## The Street Works (Northern Ireland) Order 1995

### Reinstatement

#### Reinstatement affected by subsequent works

**33.**—(1) The provisions of this Article apply in relation to an undertaker's duty under Article 31(2) to ensure that a reinstatement conforms to the prescribed performance standards for the requisite period; and references to responsibility for a reinstatement and to the period of that responsibility shall be construed accordingly.

(2) Where a reinstatement is affected by remedial works executed by the undertaker in order to comply with his duties under this Order with respect to reinstatement and the extent of the works exceeds that prescribed, the subsequent reinstatement shall be treated as a new reinstatement as regards the period of his responsibility.

(3) Where the street authority carries out investigatory works in pursuance of Article 32(1) and the investigation does not disclose any failure by the undertaker to comply with his duties under this Order with respect to reinstatement, then, to the extent that the original reinstatement has been disturbed by the investigatory works, the responsibility of the undertaker for the reinstatement shall cease.

(4) Where a reinstatement is affected by remedial works executed by the street authority in exercise of its powers under Article 32(3) or (4) (powers to act in default of undertaker)—

- (a) the undertaker is responsible for the subsequent reinstatement carried out by the authority, and
- (b) if the extent of the works exceeds that prescribed, the subsequent reinstatement shall be treated as a new reinstatement as regards the period of his responsibility.

(5) The following provisions apply where a reinstatement is affected by subsequent works in the street otherwise than as mentioned above.

(6) If the reinstatement is dug out to any extent in the course of the subsequent works, the responsibility of the undertaker for the reinstatement shall cease to that extent.

(7) If in any other case the reinstatement ceases to conform to the prescribed performance standards by reason of the subsequent works, the responsibility of the undertaker for the reinstatement is transferred to the person executing the subsequent works; and the provisions of this Order apply in relation to him as they would have applied in relation to the undertaker.

(8) Where there are successive subsequent works affecting a reinstatement, then as between earlier and later works—

- (a) paragraphs (6) and (7) apply in relation to the cessation or transfer of the responsibility of the person for the time being responsible for the reinstatement; and
- (b) if the reinstatement ceases to conform to the prescribed performance standards by reason of the works or any of them, it shall be presumed until the contrary is proved that this was caused by the later or last of the works.
