(4) Conditions included under Article 10(1)(a) in a licence conferring on the holder exclusive authority to carry on any designated activities may make special provision in relation to the carrying on of such activities within the specified period.

(5) Where the grantor is satisfied on reasonable grounds that the holder of a licence conferring exclusive authority to carry on designated activities has contravened any relevant condition of his licence, the grantor may modify the licence—

- (a) so as to substitute for the specified period such shorter period as the grantor may determine;
- (b) so as to exclude from those activities which are designated activities for the purposes of this Article such activities as the grantor may determine; or
- (c) so as to remove from the licence those provisions which confer exclusive authority to carry on designated activities.

(6) In paragraph (5) “relevant condition” means a condition of the licence (whether one included by virtue of paragraph (4) or not) which is identified in the licence as a relevant condition for the purposes of this Article.

[^{F11}(7) The grantor may, with the consent of the holder of a licence conferring exclusive authority to carry on designated activities, modify the licence—

- (a) so as to substitute for the specified period such longer period as the grantor may determine;
- (b) so as to add to those activities which are designated activities for the purposes of this Article such other activities as the grantor may determine.

(7A) The grantor may not under paragraph (7)(a) substitute a longer period than that allowed under paragraph (1A) unless the grantor is satisfied that it is necessary or expedient to do so in the interests of the efficient operation of the designated activities.]

(8) Before making any modifications under paragraph (5) or (7) the grantor shall give notice—

- (a) stating that the grantor proposes to make the modifications and setting out their effect;

and shall consider any representations or objections which are so made and not withdrawn.

(9) A notice under paragraph (8) shall be given—

- (a) by publishing the notice in such manner as the grantor considers appropriate for the purpose of bringing the notice to the attention of persons likely to be affected by the making of the modifications; and
- (b) by sending a copy of the notice to the holder of the licence.

Assignment of licences

12.—(1) A licence shall be capable of being assigned either generally or—

- (a) in the case of a licence under Article 8(1)(a), so far as relating to the whole or any part of^{F18} an authorised area;
- (b) in the case of a licence under Article 8(1)(b), so far as relating to any specified gas storage facility;
- (c) in the case of a licence under Article 8(1)(c), so far as relating to any specified persons or premises,

but only if it includes a condition authorising such assignment.

In this paragraph “specified” means specified in the licence, or of a class or description, or in an area, so specified.

(2) A licence shall not be capable of being assigned except with the consent of the Director.

(3) In deciding whether to give his consent under paragraph (2), the Director shall apply the same criteria as he would apply if—

- (a) in the case of a general assignment, he were deciding whether to grant a corresponding licence to the assignee;
- (b) in the case of any other assignment, he were deciding whether—
 - (i) to grant to the assignee a licence corresponding to so much of the licence as is proposed to be assigned; and
 - (ii) to grant to the assignor a licence corresponding to so much of the licence as is proposed to be retained.

(4) Subject to paragraph (5), a consent under paragraph (2) may be given subject to compliance with—

- (a) such modification or other conditions as the Director considers necessary or expedient for the purpose of protecting the interests of consumers; and
- (b) such incidental or consequential modification conditions as he considers necessary or expedient.

(5) The Director shall give the Department not less than 28 days' notice of any proposal of his to impose a modification condition; and if, before the expiry of the time specified in the notice, the Department directs the Director not to impose the condition, the Director shall comply with the direction.

(6) A licence may include conditions which must be complied with before the licence can be assigned.

(7) An assignment, or purported assignment, of a licence shall be void—

- (a) if the licence is not capable of assignment;

- (b) if the assignment, or purported assignment, is in breach of a condition of the licence; or
 - (c) if there has, before the assignment or purported assignment, been a contravention of a condition subject to compliance with which the consent required by paragraph (2) is given.
- (8) A licence shall not be capable of being assigned under any other provision of this Part.
- (9) In this Article—

“assignment” includes any form of transfer;

13.—(1) Subject to paragraph (2)—

- (a) Schedule 2 (which makes provision with respect to the compulsory acquisition of land); and
- (b) Schedule 3 (which confers other powers in relation to land and makes other provision),

shall, to the extent that his licence so provides, have effect in relation to the holder of a licence under Article 8(1)(a) or (b); and references in those Schedules to a licence holder shall be construed accordingly.

(2) Where any provision of either of the Schedules mentioned in paragraph (1) is applied to a licence holder by his licence, it shall have effect subject to such restrictions, exceptions and conditions as may be included in the licence for the purpose of qualifying that provision as so applied or any power or right conferred by or under it.

Modification of licences

Modification by agreement

14.—(1) Subject to the following provisions of this Article, the Director may—

- (a) modify the conditions of a particular licence; or
- (b) modify the standard conditions of licences under sub-paragraph (a), (b) or (c) of Article 8(1).

