the conditions of the permission require it to be commenced shall be treated as not authorised by the permission; and
- (b) an application for approval of a reserved matter, if it is made after the date by which the conditions require it to be made, shall be treated as not made in accordance with the terms of the permission.

Termination of planning permission by reference to time limit

37.—(1) Paragraphs (2) to (6) shall have effect where by virtue of Article 34 or 35, a planning permission is subject to a condition that the development to which the permission relates must be begun before the expiration of a particular period and that development has been begun within that period but the period has elapsed without the development having been completed.

(2) If the Department is of the opinion that the development will not be completed within a reasonable period, it may make an order (in this Article referred to as a “completion order”) whereby the planning permission will cease to have effect at the expiration of a further period specified in the order, being a period of not less than 12 months after the order takes effect.

(3) Before making a completion order, the Department shall serve notice of its intention to make the order on the owner and occupier of the land affected and on any other person who in its opinion would be affected by the order; and if within such period as may be specified in that behalf in the

notice (not being less than 28 days from the date of service thereof) any person on whom the notice is served so requests in writing, the Department shall afford to him an opportunity of appearing before and being heard by the planning appeals commission.

(4) Where a completion order is made, the planning permission therein referred to shall at the expiration of the period specified in the order be invalid except so far as it authorises any development carried out thereunder up to the end of that period.

(5) Where the Department makes an order under this Article it shall serve a notice on any person mentioned in paragraph (3) stating the general effect of the order.

(6) The Department may withdraw a completion order at any time before the expiration of the period specified therein as the period at the expiration of which the planning permission is to cease to have effect; and if it does so it shall forthwith give notice of the withdrawal to every person who was served with notice of the making of the order.

Revocation or modification of planning permission

Revocation or modification of planning permission

38.—(1) If it appears to the Department, having regard to the development plan and to any other material considerations, that it is expedient to revoke or modify any permission to develop land granted on an application made under this Part, the Department may, subject to paragraphs (2) to (4), by order revoke or modify the permission to such extent as (having regard to those matters) it considers expedient.

(2) Before making an order under this Article, the Department shall serve notice on the owner and occupier of the land affected and on any other person who in its opinion would be affected by the order; and if within such period as may be specified in that behalf in the notice (not being less than 28 days from the date of service thereof) any person on whom notice is served so requests in writing, the Department shall afford to him an opportunity of appearing before and being heard by the planning appeals commission.

(3) The power conferred by this Article to revoke or modify permission to develop land may be exercised—

- (a) where the permission relates to the carrying out of building or other operations, at any time before those operations have been completed;
- (b) where the permission relates to a change of use of any land, at any time before the change has taken place; except that the revocation or modification of permission for the carrying out of building or other operations shall not affect so much of those operations as has been previously carried out.

(4) An order made under this Article in respect of mining operations by surface working shall not prevent the continuation of those operations on any land in use for the purpose of those operations at the date on which the order comes into operation.

(5) Where the Department makes an order under this Article it shall serve a notice on any person mentioned in paragraph (2) stating the general effect of the order.

Additional powers of control

Orders requiring discontinuance of use or alteration or removal of buildings or works

39.—(1) If it appears to the Department that it is expedient in the interests of the proper planning of an area (including the interests of amenity), regard being had to the development plan and to any other material considerations—

- (a) that any use of land should be discontinued, or that any conditions should be imposed on the continuance of a use of land; or
- (b) that any buildings or works should be altered or removed;

the Department may by order require the discontinuance of that use within such time as may be specified in the order, or impose such conditions as may be so specified on the continuance thereof, or require such steps as may be so specified to be taken within such time as may be so specified for the alteration or removal of the buildings or works, as the case may be.

(2) An order under this Article may grant planning permission for any development of the land to which the order relates, subject to such conditions as may be specified in the order; and the provisions of Article 38 shall apply in relation to any planning permission granted by an order under this Article as they apply in relation to planning permission granted by the Department on an application made under this Part.

(3) The power conferred by paragraph (2) shall include power, by an order under this Article, to grant planning permission, subject to such conditions as may be specified in the order—

- (a) for the retention, on the land to which the order relates, of buildings or works constructed or carried out before the date on which the order was made; or
- (b) for the continuance of a use of that land instituted before that date;

and paragraph (3) of Article 29 shall apply to planning permission granted by virtue of this paragraph as it applies to planning permission granted in accordance with paragraph (2) of that Article.

(4) Before making an order under this Article, the Department shall serve notice on the owner and occupier of the land affected and on any other person who in its opinion would be affected by the order; and if within such period as may be specified in that behalf in the notice (not being less than 28 days from the date of service thereof) any person on whom notice is served so requests in writing, the Department shall afford to him an opportunity of appearing before and being heard by the planning appeals commission.

(5) Where the Department makes an order under this Article it shall serve a copy of the order on the owner and occupier of the land to which the order relates and on any other person who in its opinion would be affected by the order.

(6) Where the requirements of an order under this Article will involve the displacement of persons residing in any premises, it shall be the duty of the Northern Ireland Housing Executive, in so far as there is no other residential accommodation suitable to the reasonable requirements of those persons available on reasonable terms, to secure the provision of such accommodation in advance of the displacement.

Agreements facilitating, regulating or restricting development or use of land

40.—(1) The Department may enter into an agreement with any person who has an estate in land for the purpose of facilitating, regulating or restricting the development or use of the land, either permanently or during such period as may be prescribed by the agreement.

(2) An agreement under this Article—

- (a) shall be contained in an instrument under seal;
- (b) may include provisions for securing the carrying out of works for the purpose mentioned in paragraph (1); and
- (c) may include such incidental and consequential provisions (including provisions of a financial character) as appear to the Department to be necessary or expedient for the purposes of the agreement.

(3) Where—

- (a) an agreement under this Article contains a covenant on the part of any person who has an estate in land;
 - (b) the agreement defines the land to which the covenant relates, being land in which that person has an estate at the time the instrument containing the agreement is executed; and
 - (c) the covenant is expressed to be one to which this Article applies, the covenant shall be enforceable (without any limit of time) against any person deriving title from the original covenantor in respect of his estate in any of the land defined as mentioned in subparagraph (b) and any person deriving title under him in respect of any lesser estate in that land as if that person had also been an original covenanting party in respect of the estate for the time being held by him.
- (4) Without prejudice to any other method of enforcement of a covenant falling within paragraph (3), if there is a breach of the covenant in relation to any of the land to which the covenant relates a person authorised in writing by the Department may, subject to paragraph (5), enter on the land concerned and do anything which the covenant requires to be done or remedy anything which has been done and which the covenant required not to be done.
- (5) Before the Department exercises its powers under paragraph (4) in relation to any land it shall give not less than 21 days notice in writing of its intention to do so to any person—
- (a) who has for the time being an estate in the land; and
 - (b) against whom the covenant is enforceable (whether by virtue of paragraph (3) or otherwise).
- (6) Where the Department exercises its powers under paragraph (4) in relation to the breach of a covenant, it may recover from any person against whom the covenant is enforceable (whether by virtue of paragraph (3) or otherwise) any expenses incurred by it in exercise of those powers and those expenses shall be a civil debt recoverable summarily.
- (7) If a person against whom an agreement is enforceable by virtue of paragraph (3) requests the Department to supply him with a copy of the agreement, it shall be the duty of the Department to do so free of charge.
- (8) Nothing in this Article or in any agreement made thereunder shall be construed—
- (a) as restricting the exercise, in relation to land which is the subject of any such agreement, of any powers exercisable by the Department under this Order so long as those powers are exercised in accordance with the provisions of the development plan; or
 - (b) as requiring the exercise of any such powers otherwise than as mentioned in subparagraph (a)

Determination whether planning permission required

Applications to determine whether planning permission required

41.—(1) If any person who proposes to carry out any operations on land, or to make any change in the use of land, wishes to have it determined-

- (a) whether the carrying out of those operations or the making of that change would constitute or involve development of the land; and
- (b) if so, whether an application for planning permission in respect thereof is required under this Part, having regard to the development order and any enterprise zone scheme or simplified planning zone scheme,

he may apply to the Department to determine that question.

(2) The provisions of Articles 13, 20(1), 25(1), 32 and 33 shall, subject to any necessary modifications, apply in relation to any application under this Article, and to the determination thereof, as they apply in relation to applications for planning permission and to the determination of such applications.

(3) Where an application for planning permission is made to the Department and it appears to the Department that—

- (a) the carrying out of the operations specified in the application or the making of the change so specified in the use of any land would not constitute or involve development; or
- (b) if the carrying out of those operations or the making of that change would constitute development, that an application for planning permission in respect thereof is not required under this Part,

the Department may treat the application for planning permission as an application under this Article and may make an appropriate determination.

PART V

ADDITIONAL PLANNING CONTROL

Buildings of special architectural or historic interest

Lists of buildings of special architectural or historic interest

42.—(1) The Department—

- (a) shall compile lists of buildings of special architectural or historic interest; and
- (b) may amend any list so compiled.

(2) In considering whether to include a building in a list compiled under this Article the Department may take into account not only the building itself but also—

- (a) any respect in which its exterior contributes to the architectural or historic interest of any group of buildings of which it forms part; and
- (b) the desirability of preserving, on the ground of its architectural or historic interest, any feature of the building which consists of a man-made object or structure fixed to the building or which forms a part of the land and which is comprised within the curtilage of the building.

(3) Before compiling or amending any list under this Article, the Department shall consult with the Historic Buildings Council and with the appropriate district council.

(4) As soon as may be after any list has been compiled under this Article, or any amendments of such a list have been made, the Department shall cause a copy of so much of the list, or so much of the amendments, as relates to the area of a district council to be deposited with the clerk of that council.

(5) As soon as may be after the inclusion of any building in a list under this Article, whether on the compilation of the list or by its amendment, or as soon as may be after any such list has been amended by the exclusion of any building from it, the Department shall serve a notice in the prescribed form on every owner and occupier of the building, stating that the building has been included in, or excluded from, the list, as the case may be.

(6) The Department shall keep available for inspection by the public at all reasonable hours copies of lists and amendments of lists compiled or made under this Article.

(7) In this Order “listed building” means a building which is for the time being included in a list compiled under this Article; and, for the purposes of the provisions of this Order relating to listed buildings, the following shall be treated as part of the building—

- (a) any object or structure within the curtilage of the building and fixed to the building;
- (b) any object or structure within the curtilage of the building which, although not fixed to the building, forms part of the land and has done so since before 1st October 1973.

Issue of certificate that building is not intended to be listed

43.—(1) Where—

- (a) application has been made for planning permission for any development involving the alteration, extension or demolition of a building; or
- (b) any such planning permission has been granted, the issue by the Department, on the application of any person, of a certificate stating that it does not intend to list the building shall preclude the Department, for a period of five years from the date of issue of the certificate, from exercising in relation to that building any of the powers conferred on it by Article 42.

(2) An application for the issue of a certificate under paragraph (1) shall be made to the Department in writing and Article 22 shall apply in relation to an application for the issue of a certificate under paragraph (1) as it applies in relation to an application for planning permission.

(3) Before issuing any certificate under paragraph (1), the Department shall consult with the Historic Buildings Council and with the district council for the area in which the building is situated.

Control of works for demolition, alteration or extension of listed buildings

44.—(1) Subject to this Part, if a person executes or causes to be executed any works for the demolition of a listed building or for its alteration or extension in any manner which would affect its character as a building of special architectural or historic interest, and the works are not authorised under paragraph (2), he shall be guilty of an offence.

(2) Works for the demolition, alteration or extension of a listed building are authorised under this Part if—

- (a) written consent for the execution of the works has been granted by the Department and the works are carried out in accordance with the terms of the consent and any conditions which may be attached to the consent; and
- (b) in the case of demolition—
 - (i) a person duly authorised in writing by the Department has been afforded reasonable access to the building for a period of at least one month following the grant of listed building consent and before the commencement of the works, for the purpose of recording it; or
 - (ii) the Department has stated in writing that it has completed its recording of the building or that it does not wish to record it.

(3) If written consent is granted by the Department for the retention of works for the demolition of a listed building, or for its alteration or extension, which have been executed without consent under paragraph (2), the works are authorised under this Part from the grant of the consent under this paragraph.

(4) Consent under paragraph (2) or (3) is referred to in this Order as “listed building consent”.

(5) Without prejudice to paragraph (1), if a person executing or causing to be executed any works in relation to a listed building under a listed building consent fails to comply with any condition attached to the consent he shall be guilty of an offence.

(6) A person guilty of an offence under paragraph (1) or (5) shall be liable on summary conviction to a fine not exceeding the statutory maximum or on conviction on indictment to a fine and in determining the amount of any fine imposed on a person convicted on indictment the court shall have particular regard to any financial benefit which has accrued or is likely to accrue to him in consequence of the offence.

(7) In proceedings for an offence under this Article it shall be a defence to prove the following matters—

- (a) that works to the building were urgently necessary in the interests of safety or health or for the preservation of the building;
- (b) that it was not practicable to secure safety or health or, as the case may be, the preservation of the building by works of repair or works for affording temporary support or shelter;
- (c) that the works carried out were limited to the minimum measures immediately necessary; and
- (d) that notice in writing justifying in detail the carrying out of the works was given to the Department as soon as reasonably practicable.

(8) This Article shall not apply to works for the demolition, alteration or extension of—

- (a) an ecclesiastical building which is for the time being used for ecclesiastical purposes or would be so used but for the works; or
- (b) a building which is the subject of a guardianship or protection order under the Historic Monuments Act (Northern Ireland) 1971; or
- (c) a building for the time being included in a schedule of historic monuments published by the Department under that Act;

and for the purposes of this paragraph, a building used or available for use by a minister of religion wholly or mainly as a residence from which to perform the duties of his office shall be treated as not being an ecclesiastical building.

(9) Paragraph (8) shall cease to have effect on such date as the Department may by order appoint.

Provisions supplementary to Article 44

45.—(1) In considering whether to grant planning permission for development which affects a listed building or its setting, and in considering whether to grant listed building consent for any works, the Department shall have special regard to the desirability of preserving the building or its setting or any features of special architectural or historic interest which it possesses.

(2) Listed building consent may be refused, or granted either unconditionally or subject to conditions.

