PART III

APPOINTMENT AND REGULATION OF UNDERTAKERS

CHAPTER I

APPOINTMENTS

Making of appointments

Appointment of relevant undertakers

13.—(1) Subject to the following provisions of this Chapter, a company may be appointed—

- (a) by the Department; or
- (b) with the consent of or in accordance with a general authorisation given by the Department, by the Authority,

to be the water undertaker or sewerage undertaker for any area.

(2) Without prejudice to the obligation of a company holding an appointment under this Chapter to comply with the conditions of its appointment, the appointment of a company to be the water undertaker or sewerage undertaker for any area shall have the effect, while the appointment remains in force—

- (a) of requiring the company to perform any duty imposed by or under any statutory provision on an undertaker of the relevant description (that is to say, a water undertaker or, as the case may be, sewerage undertaker);
- (b) of authorising the company, for the purposes of, or in connection with, the carrying out of any of the functions of an undertaker of the relevant description, to exercise any power conferred by or under any statutory provision on an undertaker of that description;
- (c) of requiring statutory provisions authorising or requiring anything to be done in relation to an undertaker of the relevant description to be construed as authorising or requiring that thing to be done in relation to that company; and
- (d) of requiring other references in any statutory provision to an undertaker of the relevant description, or to the area of that undertaker, to be construed, so far as necessary for the purposes of, or in connection with, the carrying out by that company of the functions of an undertaker of that description, as references to that company or, as the case may be, to that area.

(3) The appointment of a company to be a relevant undertaker shall be by service on the company of an instrument in writing containing the appointment and describing the area for which it is made.

(4) A single instrument may contain the appointment of a company to be the sewerage undertaker for an area and the appointment of the same company to be the water undertaker for the whole or any part of that area or for an area which includes the whole or any part of that area.

(5) A company shall not be appointed to be a water undertaker or a sewerage undertaker unless it is a limited company.

(6) As soon as practicable after making an appointment under this Chapter, the Department shall send a copy of the appointment to the Authority.

Continuity of appointments, replacement appointments, etc.

14.—(1) It shall be the duty of the Department to secure that such appointments are made under this Chapter as will ensure that for every area of Northern Ireland there is at all times both—

- (a) a company holding an appointment under this Chapter as water undertaker; and
- (b) whether or not the same company in relation to the whole or any part of that area, a company holding an appointment as sewerage undertaker.

(2) Subject to the following provisions of this Article—

- (a) the Department; and
- (b) with the consent of or in accordance with a general authorisation given by the Department, the Authority,

shall have power, by notice to a company holding an appointment under this Chapter, to terminate the appointment or to vary the area to which it relates.

(3) The appointment of a company to be a water undertaker or sewerage undertaker shall not be terminated or otherwise cease to relate to or to any part of any area except with effect from the coming into force of such appointments and variations replacing that company as a relevant undertaker as secure either—

- (a) that another company becomes the water undertaker or, as the case may be, sewerage undertaker for that area or part or for an area that includes that area or part; or
- (b) that two or more companies each become the water undertaker or, as the case may be, sewerage undertaker for one of a number of different areas that together constitute or include that area or part.

(4) An appointment or variation replacing a company as a relevant undertaker shall not be made in relation to the whole or any part of the area to which that company's appointment as water undertaker or, as the case may be, sewerage undertaker relates except where—

- (a) that company consents to the appointment or variation;
- (b) the appointment or variation relates only to parts of that area none of the premises in which is served by that company;
- (c) the appointment or variation relates only to parts of that area and the conditions mentioned in paragraph (5) are satisfied in relation to each of the premises in those parts which are served by that company; or
- (d) the appointment or variation is made in such circumstances as may be set out for the purposes of this paragraph in the conditions of that company's appointment.

(5) The conditions are that—

- (a) the premises are, or are likely to be, supplied with not less than 100 megalitres of water in any period of 12 months; and
- (b) the person who is the customer in relation to the premises consents in writing to the appointment or variation.

(6) The Department may, after consulting the Authority, make regulations amending paragraph (5)(a) by substituting, for the quantity of water for the time being specified there, such smaller quantity as the Department considers appropriate.

