(b) a child support officer to whom the case is referred is not satisfied that the case falls within one of those set out in Article 27(2).
(1A) In any case where this paragraph applies, the Department or the person with care may apply to a court of summary jurisdiction for a declaration as to whether or not the alleged parent is one of the child's parents."
(3) In paragraph (2), for "(1)" there shall be substituted "(1A)".
(4) For paragraph (3), there shall be substituted-
"(3) A declaration under this Article shall have effect only for the purposes of-
(a) this Order; and
(b) proceedings in which a court is considering whether to make a maintenance order in the circumstances mentioned in paragraph (6), (7) or (8) of Article 10."

## Child support maintenance: arrears and overpayments

16. In the Order of 1991, after Article 38 there shall be inserted-

## "Arrears: alternative to interest payments

38A.-(1) The Department may by regulations make provision for the payment by absent parents who are in arrears with payments of child support maintenance of sums determined in accordance with the regulations.
(2) A sum payable under any such regulations is referred to in this Article as an "additional sum".
(3) Any liability of an absent parent to pay an additional sum shall not affect any liability of his to pay the arrears of child support maintenance concerned.
(4) The Department shall exercise its powers under this Article and those under Article $38(3)$ in such a way as to ensure that no absent parent is liable to pay both interest and an
additional sum in respect of the same period (except by reference to different maintenance assessments).
(5) Regulations under paragraph (1) may, in particular, make provision-
(a) as to the calculation of any additional sum;
(b) as to the time at which, and person to whom, any additional sum shall be payable;
(c) as to the circumstances in which, in a case where the Department has been acting under Article 9, any additional sum may be retained by it;
(d) for the Department, in a case where it has been acting under Article 9 and in such circumstances as may be prescribed, to waive any additional sum (or part of any additional sum).
(6) The provisions of this Order with respect to-
(a) the collection of child support maintenance;
(b) the enforcement of any obligation to pay child support maintenance,
shall apply equally to additional sums payable by virtue of regulations made under this Article.
(7) Any sum retained by the Department by virtue of this Article shall be paid by the Department into the Consolidated Fund.

## Repayment of overpaid child support maintenance

38B. - (1) This Article applies where it appears to the Department that an absent parent has made a payment by way of child support maintenance which amounts to an overpayment by him of that maintenance and that-
(a) it would not be possible for the absent parent to recover the amount of overpayment by way of an adjustment of the amount payable under a maintenance assessment; or
(b) it would be inappropriate to rely on an adjustment of the amount payable under a maintenance assessment as the means of enabling the absent parent to recover the amount of the overpayment.
(2) The Department may make such payment to the absent parent by way of reimbursement, or partial reimbursement, of the overpayment as the Department considers appropriate.
(3) Where the Department has made a payment under this Article the Department may, in such circumstances as may be prescribed, require the relevant person to pay to it the whole, or a specified proportion, of the amount of that payment.
(4) Any such requirement shall be imposed by giving the relevant person a written demand for the amount which the Department wishes to recover from him.
(5) Any sum which a person is required to pay to the Department under this Article shall be recoverable from him by the Department as a debt due to the Crown.
(6) The Department may by regulations make provision in relation to any case in which-
(a) one or more overpayments of child support maintenance are being reimbursed to the Department by the relevant person; and
(b) child support maintenance has continued to be payable by the absent parent concerned to the person with care concerned, or again becomes so payable.
(7) For the purposes of this Article any payments made by a person under a maintenance assessment which was not validly made shall be treated as overpayment of child support maintenance made by an absent parent.
(8) In this Article "relevant person", in relation to an overpayment, means the person with care to whom the overpayment was made.
(9) Any sum recovered by the Department under this Article shall be paid by the Department into the Consolidated Fund."

## Compensation payments

17.-(1) The Department may by regulations make provision for the payment by it, in prescribed circumstances and to or in respect of qualifying persons, of sums by way of compensation or partial compensation for any reduction which is attributable to one or more prescribed changes in child support legislation.
(2) For the purposes of this Article-
"child support legislation" means-
(a) the provision of the Order of 1991 and this Order;
(b) any provision made under that Order or this Order; and
(c) such other provisions (if any) of primary or subordinate legislation with respect to child support maintenance as may be prescribed;
"compensation payment" means any sum payable under the regulations;
"qualifying person" means a person with care-
(a) with respect to whom a maintenance assessment ("the revised assessment") is in force or was made after the change or changes took effect;
(b) to or in respect of whom family credit or disability working allowance is or has been paid; and
(c) with respect to whom an earlier maintenance assessment was in force at the relevant time; "reduction" means a reduction in the amount of child support maintenance payable under the revised assessment when compared with the amount payable under the earlier assessmen; and "relevant time" has such meaning as may be prescribed.
(3) The regulations may include provision-
(a) as to the calculation of the amount of any compensation payment;
(b) for any compensation payment to be made in instalments or as a lump sum;
(c) as to the manner in which any compensation payment is to be made;
(d) for a compensation payment which would otherwise be made under the regulations not to be made if the amount of the payment would be less than the prescribed minimum.
(4) The Department may by order provide that, for the purposes of specified provisions of the Social Security Administration (Northern Ireland) Act 1992(10), a compensation payment is to be treated as if it were a payment of a benefit (as defined by section 167(1) of that Act) or of a benefit of a prescribed kind.