(3) Without prejudice to the generality of paragraph (2), the conditions subject to which listed building consent may be granted include conditions with respect to—

- (a) the preservation of particular features of the building either as part of it or after severance therefrom;
- (b) the making good, after the works are completed, of any damage caused to the building by the works; and
- (c) the reconstruction of the building or any part of it following the execution of any works, with the use of original materials so far as practicable and with such alterations of the interior of the building as may be specified in the conditions.

(4) Listed building consent may be granted subject to a condition reserving specified details of the works (whether or not set out in the application) for subsequent approval by the Department.

(5) Listed building consent for the demolition of a listed building may be granted subject to a condition that the building shall not be demolished before a contract for the carrying out of works of redevelopment of the site has been made, and planning permission has been granted for the redevelopment for which the contract provides.

(6) Schedule 1 shall have effect in relation to applications for listed building consent and appeals against decisions on such applications.

Duration of listed building consent

46.—(1) Subject to the provisions of this Article, every listed building consent shall be granted subject to the condition that the works to which it relates must be begun not later than the expiration of—

- (a) five years beginning with the date on which the consent is granted; or
- (b) such other period (whether longer or shorter) beginning with the said date as the Department may direct, being a period which the Department considers appropriate having regard to any material considerations.

(2) If listed building consent is granted without the condition required by paragraph (1), it shall be deemed to have been granted subject to the condition that the works to which it relates must be begun not later than the expiration of five years beginning with the date of the grant.

(3) Nothing in this Article applies to any consent to the retention of works granted under Article 44(3).

Revocation or modification of listed building consent

47.—(1) If it appears to the Department, having regard to the development plan and to any other material considerations, that it is expedient to revoke or modify listed building consent in respect of any works to a building, being consent granted on an application made under this Part, the Department may, subject to paragraphs (2) to (4), by order revoke or modify the consent to such extent as (having regard to those matters) it considers expedient.

(2) Before making an order under this Article the Department shall serve notice on the owner and occupier of the building affected and on any other person who in its opinion would be affected by the order; and if within such period as may be specified in that behalf in the notice (not being less than 28 days from the date of service thereof) any person on whom notice is served so requests in writing, the Department shall afford to him an opportunity of appearing before and being heard by the planning appeals commission.

(3) The power conferred by this Article to revoke or modify listed building consent in respect of any works may be exercised at any time before those works have been completed, but the revocation or modification shall not affect so much of those works as has been previously carried out.

(4) Where the Department makes an order under this Article it shall serve a notice on any person mentioned in paragraph (2) stating the general effect of the order.

Applications to determine whether listed building consent required

48.—(1) If any person who proposes to execute or cause to be executed any works to a listed building wishes to have it determined whether those works would involve the alteration or extension of the building in any manner which would affect its character as a building of special architectural or historic interest, he may apply to the Department to determine that question.

(2) The provisions of paragraphs 1(1), 7 and 8 of Schedule I shall, subject to any necessary modifications, apply in relation to any application under this Article, and to the determination thereof, as they apply in relation to applications for listed building consent and to the determination of such applications.

(3) Where an application for listed building consent is made to the Department and it appears to the Department that the execution of the works specified in the application does not involve the alteration or extension of a listed building in any manner which would affect its character as a building of special architectural or historic interest, the Department may treat the application for listed building consent as an application under this Article and may make an appropriate determination.

Acts causing or likely to result in damage to listed buildings

49.—(1) Where a building, not being a building excluded by paragraph (8) of Article 44 from the operation of that Article, is included in a list compiled under Article 42, then, if any person who, but for this Article, would be entitled to do so—

- (a) does or permits the doing of any act which causes or is likely to result in damage to the building (other than an act for the execution of excepted works); and
- (b) does or permits the act with the intention of causing such damage;

he shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 3 on the standard scale.

(2) In paragraph (1) “excepted works” means—

- (a) works authorised by planning permission granted in pursuance of an application under this Order; or
- (b) works for which listed building consent has been given under this Order.

(3) Where a person convicted under this Article fails to take such reasonable steps as may be necessary to prevent any damage or further damage resulting from the offence, he shall be guilty of a further offence and liable on summary conviction to a fine not exceeding one-tenth of level 3 on the standard scale for each day on which the failure continues.

Areas of special architectural or historic interest

Conservation areas

50.—(1) The Department may designate areas of special architectural or historic interest the character or appearance of which it is desirable to preserve or enhance.

(2) The Department may vary or cancel a designation under paragraph (1).

(3) Before making, varying or cancelling a designation under this Article, the Department shall consult with the Historic Buildings Council and with any appropriate district council.

(4) The Department shall publish notice of the designation of any conservation area and of any variation or cancellation of any such designation, with sufficient particulars to identify the area affected, in at least one newspaper circulating in the locality of the area.

(5) Where any area is for the time being designated as a conservation area, special attention shall be paid to the desirability of preserving or enhancing its character or appearance in the exercise, with respect to any buildings or other land in that area, of any powers under this Order.

(6) In this Order “conservation area” means an area designated under paragraph (1).

Control of demolition in conservation areas

- 51.**—(1) This Article applies to all buildings in conservation areas other than—
- (a) listed buildings;
 - (b) buildings of a class specified in Article 44(8);
 - (c) buildings in relation to which a direction under paragraph (3) is for the time being in force.
- (2) A building to which this Article applies shall not be demolished without the consent of the Department.
- (3) The Department may—
- (a) direct that this Article shall not apply to a description of buildings specified in the direction; and
 - (b) vary or revoke that direction by a further direction.
- (4) Where the Department gives a direction under paragraph (3), it shall publish a copy of the direction in the Belfast Gazette and in a newspaper circulating in the area in which the buildings are situated.
- (5) The following provisions, namely—
- (a) Articles 44 to 48, 77 to 79, 94 and 113(1)(b) and (4); and
 - (b) Article 65 of the Planning (Northern Ireland) Order 1972, [1972 NI 17](#) shall have effect in relation to buildings to which this Article applies as they have effect in relation to listed buildings, subject to such exceptions and modifications as may be prescribed.
- (6) If this Article ceases to apply to a building—
- (a) any proceedings on or arising out of an application for listed building consent made while this Article applied to the building shall lapse;
 - (b) any listed building consent granted with respect to the building shall also lapse;
 - (c) the cesser shall not affect the liability of any person to be prosecuted and punished for an offence under Article 44 or 77 committed by him with respect to the building while this Article applied to it.

Grants in relation to conservation areas

- 52.**—(1) The Department may, in relation to any conservation area, make grants or loans for the purpose of defraying in whole or in part any expenditure incurred or to be incurred in or in connection with, or with a view to the promotion of, the preservation or enhancement of the character or appearance of the area or any part thereof.
- (2) A grant or loan under this Article may be made subject to such conditions as the Department thinks fit.
- (3) Any loan under this Article shall be made on such terms as to repayment, payment of interest and otherwise as the Department may with the approval of the Department of Finance and Personnel determine; and all sums received by the Department by way of interest on, or repayment of, such a loan shall be paid into the Consolidated Fund.

Hazardous substances

Requirement of hazardous substances consent

53.—(1) Subject to the provisions of this Part, the presence of a hazardous substance on, over or under land requires the consent of the Department (in this Order referred to as “hazardous substances consent”) unless the aggregate quantity of the substance—

- (a) on, over or under the land;
- (b) on, over or under other land which is within 500 metres of it and controlled by the same person; or
- (c) in or on a structure controlled by the same person any part of which is within 500 metres of it, is less than the controlled quantity.

(2) The temporary presence of a hazardous substance while it is being transported from one place to another is not to be taken into account unless it is unloaded.

(3) The Department—

- (a) shall by regulations specify—
 - (i) the substances that are hazardous substances for the purposes of this Order;
 - (ii) the quantity which is to be the controlled quantity of any such substance;
- (b) may by regulations provide that hazardous substances consent is not required or is only required—
 - (i) in relation to land of prescribed descriptions;
 - (ii) by reason of the presence of hazardous substances in prescribed circumstances;
- (c) may by regulations provide that, except in such circumstances as may be prescribed, all hazardous substances falling within a group specified in the regulations are to be treated as a single substance for the purposes of this Order.

(4) Regulations which—

- (a) are made by virtue of sub-paragraph (a)(i) of paragraph (3); or
- (b) are made by virtue of sub-paragraph (a)(ii) of that paragraph and reduce the controlled quantity of a substance, may make such transitional provision as appears to the Department to be appropriate.

(5) The power to make such transitional provision includes, without prejudice to its generality, power to apply paragraph 4 of Schedule 4, subject to such modifications as appear to the Department to be appropriate.

(6) Bodies corporate which are inter-connected for the purposes of the Fair Trading Act 1973 are to be treated as being one person for the purposes of this Article and Articles 54 to 61 and 81.

Applications for hazardous substances consent

54.—(1) Provision may be made by regulations with respect to—

- (a) the form and manner in which applications for hazardous substances consent are to be made;
- (b) the particulars which they are to contain and the evidence by which they are to be verified;
- (c) the manner in which they are to be advertised; and
- (d) the time within which they are to be dealt with.

(2) Regulations may provide that an application for hazardous substances consent, or an appeal against the refusal of such an application or against the imposition of a condition on such a

consent, shall not be entertained unless it is accompanied by a certificate in the prescribed form and corresponding to one or other of those described in Article 22(1)(a) to (d); and any such regulations may—

- (a) include requirements corresponding to Articles 22(4) and 25(3); and
- (b) make provision as to who is to be treated as in actual possession of land for the purposes of any provision of the regulations.

(3) If any person issues a certificate which purports to comply with the requirements of regulations made by virtue of paragraph (2) and which contains a statement which he knows to be false or misleading in a material particular, or recklessly issues a certificate which purports to comply with those requirements and which contains a statement which is false or misleading in a material particular, he shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 3 on the standard scale.

(4) Regulations—

- (a) may require an applicant for hazardous substances consent or the Department or both to give publicity to an application for hazardous substances consent in such manner as may be prescribed;
- (b) may require the Department to consult with the Department of Economic Development, the district council for the area in which the land is situated and with such other bodies or persons as may be prescribed before determining applications for hazardous substances consent;
- (c) may provide for the manner in which such a consultation is to be carried out and the time within which—
 - (i) such a consultation;
 - (ii) any stage in such a consultation,
 is to be completed;
- (d) may require the Department to determine applications for hazardous substances consent within such time as may be prescribed.

Determination of applications for hazardous substances consent

55.—(1) Subject to the following provisions of this Order, where an application is made to the Department for hazardous substances consent, the Department, in dealing with the application, shall have regard to any material considerations, and—

- (a) may grant hazardous substances consent, either unconditionally or subject to such conditions as it thinks fit; or
- (b) may refuse hazardous substances consent.

(2) Without prejudice to the generality of paragraph (1), in dealing with an application the Department shall have regard—

- (a) to any current or contemplated use of the land to which the application relates;
- (b) to the way in which land in the vicinity is being used or is likely to be used;
- (c) to any planning permission that has been granted for development of land in the vicinity; and
- (d) to the provisions of the development plan.

(3) If an application relates to more than one hazardous substance, the Department may make different determinations in relation to each.

(4) It shall be the duty of the Department, when granting hazardous substances consent, to include in that consent—

- (a) a description of the land to which the consent relates;
- (b) a description of the hazardous substance or substances to which it relates; and
- (c) in respect of each hazardous substance to which it relates, a statement of the maximum quantity permitted by the consent to be present at any one time and of all conditions relating to that substance subject to which the consent is granted.

(5) Without prejudice to the generality of paragraph (1), the Department may grant hazardous substances consent subject to conditions with respect to any of the following—

- (a) how and where any hazardous substance to which the consent relates is to be kept or used;
- (b) times between which any such substance may be present;
- (c) the permanent removal of any such substance—
 - (i) on or before a date specified in the consent; or
 - (ii) before the end of a period specified in it and commencing on the date on which it is granted;
- (d) the consent being conditional on the commencement or partial or complete execution of development on the land which is authorised by a specified planning permission.

Special procedure for major applications

56.—(1) Where, in relation to an application for hazardous substances consent, the Department considers that the presence of any hazardous substance on, over or under land for which consent is sought, would—

- (a) involve a substantial departure from the development plan for the area in which the land is situated;
- (b) be of significance to the whole or a substantial part of Northern Ireland; or
- (c) affect the whole of a neighbourhood, the Department may within two months from the date of the application serve on the applicant a notice in such form as may be prescribed applying this Article to the application.

(2) For the purpose of considering representations made in respect of an application to which this Article applies, the Department may cause a public local inquiry to be held by the planning appeals commission.

(3) Where a public local inquiry is not held under paragraph (2), the Department shall, before determining the application, serve a notice on the applicant indicating the decision which it proposes to make on the application; and if within such period as may be specified in that behalf in the notice (not being less than 28 days from the date of service thereof) the applicant so requests in writing, the Department shall afford to him an opportunity of appearing before and being heard by the planning appeals commission.

(4) In determining an application to which this Article applies, the Department shall, where any inquiry or hearing is held, take into account the report of the planning appeals commission.

(5) The decision of the Department on an application to which this Article applies shall be final.

Appeals

57.—(1) Where an application for hazardous substances consent is made to the Department, then if that consent is refused or is granted subject to conditions the applicant may by notice in writing under this Article appeal to the planning appeals commission.

(2) Paragraph (1) shall not apply to any application in relation to which the Department has served a notice under Article 56(1).

(3) Any notice under this Article shall be served on the planning appeals commission within six months from the date of notification of the decision to which it relates or such longer period as the commission may allow.

(4) Where an appeal is brought under this Article the planning appeals commission—

- (a) shall publish notice of the appeal in at least one newspaper circulating in the locality in which the land to which the appeal relates is situated; and
- (b) shall not determine the appeal before the expiration of 14 days from the date on which notice of the appeal is first published in a newspaper in pursuance of sub-paragraph (a).

(5) Where an appeal is brought under this Article from a decision of the Department, the planning appeals commission, subject to paragraph (6), may allow or dismiss the appeal or may reverse or vary any part of the decision whether the appeal relates to that part thereof or not, and may deal with the application as if it had been made to it in the first instance.

(6) Before determining an appeal under this Article, the planning appeals commission shall, if either the applicant or the Department so desires, afford to each of them an opportunity of appearing before and being heard by the commission.

(7) Where an application for hazardous substances consent is made to the Department then unless within the prescribed period, or within such extended period as may be agreed upon in writing between the applicant and the Department, the Department either—

- (a) gives notice to the applicant of its decision on the application; or
- (b) gives notice to him that the application is one to which Article 56 applies, paragraphs (1) to (6) shall apply in relation to the application—
 - (i) as if the consent to which it relates had been refused by the Department; and
 - (ii) as if notification of the Department's decision had been received by the applicant at the end of the prescribed period, or at the end of the said extended period, as the case may be.