Procedure with respect to appointments and variations

15.—(1) An application for an appointment or variation replacing a company as a relevant undertaker shall be made in such manner as may be prescribed.

(2) Within 14 days after making an application under this Article, the applicant shall—

- (a) serve notice of the application on the existing appointee and DOE; and
- (b) publish a copy of the notice in such manner as may be prescribed.

(3) Before making an appointment or variation replacing a company as a relevant undertaker, the Department or the Authority shall give notice—

- (a) stating that it proposes to make the appointment or variation;
- (b) stating the reasons why it proposes to make the appointment or variation; and
- (c) specifying the period (not being less than 28 days from the date of publication of the notice) within which representations or objections with respect to the proposed appointment or variation may be made.

(4) A notice under paragraph (3) shall be given—

- (a) by publishing the notice in such manner as the Department or, as the case may be, the Authority considers appropriate for bringing it to the attention of persons likely to be affected by the making of the proposed appointment or variation; and
- (b) by serving a copy of the notice on the existing appointee and DOE.

(5) As soon as practicable after making an appointment or variation replacing a company as a relevant undertaker, the Department or the Authority shall—

- (a) serve a copy of the appointment or variation on the existing appointee; and
- (b) serve notice of the making of the appointment or variation on DOE.

(6) As soon as practicable after exercising any power to vary the area to which an appointment under this Chapter relates, the Department shall send a copy of the variation to the Authority.

(7) In this Article “the existing appointee”, in relation to an appointment or variation replacing a company as a relevant undertaker, means the company which is replaced in relation to the whole or any part of the area to which the appointment or variation relates or, where there is more than one such company, each of them.

(8) The Department may by regulations impose such additional procedural requirements as it considers appropriate for any case where the conditions mentioned in Article 14(5) are required to be satisfied in relation to an application for an appointment or variation replacing a company as a relevant undertaker.

Duties affecting making of appointments and variations

16.—(1) Before making an appointment or variation replacing a company as a relevant undertaker, the Department or the Authority shall consider any representations or objections which have been duly made in pursuance of the notice under Article 15(3) and have not been withdrawn.

(2) Before making an appointment or variation replacing a company as a relevant undertaker, the Department shall consult the Authority.

(3) In determining whether to make an appointment or variation by virtue of Article 14(4)(b) or (c) in relation to any part of an area, the Department or, as the case may be, the Authority shall have

regard, in particular, to any arrangements made or expenditure incurred by the existing appointee for the purpose of enabling premises in that part of that area to be served by that appointee.

(4) It shall be the duty of the Department or, as the case may be, of the Authority—

- (a) in making an appointment or variation replacing a company as a relevant undertaker; and
- (b) where it makes such an appointment or variation, in determining what provision is to be made with respect to the fixing by the new appointee of any water or sewerage charges,

to ensure, so far as may be consistent with its duties under Part II, that the interests of the members and creditors of the existing appointee are not unfairly prejudiced as respects the terms on which the new appointee could accept transfers of property, rights and liabilities from the existing appointee.

(5) In this Article—

“existing appointee”, in relation to an appointment or variation replacing a company as a relevant undertaker in relation to any area or part of an area, means the company which is replaced by that appointment or variation;

“new appointee”, in relation to such an appointment or variation, means the company which by virtue of the appointment or variation becomes a relevant undertaker for the area or part of an area in question;

“water or sewerage charges” means—

- (a) charges in respect of any services provided in the course of the carrying out of the functions of a water undertaker or sewerage undertaker; or
- (b) amounts of any other description which such an undertaker is authorised by or under any statutory provision to require any person to pay.

Transitional provision with respect to replacement appointments

17.—(1) Schedule 1 shall have effect for enabling provision to be made with respect to cases in which a company is replaced by another as a relevant undertaker by an appointment or variation under this Chapter.

(2) Paragraphs (3) and (4) apply where, by such an appointment or variation, one company (“the new undertaker”) is to replace another company as a relevant undertaker, but the appointment or variation has not come into force.

