(a) employees of the employer are employed there,
(b) documents relevant to the administration of the employer’s business are being kept there, or

to be treated for all purposes, or for such purposes as may be prescribed, as if it were a personal pension scheme and not an occupational pension scheme.

(3) This Part applies to a pension scheme managed by or on behalf of the Crown as it applies to other pension schemes; and, accordingly, references in this Part to a person in his capacity as a trustee or manager of, or person prescribed in relation to, a pension scheme include the Crown, or a person acting on behalf of the Crown, in that capacity.

(4) This Part applies to persons employed by or under the Crown in like manner as if such persons were employed by a private person; and references in this Part to a person in his capacity as an employer include the Crown, or a person acting on behalf of the Crown, in that capacity.

(5) Paragraphs (3) and (4) do not apply to any provision of this Part under which a person may be prosecuted for an offence; but
such a provision applies to persons in the public service of the Crown as it applies to other persons.

PART III

PENSIONS: GENERAL

Payments by employers to pension schemes

10. In Part VI of the Pension Schemes Act (further requirements for protection of scheme members), after section 107 there shall be inserted—

(b) direct payment arrangements exist between the employee and his employer.

(2) In this section “direct payment arrangements” means arrangements under which contributions fall to be paid by or on behalf of the employer towards the scheme—

(a) on the employer’s own account (but in respect of the employee); or

(b) on behalf of the employee out of deductions from the employee’s earnings.

(3) The employer must secure that there is prepared, maintained and from time to time revised a record of the direct payment arrangements which complies with subsection (4).

(4) The record must—

(a) show the rates and due dates of contributions payable under the direct payment arrangements, and
(5) The employer must, within the prescribed period after the preparation or any revision of the record, send a copy of the record or (as the case may be) of the revised record to the trustees or managers of the scheme.

(6) Except in prescribed circumstances, the trustees or managers of the scheme must, where any contribution shown by the record to be payable under the direct payment arrangements has not been paid on or before its due date, give notice of that fact, within the prescribed period, to the Regulatory Authority and the employee.

(7) The trustees or managers of the scheme must before the end of prescribed intervals send the employee a statement setting out the amounts and dates of the payments made under the direct payment arrangements during a prescribed period.

(8) If—

(a) the employer fails to take all such steps as are reasonable to secure compliance with subsection (3) or (5), or

(b) a contribution payable under the direct payment arrangements is not paid to the trustees or managers of the scheme on or before its due date,

Article 10 of the Pensions (Northern Ireland) Order 1995 (power of the Regulatory Authority to impose civil penalties) applies to the employer.

(9) If subsection (6) or (7) is not complied with, Article 10 of the Pensions (Northern Ireland) Order 1995 applies to any trustee or manager of the scheme who has failed to take all such steps as are reasonable to secure compliance.

(10) If—

(a) subsection (6) or (7) is not complied with, and
(b) the scheme—

(i) is established under a trust, and

(ii) is or has been registered under Article 4 of the Welfare Reform and Pensions (Northern Ireland) Order 1999 (stakeholder schemes),

Article 3 of the Pensions (Northern Ireland) Order 1995 (power of the Regulatory Authority to remove trustees) applies to any trustee of the scheme who has failed to take all such steps as are reasonable to secure compliance.

(11) A person shall not be required by virtue of subsection (8)(b) to pay a penalty under Article 10 of the Pensions (Northern Ireland) Order 1995 in respect of a failure if in respect of that failure he has been—

(a) required to pay a penalty under that Article by virtue of Article 5(7) of the Welfare Reform and Pensions (Northern Ireland) Order 1999 (failures in respect of stakeholder pensions), or

(b) convicted of an offence under subsection (12).

(12) A person is guilty of an offence if he is knowingly concerned in the fraudulent evasion of the direct payment arrangements so far as they are arrangements for the payment by him or any other person of any such contribution towards the scheme as is mentioned in subsection (2)(b).

(13) A person guilty of an offence under subsection (12) is liable—

(a) on summary conviction, to a fine not exceeding the statutory maximum; and

(b) on conviction on indictment, to imprisonment for a term not exceeding seven years or a fine or both.

(14) No prosecution shall be brought against the Crown for an offence under subsection (12), but that
PART III

subsection applies to persons in the public service of the Crown as to other persons.

(15) In this section “due date”, in relation to a contribution payable under the direct payment arrangements, means—

(a) if the contribution falls to be paid on the employer’s own account, the latest day under the arrangements for paying it;

(b) if the contribution falls to be paid on behalf of the employee, the last day of a prescribed period.

(16) Regulations may provide for this section to apply with such modifications as may be prescribed in a case where—

(a) the direct payment arrangements give effect to a requirement arising under paragraph (5) of Article 5 of the Welfare Reform and Pensions (Northern Ireland) Order 1999 (deduction and payment of employee’s contributions to stakeholder scheme), and

(b) in accordance with regulations under that paragraph, that requirement is for the employer to pay contributions to a person prescribed by such regulations (instead of to the trustees or managers of the scheme).

(17) Nothing in this section shall be taken as varying the provisions of the direct payment arrangements or as affecting their enforceability.