Grant of hazardous substances consent without compliance with conditions previously attached

58.—(1) This Article applies to an application for hazardous substances consent without a condition subject to which a previous hazardous substances consent was granted.

(2) On such an application the Department shall consider only the question of the conditions subject to which hazardous substances consent should be granted, and—

- (a) if it determines that hazardous substances consent should be granted subject to conditions differing from those subject to which the previous consent was granted, or that it should be granted unconditionally, the Department shall grant hazardous substances consent accordingly; and
- (b) if it determines that hazardous substances consent should be granted subject to the same conditions as those subject to which the previous consent was granted, the Department shall refuse the application.

(3) Where—

- (a) hazardous substances consent has been granted for the presence on, over or under land of more than one hazardous substance; and
- (b) an application under this Article does not relate to all the substances,

the Department shall only have regard to any condition relating to a substance to which the application does not relate to the extent that it has implications for a substance to which the application does relate.

(4) Where—

(a) more than one hazardous substances consent has been granted in respect of the same land; and

(b) an application under this Article does not relate to all the consents,

the Department shall only have regard to any consent to which the application does not relate to the extent that it has implications for consent to which the application does relate.

Revocation or modification of hazardous substances consent

59.—(1) If it appears to the Department that—

(a) there has been a material change of use of land to which a hazardous substances consent relates; or

(b) planning permission has been granted for development the carrying out of which would involve a material change of use of such land and the development to which the permission relates has been commenced,

it may by order—

(i) if the consent relates only to one substance, revoke it;

(ii) if it relates to more than one, revoke it or revoke it so far as it relates to a specified substance.

(2) The Department may by order—

(a) revoke a hazardous substances consent which relates to only one substance if it appears to the Department that that substance has not for at least 5 years been present on, over or under the land to which the consent relates in a quantity equal to or exceeding the controlled quantity; and

(b) revoke a hazardous substances consent which relates to a number of substances if it appears to the Department that none of those substances has for at least 5 years been so present.

(3) The Department may by order revoke a hazardous substances consent or modify it to such extent as it considers expedient if it appears to the Department, having regard to any material consideration, that it is expedient to revoke or modify it.

(4) An order under this Article shall specify the grounds on which it is made.

(5) Before making an order under this Article, the Department shall serve notice—

(a) on any person who is an owner of the whole or any part of the land to which the order relates;

(b) on any person other than an owner who appears to it to be in control of the whole or any part of that land;

(c) on any other person who in its opinion will be affected by the order;

and if within the period specified in that behalf in the notice (not being less than 28 days from the service thereof) any person on whom the notice is served so requests in writing, the Department shall afford to that person an opportunity of appearing before, and being heard by, the planning appeals commission.

(6) Where an order under this Article has been made, the Department shall serve a copy of the order on every person who was entitled to be served with notice under paragraph (5).

Effect of hazardous substances consent and change of control of land

60.—(1) Without prejudice to the provisions of this Part, any hazardous substances consent shall (except in so far as it otherwise provides) enure for the benefit of the land to which it relates and of all persons for the time being having an estate therein.

(2) A hazardous substances consent shall cease to have effect if there is a change of the person in control of part of the land to which it relates, unless an application for the continuation of the consent has previously been made to the Department.

(3) Regulations may make provision in relation to applications under paragraph (2) corresponding to any provision that may be made by regulations under Article 54 in relation to applications for hazardous substances consent.

(4) When such an application is made, the Department, having regard to any material consideration—

(a) may modify the consent in any way it considers appropriate;

or

(b) may revoke it.

(5) Without prejudice to the generality of paragraph (4), in dealing with an application the Department shall have regard to the matters to which it is required to have regard by Article 55(2).

(6) If an application relates to more than one consent, the Department may make different determinations in relation to each.

(7) If a consent relates to more than one hazardous substance, the Department may make different determinations in relation to each.

(8) It shall be the duty of the Department, when continuing hazardous substances consent, to attach to the consent one of the following—:

(a) a statement that it is unchanged in relation to the matters included in it by virtue of Article 55(4);

(b) a statement of any change in respect of those matters.

(9) The modifications which the Department may make by virtue of paragraph (4)(a) include, without prejudice to the generality of that sub-paragraph, the making of the consent subject to conditions with respect to any of the matters mentioned in Article 55(5).

(10) Subject to paragraph (11), Article 57 shall have effect in relation to applications under paragraph (2) and to decisions on such applications as though they were applications for hazardous substances consent.

(11) In the application of Article 57 by virtue of paragraph (10)—

(a) paragraph (2) of that Article shall be omitted; and

(b) in paragraph (7) of that Article for the words from “either” to the end there shall be substituted the words “gives notice to the applicant of its decision on the application, the application shall be deemed to have been granted.”.

Offences

61.—(1) Subject to this Part, if there is a contravention of hazardous substances control, the appropriate person shall be guilty of an offence.

(2) There is a contravention of hazardous substances control—

(a) if a quantity of a hazardous substance equal to or exceeding the controlled quantity is or has been present on, over or under land and either—

(i) there is no hazardous substances consent for the presence of the substance; or

- (ii) there is hazardous substances consent for its presence but the quantity present exceeds the maximum quantity permitted by the consent;
 - (b) if there is or has been a failure to comply with a condition subject to which a hazardous substances consent was granted.
- (3) In paragraph (1) “the appropriate person” means—
- (a) in relation to a contravention falling within sub-paragraph (a) of paragraph (2)—
 - (i) any person knowingly causing the substance to be present on, over or under the land;
 - (ii) any person allowing it to be so present; and
 - (b) in relation to a contravention falling within sub-paragraph (a) or (b) of that paragraph, the person in control of the land.
- (4) A person guilty of an offence under this Article shall be liable on summary conviction to a fine not exceeding level 5 on the standard scale, and if the contravention is continued after the conviction he shall be guilty of a further offence and liable on summary conviction to a fine not exceeding one-tenth of level 5 on the standard scale for each day on which it continues.
- (5) In any proceedings for an offence under this Article it shall be a defence for the accused to prove—
- (a) that he took all reasonable precautions and exercised all due diligence to avoid commission of the offence; or
 - (b) that commission of the offence could be avoided only by the taking of action amounting to a breach of a statutory duty.
- (6) In any proceedings for an offence consisting of a contravention falling within paragraph (2) (a), it shall be a defence for the accused to prove that at the time of the alleged commission of the offence he did not know, and had no reason to believe,—
- (a) if the case falls within sub-paragraph (a)(i)—
 - (i) that the substance was present; or
 - (ii) that it was present in a quantity equal to or exceeding the controlled quantity;
 - (b) if the case falls within sub-paragraph (a)(ii), that the substance was present in a quantity exceeding the maximum quantity permitted by the consent.
- (7) In any proceedings for an offence consisting of a contravention falling within paragraph (2) (b), it shall be a defence for the accused to prove that he did not know, and had no reason to believe, that there was a failure to comply with a condition subject to which hazardous substances consent had been granted.

Emergencies

- 62.—**(1) If it appears to the Department—
- (a) either—
 - (i) that the community or part of it is being or is likely to be deprived of an essential service or commodity; or
 - (ii) that there is or is likely to be a shortage of such a service or commodity affecting the community or part of it; and
 - (b) that the presence of a hazardous substance on, over or under land specified in the direction in circumstances such that hazardous substances consent would be required, is necessary for the effective provision of that service or commodity,

it may direct that, subject to such conditions or exceptions as it thinks fit, the presence of the substance on, over or under the land is not to constitute a contravention of hazardous substances control so long as the direction remains in force.

(2) A direction under this Article—

- (a) may be withdrawn at any time;
- (b) shall in any case cease to have effect at the end of the period of three months beginning with the day on which it was given, but without prejudice to the Department's power to give a further direction.

(3) The Department shall send a copy of any such direction to the district council in whose area any land affected by the direction is situated and to the Department of Economic Development.

Health and safety requirements

63.—(1) Nothing in—

(a) any hazardous substances consent granted or deemed to be granted under—

- (i) the preceding provisions of this Order; or
- (ii) paragraph 4 of Schedule 4; or

(b) any hazardous substances contravention notice issued under Article 81,

shall require or allow anything to be done in contravention of any of the relevant statutory provisions or any prohibition notice or improvement notice served under or by virtue of any of those provisions; and to the extent that such a consent or notice purports to require or allow any such thing to be done, it shall be void.

(2) Where it appears to the Department after it has granted, or is deemed to have granted, a hazardous substances consent or has issued a hazardous substances contravention notice that the consent or notice or part of it is rendered void by paragraph (1), the Department shall, as soon as is reasonably practicable, consult the Department of Economic Development with regard to the matter.

(3) If that Department advises the Department that the consent or notice is rendered wholly void, the Department shall revoke it.

(4) If that Department advises that part of the consent or notice is rendered void, the Department shall so modify it as to render it wholly operative.

(5) In this Article “relevant statutory provisions”, “improvement notice” and “prohibition notice” have the same meanings as in the Health and Safety at Work (Northern Ireland) Order 1978.

Trees

Duty of Department in relation to trees

64. The Department shall—

- (a) ensure wherever it is appropriate, that in granting planning permission for any development adequate provision is made, by the imposition of conditions, for the preservation or planting of trees; and
- (b) make such orders under Article 65 as appear to the Department to be necessary in connection with the grant of such permission, whether for giving effect to such conditions or otherwise.

Tree preservation orders

65.—(1) Where it appears to the Department that it is expedient in the interests of amenity to make provision for the preservation of trees or woodlands in any area, it may for that purpose make an order (in this Order referred to as a “tree preservation order”) with respect to such trees, groups of trees or woodlands as may be specified in the order; and in particular, provision may be made by any such order—

- (a) for prohibiting (subject to any exemptions for which provision may be made by the order) the cutting down, topping, lopping or wilful destruction of trees except with the consent of the Department, and for enabling the Department to give its consent subject to conditions;
- (b) for securing the replanting, in such manner as may be prescribed by or under the order, of any part of a woodland area which is felled in the course of forestry operations permitted by or under the order;
- (c) for applying, in relation to any consent under the order and to applications for such consent, any of the provisions of Part IV, subject to such adaptations and modifications as may be specified in the order.

(2) The Department may make regulations as to the form of tree preservation orders and the procedure to be followed in connection with such orders; and the regulations may (without prejudice to the generality of this paragraph) make provision as follows—

- (a) that the Department may make a provisional tree preservation order, which shall take effect immediately, and notice of its making shall be given to the owners and occupiers of the land affected and to such other persons, if any, as may be specified in the regulations;
- (b) that objections and representations with respect to the provisional order may be made within 28 days of the giving of the notice;
- (c) that if within that period any person on whom the notice is served so desires the Department shall afford to him an opportunity of appearing before and being heard by the planning appeals commission;
- (d) that—
 - (i) after considering any objections and representations received within that period and, where a hearing is held, the report of the planning appeals commission; or
 - (ii) where no objections or representations are received within that period;the Department may confirm the provisional tree preservation order, withdraw it or modify it, and shall give notice of the confirmation, withdrawal or modification to the persons on whom notice of the provisional tree preservation order was served.

(3) Without prejudice to any other exemptions for which provision may be made by a tree preservation order, no such order shall apply to the cutting down, topping or lopping of trees which are dying or dead or have become dangerous or the cutting down, topping or lopping of any trees in compliance with any obligations imposed by or under any statutory provision or so far as may be necessary for the prevention or abatement of a nuisance.

Penalties for contravention of tree preservation orders

66.—(1) If any person, in contravention of a tree preservation order, cuts down or wilfully destroys a tree, or tops or lops a tree in such a manner as to be likely to destroy it, he shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 5 on the standard scale.

(2) If any person contravenes a tree preservation order otherwise than as mentioned in paragraph (1), he shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 3 on the standard scale.

(3) If in the case of a continuing offence under this Article, the contravention is continued after the conviction, the offender shall be guilty of a further offence and liable on summary conviction to an additional fine not exceeding one-tenth of level 1 on the standard scale for each day on which the contravention is continued.

Advertisements

Control of advertisements

67.—(1) Subject to this Article, provision shall be made by regulations under this Order for restricting or regulating the display of advertisements so far as appears to the Department to be expedient in the interests of amenity or public safety.

(2) Without prejudice to paragraph (1), any such regulations may provide—

- (a) for regulating the dimensions, appearance and position of advertisements which may be displayed, the sites on which advertisements may be displayed and the manner in which they are to be affixed to the land;
- (b) for requiring the consent of the Department to be obtained for the display of advertisements;
- (c) for applying in relation to any such consent and to applications for such consent any of the provisions of Part IV or VIII of this Order or Part 111 of the Act of 1965 subject to such adaptations and modifications as may be specified in the regulations.

(3) Areas of special control for the purposes of regulations under this Article may be defined by means of orders made by the Department in accordance with the regulations.

(4) Where the Department is authorised by the regulations to make any such order as is mentioned in paragraph (3), the regulations shall provide for the publication of notice of the proposed order in such manner as may be prescribed by the regulations, for the consideration of objections duly made thereto and for the holding of such inquiries or other hearings by the planning appeals commission as may be so prescribed before the order is made.

(5) Where the display of advertisements in accordance with regulations made under this Article involves development of land, planning permission for that development shall be deemed to be granted by virtue of this Article, and no application shall be necessary in that behalf under Part IV.

PART VI ENFORCEMENT

Enforcement notices

Enforcement notices

68.—(1) Where it appears to the Department that there has been a breach of planning control after 25th August 1974 then, subject to this Article, the Department, if it considers it expedient to do so having regard to the provisions of the development plan and to any other material considerations, may issue a notice requiring the breach to be remedied and serve copies of the notice in accordance with paragraph (5).

(2) A notice under this Article is referred to in this Order as an “enforcement notice”.