(3) Such provisions of this Order as the Department may prescribe shall apply (with any prescribed modifications) in relation to the new undertaker as if the appointment or variation had come into force.

(4) Such of the conditions imposed on the new undertaker under Article 18 as the Authority may specify in a notice given by it to the undertaker shall have effect, in relation to the operation of any provision prescribed under paragraph (3) before the appointment or variation comes into force, as if the appointment or variation had come into force.

Conditions of appointment

Power to impose conditions

18.—(1) An appointment under this Chapter may include—

- (a) such conditions as appear to the Department or, as the case may be, the Authority to be requisite or expedient having regard to the duties imposed on it by Part II;
- (b) conditions for the purposes of Article 14(4)(d); and

- (c) conditions requiring the rendering to the Department or, as the case may be, the Authority of a payment on the making of an appointment, or payments while such an appointment is in force, or both, of such amount or amounts as may be determined by or under the conditions.

(2) Conditions may be included by virtue of paragraph (1)(a) in an appointment under this Chapter whether or not they are connected with the supply of water, the provision of sewerage services or the carrying out of the functions under any statutory provision of water undertakers or sewerage undertakers.

(3) Conditions included in an appointment under this Chapter may contain provision for the conditions to cease to have effect or be modified at such times, in such manner and in such circumstances as may be specified in or determined by or under the conditions.

(4) Any provision included by virtue of paragraph (3) in an appointment under this Chapter shall have effect in addition to the provision made by this Chapter with respect to the modification of the conditions of an appointment.

(5) For the purposes of this Order where the same instrument contains an appointment of the same company to be both a water undertaker and a sewerage undertaker (whether or not for the same area), all the conditions included in that instrument by virtue of this Article shall have effect, irrespective of their subject-matter, as conditions of both appointments.

(6) Where an instrument of appointment has been served under paragraph (3) of Article 13 on any company, the coming into force of the appointment for the purposes specified in paragraph (2) of that Article shall not be affected by any contravention of the requirements of this Order with respect to the provision contained by way of conditions of appointment in that instrument.

(7) If the Department considers it appropriate to do so in consequence of any legal proceedings with respect to any such provision as is mentioned in paragraph (6), it may by order direct that such conditions as may be specified in the order are to be treated as included in the appointment in question until there is an opportunity for the provision to which the proceedings relate to be replaced by virtue of any of the other provisions of this Chapter.

(8) Any sums received by the Department or the Authority in consequence of the provisions of any condition of an appointment under this Chapter shall be paid into the Consolidated Fund.

Determinations under conditions of appointment

19.—(1) Without prejudice to the generality of sub-paragraph (a) of Article 18(1), conditions included in an appointment by virtue of that sub-paragraph may—

- (a) require the appointed company to comply with any direction given by the Authority as to such matters as are specified in the appointment or are of a description so specified; and
- (b) require the appointed company, except in so far as the Authority consents to the company's doing or not doing them, not to do or to do such things as are specified in the appointment or are of a description so specified.

(2) Without prejudice as aforesaid, such conditions may provide for the reference to and determination by—

- (a) the Department or the Authority; or
- (b) on a reference by the Authority, the Competition Commission,

of such questions arising under the appointment and of such other matters, including (in the case of references to the Commission) disputes as to determinations by the Authority, as are specified in the appointment or are of a description so specified.

(3) Where any question or other matter falls to be determined by the Competition Commission in pursuance of a provision contained in an appointment under this Chapter—

- (a) it shall be the duty of the Authority, on being required to do so by the company holding that appointment, to refer that question or matter to that Commission; and
 - (b) it shall be the duty of that Commission to determine any question or other matter referred by virtue of sub-paragraph (a) in accordance with the principles which apply, by virtue of Part II, in relation to determinations under this Chapter by the Authority.
- (4) For the purposes of paragraph (3), where—
- (a) the question or matter referred to the Competition Commission concerns the review of a price control imposed on the company holding the appointment; and
 - (b) the Commission is to decide to what extent it is reasonable to take into account in its determination costs incurred or borne by the company in connection with the reference,
- the Commission shall also have regard to the extent to which, in its view, its determination is likely to support the company's (rather than the Authority's) claims in relation to the question or matter referred to it.
- (5) Paragraphs (4) and (5) of Article 21, and Articles 26 and 27 apply to references to the Competition Commission under this Article as they apply to references under Article 21.
- (6) A report of the Competition Commission on a reference under this Article—
- (a) shall be made to the Authority; and
 - (b) shall include definite conclusions on the questions or other matters comprised in the reference, together with such an account of its reasons for those conclusions as, in the opinion of the Commission, is expedient for facilitating a proper understanding of those questions or other matters and of its conclusions,