107B.—(1) Any person appearing to the Regulatory Authority to be a person who holds, or is likely to hold, information which is relevant to the issue—

(a) whether any provision made by or under section 107A is being, or has been, complied with by an employer or the trustees or managers of a personal pension scheme,
PART III

(b) whether, in the case of any direct payment arrangements existing between an employee and his employer, there has been such a failure to pay a contribution as is mentioned in subsection (8)(b) of that section, or

(c) whether an offence has been committed under subsection (12) of that section in relation to any such arrangements,

must, if required to do so by the Regulatory Authority by notice in writing, produce any document which is so relevant.

(2) To comply with subsection (1) the document must be produced in such a manner, at such a place and within such a period as may be specified in the notice.

(3) An inspector may, for the purposes of investigating any of the matters set out in subsection (1)(a) to (c), at any reasonable time enter premises liable to inspection and, while there—

(a) may make such examination and inquiry as may be necessary for such purposes,

(b) may require any person on the premises to produce for his inspection, or secure the production for his inspection of, any document relevant—

(i) to compliance with any provision made by or under section 107A, or with the direct payment arrangements, or

(ii) to the issue whether an offence has been committed under subsection (12) of that section in relation to those arrangements, and

(c) may, as to any matter so relevant, examine, or require to be examined, either alone or in the presence of another person, any person on the premises whom he has reasonable cause to believe to be able to give information relevant to that matter.
PART III

(4) An inspector applying for admission to any premises in pursuance of subsection (3) must, if so required, produce his certificate of appointment.

(5) For the purposes of subsection (3) premises are liable to inspection if the inspector has reasonable grounds to believe that—

(a) employees of the employer are employed there,

(b) documents relevant to the administration of—
   (i) the employer’s business,
   (ii) the direct payment arrangements, or
   (iii) the scheme to which those arrangements relate,

   are kept there, or

(c) either of the following is being carried out there, namely—
   (i) the administration of the employer’s business, the arrangements or the scheme,
   or
   (ii) work connected with the administration of the employer’s business, the arrangements or the scheme,

unless the premises are a private dwelling-house not used by, or by permission of, the occupier for the purposes of a trade or business.

(6) Article 98 of the Pensions (Northern Ireland) Order 1995 (warrants) shall have effect as if references to Article 96(1) or 97(1)(b) of that Order included references to subsection (1) or (3)(b).

(7) Articles 99 to 101 of that Order (penalties, savings and reports) shall have effect as if references which are or include references to Article 96 or 97 of that Order included references to this section.

(8) In this section—

“direct payment arrangements” has the same meaning as in section 107A;
“document” includes information recorded in any form, and any reference to production of a document, in relation to information recorded otherwise than in legible form, is to producing a copy of the information in legible form;

“inspector” means a person appointed by the Regulatory Authority as an inspector.

(9) References in this section to, or to any provision of, section 107A include references to corresponding provisions of legislation in Great Britain; and in this section as it has effect in relation to those corresponding provisions, “employee” and “employer” have the same meaning as they have for the purposes of those provisions.”.

(4) Paragraph (5) applies if—

(a) at the time when a bankruptcy order is made against a person a retirement benefits scheme is being considered for approval under Chapter I of Part XIV of the Taxes Act, and

(b) the decision of the Commissioners of Inland Revenue is that approval is not to be given to the scheme.

(a) in good faith, and
(b) without notice of the making of the decision mentioned in paragraph (4)(b) or (as the case may be) the giving of the notice mentioned in paragraph (6),

the trustee in bankruptcy is not in respect of that transaction entitled by virtue of this paragraph to any remedy against them or any person whose title to any property derives from them.

(2) Regulations under this Article may, in particular, make provision—

(i) by an order made on his application by a prescribed court, or

(ii) in accordance with a qualifying agreement made between him and his trustee in bankruptcy;

Excessive pension contributions made by persons who have become bankrupt

15. For Articles 315A to 315C of the Insolvency (Northern Ireland) Order 1989 there shall be substituted—

“Recovery of excessive pension contributions

315A.—(1) Where an individual who is adjudged bankrupt—

(a) has rights under an approved pension arrangement, or

(b) has excluded rights under an unapproved pension arrangement,

the trustee of the bankrupt’s estate may apply to the High Court for an order under this Article.

(2) If the High Court is satisfied—

(a) that the rights under the arrangement are to any extent, and whether directly or indirectly, the fruits of relevant contributions, and

(b) that the making of any of the relevant contributions (“the excessive contributions”) has unfairly prejudiced the individual’s creditors,

the Court may make such order as it thinks fit for restoring the position to what it would have been had the excessive contributions not been made.
(3) Paragraph (4) applies where the High Court is satisfied that the value of the rights under the arrangement is, as a result of rights of the individual under the arrangement or any other pension arrangement having at any time become subject to a debit under Article 26(1)(a) of the Welfare Reform Order (debits giving effect to pension-sharing), less than it would otherwise have been.

(4) Where this paragraph applies—
(a) any relevant contributions which were represented by the rights which became subject to the debit shall, for the purposes of paragraph (2), be taken to be contributions of which the rights under the arrangement are the fruits, and
(b) where the relevant contributions represented by the rights under the arrangement (including those so represented by virtue of sub-paragraph (a)) are not all excessive contributions, relevant contributions which are represented by the rights under the arrangement otherwise than by virtue of sub-paragraph (a) shall be treated as excessive contributions before any which are so represented by virtue of that sub-paragraph.