(3) There is a breach of planning control—

- (a) if development has been carried out without the grant of the planning permission required in that behalf in accordance with Part IV; or
 - (b) if any conditions or limitations subject to which planning permission was granted have not been complied with.
- (4) Where an enforcement notice relates to a breach of planning control consisting in—
- (a) the carrying out without planning permission of building, engineering, mining or other operations in, on, over, or under land; or
 - (b) the failure to comply with any condition or limitation which relates to the carrying out of such operations and subject to which planning permission was granted for the development of that land; or
 - (c) the making without planning permission of a change of use of any building to use as a single dwelling-house; or
 - (d) the failure to comply with a condition which prohibits or has the effect of preventing a change of use of a building to use as a single dwelling-house;
- it may be issued—
- (i) in the case of a failure to comply with any condition or limitation which relates to the carrying out of mining operations, only within the period of four years from the date on which that failure came to the knowledge of the Department;
 - (ii) in any other case, only within the period of four years from the date of the breach.
- (5) A copy of an enforcement notice shall be served, not later than 28 days after the date of its issue and not later than 28 days before the date specified in the notice as the date on which it is to take effect—
- (a) on the owner and on the occupier of the land to which it relates; and
 - (b) on any other person having an estate in that land, being an estate which in the opinion of the Department is materially affected by the notice.
- (6) An enforcement notice shall specify the matters alleged to constitute a breach of planning control.
- (7) An enforcement notice shall also specify—
- (a) any steps which are required by the Department to be taken in order to remedy the breach;
 - (b) any such steps as are referred to in paragraph (10) and are required by the Department to be taken.
- (8) An enforcement notice shall specify the period within which any such step as is mentioned in paragraph (7) is to be taken and may specify different periods for the taking of different steps.
- (9) In this Article “steps to be taken in order to remedy the breach” means (according to the particular circumstances of the breach) steps for the purpose—
- (a) of restoring the land to its condition before the development took place; or
 - (b) of securing compliance with the conditions or limitations subject to which planning permission was granted, including—
 - (i) the demolition or alteration of any building or works;
 - (ii) the discontinuance of any use of land; and
 - (iii) the carrying out on land of any building or other operations.
- (10) The steps mentioned in paragraph (7)(b) are steps for the purpose—
- (a) of making the development comply with the terms of any planning permission which has been granted in respect of the land; or

(b) of removing or alleviating any injury to amenity which has been caused by the development.

(11) Where the matters which an enforcement notice alleges to constitute a breach of planning control include development which has involved the making of a deposit of refuse or waste materials on land, the notice may require that the contour of the deposit shall be modified by altering the gradient or gradients of its sides in such manner as may be specified in the notice.

(12) If on a complaint by the owner of any land, it appears to a court of summary jurisdiction that the occupier of that land prevents the owner from executing any work which he is required to execute under this Part, the court may order the occupier to permit the execution of the work.

(13) Subject to Article 69, an enforcement notice shall take effect on a date specified in it.

(14) The Department may withdraw an enforcement notice (without prejudice to its power to issue another) at any time before it takes effect.

(15) If it does so the Department shall forthwith give notice of the withdrawal to every person who was served with a copy of the notice.

(16) Where—

- (a) an enforcement notice has been issued in respect of development consisting of the erection of a building or the carrying out of works without the grant of planning permission; and
- (b) the notice has required the taking of steps for a purpose mentioned in paragraph (10)(b); and
- (c) the steps have been taken,

for the purposes of this Order planning permission for the retention of the building or works as they are as a result of compliance with the notice shall be deemed to have been granted on an application for such permission made to the Department.

Appeal against enforcement notice

69.—(1) A person having an estate in the land to which an enforcement notice relates or a person to whom paragraph (2) applies may, at any time before the date specified in the notice as the date on which it is to take effect, appeal to the planning appeals commission against the notice, whether or not a copy of it has been served on him.

(2) This paragraph applies to a person who—

- (a) on the date on which the enforcement notice is issued occupies the land to which it relates by virtue of a licence in writing; and
- (b) continues to occupy the land as aforesaid when the appeal is brought.

(3) An appeal may be brought on any of the following grounds—

- (a) that planning permission ought to be granted for the development to which the notice relates or, as the case may be, that a condition or limitation alleged in the enforcement notice not to have been complied with ought to be discharged;
- (b) that the matters alleged in the notice do not constitute a breach of planning control;
- (c) that the breach of planning control alleged in the notice has not taken place;
- (d) in the case of a notice which, by virtue of Article 68(4), may be issued only within the period of four years specified in that paragraph, that that period had elapsed at the date when the notice was issued;
- (e) in the case of a notice not falling within sub-paragraph (d), that the breach of planning control alleged by the notice occurred before 26th August 1974;
- (f) that copies of the enforcement notice were not served as required by Article 68(5);

- (g) that the steps required by the notice to be taken exceed what is necessary to remedy any breach of planning control or to achieve a purpose specified in Article 68(10);
- (h) that the period specified in the notice as the period within which any step is to be taken falls short of what should reasonably be allowed.

(4) An appeal under this Article shall be made by notice in writing to the planning appeals commission, and such notice shall indicate the grounds of the appeal and state the facts on which it is based.

(5) Where it receives a notice of appeal under this Article against an enforcement notice relating to any land, the planning appeals commission shall notify the district council for the district within which the land is situated and in exercising its powers under Article 71 the commission shall take into account any representations received by the commission from the district council.

(6) Before determining an appeal under this Article, the planning appeals commission shall, if either the appellant or the Department so desires, afford to each of them an opportunity of appearing before and being heard by the commission.

(7) Articles 21 and 25(2) shall apply, with any necessary modifications, in relation to an appeal to the planning appeals commission under this Article as they apply to an application for planning permission to the Department.

(8) Where an appeal is brought under this Article, the enforcement notice shall be of no effect pending the final determination or the withdrawal of the appeal.

(9) Subject to paragraph (10), the validity of an enforcement notice shall not, except by way of an appeal under this Article, be questioned in any proceedings whatsoever on any of the grounds on which such an appeal may be brought.

(10) Paragraph (9) shall not apply to proceedings brought under Article 72(5) against a person who—

- (a) has held an estate in the land since before the enforcement notice was issued;
- (b) did not have a copy of the enforcement notice served on him; and
- (c) satisfies the court that—
 - (i) he did not know and could not reasonably have been expected to know that the enforcement notice had been issued; and
 - (ii) his interests have been substantially prejudiced by the failure to serve him with a copy of it.

Appeal against enforcement notice-general supplementary provisions

70.—(1) On an appeal under Article 69 the planning appeals commission shall quash the enforcement notice, vary the terms of the notice or uphold the notice.

(2) On such an appeal the planning appeals commission may correct any informality, defect or error in the enforcement notice, or vary its terms, if it is satisfied that the correction or variation can be made without injustice to the appellant or to the Department.

(3) Where it would otherwise be a ground for determining such an appeal in favour of the appellant that a person required to be served with a copy of the enforcement notice was not served, the planning appeals commission may disregard that fact if neither the appellant nor that person has been substantially prejudiced by the failure to serve him.

Appeal against enforcement notice-supplementary provisions relating to planning permission

71.—(1) On the determination of an appeal under Article 69, the planning appeals commission may—

- (a) grant planning permission for the development to which the enforcement notice relates or for part of that development or for the development of part of the land to which the enforcement notice relates;
- (b) discharge any condition or limitation subject to which planning permission was granted.

(2) In considering whether to grant planning permission under paragraph (1), the planning appeals commission shall have regard to the development plan, so far as material to the subject matter of the enforcement notice, and to any other material considerations; and any planning permission granted under paragraph (1) may—

- (a) include permission to retain or complete any buildings or works on the land, or to do so without complying with some condition attached to a previous planning permission;
- (b) be granted subject to such conditions as the planning appeals commission thinks fit;

and where under that paragraph the planning appeals commission discharges a condition or limitation, it may substitute another condition or limitation for it, whether more or less onerous.

(3) Where an appeal against an enforcement notice is brought under Article 69, the appellant shall be deemed to have made an application for planning permission for the development to which the notice relates and, in relation to any exercise by the planning appeals commission of its powers under paragraph (1)—

- (a) any planning permission granted under that paragraph shall be treated as granted on that application;
- (b) in relation to a grant of planning permission or a determination under that paragraph, the decision of the planning appeals commission shall be final; and
- (c) subject to sub-paragraph (b), any planning permission granted under that paragraph shall have the like effect as a permission granted under Part IV.

Penalties for non-compliance with enforcement notice

72.—(1) Subject to this Article, where a copy of an enforcement notice has been served on the person who, at the time when the copy was served on him, was the owner of the land to which the notice relates, then, if any steps required by the notice to be taken (other than the discontinuance of a use of land) have not been taken within the period allowed for compliance with the notice, that person shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 5 on the standard scale.

(2) If a person against whom proceedings are brought under paragraph (1) has, at some time before the end of the period allowed for compliance with the notice, ceased to be the owner of the land, he shall, upon complaint duly made by him and on giving to the prosecution not less than three days' notice of his intention, be entitled to have the person who then became the owner of the land (in this Article referred to as the “subsequent owner”) brought before the court in the proceedings.

(3) If after it has been proved that any steps required by the enforcement notice have not been taken within the period allowed for compliance with the notice, the original defendant proves that the failure to take those steps was attributable, in whole or in part, to the default of the subsequent owner—

- (a) the subsequent owner may be convicted of the offence, and
- (b) the original defendant, if he further proves that he took all reasonable steps to secure compliance with the enforcement notice, shall be acquitted of the offence.

(4) If, after a person has been convicted under paragraphs (1) to (3), he does not as soon as practicable do everything in his power to secure compliance with the enforcement notice, he shall be guilty of a further offence and liable on summary conviction to a fine not exceeding one-tenth of level 5 on the standard scale for each day following his first conviction on which any of the requirements of the enforcement notice (other than the discontinuance of a use of land) remain unfulfilled.

(5) Where, by virtue of an enforcement notice, a use of land is required to be discontinued, or any conditions or limitations are required to be complied with in respect of a use of land or in respect of the carrying out of operations thereon, then if any person uses the land or causes or permits it to be used or carries out those operations or causes or permits them to be carried out, in contravention of the notice—

- (a) he shall be guilty of an offence, and shall be liable on summary conviction to a fine not exceeding level 5 on the standard scale; and
- (b) if the use is continued after the conviction, he shall be guilty of a further offence and liable on summary conviction to a fine not exceeding one-tenth of level 5 on the standard scale for each day on which the use is so continued.

(6) Any reference in this Article and Articles 73 and 74 to the period allowed for compliance with an enforcement notice is a reference to the period specified in the notice for compliance therewith or such extended period as may be allowed by the Department for compliance with the notice.

Power to stop further development pending proceedings on enforcement notice

73.—(1) Where in respect of any land the Department—

- (a) has served a copy of an enforcement notice requiring a breach of planning control to be remedied; but
- (b) considers it expedient to prevent, before the expiry of the period allowed for compliance with the notice, the carrying out of any activity which is, or is included in, a matter alleged by the notice to constitute the breach,

then, subject to the provisions of this Article, it may at any time before the notice takes effect serve a notice (in this Order referred to as a “stop notice”) referring to, and having annexed to it a copy of, the enforcement notice and prohibiting the carrying out of that activity on the land, or on any part of it specified in the stop notice.

(2) A stop notice shall not prohibit—

- (a) any person from continuing to use any building, caravan or other structure situated upon the land as his permanent residence whether as owner, occupier, tenant, patient, guest or otherwise;
- (b) any person from taking any steps necessary to comply or secure compliance with an enforcement notice.

(3) A stop notice shall not take effect (and so cannot be contravened) until such date as it may specify, being a date not earlier than 3 nor later than 28 days from the day on which it is first served on any person.

(4) A stop notice shall cease to have effect when—

- (a) the enforcement notice referred to in it is withdrawn or quashed; or
- (b) the period allowed for compliance with that enforcement notice expires; or
- (c) notice of withdrawal of the stop notice is first served under paragraph (6); or
- (d) if or to the extent that the activities prohibited by it cease, on a variation of the enforcement notice referred to in it, to be included in the matters alleged by the enforcement notice to constitute a breach of planning control.

(5) A stop notice may be served by the Department on any person who appears to it to have an estate in the land or to be engaged in any activity prohibited by the notice; and where a stop notice has been served in respect of any land, the Department may display there a notice (in this Article referred to as a “site notice”) stating—

- (a) that a stop notice has been served; and
- (b) that any person contravening the stop notice may be prosecuted for an offence under this Article, giving the date when the stop notice takes effect and indicating its requirements.

(6) The Department may at any time withdraw a stop notice (without prejudice to its power to serve another)—

- (a) by serving notice to that effect on persons served with the stop notice; and
- (b) if a site notice was displayed in respect of the stop notice, displaying a notice of the withdrawal in place of the site notice.

(7) If any person contravenes, or causes or permits the contravention of, a stop notice—

- (a) after a site notice has been displayed, or
- (b) after a stop notice has been served on him,

then, subject to paragraph (8), he shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 5 on the standard scale; and if the offence is continued after conviction he shall be liable on summary conviction to a further fine not exceeding one-tenth of level 5 on the standard scale for each day on which it is continued.

(8) In proceedings for an offence under this Article it shall be a defence for the accused to prove that the stop notice was not served on him and that he did not know, and could not reasonably have been expected to know, of its existence.

(9) A stop notice shall not be invalid by reason that a copy of the enforcement notice to which it relates was not served as required by Article 68(5) if it is shown that the Department took all such steps as were reasonably practicable to effect proper service.

Execution and cost of works required by enforcement notice

74.—(1) If, within the period allowed for compliance with an enforcement notice, any steps which by virtue of Article 68(7)(a) are required by the notice to be taken (other than the discontinuance of a use of land) have not been taken, a person authorised in writing by the Department may enter upon the land and take those steps and the Department may recover from the person who is then the owner of the land any expenses reasonably incurred by it in that behalf and those expenses shall be a civil debt recoverable summarily.

(2) Any expenses incurred by the owner or occupier of any land for the purposes of complying with an enforcement notice in respect of any breach of planning control, and any sums paid by the owner of any land under paragraph (1), in respect of expenses incurred by the Department in taking steps required to be taken by such a notice, shall be deemed to be incurred for the use and at the request of the person by whom the breach of planning control was committed.

(3) The Department may sell any materials which have been removed by it from any land when carrying into effect this Part if, before the expiration of three days from their removal, they are not claimed by their owner and taken away by him.

(4) Where the Department sells any materials under paragraph (3), it shall pay the proceeds to the person to whom the materials belonged after deducting the amount of any expenses recoverable by it from him.

(5) Paragraphs (3) and (4) do not apply to refuse removed by the Department.