and paragraphs (10) and (11) of Article 24 apply to such a report as they apply to a report on a reference under Article 21.

Modification of appointment conditions

Modification by agreement

20.—(1) Subject to the following provisions of this Article, the Authority may modify the conditions of a company's appointment under this Chapter if the company consents to the modifications.

- (2) Before making modifications under this Article, the Authority shall give notice—
- (a) stating that it proposes to make the modifications and setting out their effect;
 - (b) stating the reasons why it proposes to make the modifications; and
 - (c) specifying the period (not being less than 28 days from the date of publication of the notice) within which representations or objections with respect to the proposed modifications may be made,

and shall consider any representations or objections which are duly made and not withdrawn.

- (3) A notice under paragraph (2) shall be given—
- (a) by publishing the notice in such manner as the Authority considers appropriate for the purpose of bringing the notice to the attention of persons likely to be affected by the making of the modifications; and
 - (b) by serving a copy of the notice on the company and on the Department.

(4) The Authority shall not under this Article make any modifications which the Department has, within the time specified in the notice under paragraph (2), directed the Authority not to make.

(5) The Department shall not give a direction under paragraph (4) in relation to any modification unless—

- (a) the modification is a modification of provision contained in the appointment for the purposes of Article 14(4)(d);
- (b) the modification is a modification of a provision of the appointment which relates to the disposal of a company's protected land and is stated in the appointment to be a provision which cannot be modified; or
- (c) it appears to the Department that the modification should be made, if at all, under Article 25.

Modification references to Competition Commission

21.—(1) The Authority may make to the Competition Commission a reference which is so framed as to require the Commission to investigate and report on the questions—

- (a) whether any matters which—
 - (i) relate to the carrying out of any function which is a function of any company by virtue of an appointment of that company under this Chapter; and
 - (ii) are specified in the reference, operate, or may be expected to operate, against the public interest; and
- (b) if so, whether the effects adverse to the public interest which those matters have or may be expected to have could be remedied or prevented by modifications of the conditions of the company's appointment.

(2) The Authority may, at any time, by notice given to the Competition Commission vary a reference under this Article by—

- (a) adding to the matters specified in the reference; or
- (b) excluding from the reference some or all of the matters so specified;

and on receipt of any such notice the Commission shall give effect to the variation.

(3) The Authority may specify in a reference under this Article, or a variation of such a reference, for the purpose of assisting the Competition Commission in carrying out the investigation on the reference—

- (a) any effects adverse to the public interest which, in its opinion, the matters specified in the reference or variation have or may be expected to have; and
- (b) any modifications of the conditions of any appointment mentioned in the reference or variation by which, in its opinion, those effects could be remedied or prevented.

(4) As soon as practicable after making a reference under this Article or a variation of such a reference, the Authority shall—

- (a) serve a copy of the reference or variation on the company whose appointment is mentioned in the reference or variation; and
- (b) publish particulars of the reference or variation in such manner as it considers appropriate for the purpose of bringing the reference or variation to the attention of persons likely to be affected by it.

(5) It shall be the duty of the Authority, for the purpose of assisting the Competition Commission in carrying out an investigation on a reference under this Article or in carrying out functions under Article 26, to give to the Commission—

- (a) any information in the Authority's possession which relates to matters falling within the scope of the investigation or the carrying out of those functions, and which is either—

- (i) requested by the Commission for that purpose; or
 - (ii) information which, in the Authority's opinion, it would be appropriate for that purpose to give to the Commission without any such request; and
- (b) any other assistance which the Commission may require, and which it is within the Authority's power to give, in relation to any such matters;

and the Commission, for the purpose of carrying out any such investigation or such functions, shall take account of any information given to them for that purpose under this paragraph.