(5) In paragraphs (2) to (4) “relevant contributions” means contributions to the arrangement or any other pension arrangement—
(a) which the individual has at any time made on his own behalf, or
(b) which have at any time been made on his behalf.

(6) The High Court shall, in determining whether it is satisfied under paragraph (2)(b), consider in particular—
(a) whether any of the contributions were made for the purpose of putting assets beyond the reach of the individual’s creditors or any of them, and
(b) whether the total amount of any contributions—
(i) made by or on behalf of the individual to pension arrangements, and
(ii) represented (whether directly or indirectly) by rights under approved pension arrangements or excluded rights under unapproved pension arrangements, is an amount which is excessive in view of the
THE WELFARE REFORM AND PENSIONS (NI) ORDER 1999

individual’s circumstances when those contributions were made.

(7) For the purposes of this Article and Articles 315B and 315C (“the recovery provisions”), rights of an individual under an unapproved pension arrangement are excluded rights if they are rights which are excluded from his estate by virtue of regulations under Article 13 of the Welfare Reform Order.

(8) In the recovery provisions—
“approved pension arrangement” has the same meaning as in Article 12 of the Welfare Reform Order, “unapproved pension arrangement” has the same meaning as in Article 13 of that Order.

(2) In paragraph (1), references to adjusting the liabilities of the arrangement in respect of a person include (in particular) reducing the amount of any benefit or future benefit to which that person is entitled under the arrangement.

(5) An order under Article 315A which requires the person responsible for an arrangement to pay an amount (“the restoration amount”) to the individual’s trustee in bankruptcy must provide for the liabilities of the arrangement to be correspondingly reduced.

(6) For the purposes of paragraph (5), liabilities are correspondingly reduced if the difference between—

(a) the amount of the liabilities immediately before the reduction, and

(b) the amount of the liabilities immediately after the reduction,

is equal to the restoration amount.

(7) An order under Article 315A in respect of an arrangement—

arrangement and rights as the trustee may reasonably require for, or in connection with, the making of applications under Article 315A.

(2) Nothing in—

(a) any provision of section 155 of the Pension Schemes (Northern Ireland) Act 1993 or Article 89 of the Pensions (Northern Ireland) Order 1995 (which prevent assignment and the making of orders that restrain a person from receiving anything which he is prevented from assigning),

(b) any statutory provision (whether passed or made before or after the making of the Welfare Reform Order) corresponding to any of the provisions mentioned in sub-paragraph (a), or

(c) any provision of the arrangement in question corresponding to any of those provisions,

applies to the High Court exercising its powers under Article 315A.

(3) Where any sum is required by an order under Article 315A to be paid to the trustee in bankruptcy, that sum shall be comprised in the bankrupt’s estate.

(5) The power conferred by paragraph (4) includes power to provide for calculation or verification—

(5) For the purposes of subsection (4), the appropriate percentage is—

(a) if the order or provision on which the pension debit depends specifies the percentage value to be transferred, that percentage;

(b) Article 10 of the Pensions Order (power of the Authority to impose civil penalties) shall apply to any trustee or manager
who has failed to take all such steps as are reasonable to ensure that liability in respect of the credit was discharged before the end of the implementation period for it.

(3) If trustees or managers to whom paragraph (2)(a) applies fail to perform the obligation imposed by that provision, Article 10 of the Pensions Order shall apply to any trustee or manager who has failed to take all reasonable steps to ensure that the obligation was performed.

(4) On the application of the trustees or managers of an occupational pension scheme who are subject to liability in respect of a pension credit, the Authority may extend the implementation period for the credit for the purposes of this Article if it is satisfied that the application is made in such circumstances as the Department may prescribe by regulations.

(5) In this Article “the Authority” means the Occupational Pensions Regulatory Authority.

“Implementation period”

31.—(1) For the purposes of this Chapter, the implementation period for a pension credit is the period of 4 months beginning with (and including) the later of—

(2) Where the person entitled to a pension credit dies before liability in respect of the credit has been discharged—
(a) Schedule 5 shall cease to have effect in relation to the discharge of liability in respect of the credit, and
(b) liability in respect of the credit shall be discharged in accordance with regulations made by the Department.
Safeguarded rights

33. After section 64 of the Pension Schemes Act there shall be inserted—

“PART IIIA
SAFEGUARDED RIGHTS

Safeguarded rights.

64A.—(1) Subject to subsection (2), the safeguarded rights of a member of an occupational pension scheme or a personal pension scheme are such of his rights to future benefits under the scheme as are attributable (directly or indirectly) to a pension credit in respect of which the reference rights are, or include, contracted-out rights or safeguarded rights.

(2) If the rules of an occupational pension scheme or a personal pension scheme so provide, a member’s safeguarded rights are such of his rights falling within subsection (1) as—

(a) in the case of rights directly attributable to a pension credit, represent the safeguarded percentage of the rights acquired by virtue of the credit, and

(b) in the case of rights directly attributable to a transfer payment, represent the safeguarded percentage of the rights acquired by virtue of the payment.

(3) For the purposes of subsection (2)(a), the safeguarded percentage is the percentage of the rights by reference to which the amount of the credit is determined which are contracted-out rights or safeguarded rights.