(2) Where at any time the Director modifies under paragraph (1)(b) the standard conditions of licences under sub-paragraph (a), (b) or (c) of Article 8(1), he—

- (a) shall also make (as nearly as may be) the same modifications of those conditions for the purposes of their incorporation in licences under that sub-paragraph granted after that time; and
 - (b) may make such incidental or consequential modifications as he considers necessary or expedient of any conditions of licences under that sub-paragraph granted before that time.
- (3) Before making modifications under this Article, the Director shall give notice—
- (a) stating that he proposes to make the modifications and setting out their effect;
 - (b) stating the reasons why he proposes to make the modifications; and

- (c) specifying the time (not being less than 28 days from the date of publication of the notice) within which representations or objections with respect to the proposed modifications may be made,

and shall consider any representations or objections which are duly made and not withdrawn.

(4) A notice under paragraph (3) shall be given—

- (a) by publishing the notice in such manner as the Director considers appropriate for the purpose of bringing the notice to the attention of persons likely to be affected by the making of the modifications; and
- (b) by sending a copy of the notice to the holder of the licence or, as the case may be, the relevant licence holders and to the Department.

(5) If, within the time specified in the notice under paragraph (3), the Department directs the Director not to make any modification, the Director shall comply with the direction.

(6) The Director shall not make any modifications under paragraph (1)(a) unless—

- (a) the holder of the licence has consented to the modifications; and
- (b) in the case of standard conditions of a licence, the Director is of the opinion that the modifications—
- (i) are requisite to meet the circumstances of the particular case; and
- (ii) are such that no other licence holder would be unduly disadvantaged in competing with other licence holders (including the holder of the licence).

[^{F19}(6A) The modification under paragraph (1)(a) of part of a standard condition of a licence shall not prevent any other part of the condition from continuing to be regarded as a standard condition for the purposes of this Part.]

(7) The Director shall not make any modifications under paragraph (1)(b) unless—

- (a) the percentage given by each of paragraphs (8) and (9) is not less than 90 per cent;
- (b) the percentage given by paragraph (8) is not less than 90 per cent and no relevant activities have been carried on by relevant licence holders; or
- (c) paragraph (10) applies.

(8) The percentage given by this paragraph is the fraction given by the following formula expressed as a percentage, namely—

$$\frac{C}{C + N}$$

where—

C = the number of consenting holders;

N = the number of non-consenting holders.

(9) The percentage given by this paragraph is the fraction given by the following formula expressed as a percentage, namely—

$$\frac{C}{C+N}$$

where—

C = the volume of gas to which relevant activities carried on by consenting holders relate;

N = the volume of gas to which relevant activities carried on by non-consenting holders relate, as estimated (in each case) by the Director on the basis of the information available to him.

(10) This paragraph applies where the Director is of the opinion—

- (a) that the effect of the standard conditions is such as to impose a burden affecting relevant licence holders in the carrying on of activities to which the modifications relate;
- (b) that the modifications would remove or reduce the burden without removing any necessary protection; and
- (c) that the modifications are such that no relevant licence holder would be unduly disadvantaged in competing with other relevant licence holders.

(11) Where at any time the Director modifies standard conditions under paragraph (2)(a) for the purposes of their incorporation in licences under sub-paragraph (a), (b) or (c) of Article 8(1) granted after that time, he shall publish the modifications in such manner as he considers appropriate.

(12) In this Article, in relation to modifications of standard conditions under paragraph (1)(b)—“consenting holder” means a relevant licence holder who has consented to the modifications;

“non-consenting holder” means a relevant licence holder who has not so consented;

“relevant activity” means an activity to which the modifications relate and which is carried on in the period of 12 months immediately preceding the making of the modifications;

may recover from the licence holder compensation in respect of the grant.

(2) Where in the exercise of any right conferred by such a wayleave any damage is caused to property, the licence holder shall make good or pay compensation in respect of that damage; and where in consequence of the exercise of such a right a person is disturbed in his enjoyment of any property the licence holder shall pay compensation in respect of that disturbance.

(3) Compensation under this paragraph may be recovered as a lump sum or by periodical payments or partly in one way and partly in the other.

the licence holder shall comply with the notice at the end of that period.

(4) Where—

- (a) within the period mentioned in sub-paragraph (3) the licence holder makes an application for the grant of the necessary wayleave under paragraph 10; and

- (b) to constitute an unacceptable source of danger (whether to children or to other persons);

and in this paragraph “the land” means the land on which the tree is growing.

(2) The licence holder may give notice to the occupier of the land requiring him to fell or lop the tree or cut back its roots so as to prevent it from having the effect mentioned in sub-paragraph (1) (a) or (b), subject to the payment to him by the licence holder of the expenses reasonably incurred by him in complying with the notice.

(3) Where the occupier is not also the owner of the land, a copy of any notice under sub-paragraph (2) shall also be served on the owner.

(5) If, within 21 days from the giving of a notice under sub-paragraph (2), the owner or occupier of the land gives a counter notice to the licence holder objecting to the requirements of the notice, the matter shall, unless the counter notice is withdrawn, be referred to the Department.