(6) In determining for the purposes of this Article whether any particular matter operates, or may be expected to operate, against the public interest, the Competition Commission shall have regard to the matters as respects which duties are imposed on the Department and the Authority by Part II.

References under Article 21: time limits

22.—(1) Every reference under Article 21 shall specify a period (not longer than 6 months beginning with the date of the reference) within which a report on the reference is to be made.

(2) A report of the Competition Commission on a reference under Article 21 shall not have effect (and no action shall be taken in relation to it under Article 25) unless the report is made before the end of the period specified in the reference or such further period (if any) as may be allowed by the Authority under paragraph (3).

(3) The Authority may, if it has received representations on the subject from the Competition Commission and is satisfied that there are special reasons why the report cannot be made within the period specified in the reference, extend that period by no more than 6 months.

(4) No more than one extension is possible under paragraph (3) in relation to the same reference.

(5) The Authority shall, in the case of an extension made by it under paragraph (3)—

- (a) publish that extension in such manner as the Authority considers appropriate for the purpose of bringing it to the attention of persons likely to be affected by it; and
- (b) send a copy of what has been published by the Authority under sub-paragraph (a) to the company whose appointment is mentioned in the reference.

(4) Provisions of Part 3 of the Enterprise Act which have effect for the purposes of sections 109 to 116 of that Act (including, in particular, provisions relating to offences and the making of orders) shall, for the purposes of the application of those sections by virtue of paragraph (1), have effect in relation to those sections as applied by virtue of that paragraph.

(5) Accordingly, corresponding provisions of this Order shall not have effect in relation to those sections as applied by virtue of that paragraph.

Reports on modification references

- 24.**—(1) In making a report on a reference under Article 21, the Competition Commission—
- (a) shall include in the report definite conclusions on the questions comprised in the reference together with such an account of its reasons for those conclusions as, in its opinion, is expedient for facilitating a proper understanding of those questions and of its conclusions;
 - (b) where it concludes that any of the matters specified in the reference operate, or may be expected to operate, against the public interest, shall specify in the report the effects adverse to the public interest which those matters have or may be expected to have; and

(2) For the purposes of Article 25, a conclusion contained in a report of the Competition Commission is to be disregarded if the conclusion is not that of at least two-thirds of the members of the group constituted in connection with the reference concerned in pursuance of paragraph 15 of Schedule 7 to the Competition Act 1998 (c. 41).

(3) If a member of a group so constituted disagrees with any conclusions contained in a report made on a reference under Article 21 as the conclusions of the Competition Commission, the report shall, if the member so wishes, include a statement of his disagreement and of his reasons for disagreeing.

(4) For the purposes of the law relating to defamation, absolute privilege attaches to any report made by the Competition Commission on a reference under Article 21.

(5) In making any report on a reference under Article 21 the Competition Commission must have regard to the following considerations before disclosing any information.

(6) The first consideration is the need to exclude from disclosure (so far as practicable) any information whose disclosure the Commission thinks is contrary to the public interest.

- (7) The second consideration is the need to exclude from disclosure (so far as practicable)—
- (a) commercial information whose disclosure the Commission thinks might significantly harm the legitimate business interests of the undertaking to which it relates; or
 - (b) information relating to the private affairs of an individual whose disclosure the Commission thinks might significantly harm the individual’s interests.

(8) The third consideration is the extent to which the disclosure of the information mentioned in paragraph (7)(a) or (b) is necessary for the purposes of the report.

(9) A report of the Competition Commission on a reference under Article 21 shall be made to the Authority.

(10) Subject to paragraph (11), the Authority—

- (a) shall, on receiving such a report, send a copy of it to the company to whose appointment under this Chapter the report relates and to the Department; and
- (b) shall, not less than 14 days after that copy is received by the Department, publish another copy of that report in such manner as the Authority considers appropriate for bringing the report to the attention of persons likely to be affected by it.