(6) Where the Department claims to recover any expenses under this Article from a person as being the owner of the land in respect of which the expenses were incurred and that person proves that he—

- (a) is receiving the rent of that land merely as agent or trustee for some other person; and
- (b) has not, and since the date of the service on him of a demand for payment has not had, in his hands on behalf of that other person sufficient money to discharge the whole demand of the Department,

his liability shall be limited to the total amount of the money which he has or has had in his hands as mentioned in sub-paragraph (b), but the Department where it is, or would be, debarred by this paragraph from recovering the whole of any such expenses from an agent or trustee may recover the whole of any unpaid balance thereof from the person on whose behalf the agent or trustee receives the rent.

(7) Any expenses recoverable by the Department under this Article shall, until recovered, be deemed to be charged on and payable out of the estate in the land in relation to which they have been incurred, of the owner of the land and of any person deriving title from him.

(8) The charge created by paragraph (7) shall be enforceable in all respects as if it were a valid mortgage by deed created in favour of the Department by the person on whose estate the charge has been created (with, where necessary, any authorisation or consent required by law) and the Department may exercise the powers conferred by sections 19, 21 and 22 of the Conveyancing Act 1881 on mortgages by deed accordingly.

Effect of planning permission on enforcement notice

75.—(1) If, after the service of a copy of an enforcement notice, planning permission is granted for the retention on land of buildings or works, or for the continuance of the use of land, to which the enforcement notice relates, the enforcement notice shall cease to have effect in so far as it requires steps to be taken for the demolition or alteration of those buildings or works or the discontinuance of that use, as the case may be.

(2) If the planning permission granted as mentioned in paragraph

(1) is granted so as to permit the retention of buildings or works, or the continuance of a use of land, without complying with some condition subject to which a previous planning permission was granted, the enforcement notice shall cease to have effect in so far as it requires steps to be taken for complying with that condition.

(3) Paragraphs (1) and (2) shall be without prejudice to the liability of any person for an offence in respect of a failure to comply with the enforcement notice before the relevant provision of the enforcement notice ceased to have effect.

Enforcement notice to have effect against subsequent development

76.—(1) Compliance with an enforcement notice whether in respect of—

- (a) the completion, demolition or alteration of any buildings or works, or
- (b) the discontinuance of any use of land, or in respect of any other requirement contained in the enforcement notice, shall not discharge the enforcement notice.

(2) Without prejudice to paragraph (1), any provision of an enforcement notice requiring a use of land to be discontinued shall operate as a requirement that it shall be discontinued permanently, to the extent that it is in contravention of Part IV; and accordingly the resumption of that use at any time after it has been discontinued in compliance with the enforcement notice shall to that extent be in contravention of the enforcement notice.

(3) Without prejudice to paragraph (1), if any development is carried out on land by way of reinstating or restoring buildings or works which have been demolished or altered in compliance with an enforcement notice, the notice shall, notwithstanding that its terms are not apt for the purpose, be deemed to apply in relation to the buildings or works as reinstated or restored as it applied in relation to the buildings or works before they were demolished or altered; and, subject to paragraph (4), Article 74 shall apply accordingly.

(4) Where, at any time after an enforcement notice takes effect—

- (a) any development is carried out on land by way of reinstating or restoring buildings or works which have been demolished or altered in compliance with the notice, and
- (b) the Department proposes, under Article 74(1), to take any steps required by the enforcement notice for the demolition or alteration of the buildings or works in consequence of the reinstatement or restoration,

the Department shall, not less than 28 days before taking any such steps, serve on the owner and occupier of the land a notice of its intention to do so.

(5) A person who, without the grant of planning permission in that behalf, carries out any development on land by way of reinstating or restoring buildings or works which have been demolished or altered in compliance with an enforcement notice shall be guilty of an offence, and shall be liable on summary conviction to a fine not exceeding level 5 on the standard scale; and no person shall be liable under Article 72(1) to (4) for failure to take any steps required to be taken by an enforcement notice by way of demolition or alteration of what has been so reinstated or restored.

Listed buildings

Listed building enforcement notices

77.—(1) Where it appears to the Department that any works have been or are being executed to a listed building and are such as to involve a contravention of Article 44(1) or (5), then, subject to paragraph (3), the Department may, if it considers it expedient to do so having regard to the effect of the works on the character of the building as one of special architectural or historic interest, issue a notice—

- (a) specifying the alleged contravention; and
- (b) requiring such steps as may be specified in the notice to be taken within such period as may be so specified—
 - (i) for restoring the building to its former state; or
 - (ii) where the Department considers that such restoration would not be reasonably practicable, or would be undesirable, for executing such further works specified in the notice as it considers necessary to alleviate the effect of the works which were carried out without listed building consent; or
 - (iii) for bringing the building to the state in which it would have been if the terms and conditions of any listed building consent which has been granted for the works had been complied with.

(2) A notice under this Article is referred to in this Order as a “listed building enforcement notice”.

(3) A listed building enforcement notice shall not be served in relation to a contravention of Article 44(1) or (5) which occurred before 9th December 1978.

(4) Subject to Article 78, a listed building enforcement notice shall take effect on a date specified in it.

(5) Where a listed building enforcement notice imposes any such requirement as is mentioned in paragraph (1)(b)(ii), listed building consent shall be deemed to be granted for any works of demolition, alteration or extension of the building executed as a result of compliance with the notice.

(6) Articles 68(5), (12), (14) and (15) and 72 and 74 shall, with any necessary modifications, apply to a listed building enforcement notice as they apply to an enforcement notice.

Appeal against listed building enforcement notice

78.—(1) A person having an estate in the building to which a listed building enforcement notice relates or a person to whom paragraph

(2) applies may, at any time before the date specified in the notice as the date on which it is to take effect, appeal to the planning appeals commission against the notice on any of the following grounds—

- (a) that the matters alleged to constitute a contravention of Article 44 do not involve such a contravention;
- (b) that the contravention of that Article alleged in the notice has not taken place;
- (c) that the contravention of that Article alleged in the notice occurred before 9th December 1978;
- (d) that works to the building were urgently necessary in the interests of safety or health or for the preservation of the building, that it was not practicable to secure safety or health or, as the case may be, the preservation of the building by works of repair or works for affording temporary support or shelter, and that the works carried out were limited to the minimum measures immediately necessary;
- (e) that listed building consent ought to be granted for the works, or that any relevant condition of such consent which has been granted ought to be discharged or different conditions substituted;
- (f) that copies of the notice were not served as required by Article 68(5) as applied by Article 77(6);
- (g) that the period specified in the notice as the period within which any step required thereby is to be taken falls short of what should reasonably be allowed;
- (h) except in relation to such a requirement as is mentioned in Article 77(1)(b)(ii) or (iii), the requirements of the notice exceed what is necessary for restoring the building to its condition before the works were carried out;
- (i) that the steps required by the notice for the purpose of restoring the character of the building to its former state would not serve that purpose;
- (j) that steps required to be taken by virtue of Article 77(1)(b)(ii) exceed what is necessary to alleviate the effect of the works executed to the building;
- (k) that steps required to be taken by virtue of Article 77(1)(b)(iii) exceed what is necessary to bring the building to the state in which it would have been if the terms and conditions of the listed building consent had been complied with.

(2) This paragraph applies to a person who—

- (a) on the date on which the listed building enforcement notice is issued occupies the building to which it relates by virtue of a licence in writing; and
- (b) continues to occupy the building as aforesaid when the appeal is brought.

(3) Paragraphs (4) to (8) of Article 69 and Article 70 shall, with any necessary modifications, apply to an appeal under this Article against a listed building enforcement notice as they apply to an appeal under Article 69 against an enforcement notice.

- (4) On the determination of an appeal under this Article, the planning appeals commission may—
- (a) grant listed building consent for the works to which the listed building enforcement notice relates or for part only of those works;
 - (b) discharge any condition or limitation subject to which listed building consent was granted and substitute any other condition, whether more or less onerous.
- (5) Any listed building consent granted by the planning appeals commission under paragraph (4) shall, subject to paragraph (6), have the like effect as a listed building consent granted under Part V.
- (6) The decision of the commission in relation to the grant of listed building consent under paragraph (4) shall be final.
- (7) The validity of a listed building enforcement notice shall not, except by way of an appeal under this Article, be questioned in any proceedings whatsoever on any of the grounds on which such an appeal may be brought.

Effect of listed building consent on listed building enforcement notice

79.—(1) If, after the issue of a listed building enforcement notice, consent is granted under Article 44(3) for the retention of any work to which the listed building enforcement notice relates, the listed building enforcement notice shall cease to have effect in so far as it requires steps to be taken which would involve the works not being retained in accordance with the consent.

(2) If the consent is granted so as to permit the retention of works without complying with some condition subject to which a previous listed building consent was granted, the listed building enforcement notice shall cease to have effect in so far as it requires steps to be taken for complying with that condition.

(3) The preceding provisions of this Article shall be without prejudice to the liability of any person for an offence in respect of a failure to comply with the listed building enforcement notice before the relevant provisions of that notice ceased to have effect.

Urgent works to preserve building

80.—(1) Where it appears to the Department that works are urgently necessary for the preservation of—

- (a) a listed building, or
- (b) a building in respect of which a direction has been given by the Department that this Article shall apply,

the Department may, subject to the following provisions of this Article, execute the works, which may consist of or include works for affording temporary support or shelter for the building.

(2) The ground on which the Department may give a direction that this Article shall apply to a building is that the building is in a conservation area and it appears to the Department that its preservation is important for maintaining the character or appearance of the conservation area.

(3) If the building is occupied works may be carried out only to those parts which are not in use.

(4) The owner of the building shall be given not less than seven days' notice in writing of the intention to carry out the works and the notice shall describe the works proposed to be carried out.

(5) Paragraphs (6) to (10) have effect for enabling the expenses of works executed under this Article to be recovered by the Department.

(6) The Department may give notice to the owner of the building requiring him to pay the expenses of the works.

(7) Where the works consist of or include works for affording temporary support or shelter for the building—

- (a) the expenses which may be recovered include any continuing expenses involved in making available the apparatus or materials used; and
 - (b) notices under paragraph (6) in respect of any such continuing expenses may be given from time to time.
- (8) The owner may within 28 days of the service of the notice appeal to the planning appeals commission against the notice on any of the following grounds—
- (a) that some or all of the works were unnecessary for the preservation of the building;
 - (b) in the case of works for affording temporary support or shelter, that the temporary arrangements have continued for an unreasonable length of time;
 - (c) that the amount specified in the notice is unreasonable or that the recovery of it would cause him hardship.
- (9) The planning appeals commission shall give notice of its determination, the reasons for it and the amount recoverable to the owner of the building and to the Department and the determination of the appeals commission shall be final.
- (10) Any expenses recoverable by the Department under this Article shall be a civil debt recoverable summarily.

Hazardous substances

Hazardous substances contravention notice

81.—(1) Subject to paragraph (2), where it appears to the Department that there is or has been a contravention of hazardous substances control, it may issue a hazardous substances contravention notice if it considers it expedient to do so having regard to any material consideration.

(2) The Department shall not issue a hazardous substances contravention notice where it appears to the Department that a contravention of hazardous substances control can be avoided only by the taking of action amounting to a breach of a statutory duty.

- (3) In this Order “hazardous substances contravention notice” means a notice—
- (a) specifying an alleged contravention of hazardous substances control; and
 - (b) requiring such steps as may be specified in the notice to be taken to remedy the contravention.
- (4) A copy of a hazardous substances contravention notice shall be served—
- (a) on the owner and on the occupier of the land to which it relates;
 - (b) on any person other than the owner or occupier who appears to the Department to be in control of that land; and
 - (c) on such other persons as may be prescribed.
- (5) A hazardous substances contravention notice shall also specify—
- (a) a date not less than 28 days from the date of service of copies of the notice as the date on which it is to take effect;
 - (b) in respect of each of the steps required to be taken to remedy the contravention of hazardous substances control, the period from the notice taking effect within which the step is to be taken.
- (6) Where the Department issues a hazardous substances contravention notice the steps required by the notice may, without prejudice to the generality of paragraph (3)(b), if the Department thinks it expedient, include a requirement that the hazardous substance be removed from the land.

(7) Where a notice includes such a requirement, it may also contain a direction that at the end of such period as may be specified in the notice any hazardous substances consent for the presence of the substance shall cease to have effect or, if it relates to more than one substance, shall cease to have effect so far as it relates to the substance which is required to be removed.

(8) The Department may withdraw a hazardous substances contravention notice (without prejudice to its power to issue another) at any time before it takes effect.

(9) If the Department does so, it shall forthwith give notice of the withdrawal to every person who was served with a copy of the notice.

(10) The Department shall by regulations provide for—

- (a) appeals to the planning appeals commission against hazardous substances contravention notices;
- (b) the persons by whom, grounds upon which and time within which such an appeal may be brought;
- (c) the application to such appeals, subject to such modifications as the regulations may specify, of any of the provisions of Articles 69 to 71.

(11) If any person appeals against a hazardous substances contravention notice, the notice shall be of no effect pending the final determination or the withdrawal of the appeal.

(12) The Department may by regulations—

- (a) specify matters which are to be included in hazardous substances contravention notices, in addition to those which are required to be included in them by this Article;
- (b) direct that any of the provisions of Articles 72 to 76 and Article 67 of the Planning (Northern Ireland) Order 1972 shall have effect in relation to hazardous substances contravention notices subject to such modifications as it may specify in the regulations;
- (c) make such other provision as it considers necessary or expedient in relation to hazardous substances contravention notices.

Trees

Enforcement of duties as to replacement of trees

82.—(1) If it appears to the Department that any conditions of a consent given under a tree preservation order which require the replacement of trees are not complied with in the case of any tree or trees, the Department may, at any time within four years from the date of the alleged failure to comply with the said conditions, issue a notice requiring a tree or trees of such size and species as may be specified in the notice to be planted within such period as may be so specified.

(2) Articles 68(5), (12), (14) and (15) and 72 and 74 shall with any necessary modifications apply to a notice under this Article as they apply to an enforcement notice.

(3) Subject to the following provisions of this Article, a notice under this Article shall take effect on a date specified in it.

(4) A person having an estate in the land to which a notice under this Article relates may, at any time before the date specified in the notice as the date on which it is to take effect, by notice in writing appeal to the planning appeals commission.

(5) Where an appeal is brought under paragraph (4), the notice under this Article shall be of no effect pending the final determination or the withdrawal of the appeal.