(4) For the purposes of subsection (2)(b), the safeguarded percentage is the percentage of the rights in respect of which the transfer payment is made which are contracted-out rights or safeguarded rights.
(5) In this section—
“contracted-out rights” means such rights under, or derived from—
(a) an occupational pension scheme contracted-out by virtue of section 5(2) or (3), or
(b) an appropriate personal pension scheme, as may be prescribed;
“reference rights”, in relation to a pension credit, means the rights by reference to which the amount of the credit is determined.

64B. Regulations may prescribe requirements to be met in relation to safeguarded rights by an occupational pension scheme or a personal pension scheme.

64C.—(1) This section applies to—
(a) any occupational pension scheme, other than a public service pension scheme, and
(b) any personal pension scheme.

(2) If any scheme to which this section applies does not comply with a requirement prescribed under section 64B and there are any persons who—
(a) have safeguarded rights under the scheme, or
(b) are entitled to any benefit giving effect to such rights under the scheme,
the Inland Revenue may direct the trustees or managers of the scheme to take or refrain from taking such steps as they may specify in writing for the purpose of safeguarding the rights of persons falling within paragraph (a) or (b).

(3) A direction under subsection (2) shall be final and binding on the trustees or managers to whom the direction is given and any person claiming under them.

(4) An appeal on a point of law shall lie to the High Court from a direction under subsection (2) at
the instance of the trustees or managers, or any person claiming under them.

(5) A direction under subsection (2) shall be enforceable in a county court, as if it were an order of that court.

64D. Regulations may prohibit or restrict the transfer or discharge of any liability under an occupational pension scheme or a personal pension scheme in respect of safeguarded rights except in prescribed circumstances or on prescribed conditions.”.

Requirements relating to pension credit benefit

34. After section 97 of the Pension Schemes Act there shall be inserted—

“PART IVA

REQUIREMENTS RELATING TO PENSION CREDIT BENEFIT

CHAPTER I

PENSION CREDIT BENEFIT UNDER OCCUPATIONAL SCHEMES

97A.—(1) This Chapter applies to any occupational pension scheme whose resources are derived in whole or part from—

(a) payments to which subsection (2) applies made or to be made by one or more employers of earners to whom the scheme applies, or

(b) such other payments by the earner or his employer, or both, as may be prescribed for different categories of scheme.

(2) This subsection applies to payments—

(a) under an actual or contingent legal obligation, or
(b) in the exercise of a power conferred, or the discharge of a duty imposed, on a Minister of the Crown, government department or any other person, being a power or duty which extends to the disbursement or allocation of public money.

Interpretation. 97B. In this Chapter—
“scheme” means an occupational pension scheme to which this Chapter applies;
“pension credit rights” means rights to future benefits under a scheme which are attributable (directly or indirectly) to a pension credit;
“pension credit benefit”, in relation to a scheme, means the benefits payable under the scheme to or in respect of a person by virtue of rights under the scheme attributable (directly or indirectly) to a pension credit;
“normal benefit age”, in relation to a scheme, means the earliest age at which a person who has pension credit rights under the scheme is entitled to receive a pension by virtue of those rights (disregarding any scheme rule making special provision as to early payment of pension on grounds of ill-health or otherwise).

Basic principle as to pension credit benefit. 97C.—(1) Normal benefit age under a scheme must be between 60 and 65.

(2) A scheme must not provide for payment of pension credit benefit in the form of a lump sum at any time before normal benefit age, except in such circumstances as may be prescribed.

Form of pension credit benefit and its alternatives. 97D.—(1) Subject to subsection (2) and section 97E, a person’s pension credit benefit under a scheme must be—

(a) payable directly out of the resources of the scheme, or
PART V

CHAPTER I

(b) assured to him by such means as may be prescribed.

(2) Subject to subsections (3) and (4), a scheme may, instead of providing a person’s pension credit benefit, provide—
(a) for his pension credit rights under the scheme to be transferred to another occupational pension scheme or a personal pension scheme with a view to acquiring rights for him under the rules of the scheme, or
(b) for such alternatives to pension credit benefit as may be prescribed.

(3) The option conferred by subsection (2)(a) is additional to any obligation imposed by Chapter II of this Part.

(4) The alternatives specified in subsection (2)(a) and (b) may only be by way of complete or partial substitute for pension credit benefit—
(a) if the person entitled to the benefit consents, or
(b) in such other cases as may be prescribed.

Discharge of liability where pension credit or alternative benefits secured by insurance policies or annuity contracts.

97E.—(1) A transaction to which section 15 applies discharges the trustees or managers of a scheme from their liability to provide pension credit benefit or any alternative to pension credit benefit for or in respect of a member of the scheme if and to the extent that—
(a) it results in pension credit benefit, or any alternative to pension credit benefit, for or in respect of the member being appropriately secured (within the meaning of that section),
(b) the transaction is entered into with the consent of the member or, if the member has died, of the member’s widow or widower, and
(c) such requirements as may be prescribed are met.
(2) Regulations may provide that subsection (1)(b) shall not apply in prescribed circumstances.

CHAPTER II
TRANSFER VALUES

97F.—(1) An eligible member of a qualifying scheme may by notice in writing require the trustees or managers of the scheme to use an amount equal to the cash equivalent of his pension credit benefit for such one or more of the authorised purposes as he may specify in the notice.