(11) If it appears to the Department that the publication of any matter in such a report would be against the public interest or the commercial interests of any person, it may, before the end of the period of 14 days mentioned in sub-paragraph (b) of paragraph (10), direct the Authority to exclude that matter from every copy of the report to be published by virtue of that sub-paragraph; and the Authority shall comply with any such direction.

Modifications following report

25.—(1) Where a report of the Competition Commission on a reference under Article 21—

- (a) includes conclusions to the effect that any of the matters specified in the reference operate, or may be expected to operate, against the public interest;

- (c) includes conclusions to the effect that those effects could be remedied or prevented by modifications of the conditions of a company's appointment under this Chapter; and
- (d) specifies modifications by which those effects could be remedied or prevented,

the Authority shall, subject to the following provisions of this Article, make such modifications of the conditions of that appointment as appear to the Authority requisite for the purpose of remedying or preventing the adverse effects specified in the report.

(2) Before making modifications under this Article, the Authority shall have regard to the modifications specified in the report.

(3) Before making modifications under this Article, the Authority shall give notice—

- (a) stating that it proposes to make the modifications and setting out their effect;
- (b) stating the reasons why it proposes to make the modifications; and
- (c) specifying the period (not being less than 28 days from the date of publication of the notice) within which representations or objections with respect to the proposed modifications may be made,

and shall consider any representations or objections which are duly made and not withdrawn.

(4) A notice under paragraph (3) shall be given—

- (a) by publishing the notice in such manner as the Authority considers appropriate for the purpose of bringing the matters to which the notice relates to the attention of persons likely to be affected by the making of the modifications; and

(5) After considering any representations or objections made in response to proposals set out in a notice under paragraph (3), the Authority shall give notice to the Competition Commission—

(b) stating the reasons for making the modifications.

(6) The Authority shall include with the notice under paragraph (5) a copy of any representations or objections received in relation to the notice under paragraph (3).

(7) If the period of 4 weeks from the date on which the notice under paragraph (5) is given elapses without a direction under Article 26(1)(a) having been given to it, the Authority shall—

(a) make the modifications set out in the notice; or

(b) if a direction under Article 26(1)(b) has been given, make the modifications which are not specified in the direction.

(a) not to make the modifications set out in that notice; or

(b) not to make such of the modifications as may be specified in the direction;

and the Authority shall comply with any such direction.

(2) The Department may, within the period of 4 weeks after the date on which the Commission is given a notice under Article 25(5) and on the application of the Commission, direct that the period for giving a direction under paragraph (1) (and, accordingly, the period mentioned in Article 25(7)) shall be extended by 14 days.

(3) The power to give a direction under paragraph (1) may only be exercised in respect of such of the modifications set out in the notice under Article 25(5)(a) as appear to the Commission not to be the modifications which are requisite for the purpose of remedying or preventing all or any of the adverse effects specified in the report as effects which could be remedied or prevented by modifications.

(4) If the Commission gives a direction under paragraph (1), it—

(a) shall give notice setting out the modifications proposed by the Authority, the terms of the direction and the reasons for giving it; and

(b) shall itself make such modifications as appear to it to be requisite for the purpose of remedying or preventing—

(i) if the direction was given under paragraph (1)(a), the adverse effects specified in the report as effects which could be remedied or prevented by modifications;

(ii) if the direction was given under paragraph (1)(b), such of those adverse effects as are not remedied or prevented by the modifications made by the Authority under Article 25(7)(b).

(5) In exercising its power under paragraph (4)(b), the Commission shall have regard to the matters to which the Authority is required to have regard when determining the conditions of a company's appointment.

and shall consider any representations or objections which are duly made and not withdrawn.

(7) A notice under paragraph (4)(a) or (6) shall be given—

- (a) by publishing the notice in such manner as the Commission considers appropriate for the purpose of bringing it to the attention of persons likely to be affected by the making of the modifications; and
- (b) by serving a copy on the Authority and the company whose conditions of appointment it is proposed should be modified.

(8) The Commission may not make any modification under this Article which the Authority could not make under Article 25.