(6) Article 70 shall, with any necessary modifications, apply to an appeal against a notice under this Article as it applies to an appeal against an enforcement notice.

Discontinuance orders

Enforcement of orders under Article 39

83.—(1) Any person who, without the grant of planning permission in that behalf, uses land, or causes or permits land to be used—

- (a) after the expiry of the period allowed for compliance with an order under Article 39, for any purpose for which an order under that Article has required that its use shall be discontinued; or
- (b) in contravention of any condition imposed by such an order by virtue of paragraphs (1) (a) of that Article,

shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 5 on the standard scale.

(2) If the use is continued after the conviction of a person of an offence under paragraph (1), he shall be guilty of a further offence and liable on summary conviction to a fine not exceeding one-tenth of level 5 on the standard scale for each day on which the use is so continued.

(3) It shall be a defence for a person charged with an offence under paragraph (1) or (2) to prove that he took all reasonable measures and exercised all due diligence to avoid commission of the offence by himself or by any person under his control.

(4) If in any case the defence provided by paragraph (3) involves an allegation that the commission of the offence was due to the act or default of another person or due to reliance on information supplied by another person, the person charged shall not, without the leave of the court, be entitled to rely on the defence unless, within a period ending seven days before the hearing, he has served on the prosecutor a notice in writing giving such information identifying or assisting in the identification of the other person as was then in his possession.

(5) If any steps required by an order under Article 39 to be taken for the alteration or removal of any buildings or works have not been taken within the period allowed for compliance with the order, a person authorised in writing by the Department may enter the land and take those steps, and the Department may recover from the person who is then the owner of the land any expenses reasonably incurred by it in that behalf; and those expenses shall be a civil debt recoverable summarily.

(6) Where a copy of an order under Article 39 has been served on the person who, at the time when the copy was served on him, was the owner of the land to which the order relates, then, if any steps required by the order to be taken for the alteration or removal of any buildings or works have not been taken within the period allowed for compliance with the order, that person shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 5 on the standard scale.

(7) If a person against whom proceedings are brought under paragraph (6) has, at some time before the end of the period allowed for compliance with the order, ceased to be the owner of the land, he shall, upon a complaint duly made by him and on giving to the prosecution not less than three days' notice of his intention, be entitled to have the person who then became the owner of the land (in paragraph (8) referred to as "the subsequent owner") brought before the court in the proceedings.

(8) If after it has been proved, in a case to which paragraph (7) applies, that any steps required by the order under Article 39 have not been taken within the period allowed for compliance with the order, the original defendant proves that the failure to take those steps was attributable, in whole or in part, to the default of the subsequent owner—

- (a) the subsequent owner may be convicted of the offence; and
- (b) the original defendant, if he further proves that he took all reasonable steps to secure compliance with the order, shall be acquitted of the offence.

(9) If after a person has been convicted of an offence under paragraphs (6) to (8) he does not as soon as practicable do everything in his power to secure compliance with the order under Article

39 in so far as it requires steps to be taken for the alteration or removal of any buildings or works, he shall be guilty of a further offence and liable on summary conviction to a fine not exceeding one-tenth of level 5 on the standard scale for each day following his first conviction on which any requirements of the order remain unfulfilled.

(10) Any reference in this Article to the period allowed for compliance with an order under Article 39 is a reference to the period specified in the order for compliance therewith or such extended period as may be allowed by the Department for compliance with the notice.

Advertisements

Enforcement of advertisement control

84.—(1) The matters for which provision may be made by regulations under Article 67 shall include provision for enabling the Department to require the removal of any advertisement which is being displayed in contravention of the regulations, or the discontinuance of the use for the display of advertisements of any site which is being so used in contravention of the regulations, and for that purpose for applying any of the provisions of this Order with respect to enforcement notices, subject to such adaptations and modifications as may be specified in the regulations.

(2) Without prejudice to any provision included in regulations made under Article 67 by virtue of paragraph (1), if any person displays an advertisement in contravention of the regulations he shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 3 on the standard scale and, in the case of a continuing offence, to a fine not exceeding one-tenth of level 3 on the standard scale for each day during which the offence continues after conviction.

(3) For the purposes of paragraph (2) and without prejudice to the generality thereof, a person shall be deemed to display an advertisement if—

- (a) the advertisement is displayed on land of which he is the owner or occupier; or
- (b) the advertisement gives publicity to his goods, trade, business or other concerns,

but a person shall not be guilty of an offence under paragraph (2) by reason only that an advertisement is displayed on land of which he is the owner or occupier, or that his goods, trade, business or other concerns are given publicity by the advertisement, if he proves that it was displayed without his knowledge or consent.

PART VII

DEVELOPMENT SCHEMES AND ACQUISITION OF LAND

Development schemes

Development schemes

85. Where the Department considers it expedient that any area should be developed, redeveloped or improved as a whole the Department may, after consultation with the appropriate district council, prepare a development scheme defining, by reference to a map, the area of the scheme and indicating in general terms the manner in which it is intended that the area should be laid out and the land therein used.

Adoption of development schemes

86.—(1) The Department shall not adopt a development scheme under paragraph (2) or (3) until it has published in two successive weeks in one or more newspapers circulating in the locality to which the scheme relates a notice—

- (a) describing the area to which the scheme relates and referring to the preparation of the scheme;
- (b) specifying the place at which copies of the scheme may be inspected at reasonable times;
- (c) stating the time (not being less than 28 days from the last of the publications of the notice) during which objections to the scheme may be sent to the Department.

(2) If—

- (a) no objections are made to a development scheme; or
- (b) all objections to a development scheme are withdrawn; the Department may by order adopt the scheme with or without amendment.

(3) If objections made to a development scheme are not withdrawn the Department shall, unless it considers them to be solely of a frivolous or vexatious nature,—

- (a) cause a public local inquiry to be held by the planning appeals commission; and
- (b) consider any objections not withdrawn and the report of that commission;

and may thereafter by order adopt the scheme with or without amendments.

(4) The Department may at any time prepare proposals for amending an adopted development scheme in so far as it relates to the manner in which the area of the development scheme is to be laid out and the land therein used.

(5) The Department may by order adopt any proposals prepared under paragraph (4) with or without amendment and may amend the development scheme accordingly.

Acquisition of land, etc.

Acquisition of land for planning purposes

87.—(1) The Department may, by agreement or compulsorily, acquire any land where it is satisfied—

- (a) that the land is required in connection with a development scheme; or
- (b) that it is expedient in the public interest that the land should be held together with land so required; or
- (c) that the land is required for development or redevelopment, or both, as a whole for the purpose of providing for the relocation of population or industry or the replacement of open space in the course of the redevelopment or improvement of another area as a whole; or
- (d) that it is expedient to acquire the land for a purpose which it is necessary to achieve in the interests of the proper planning of an area in which the land is situated.

(2) Where the Department in exercise of the power conferred on it by paragraph (1) desires to acquire any land otherwise than by agreement, the Department may make an order (in this Article referred to as a “vesting order”) vesting the land in the Department.

(3) Schedule 6 to the Local Government Act (Northern Ireland) 1972 shall, subject to the modifications specified in Schedule 2, apply for the purposes of the acquisition of land by means of a vesting order made under this Article in the same manner as it applies to the acquisition of land by means of a vesting order made under that Act.

(4) The power to make a vesting order in respect of land—

- (a) which is the property of a public body which has power under any transferred provision to acquire land compulsorily; or
 - (b) which is declared by or under any transferred provision to be inalienable, shall not, where representations objecting to the proposal to make the order have been duly made by the owner of the land and have not been withdrawn, be exercised in relation to that land unless the proposal to make the vesting order has been approved by a resolution of the Assembly.
- (5) Before acquiring any land under paragraph (1) the Department shall consult with the district council in whose area the land is situated.
- (6) Proceedings under this Article for the acquisition of land in connection with a development scheme may be taken concurrently (so far as practicable) with proceedings required by Article 86 to be taken for the purpose of the making of an order in relation to that development scheme, so, however, that a vesting order vesting any such land in the Department shall not be made until the order adopting the development scheme has been made.
- (7) The Department may appropriate land for the purposes set out in paragraph (1).
- (8) Where (whether before or after the coming into operation of this Article) the Department acquires a lesser estate than a fee simple in any land under Article 98, the Department may purchase such estates in the land as it considers appropriate or may make a vesting order in respect of the land under this Article.
- (9) In this Part any reference to the acquisition or appropriation of land for planning purposes is a reference to its acquisition or appropriation under this Article.

Compensation where unfit houses are acquired under this Part

88.—(1) Where—

- (a) land is acquired compulsorily or is proposed to be acquired compulsorily by the Department under this Part for the purposes of a development scheme or proposed development scheme; and
- (b) that land comprises a house in respect of which, if the development scheme or proposed development scheme had been a redevelopment scheme under Chapter III of Part III Housing (Northern Ireland) Order 1981 in the opinion of the Department, compensation would be, or would have been, payable in accordance with Article 91 of that Order (compensation for certain land restricted to site value);

the Department may, subject to paragraph (2), make an order, in such form as may be prescribed, declaring the house to be a house to which that Article applies.

(2) Before making an order under this Article, the Department shall serve notice of its intention to make the order and stating the effect of the proposed order on the owner and occupier of the house affected and on any other person who in its opinion would be affected by the order; and if within such period as may be specified in that behalf in the notice (not being less than 28 days from the date of service thereof) any person on whom the notice is served so desires, the Department shall afford to him an opportunity of appearing before and being heard by the planning appeals commission.

(3) Where the Department makes an order under this Article it shall serve a notice on any person mentioned in paragraph (2) stating the general effect of the order.

Appropriation of land held for planning purposes

89. Where any land acquired or appropriated by the Department for planning purposes is for the time being held by the Department for those purposes, the Department may appropriate the land for any purpose for which it is or may be authorised in any capacity to acquire land under any transferred provision.

Disposal of land held for planning purposes

90.—(1) Where any land acquired or appropriated by the Department for planning purposes is for the time being held by the Department for those purposes, the Department may dispose of the land to such person as may appear to it to be expedient in order to secure the best use of that or other land and any buildings or works which have been, or are to be, erected, constructed or carried out thereon, whether by itself or by any other person, or to secure the erection, construction or carrying out thereon of any buildings or works appearing to it to be needed for the proper planning of the area in which the land is situated.

(2) The Department shall dispose of any land under this Article so as to secure, so far as may be practicable, to persons who were living or carrying on business or other activities on any such land, who desire to obtain accommodation on such land and who are willing to comply with any requirements of the Department as to the development and use of such land, an opportunity to obtain thereon accommodation suitable to their reasonable requirements.

(3) Section 5 of the Stormont Regulation and Government Property Act (Northern Ireland) 1933 (which contains provisions with respect to the disposal of land by government departments) shall not apply to the disposal of any land under this Article.

Development of land held for planning purposes

91.—(1) The Department may erect, construct or carry out any building or work on any land to which this Article applies.

(2) The Department may enter into an agreement with any person for the development of any land to which this Article applies.

(3) The Department may repair, maintain and insure any buildings or works on land to which this Article applies, and generally deal therewith in a proper course of management.

(4) This Article applies to any land which has been acquired or appropriated by the Department for planning purposes and is for the time being held by it for those purposes.

Recovery of possession of premises let by Department

92. On the termination of any tenancy of any premises let by the Department under Article 90 possession of the premises may (without prejudice to any other method of recovery) be recovered by the Department in a summary manner under Articles 67 to 74 of the Magistrates' Courts (Northern Ireland) Order 1981 whatever may be the rent or term of the tenancy.

Supplementary provisions

93. Where the Department proposes to acquire land for planning purposes by means of a vesting order, the Department may disregard any objection to the proposed order which, in the opinion of the Department, amounts in substance to an objection to the provisions of the development plan defining the proposed use of that or any other land.

PART VIII

PURCHASE OF ESTATES IN CERTAIN LAND AFFECTED BY PLANNING DECISIONS

Service of purchase notice

94.—(1) Where—

- (a) on an application for planning permission to develop any land, permission is refused or is granted subject to conditions; or
- (b) by an order under Article 38 planning permission in respect of any land is revoked, or is modified by the imposition of conditions,

then if any owner of the land claims—

- (i) that the land has become incapable of reasonably beneficial use in its existing state; and
- (ii) in a case where planning permission was granted subject to conditions, or was modified by the imposition of conditions, that the land cannot be rendered capable of reasonably beneficial use by the carrying out of the permitted development in accordance with those conditions; and
- (iii) in any case, that the land cannot be rendered capable of reasonably beneficial use by the carrying out of any other development for which planning permission has been granted,

he may serve on the Department a notice requiring the Department to purchase his estate in the land in accordance with this Part.

(2) Where—

- (a) on an application for listed building consent in respect of a building, consent is refused or is granted subject to conditions; or
- (b) by an order under Article 47, listed building consent in respect of a building is revoked or is modified by the imposition of conditions,

then if any owner of the land claims—

- (i) that the land has become incapable of reasonably beneficial use in its existing state; and
- (ii) in a case where consent was granted subject to conditions with respect to the execution of the works or, as the case may be, was modified by the imposition of such conditions, that the land cannot be rendered capable of reasonably beneficial use by the carrying out of the works in accordance with those conditions; and
- (iii) in any case, that the land cannot be rendered capable of reasonably beneficial use by the carrying out of any other works for which listed building consent has been granted, he may serve on the Department a notice requiring the Department to purchase his estate in the land in accordance with this Part.

(3) If any person entitled to an estate in land in respect of which an order is made under Article 39 claims—

- (a) that by reason of the order the land is incapable of reasonably beneficial use in its existing state; and
- (b) that it cannot be rendered capable of reasonably beneficial use by the carrying out of any development for which planning permission has been granted, whether by that order or otherwise,

he may serve on the Department a notice requiring the Department to purchase his estate in the land in accordance with this Part.

(4) A notice under this Article—

- (a) shall be served within the time and in the manner specified by a development order; and
- (b) is referred to in this Order as a “purchase notice”.

(5) Where, for the purpose of determining whether the conditions in paragraph (1)(i) to (iii), paragraph (2)(i) to (iii) or paragraph (3)(a) and (b) are fulfilled in relation to any land, any question arises as to what is a reasonably beneficial use of that land, then in determining that question for that purpose no account shall be taken of any prospective use of that land which would involve the carrying out of new development as defined in section 43(1) of the Act of 1965, or of any works requiring listed building consent which might be executed to the building.

(6) For the purposes of this Article, the conditions referred to in Articles 34, 35 and 46 shall be disregarded.