(2) In the case of a member of an occupational pension scheme, the authorised purposes are—

(a) to acquire rights allowed under the rules of an occupational pension scheme, or personal pension scheme, which is an eligible scheme;

(b) to purchase from one or more insurance companies such as are mentioned in section 15(4)(a), chosen by the member and willing to accept payment on account of the member from the trustees or managers, one or more annuities which satisfy the prescribed requirements; and

(c) in such circumstances as may be prescribed, to subscribe to other pension arrangements which satisfy prescribed requirements.

(3) In the case of a member of a personal pension scheme, the authorised purposes are—

(a) to acquire rights allowed under the rules of an occupational pension scheme, or personal pension scheme, which is an eligible scheme; and

(b) in such circumstances as may be prescribed, to subscribe to other pension arrangements which satisfy prescribed requirements.

(4) The cash equivalent for the purposes of subsection (1) shall—

(a) in the case of a salary related occupational pension scheme, be taken to be the amount
shown in the relevant statement under section 97H, and

(b) in any other case, be determined by reference to the date the notice under that subsection is given.

(5) The requirements which may be prescribed under subsection (2) or (3) include, in particular, requirements of the Inland Revenue.

(6) In subsections (2) and (3), references to an eligible scheme are to a scheme—

(a) the trustees or managers of which are able and willing to accept payment in respect of the member’s pension credit rights, and

(b) which satisfies the prescribed requirements.

(7) In this Chapter, “transfer notice” means a notice under subsection (1).

97G.—(1) In the case of a salary related occupational pension scheme, the power to give a transfer notice may only be exercised if—

(a) the member has been provided with a statement under section 97H, and

(b) not more than 3 months have passed since the date by reference to which the amount shown in the statement is determined.

(2) The power to give a transfer notice may not be exercised in the case of an occupational pension scheme if—

(a) there is less than a year to go until the member reaches normal benefit age, or

(b) the pension to which the member is entitled by virtue of his pension credit rights, or benefit in lieu of that pension, or any part of it has become payable.

(3) Where an eligible member of a qualifying scheme—

(a) is entitled to make an application under section 91 to the trustees or managers of the scheme, or
(b) would be entitled to do so, but for the fact that he has not received a statement under section 89A in respect of which the guarantee date is sufficiently recent, he may not, if the scheme so provides, exercise the power to give them a transfer notice unless he also makes an application to them under section 91.

(4) The power to give a transfer notice may not be exercised if a previous transfer notice given by the member to the trustees or managers of the scheme is outstanding.

97H.—(1) The trustees or managers of a qualifying scheme which is a salary related occupational pension scheme shall, on the application of an eligible member, provide him with a written statement of the amount of the cash equivalent of his pension credit benefit under the scheme.

(2) For the purposes of subsection (1), the amount of the cash equivalent shall be determined by reference to a date falling within—

(a) the prescribed period beginning with the date of the application, and

(b) the prescribed period ending with the date on which the statement under that subsection is provided to the applicant.

(3) Regulations may make provision in relation to applications under subsection (1) and may, in particular, restrict the making of successive applications.

(4) If trustees or managers to whom subsection (1) applies fail to perform an obligation under that subsection, Article 10 of the Pensions (Northern Ireland) Order 1995 (power of the Regulatory Authority to impose civil penalties) shall apply to any trustee or manager who has failed to take all such steps as are reasonable to secure that the obligation was performed.
97I. Cash equivalents for the purposes of this Chapter shall be calculated and verified in the prescribed manner.

97J.—(1) Trustees or managers of a qualifying scheme who receive a transfer notice shall comply with the notice—

(a) in the case of an occupational pension scheme, within 6 months of the valuation date or, if earlier, by the date on which the member to whom the notice relates reaches normal benefit age, and

(b) in the case of a personal pension scheme, within 6 months of the date on which they receive the notice.

(2) The Regulatory Authority may, in prescribed circumstances, extend the period for complying with the notice.

(3) If the Regulatory Authority are satisfied—

(a) that there has been a relevant change of circumstances since they granted an extension under subsection (2), or

(b) that they granted an extension under that subsection in ignorance of a material fact or on the basis of a mistake as to a material fact, they may revoke or reduce the extension.

(4) Where the trustees or managers of an occupational pension scheme have failed to comply with a transfer notice before the end of the period for compliance—

(a) they shall, except in prescribed cases, notify the Regulatory Authority of that fact within the prescribed period, and

(b) Article 10 of the Pensions (Northern Ireland) Order 1995 (power of the Regulatory Authority to impose civil penalties) shall apply to any trustee or manager who has failed to take all such steps as are reasonable
PART V
CHAPTER I

(5) If trustees or managers to whom subsection (4)(a) applies fail to perform the obligation imposed by that provision, Article 10 of the Pensions (Northern Ireland) Order 1995 shall apply to any trustee or manager who has failed to take all such steps as are reasonable to ensure that the obligation was performed.

(6) Regulations may—
   (a) make provision in relation to applications under subsection (2), and
   (b) provide that subsection (4) shall not apply in prescribed circumstances.

(7) In this section “valuation date”, in relation to a transfer notice given to the trustees or managers of an occupational pension scheme, means—
   (a) in the case of a salary related scheme, the date by reference to which the amount shown in the relevant statement under section 97H is determined, and
   (b) in the case of any other scheme, the date the notice is given.

Withdrawal of transfer notice.

97K.—(1) Subject to subsections (2) and (3), a person who has given a transfer notice may withdraw it by giving the trustees or managers to whom it was given notice in writing that he no longer requires them to comply with it.