## Payment of benefit where maintenance payments collected by the Department

18. In the Social Security Administration (Northern Ireland) Act 1992, after section 72 (income support and other payments), there shall be inserted-

## "Payment of benefit where maintenance payments collected by Department.

72A.-(1) This section applies where-
(a) a person ("the claimant") is entitled to a benefit to which this section applies;
(b) the Department is collecting periodical payments of child or spousal maintenance made in respect of the claimant or a member of the claimant's family; and
(c) the inclusion of any such periodical payment in the claimant's relevant income would, apart from this section, have the effect of reducing the amount of the benefit to which the claimant is entitled.
(2) The Department may, to such extent as it considers appropriate, treat any such periodical payment as not being relevant income for the purposes of calculating the amount of benefit to which the claimant is entitled.
(3) The Department may, to the extent that any periodical payment collected by it is treated as not being relevant income for those purposes, retain the whole or any part of that payment.
(4) Any sum retained by the Department under subsection (3) shall be paid by the Department into the Consolidated Fund.
(5) In this section-
"child" means a person under the age of 16 .
"child maintenance", "spousal maintenance" and "relevant income" have such meaning as may be prescribed;
"family" means-
(a) a married or unmarried couple;
(b) a married or unmarried couple and a member of the same household for whom one of them is, or both are, responsible and who is a child or a person of a prescribed description;
(c) except in prescribed circumstances, a person who is not a member of a married or unmarried couple and a member of the same household for whom that person is responsible and who is a child or a person of a prescribed description;
"married couple" means a man and woman who are married to each other and are members of the same household; and
"unmarried couple" means a man and woman who are not married to each other but are living together as husband and wife otherwise than in prescribed circumstances.
(6) For the purposes of this section, the Department may by regulations make provision as to the circumstances in which-
(a) persons are to be treated as being or not being members of the same household;
(b) one person is to be treated as responsible or not responsible for another.
(7) The benefits to which this section applies are income support, an income-based jobseeker's allowance and such other benefits (if any) as may be prescribed."

## Supplemental

## Regulations and orders

19.-(1) Any power under this Order to make regulations or orders includes power-
(a) to make such incidental, supplemental, consequential or transitional provision as appears to the Department to be expedient; and
(b) to provide for a person to exercise a discretion in dealing with any matter.
(2) Paragraph (3) applies to-
(a) the first regulations made under Article 4;
(b) any order made under Article 12(4);
(c) the first regulations made under Article 17.
(3) A statutory rule to which this paragraph applies shall be laid before the Assembly after being made and shall take effect on such date as may be specified in the regulations, but shall (without prejudice to the validity of anything done thereunder or the making of new regulations) cease to have effect upon the expiration of a period of 6 months from that date unless at some time before the expiration of that period the regulations have been approved by a resolution of the Assembly.
(4) Any other statutory rule made under this Order, other than an order made under Article 1(3), shall be subject to negative resolution.

## Co-ordination with Great Britain

20.-(1) The Department may make arrangements with the Secretary of State with a view to securing, to the extent allowed for in the arrangements, that-
(a) the provision made by or under Articles 4 and 17 ("the provision made for Northern Ireland"); and
(b) the provision made by or under sections 10 and 24 of the Child Support Act 1995(11) ("the provision made for Great Britain"),
provide for a single system within the United Kingdom.
(2) The Department may make regulations for giving effect to any such arrangements.
(3) The regulations may, in particular-
(a) adapt legislation (including subordinate legislation) for the time being in force in Northern Ireland so as to secure its reciprocal operation with the provision made for Great Britain; and
(b) make provision to secure that acts, omissions and events which have any effect for the purposes of the provision made for Great Britain have a corresponding effect for the purposes of the provision made for Northern Ireland.

(c) the substitution, for any provision in accordance with which any such calculation is to be made, of such other provision as may be prescribed.
(4) Regulations may limit the extent to which the amount of the child support maintenance fixed by a maintenance assessment made as a result of a departure direction may differ from the amount of the child support maintenance which would be fixed by a maintenance assessment made otherwise than as a result of the direction.
(5) Regulations may provide for the amount of any special expenses to be taken into account in a case falling within paragraph 2, for the purposes of a departure direction, not to exceed such amount as may be prescribed or as may be determined in accordance with the regulations.

(7) Sub-paragraph (6) does not prevent the modification of the provisions of, or made under, paragraph 6 of Schedule 1 to the extent permitted by regulations under this paragraph.
(8) Any regulations under this paragraph may make different provision with respect to different levels of income."