(7) A person on whom there has been served a repairs notice under Article 109(4) shall not in any case be entitled to serve a purchase notice in respect of the building in question until the expiration of three months beginning with the date of the service of the repairs notice; and if during that period the Department commences proceedings for the compulsory acquisition of the building in the exercise of its powers under Article 109, that person shall not be so entitled unless and until those proceedings are discontinued.

(8) In paragraph (2) and in the other provisions of this Part as they apply for the purposes of a purchase notice served under paragraph (2) “the land” means the building in respect of which listed building consent has been refused, or granted subject to conditions, or revoked or modified by the imposition of conditions, and in respect of which its owner serves a notice under paragraph (2), together with any land comprising the building, or contiguous or adjacent to it, and owned with it, being land as to which the owner claims that its use is substantially inseparable from that of the building and that it ought to be treated, together with the building, as a single holding.

Action by Department following service of purchase notice

95.—(1) Where a purchase notice is served on the Department, it shall serve on the person by whom the notice was served—

- (a) a notice that the Department is willing to comply with the purchase notice; or
- (b) a counter-notice, objecting to the purchase notice, stating that for the reasons specified the Department is not willing to comply with the purchase notice; or
- (c) a counter-notice, objecting to the purchase notice and stating that the Department considers that—
 - (i) in the case of a purchase notice served under Article 94(1) or (3), planning permission for any other development might reasonably be expected to be granted, being development which in the opinion of the Department would if carried out render the land capable of reasonably beneficial use;
 - (ii) in the case of a purchase notice served under Article 94(2), listed building consent for any other works might reasonably be expected to be granted, being works which in the opinion of the Department would if carried out render the land capable of reasonably beneficial use.

(2) The Department shall comply with paragraph (1)—

- (a) in any case where an appeal under Article 32, 69 or 78 or paragraph 7 of Schedule 1 relating to the land—
 - (i) is pending on the date on which the purchase notice was served; or
 - (ii) is made within two months of that date,within two months of the date on which the appeal is disposed of;
- (b) in any other case, within two months of the date on which the purchase notice was served.

Further ground of objection to purchase notice

96.—(1) This Article shall have effect where, on an application for planning permission to develop any land which consists of or includes the whole or part of any land which has a restricted use by virtue of a previous planning permission, permission is refused or granted subject to conditions and the owner of the land serves a purchase notice.

(2) For the purposes of this Article, land has a restricted use by virtue of a previous planning permission if it is part of a larger area in respect of which planning permission was previously granted (and has not been revoked) and either—

- (a) it remains a condition of the planning permission (however expressed) that that part shall remain undeveloped or be preserved or laid out in a particular way as amenity land in relation to the remainder; or
- (b) the planning permission was granted on an application which contemplated (expressly or by necessary implication) that the part should not be comprised in the development for which planning permission was sought, or should be preserved or laid out as aforesaid.

(3) If a purchase notice is served on the Department, the Department although satisfied that the land to which the purchase notice relates (or part of that land) has become incapable of reasonably beneficial use, may nevertheless serve a counter-notice if it appears to the Department that the land to which the purchase notice relates (or part of that land) ought, in accordance with the previous planning permission, to remain undeveloped or, as the case may be, to remain or be preserved or laid out as amenity land in relation to the remainder of the larger area for which that planning permission was granted.

Reference of counter-notices to Lands Tribunal

97.—(1) Where the Department serves a counter-notice under Article 95(1)(b) or (c), the owner who served the purchase notice may, within two months of the date of receipt of the counter-notice, refer the matter to the Lands Tribunal.

(2) On any such reference, if the counter-notice is not withdrawn, the Lands Tribunal shall consider the matters set out in the purchase notice and the reasons specified in the counter-notice and shall determine whether the purchase notice or the counter-notice should be upheld.

(3) If the Tribunal determines to uphold the purchase notice it shall declare it valid.

Effect of valid purchase notice

98.—(1) Where a purchase notice has been served and either—

- (a) a notice is served under Article 95(1)(a); or
- (b) where a counter-notice has been served, the objection is withdrawn, or on a reference to the Lands Tribunal, is not upheld by the Tribunal,

the Department shall, on the date of acceptance, be deemed to have entered into a contract to purchase the estate of the person who served the purchase notice in respect of which the notice is effective and that person shall, on that date, be deemed to have entered into a contract to sell that estate to the Department.

(2) The amount to be paid for an estate by the Department under a contract deemed to have effect under paragraph (1) shall be the amount which the Department would have paid for the estate if it had compulsorily acquired the estate on the date of acceptance under Article 87.

(3) Any dispute as to the amount to be paid under paragraph (2) for an estate shall be determined by the Lands Tribunal.

(4) A person who has served a purchase notice in relation to an estate in land may withdraw that notice at any time before the amount to be paid for the estate has been agreed with the Department or determined by the Lands Tribunal or at any time before the end of six weeks beginning with the date on which that amount is so agreed or determined; and where a purchase notice is withdrawn by virtue of this paragraph any contract deemed to have been made under paragraph (1) in consequence thereof shall be deemed not to have been made.

(5) The date for the completion of the purchase of an estate in pursuance of a contract deemed to have effect under paragraph (1) shall, unless the owner of the estate and the Department otherwise agree, be three months from the date on which they agree upon the amount to be paid for that estate or, in default of agreement on that amount, from the date on which the Lands Tribunal determines that amount.

(6) If on the date for the completion of a contract deemed to have effect under paragraph (1), the Department fails to pay to the claimant the amount payable to him under this Article, the Department shall, unless that failure arises from a cause other than the Department's act or default, pay to him, from that date until the date on which it pays that amount, interest on that amount at such rate as may for the time being be determined by the Department of Finance and Personnel under paragraph 18(2) of Schedule 6 to the Local Government Act (Northern Ireland) 1972.

(7) For the purposes of determining the amount to be paid for an estate under a contract deemed to have effect under paragraph (1), for any reference in Articles 12 and 13 of the Land Compensation (Northern Ireland) Order 1982 to the date of acquisition or the date on which the vesting order becomes effective there shall be substituted a reference to the date of acceptance.

(8) In this Article "the date of acceptance"—

- (a) in a case where the Lands Tribunal, on a reference to it, does not uphold an objection, is the date of the Tribunal's determination;
- (b) in any other case, is the date on which a notice is served under Article 95(1)(a) or the date on which the period referred to in Article 95(2) expires, whichever is the earlier.

Special provision as to compensation under this Part

99. Where by virtue of section 26 of the Act of 1965 compensation is payable in respect of expenditure incurred in carrying out any work on land, then, if a purchase notice is served in respect of an estate in that land, any compensation payable in respect of the acquisition of that estate in pursuance of the purchase notice shall be reduced by an amount equal to the value of the works in respect of which compensation is payable under that section.

PART IX ROADS

Orders extinguishing right to use vehicle on road

100.—(1) The Department may, for the purpose of improving the amenity of any area, by order provide for the extinguishment of any right which persons may have to use vehicles on a road, being a road other than a trunk road or a special road.

(2) An order under paragraph (1) may include such provision as the Department thinks fit for permitting the use on the road of vehicles (whether mechanically propelled or not) in such cases as may be specified in the order, notwithstanding the extinguishment of any such right as is mentioned in that paragraph; and any such provision may be framed by reference to particular descriptions of vehicles, or to particular persons by whom, or on whose authority, vehicles may be used, or to the circumstances in which, or the times at which, vehicles may be used for particular purposes.

(3) No provision contained in, or having effect under, any transferred provision, being a provision prohibiting or restricting the use of footpaths, shall affect any use of a vehicle on a road in relation to which an order made under paragraph (1) has effect, where the use is permitted in accordance with provisions of the order included by virtue of paragraph (2).

(4) Where an order is made under paragraph (1) the Department shall place or cause to be placed on or near the road to which the order relates such traffic signs as are necessary—

- (a) to warn traffic that the road is subject to the restrictions or prohibitions specified in the order;
- (b) to indicate the nature and extent of those restrictions or prohibitions.

(5) Any person who uses a vehicle or causes or permits a vehicle to be used in contravention of an order made under paragraph (1) shall be guilty of an offence under the Road Traffic (Northern Ireland) Order 1981 and be liable on summary conviction to a fine not exceeding level 3 on the standard scale.

(6) Where the Department revokes an order under paragraph (1), the effect of the order shall be to reinstate any right to use vehicles on the road, being a right which was extinguished by virtue of the order under that paragraph.

(7) Any order made under this Article may contain provisions for the preservation of any rights of statutory undertakers in respect of any apparatus of theirs which immediately before the date of the order is under, in, on, over, along or across the road to which the order relates.

(8) This Article shall have effect without prejudice to—

- (a) any power conferred on the Department under any other enactment to authorise the stopping up or diversion of a road; or
- (b) Article 102.

(9) In this Article “traffic sign” and “vehicle” have the same meanings as in the Road Traffic (Northern Ireland) Order 1981.

Provision of amenity for road reserved to pedestrians

101.—(1) Where in relation to a road an order has been made under Article 100, the Department may carry out and maintain any such works on or in the road, or place on or in it any such objects or structures, as appear to it—

- (a) to be expedient for the purposes of—
 - (i) giving effect to the order;
 - (ii) enhancing the amenity of the road and its immediate surroundings; or
 - (iii) providing a service for the benefit of the public or a section of the public; or
- (b) to be otherwise desirable for a purpose beneficial to the public.

(2) The powers exercisable by the Department under this Article shall extend to—

- (a) laying out any part of the road with lawns, trees, shrubs and flower beds;
- (b) providing toilet facilities and facilities for recreation or refreshment;
- (c) providing trading kiosks and deriving income therefrom; and
- (d) providing directional maps or plans.

(3) The Department may so exercise its powers under this Article as to restrict the access of the public to any part of the road, but shall not so exercise them as—

- (a) to prevent persons from entering the road at any place where they could enter it before the order under Article 100 was made; or
- (b) to prevent the passage of the public along the road; or
- (c) to prevent normal access by pedestrians to premises adjoining the road; or
- (d) to prevent any use of vehicles which is permitted by an order made under that Article and applying to the road; or

(e) to prevent statutory undertakers from having access to any works of theirs under, in, on, over, along or across the road.

(4) An order under Article 100(6) may make provision requiring the removal of any obstruction of the road resulting from the exercise by the Department of its powers under this Article.

(5) A district council may, with the consent of the Department, exercise any of the powers of the Department under this Article.

Extinguishment of public rights of way

102.—(1) Where any land has been acquired or appropriated for planning purposes and is for the time being held by the Department for the purposes for which it was acquired or appropriated, the Department may by order extinguish any public right of way over the land where it is satisfied that the extinguishment of the right of way is necessary for the proper development of the land.

(2) In this Article any reference to the acquisition or appropriation of land for planning purposes shall be construed in accordance with Article 87(9) as if this Article were in Part VII.

Procedure for making orders under Article 100 or 102

103.—(1) Before making an order under Article 100 or 102 the Department shall publish in at least one newspaper circulating in the relevant area a notice—

- (a) stating the general effect of the order;
- (b) specifying a place in the relevant area where a copy of the draft order and of any relevant map or plan may be inspected by any person at all reasonable hours during a period of 28 days from the date of publication of the notice; and
- (c) stating that, within that period, any person may by notice to the Department object to the making of the order.

(2) Not later than the date on which that notice is so published, the Department shall serve a copy of the notice, together with a copy of the draft order and of any relevant map or plan, on—

- (a) every district council in whose area any land to which the order relates is situated;
- (b) any gas or electricity undertakers having any cables, mains, pipes, or wires laid along, across, under or over any land over which a right of way is to be extinguished, under the order; and
- (c) the operator of any telecommunications code system for the purposes of which any telecommunication apparatus is kept installed along, across, under or over any such land.

(3) The Department may cause a public local inquiry to be held by the planning appeals commission to hear objections to the proposed order.

(4) After considering any objections to the order which are not withdrawn and, where a public local inquiry is held, the report of the planning appeals commission, the Department may make the order either without modification or subject to such modifications as it thinks fit.

(5) Where the Department makes an order under Article 100 or 102 the Department shall publish, in the manner specified in paragraph (1), a notice stating that the order has been made, and naming a place where a copy of the order may be seen at all reasonable hours; and paragraph (2) shall have effect in relation to any such notice as it has effect in relation to a notice under paragraph (1).

(6) In this Article “the relevant area”, in relation to an order, means the area in which any land to which the order relates is situated.

Telecommunication apparatus

104.—(1) Where an order is made under Article 102 and immediately before the date on which the order became operative there was, under, in, on, over, along or across the right of way any telecommunication apparatus kept installed for the purposes of a telecommunications code system, the operator of that system shall have the same powers in respect of that apparatus as if the order had not become operative; but the Department shall be entitled to require the alteration of the apparatus.

(2) If the operator of a telecommunications code system removes any telecommunication apparatus in circumstances in which paragraph (1) applies and serves a notice on the Department notifying the Department of the removal, the operator shall be entitled to recover from the Department the expense of providing in substitution for the apparatus and any telecommunication apparatus connected therewith which is rendered useless in consequence of the removal, any telecommunication apparatus in such other place as the operator may require.

(3) Paragraph 1(2) of the telecommunications code (alteration of apparatus to include moving, removal or replacement of apparatus) shall apply for the purposes of the preceding provisions of this Article as it applies for the purpose of that code.

(4) Paragraph 21 of the telecommunications code (restriction on removal of apparatus) shall apply in relation to any entitlement conferred by this Article to require the alteration, moving or replacement of any telecommunication apparatus as it applies in relation to an entitlement to require the removal of any such apparatus.

(5) Paragraph 1 of Schedule 4 to the Telecommunications Act 1984 shall apply for the interpretation of this Article and paragraph (2)(c) of Article 103 as it applies for the interpretation of that Schedule.

PART X**FURTHER PROVISIONS AS TO HISTORIC BUILDINGS****Historic Buildings Council**

105.—(1) There shall continue to be a Council called “the Historic Buildings Council” (in this Order referred to as “the Council”).

(2) The functions of the Council shall be—

- (a) to keep under review, and from time to time report to the Department on, the general state of preservation of listed buildings;
- (b) to advise the Department on such matters relating to the preservation of buildings of special architectural or historic interest as the Department may refer to it;
- (c) such other functions as are conferred on it by any statutory provision.

(3) Schedule 3 shall have effect with respect to the Council.