(6) On a reference under sub-paragraph (5), the Department after giving the parties an opportunity of being heard by a person appointed by the Department, may make such order as the Department thinks just, and any such order—

(2) A person authorised to enter upon any land under this paragraph shall not demand to do so as of right unless—

- (a) 14 days' notice of the intended entry has been given to the occupier; and
- (b) if required to do so, he has produced evidence of his authority.

(3) The powers conferred by this paragraph shall not be exercisable in relation to—

- (b) land which is covered by a building (other than a dwelling) or will be so covered on the assumption that any planning permission which is in force is acted on except—
 - (i) with consent given by or on behalf of the occupier of the land; or
 - (ii) where the occupier has refused his consent, with the consent of the Department.

(4) The power to survey land conferred by this paragraph includes power to search and both for the purpose of ascertaining the nature of the subsoil; but works may not be carried out on the land for this purpose unless—

- (a) notice of the proposed works is included in the notice given under sub-paragraph (2); and
- (b) where land is held by statutory undertakers who object to the works on the ground that the carrying out of the works would be seriously detrimental to the carrying on of their undertaking, with the consent of the Department.

(5) Where it is proposed to search or bore in pursuance of this paragraph in a street within the meaning of the Street Works (Northern Ireland) Order 1995—

- (a) Article 15 of that Order (notice of starting date of works), so far as it requires notice to be given to a person having apparatus in the street which is likely to be affected by the works,
- (b) Article 29 of that Order (requirements to be complied with where works likely to affect another person's apparatus in the street), and
- (c) Article 42 of that Order (liability for damage or loss caused),

have effect in relation to the searching or boring as if they were street works within the meaning of that Order.

(6) In this paragraph—

“building”, except in the definition of “dwelling”, includes any garden, yard, outhouses and appurtenances belonging to or usually enjoyed with a building;

“dwelling” means a building or part of a building occupied, or (if not occupied) last occupied or intended to be occupied, as a private dwelling;

- (c) for enabling the Department to give such directions as may in accordance with the regulations be determined by it to be appropriate in consequence of any such appeal.

(4) Regulations made under this paragraph may make provision for prohibiting any persons, except with the consent of the relevant authority or in pursuance of any directions given by the Department as mentioned in sub-paragraph (3)(c) from—

 - (ii) the premises are unoccupied;

he may issue a warrant under his hand authorising that duly authorised person to enter the premises.

(2) A warrant granted under this paragraph shall continue in force until—

- (a) the time when the purpose for which the entry is required is satisfied; or

Article 71(3).

TRANSITIONAL AND SAVING PROVISIONS

Interpretation

1.—(1) In this Schedule—

“appointed day”, in any provision, means the day appointed under Article 1(2) for the coming into operation of that provision;

“the 1977 Order” means the Gas (Northern Ireland) Order 1977;

(2) Expressions used in this Schedule which are used in Part II of this Order have the same meaning as in that Part.

2. Except as provided by Articles 42 and 43, this Order does not affect the run-down and closure of any gas undertaking in accordance with an agreement entered into before the appointed day under Article 3 of the Gas (Northern Ireland) Order 1985; and the powers of the Department under Articles 5 and 6 of that Order shall continue to be exercisable in pursuance of such an agreement notwithstanding the repeal of the Order of 1985.

Transitional arrangements for former gas undertakers becoming licence holders under this Order

3.—(1) This paragraph applies to a person who—

- (a) immediately before the appointed day is a gas undertaker; and
- (b) before the end of the period of 3 months beginning with the appointed day, is granted a licence under Article 8.

(3) Where a person to whom this paragraph applies has, before the grant to him of a licence under Article 8, applied to the Department under Article 16 of the 1977 Order for an order vesting land in him, all proceedings under that Schedule in relation to that application may be continued and completed as if this Order had not been made.

(4) Any land compulsorily acquired by a person to whom this paragraph applies under Article 16 of the 1977 Order (whether by virtue of sub-paragraph (3) or otherwise) shall be treated for the purposes of this Order as compulsorily acquired under Part I of Schedule 2.

- (a) confers or imposes on that person any rights or obligations; and
- (b) refers (in whatever terms and whether expressly or by implication) to any provision of the 1977 Order, to that person's status as a gas undertaker or to the statutory purposes of his undertaking,

the instrument shall have effect, in relation to anything falling to be done after the grant of that licence, as if that reference included or, as the case may require, were a reference to any

corresponding provision of this Order, to his status as a licence holder or to purposes connected with the activities authorised by his licence.

(6) Anything which, immediately before the grant to a person to whom this paragraph applies of a licence under Article 8, is in course of being done—

- (a) under the provisions relating to street works in Schedule 1 to the 1977 Order; or
- (b) with a view to, or otherwise in connection with, the granting of a consent under Article 13 of the 1977 Order,

by, to or in relation to that person (including any legal proceedings to which that person is a party) may be continued and completed under the 1977 Order as if this Order had not been made.

(7) Any street works executed by a person to whom this paragraph applies under the 1977 Order (whether by virtue of sub-paragraph (6) or otherwise) shall be treated for the purposes of this Order as executed under Schedule 3 to this Order.