   (2) A transfer notice may not be withdrawn if the trustees or managers have already entered into an agreement with a third party to use the whole or part of the amount they are required to use in accordance with the notice.

   (3) If the giving of a transfer notice depended on the making of an application under section 91, the notice may only be withdrawn if the application is also withdrawn.
THE WELFARE REFORM AND PENSIONS (NI) ORDER 1999

PART V
CHAPTER I

Variation of the amount required to be used.

97L.—(1) Regulations may make provision for the amount required to be used under section 97F(1) to be increased or reduced in prescribed circumstances.

(2) Without prejudice to the generality of subsection (1), the circumstances which may be prescribed include—

(a) failure by the trustees or managers of a qualifying scheme to comply with a notice under section 97F(1) within 6 months of the date by reference to which the amount of the cash equivalent falls to be determined, and

(b) the state of funding of a qualifying scheme.

(3) Regulations under subsection (1) may have the effect of extinguishing an obligation under section 97F(1).

Effect of transfer on trustees’ duties.

97M. Compliance with a transfer notice shall have effect to discharge the trustees or managers of a qualifying scheme from any obligation to provide the pension credit benefit of the eligible member who gave the notice.

Matters to be disregarded in calculations.

97N. In making any calculation for the purposes of this Chapter—

(a) any charge or lien on, and

(b) any set-off against,

the whole or part of a pension shall be disregarded.

Service of notices.

97O. A notice under section 97F(1) or 97K(1) shall be taken to have been given if it is delivered to the trustees or managers personally or sent by post in a registered letter or by recorded delivery service.

Interpretation of Chapter II.

97P.—(1) In this Chapter—

“eligible member”, in relation to a qualifying scheme, means a member who has pension credit rights under the scheme;

“normal benefit age”, in relation to an eligible member of a qualifying scheme, means the earliest age at which the member is entitled to

“pension credit benefit”, in relation to an eligible member of a qualifying scheme, means the benefits payable under the scheme to or in respect of the member by virtue of rights under the scheme attributable (directly or indirectly) to a pension credit;

“pension credit rights”, in relation to a qualifying scheme, means rights to future benefits under the scheme which are attributable (directly or indirectly) to a pension credit;

(a) it is not a money purchase scheme, and

(b) it does not fall within a prescribed class.

(3) In this Chapter, references to the relevant statement under section 97H, in relation to a transfer notice given to the trustees or managers of a salary related occupational pension scheme, are to the statement under that section on which the giving of the notice depended.

(4) For the purposes of this section, an occupational pension scheme is funded if it meets its liabilities out of a fund accumulated for the purpose during the life of the scheme.
(b) where some of the benefits that may be provided are money purchase benefits.”

Treatment in winding up

35.—(1) In Article 73 of the Pensions Order (treatment of rights on winding up of an occupational pension scheme to which Article 56 of that Order (minimum funding requirement) applies), in paragraph (3) (classification of liabilities), in sub-paragraph (c) (accrued rights), at the end of head (i) there shall be inserted—

“(ia) future pensions, or other future benefits, attributable (directly or indirectly) to pension credits (but excluding increases to pensions),”.

(2) In the case of an occupational pension scheme which is not a scheme to which Article 56 of the Pensions Order applies, rights attributable (directly or indirectly) to a pension credit are to be accorded in a winding up the same treatment—

(a) if they have come into payment, as the rights of a pensioner member, and

(b) if they have not come into payment, as the rights of a deferred member.

(3) Paragraph (2) overrides the provisions of a scheme to the extent that it conflicts with them, and the scheme has effect with such modifications as may be required in consequence.

(4) In paragraph (2)—

(a) “deferred member” and “pensioner member” have the same meanings as in Part II of the Pensions Order;

(b) “pension credit” includes a credit under section 29(1)(b) of the Welfare Reform Act;

(c) references to rights attributable to a pension credit having come into payment are to the person to whom the rights belong having become entitled by virtue of the rights to the present payment of pension or other benefits.

(2) This paragraph applies to—

(a) a pension provided to give effect to eligible pension credit rights of a member under a qualifying occupational pension scheme, and

(3) The regulations may amend (or further amend) any prescribed provision of Part II of the Contributions and Benefits Act falling within paragraph (2) by substituting for any reference to the year 2000 (or any year previously substituted by virtue of this paragraph) a reference to such later year as may be prescribed.

(4) The regulations may make provision for and in connection with—

(a) the establishment, for a prescribed period, of a scheme for dealing with claims made by persons on the grounds that, in reliance on any incorrect or incomplete information provided by a government department with respect to the SERPS reduction (however that information came to their knowledge), they—

(i) failed to take any, or any particular, relevant steps which they would have taken, or
(ii) took any steps which they would not have taken, had they instead received correct and complete information with respect to that reduction; and

(b) securing that, where persons have made successful claims under the scheme, surviving spouses of those persons (or, as the case may be, those persons themselves) will not be affected by the SERPS reduction.