Grants and loans for preservation or acquisition of listed buildings

106.—(1) The Department may make grants or loans towards the whole or part of any expenditure incurred or to be incurred in the repair or maintenance of a listed building or in the upkeep of any land comprising, or contiguous or adjacent to, any such building, or in the repair or maintenance of any objects ordinarily kept in the building.

(2) The Department may, on such terms and conditions as the Department, with the approval of the Department of Finance and Personnel, thinks fit, make grants or loans to the National Trust for Places of Historic Interest or Natural Beauty towards the cost of acquiring—

- (a) any listed building;
- (b) any land comprising, or contiguous or adjacent to, any such building;
- (c) any objects ordinarily kept in any such building.

(3) Grants under paragraph (1) to the National Trust for Places of Historic Interest or Natural Beauty may, if the Department thinks fit, be made by way of endowment.

(4) The Department may attach to any grant or loan under paragraph (1) such conditions as it thinks fit for securing public access to the whole or part of the property to which the grant or loan relates.

(5) Any loan under paragraph (1) shall be made on such terms as to repayment, payment of interest and otherwise as the Department may, with the approval of the Department of Finance and Personnel, determine.

Acquisition of listed buildings by agreement

107.—(1) The Department may acquire by agreement, whether by purchase, lease or otherwise, or may accept the gift of—

- (a) any listed building;
- (b) any land comprising, or contiguous or adjacent to, any such building.

(2) The Department may purchase by agreement, or accept a gift of, any objects which are or have been ordinarily kept in a listed building which, or any estate in which, is vested in the Department, or in a listed building which is under its control or management.

(3) The Department may make such arrangements as it thinks fit for the management, custody and use of any property acquired or accepted by it under this Article.

(4) Where the Department is of the opinion that any property acquired by it under this Article would be more expediently or efficiently managed or preserved by—

- (a) the National Trust for Places of Historic Interest or Natural Beauty; or
- (b) any government department; or
- (c) a district council; or
- (d) such other body as the Department thinks suitable;

the Department may, with the approval of the Department of Finance and Personnel, convey either for value or otherwise and upon such terms and conditions as the Department may think fit, that property to that Trust, government department, district council or other body, and may—

- (i) impose such restrictions as the Department may think necessary on the user of the land so conveyed; and
- (ii) grant or reserve such rights over such land as the Department thinks fit.

Acceptance by Department of endowments in respect of listed buildings

108.—(1) Where any instrument coming into operation after 1st November 1972 contains a provision purporting to be a gift of property to the Department upon trust to use the income thereof (either for a limited time or in perpetuity) for or towards the upkeep of a listed building or other property acquired or accepted by the Department under Article 107 or a building which the Department proposes so to acquire or accept, the Department may accept the gift, and if it does so, and the provision does not constitute a charitable trust, paragraphs (2) to (7) shall have effect.

(2) The validity of the gift and of the trust to use the income as aforesaid (in this Article referred to as “the endowment trust”) shall be deemed not to be, or ever to have been, affected by any rule of law or equity which would not have affected their validity if the trust had been charitable.

(3) In relation to the property (of whatsoever nature) comprised in the gift and any property for the time being representing that property (in this Article collectively referred to as “the trust fund”) the Department shall during the continuance of the endowment trust have the like powers of management, disposition and investment as in the case of settled land are conferred by law on the tenant for life and the trustees of the settlement in relation to the land and the proceeds of its sale, respectively.

(4) Paragraph (3) does not prejudice any additional or larger powers conferred on the Department by the trust instrument.

(5) If while the endowment trust continues an event happens such that immediately thereafter the Department is neither entitled to any estate in the building to which the trust relates nor has the building under its control or management, and apart from this paragraph the endowment trust would not then be determined or be deemed to have failed, then on the happening of that event the endowment trust shall cease by virtue of this paragraph and the trust fund shall devolve accordingly as on a failure of the trust.

(6) If the trust instrument contains a provision whereby, on the failure or determination of the endowment trust, the trust fund purports to be given, or to be directed to be held, on charitable trusts, the validity of that gift or direction shall be deemed not to be, or ever to have been, affected by any rule of law or equity relating to perpetuities.

(7) In this Article “gift” includes devise, bequest, appointment, conveyance, assignment, transfer and any other assurance of property, and “property” means real or personal property of any description.

Compulsory acquisition of listed buildings

109.—(1) If it appears to the Department that, in the case of a listed building to which this paragraph applies, reasonable steps are not being taken for properly preserving it, the Department may, if it considers it expedient in order to preserve the building, compulsorily acquire the building and any land comprising or contiguous or adjacent to it which appears to the Department to be required for preserving the building or its amenities, or for affording access to it, or for its proper control or management.

(2) Paragraph (1) applies to any listed building, except—

- (a) a building which is the subject of a guardianship or protection order under the Historic Monuments Act (Northern Ireland) 1971; or
- (b) a building for the time being included in a schedule of historic monuments published by the Department under that Act.

(3) Where the Department desires to acquire, otherwise than by agreement, any land under paragraph (1), the Department may make an order vesting that land in the Department; and Articles 87 to 93 shall, with any necessary modifications, apply in relation to such acquisitions accordingly.

(4) The Department shall not commence proceedings for the compulsory acquisition of a building under this Article unless at least two months previously it has served on the owner of the building, and not withdrawn, a notice (in this Article referred to as a “repairs notice”)—

- (a) specifying the works which the Department considers reasonably necessary for the proper preservation of the building; and
- (b) explaining the effect of this Article.

(5) Where the Department has served a repairs notice, the demolition of the building thereafter shall not prevent the Department from being authorised under this Article to acquire compulsorily the site of the building, if the Department is satisfied that it would have made a vesting order in respect of the building had it not been demolished.

(6) The Department may at any time withdraw a repairs notice served by it; and if it does so, it shall forthwith give notice of the withdrawal to the person who was served with the repairs notice.

PART XI

THE PLANNING APPEALS COMMISSION

The Planning Appeals Commission

110.—(1) There shall continue to be a Planning Appeals Commission (in this Part referred to as the “appeals commission”).

(2) The appeals commission shall consist of the following persons appointed by the Secretary of State—

- (a) a chief commissioner; and
- (b) such number, if any, of other commissioners as the Department may, with the consent of the Department of Finance and Personnel, determine.

(3) A commissioner shall not engage, whether directly or indirectly, or be a partner of any person who engages, in a gainful profession, occupation or business if to do so would in any way be incompatible with his functions under this Order.

(4) There shall be paid to a commissioner such remuneration and allowances and to him, or in respect of his services, such pensions, allowances or benefits as the Department may determine with the approval of the Department of Finance and Personnel.

(5) The Department may appoint persons to assist the appeals commission in the performance of its functions, and there shall be paid to persons so appointed such remuneration and allowances and to, or in respect of the service of, those persons such pensions, allowances or benefits as the Department may determine with the approval of the Department of Finance and Personnel.

Procedure of appeals commission

111.—(1) Where, under this Order or any other transferred provision, the appeals commission may determine an appeal—

- (a) the appeal shall be heard by such member of the appeals commission as the chief commissioner may appoint in that behalf;
- (b) except where an appeal is to be decided solely by reference to written representations, the chief commissioner may, after consultation with the appeals commission and the Department, appoint an assessor to sit with the member appointed under sub-paragraph (a) at the appeal to advise him on any matters arising;
- (c) notwithstanding sub-paragraphs (a) and (b), any decision on the appeal shall be made by the appeals commission.

(2) Where, under this Order or any other transferred provision, the appeals commission may hold an inquiry or hearing—

- (a) the inquiry or hearing shall be held by such member of the appeals commission as the chief commissioner may appoint in that behalf;
- (b) the chief commissioner may, after consultation with the appeals commission and the Department, appoint an assessor to sit with the member appointed under sub-paragraph (a) at the inquiry or hearing to advise him on any matters arising;
- (c) notwithstanding sub-paragraphs (a) and (b), any report on the inquiry or hearing shall be made by the appeals commission.

(3) The appeals commission may pay to any assessor appointed under paragraph (1)(b) or (2)(b) such fees and allowances as the commission, with the approval of the Department, may approve.

(4) Where, under this Order or any other transferred provision, the appeals commission may determine an appeal in relation to a decision of the Department, the commission may confirm, reverse or vary the decision and any determination of the commission on the appeal shall have the like effect as a decision of the Department for the purpose of this Order or any such provision, except a provision relating to appeals.

(5) The Department, after consultation with the appeals commission, may make rules for regulating the procedure for proceedings before the appeals commission and, subject to this Order and any such rules, that procedure shall be such as the appeals commission may determine.

(6) Where, under this Order or any other transferred provision, a person has been afforded an opportunity of appearing before and being heard by the appeals commission or the appeals commission holds an inquiry, the appeals commission shall make a report on the hearing or inquiry to the Department and the Department shall consider that report.

PART XII

Crown land

Application to Crown land

113.—(1) Notwithstanding any interest of the Crown in Crown land, but subject to the following provisions of this Article—

- (a) a development plan adopted under Part II may include proposals relating to the use of Crown land, and any power to acquire land compulsorily under Article 87 or 109 may be exercised in relation to any estate therein which is for the time being held otherwise than by or on behalf of the Crown;
- (b) any restrictions or powers imposed or conferred by Part IV, Part V, Part VI or Part VIII shall apply and be exercisable in relation to Crown land, to the extent of any estate therein for the time being held otherwise than by or on behalf of the Crown;
- (c) a building which for the time being is Crown land may be included in a list compiled by the Department under Article 42.

(2) A person who is entitled to occupy Crown land by virtue of a licence in writing shall be treated for the purposes of paragraph (1)(b) so far as applicable to Parts IV to VI as having an estate in land.

(3) No enforcement notice shall be issued under Article 68 in respect of development carried out by or on behalf of the Crown on land which was Crown land at the time when the development was carried out.

(4) No listed building enforcement notice shall be issued in respect of works executed by or on behalf of the Crown in respect of a building which was Crown land at the time when the works were executed.

Application for planning permission, etc. in anticipation of disposal of Crown land

114.—(1) This Article has effect for the purpose of enabling Crown land, or an estate in Crown land, to be disposed of with the benefit of—

- (a) planning permission, listed building consent, hazardous substances consent or conservation area consent; or
- (b) a determination under Article 41 or 48.

(2) Notwithstanding the estate of the Crown in the land in question, an application for any such permission, consent or determination as is mentioned in paragraph (1) may be made—

- (a) in the case of land—
 - (i) belonging to Her Majesty in right of the Crown and under the management of a Northern Ireland department; or
 - (ii) belonging to a Northern Ireland department or held in trust for Her Majesty for the purposes of a Northern Ireland department,

- (b) in any other case, by the appropriate authority or a person authorised by that authority in writing;

and, subject to paragraphs (3) to (6), all the statutory provisions relating to the making and determination of any such application shall accordingly apply as if the land were not Crown land.

(3) Any planning permission granted by virtue of this Article shall apply only—

- (a) to development carried out after the land in question has ceased to be Crown land; and
- (b) so long as that land continues to be Crown land, to development carried out by virtue of a private estate in the land;

and any listed building consent or conservation area consent granted by virtue of this Article shall apply only to works carried out as aforesaid.

(4) Any hazardous substances consent granted by virtue of this Article shall apply only—

- (a) to the presence of the substance to which the consent relates after the land in question has ceased to be Crown land; and
- (b) so long as that land continues to be Crown land, to the presence of the substance by virtue of a private estate in the land.

(5) In relation to any application made by virtue of this Article for a determination under Article 41, that Article shall have effect as if for any reference to an application for planning permission being, or not being, required there were substituted a reference to such an application being, or not being, required in the event of the proposed operations or change of use being carried out or made otherwise than by or on behalf of the Crown.

(6) The Department may by regulations—

- (a) modify or exclude any of the statutory provisions referred to in paragraph (2) in their application by virtue of that paragraph and any other statutory provisions in their application to permissions, consents or determinations granted or made by virtue of this Article;
- (b) make such other provision in relation to the making and determination of applications by virtue of this Article as it thinks necessary or expedient.

(7) This Article shall not be construed as affecting any right to apply for any such permission, consent or determination as is mentioned in paragraph (1) in respect of Crown land in a case in which such an application can be made by virtue of a private estate in the land.

Tree preservation orders in anticipation of disposal of Crown land

115.—(1) The Department may make a tree preservation order in respect of Crown land in which no estate is for the time being held otherwise than by or on behalf of the Crown if the Department considers it expedient to do so for the purpose of preserving trees or woodlands on the land in the event of its ceasing to be Crown land or becoming subject to a private estate.

(2) A tree preservation order made by virtue of this Article shall not take effect until the land in question ceases to be Crown land or becomes subject to a private estate, whichever first occurs.

(3) On the occurrence of any event by virtue of which a tree preservation order takes effect in accordance with paragraph (2) the appropriate authority shall as soon as practicable give to the Department a notice in writing of the name and address of the person who has become entitled to the land in question or to a private estate in it.

(4) The procedure prescribed under Article 65(2) in connection with the making and confirmation of a tree preservation order shall apply as if the order had been made on the date on which notice is received by the Department under paragraph (3).

Control of development on Crown land

116.—(1) This Article applies to development of Crown land carried out otherwise than by or on behalf of the Crown at a time when no person is entitled to occupy it by virtue of a private estate.

(2) Where it appears to the Department that development to which this Article applies has taken place it may, if it considers it expedient to do so having regard to the provisions of the development plan and to any other material considerations, issue a notice under this Article (a “special enforcement notice”) and serve copies of it in accordance with paragraph (5).

(3) A special enforcement notice shall specify—

- (a) the matters alleged to constitute development to which this Article applies: and
- (b) the steps which the Department requires to be taken for restoring the land to its condition before the development took place or for discontinuing any use of the land which has been instituted by the development.

(4) A special enforcement notice shall also specify the date on which it is to take effect and the period within which any such steps as are mentioned in paragraph (3)(b) are to be taken and may specify different periods for the taking of different steps.

(5) A copy of a special enforcement notice shall be served, not later than 28 days after the date of its issue and not later than 28 days before the date specified in the notice as the date on which it is to take effect—

- (a) on the person who carried out the development alleged in the notice;
- (b) on any person who is occupying the land on the date on which the notice is issued; and
- (c) on the appropriate authority;

but sub-paragraph (a) shall not apply if the Department is unable after reasonable enquiry to identify or trace the person mentioned in that sub-paragraph.