(5) In paragraph (4) “relevant steps”, in relation to a person, means steps towards safeguarding the financial position of that person’s spouse in the event of the spouse becoming that person’s surviving spouse or (as the case may be) towards safeguarding that person’s own financial position in the event of that person becoming a surviving spouse (whether or not, in either case, that person was at any material time already married); and “the SERPS reduction” means—

determining whether a person does or does not have good
cause for any failure to comply with any such
requirement, or
(ii) circumstances in which a person is or is not to be
regarded as having or not having good cause for any such
failure;
(e) prescribing the conditions which must be satisfied in relation
to any claim in order for it to be a successful claim under the
scheme;
(f) with respect to—
   (i) the manner in which decisions under the scheme are to be
made (which may include authorising decisions of any
prescribed description to be made by a computer), and
(ii) the time within which, and the manner in which, such
decisions are to be notified to claimants;

claims under the scheme, or
   (ii) persons who have themselves made such claims,
with such modifications as may be prescribed.

(7) If no regulations under this Article are in operation on 6th
April 2000, then until such time as any such regulations come into
operation—
   (a) any provisions of Part II of the Contributions and Benefits
Act which (whether alone or together with other provisions)
would otherwise result in a reduction of one-half in the
amount payable by way of additional pension in cases where a
person’s spouse dies after 5th April 2000 shall be taken—
   (i) as not applying, or
(ii) as providing for the full amount to be payable by way of additional pension, as the case may require; and

(b) in Schedule 5 to that Act—

(i) any provision which is expressed to apply in relation to deaths occurring after that date shall not apply, and

(ii) any provision which (with or without any other limitation) is expressed to apply in relation to deaths occurring before 6th April 2000 shall be taken as applying also in relation to deaths occurring on or after that date.

(8) Regulations made under this Article shall be laid before the Assembly after being made and shall take effect on such date as may be specified in the regulations, but shall (without prejudice to the validity of anything done thereunder or to the making of new regulations) cease to have effect upon the expiration of a period of six months from that date unless at some time before the expiration of that period the regulations have been approved by a resolution of the Assembly.

OTHER CONSEQUENTIAL AMENDMENTS

Insolvency (Northern Ireland) Order 1989 (NI 19)

53. The Insolvency (Northern Ireland) Order 1989 is amended as follows.

54. After Article 315C there is inserted—

“Recovery of excessive contributions in pension-sharing cases

315D.—(1) For the purposes of Articles 312, 314 and 315, a pension-sharing transaction shall be taken—

(a) to be a transaction, entered into by the transferor with the transferee, by which the appropriate amount is transferred by the transferor to the transferee; and

(b) to be capable of being a transaction entered into at an undervalue only so far as it is a transfer of so much of the appropriate amount as is recoverable.

(2) For the purposes of Articles 313 to 315, a pension-sharing transaction shall be taken—

(a) to be something (namely a transfer of the appropriate amount to the transferee) done by the transferor; and
THE WELFARE REFORM AND PENSIONS (NI) ORDER 1999

(b) to be capable of being a preference given to the transferee only so far as it is a transfer of so much of the appropriate amount as is recoverable.

(3) If on an application under Article 312 or 313 any question arises as to whether, or the extent to which, the appropriate amount in the case of a pension-sharing transaction is recoverable, the question shall be determined in accordance with paragraphs (4) to (8).

(4) The High Court shall first determine the extent (if any) to which the transferor’s rights under the shared arrangement at the time of the transaction appear to have been (whether directly or indirectly) the fruits of contributions (“personal contributions”)—

(a) which the transferor has at any time made on his own behalf, or

(b) which have at any time been made on the transferor’s behalf, to the shared arrangement or any other pension arrangement.

(5) Where it appears that those rights were to any extent the fruits of personal contributions, the High Court shall then determine the extent (if any) to which those rights appear to have been the fruits of personal contributions whose making has unfairly prejudiced the transferor’s creditors (“the unfair contributions”).

(6) If it appears to the High Court that the extent to which those rights were the fruits of the unfair contributions is such that the transfer of the appropriate amount could have been made out of rights under the shared arrangement which were not the fruits of the unfair contributions, then the appropriate amount is not recoverable.

(7) If it appears to the High Court that the transfer could not have been wholly so made, then the appropriate amount is recoverable to the extent to which it appears to the Court that the transfer could not have been so made.

(8) In making the determination mentioned in paragraph (5) the High Court shall consider in particular—

(a) whether any of the personal contributions were made for the purpose of putting assets beyond the reach of the transferor’s creditors or any of them, and

(b) whether the total amount of any personal contributions represented, at the time the pension-sharing transaction was made, by rights under pension arrangements is an amount which is excessive in view of the transferor’s circumstances when those contributions were made.

(9) In this Article and Articles 315E and 315F—

“appropriate amount”, in relation to a pension-sharing transaction, means the appropriate amount in relation to that transaction for
SCH. 9

the purposes of Article 26(1) of the Welfare Reform Order (creation of pension credits and debits);
“pension-sharing transaction” means an order or provision falling within Article 25(1) of the Welfare Reform Order (orders and agreements which activate pension-sharing);
“shared arrangement”, in relation to a pension-sharing transaction, means the pension arrangement to which the transaction relates;
“transferee”, in relation to a pension-sharing transaction, means the person for whose benefit the transaction is made;
“transferor”, in relation to a pension-sharing transaction, means the person to whose rights the transaction relates;

Orders under Article 312 or 313 in respect of pension-sharing transactions

315E.—(1) This Article and Article 315F apply if the High Court is making an order under Article 312 or 313 in a case where—
(a) the transaction or preference is, or is any part of, a pension-sharing transaction, and
(b) the transferee has rights under a pension arrangement (“the destination arrangement”, which may be the shared arrangement or any other pension arrangement) that are derived, directly or indirectly, from the pension-sharing transaction.

(2) Without prejudice to the generality of Article 312(2) or 313(2), or of Article 315, the order may include provision—
(a) requiring the person responsible for the destination arrangement to pay an amount to the transferor’s trustee in bankruptcy,
(b) adjusting the liabilities of the destination arrangement in respect of the transferee,
(c) adjusting any liabilities of the destination arrangement in respect of any other person that derive, directly or indirectly, from rights of the transferee under the destination arrangement,
(d) for the recovery by the person responsible for the destination arrangement (whether by deduction from any amount which that person is ordered to pay or otherwise) of costs incurred by that person in complying in the transferor’s case with any requirement under Article 315F(1) or in giving effect to the order,
(e) for the recovery, from the transferor’s trustee in bankruptcy, by the person responsible for a pension arrangement, of costs incurred by that person in complying in the transferor’s case with any requirement under Article 315F(2) or (3).
(3) In paragraph (2), references to adjusting the liabilities of the destination arrangement in respect of a person include (in particular) reducing the amount of any benefit or future benefit to which that person is entitled under the arrangement.

(4) The maximum amount which the person responsible for the destination arrangement may be required to pay by the order is the smallest of—

(a) so much of the appropriate amount as, in accordance with Article 315D is recoverable,

(b) so much (if any) of the amount of the unfair contributions (within the meaning given by Article 315D(5)) as is not recoverable by way of an order under Article 315A containing provision such as is mentioned in Article 315B(1)(a), and

(c) the value of the transferee’s rights under the destination arrangement so far as they are derived, directly or indirectly, from the pension-sharing transaction.

(5) If the order requires the person responsible for the destination arrangement to pay an amount (“the restoration amount”) to the transferor’s trustee in bankruptcy it must provide for the liabilities of the arrangement to be correspondingly reduced.

(6) For the purposes of paragraph (5), liabilities are correspondingly reduced if the difference between—

(a) the amount of the liabilities immediately before the reduction, and

(b) the amount of the liabilities immediately after the reduction, is equal to the restoration amount.

(7) The order—

(a) shall be binding on the person responsible for the destination arrangement, and

(b) overrides provisions of the destination arrangement to the extent that they conflict with the provisions of the order.

Orders under Article 312 or 313 in pension-sharing cases: supplementary

315F.—(1) On the transferor’s trustee in bankruptcy making a written request to the person responsible for the destination arrangement, that person shall provide the trustee with such information about—

(a) the arrangement,

(b) the transferee’s rights under it, and

(c) where the destination arrangement is the shared arrangement, the transferor’s rights under it,
as the trustee may reasonably require for, or in connection with, the making of applications under Articles 312 and 313.
(2) Where the shared arrangement is not the destination arrangement, the person responsible for the shared arrangement shall, on the transferor’s trustee in bankruptcy making a written request to that person, provide the trustee with such information about—
(a) the arrangement, and
(b) the transferor’s rights under it,
as the trustee may reasonably require for, or in connection with, the making of applications under Articles 312 and 313.

(3) On the transferor’s trustee in bankruptcy making a written request to the person responsible for any intermediate arrangement, that person shall provide the trustee with such information about—
(a) the arrangement, and
(b) the transferee’s rights under it,
as the trustee may reasonably require for, or in connection with, the making of applications under Articles 312 and 313.

(4) In paragraph (3) “intermediate arrangement” means a pension arrangement, other than the shared arrangement or the destination arrangement, in relation to which the following conditions are fulfilled—
(a) there was a time when the transferee had rights under the arrangement that were derived (directly or indirectly) from the pension-sharing transaction, and
(b) the transferee’s rights under the destination arrangement (so far as derived from the pension-sharing transaction) are to any extent derived (directly or indirectly) from the rights mentioned in sub-paragraph (a).

(5) Nothing in—
(a) any provision of section 155 of the Pension Schemes (Northern Ireland) Act 1993 or Article 89 of the Pensions (Northern Ireland) Order 1995 (which prevent assignment and the making of orders which restrain a person from receiving anything which he is prevented from assigning),
(b) any statutory provision (whether passed or made before or after the making of the Welfare Reform Order) corresponding to any of the provisions mentioned in sub-paragraph (a), or
(c) any provision of the destination arrangement corresponding to any of those provisions,
applies to the High Court exercising its powers under Article 312 or 313.

(6) Regulations may, for the purposes of Articles 312 to 315, Articles 315D and 315E and this Article, make provision about the calculation
and verification of—

(a) any such value as is mentioned in Article 315E(4)(c);
(b) any such amounts as are mentioned in Article 315E(6)(a) and (b).

(7) The power conferred by paragraph (6) includes power to provide for calculation or verification—

(a) in such manner as may, in the particular case, be approved by a prescribed person; or
(b) in accordance with guidance—

(i) from time to time prepared by a prescribed person, and
(ii) approved by the Department.

(8) In Article 315E and this Article, references to the person responsible for a pension arrangement are to—

(a) the trustees, managers or provider of the arrangement, or
(b) the person having functions in relation to the arrangement corresponding to those of a trustee, manager or provider.

(9) In this Article—

“the Department” means the Department of Health and Social Services;
“prescribed” means prescribed by regulations;
“regulations” means regulations made by the Department.