(9) After making modifications under this Article the Commission shall publish a notice stating that the modifications have been made and setting them out, with the reasons for making them.

Commission's power of veto following report: supplementary

27.—(1) For the purposes of the law relating to defamation, absolute privilege attaches to any notice under paragraph (4)(a), (6) or (9) of Article 26.

(2) In giving any notice under paragraph (4)(a) or (6) of Article 26, or publishing any notice under paragraph (9) of that Article, the Competition Commission must have regard to the following considerations before disclosing any information.

(3) The first consideration is the need to exclude from disclosure (so far as practicable) any information whose disclosure the Commission thinks is contrary to the public interest.

(4) The second consideration is the need to exclude from disclosure (so far as practicable)—

- (a) commercial information whose disclosure the Commission thinks might significantly harm the legitimate business interests of the undertaking to which it relates; or
- (b) information relating to the private affairs of an individual whose disclosure the Commission thinks might significantly harm the individual's interests.

(5) The third consideration is the extent to which the disclosure of the information mentioned in paragraph (4)(a) or (b) is necessary for the purposes of the notice.

(6) The following sections of Part 3 of the Enterprise Act shall apply, with the modifications mentioned in paragraphs (7) and (8), for the purposes of any investigation by the Commission for the purposes of the exercise of its functions under Article 26, as they apply for the purposes of any investigations on references under that Part—

- (f) section 114 (appeals in relation to penalties);
- (g) section 115 (recovery of penalties); and
- (h) section 116 (statement of policy).

(7) Section 110 shall, in its application by virtue of paragraph (6), have effect as if—

- (a) subsection (2) were omitted;

- (b) in subsection (4), for the words “the publication of the report of the Commission on the reference concerned” there were substituted “the publication by the Commission of a notice under Article 26(9) of the Water and Sewerage Services (Northern Ireland) Order 2006 in connection with the reference concerned or, if no direction has been given by the Commission under Article 26(1) of that Order in connection with the reference concerned and within the period permitted for that purpose, the latest day on which it was possible to give such a direction within the permitted period”; and
 - (c) in subsection (9) the words from “or section” to “section 65(3)” were omitted.
- (8) Section 111(5)(b) shall, in its application by virtue of paragraph (6), have effect as if for subparagraph (ii) there were substituted—
- “(ii) if earlier, the day on which a notice is published by the Commission under Article 26(9) of the Water and Sewerage Services (Northern Ireland) Order 2006 in connection with the reference concerned or, if no direction is given by the Commission under Article 26(1) of that Order in connection with the reference concerned and within the period permitted for that purpose, the latest day on which such a direction may be given within the permitted period.”
- (9) Provisions of Part 3 of the Enterprise Act which have effect for the purposes of sections 109 to 116 of that Act (including, in particular, provisions relating to offences and the making of orders) shall, for the purposes of the application of those sections by virtue of paragraph (6), have effect in relation to those sections as applied by virtue of that paragraph.
- (10) Accordingly, corresponding provisions of this Order shall not have effect in relation to those sections as applied by virtue of that paragraph.

Modification by order under other statutory provisions

28.—(1) Where the OFT, the Competition Commission or (as the case may be) the Secretary of State makes a relevant order, the order may, subject to paragraph (3), also provide for the modification of the conditions of a company’s appointment under this Chapter to such extent as may appear to the OFT, the Commission or (as the case may be) the Secretary of State to be requisite or expedient for the purpose of giving effect to, or taking account of, any provision made by the order.

- (2) In paragraph (1) “relevant order” means—
- (a) an order under section 75, 83 or 84 of, or paragraph 5, 10 or 11 of Schedule 7 to, the Enterprise Act where—
 - (i) one or more than one of the enterprises which have, or may have, ceased to be distinct enterprises was carried on by a relevant undertaker; or
 - (ii) one or more than one of the enterprises which will or may cease to be distinct enterprises is carried on by a relevant undertaker; or

 - (ii) the conduct of a relevant undertaker or of customers of a relevant undertaker.
- (3) No modification shall be made by virtue of this Article of any provisions of a company’s appointment under this Chapter which—
- (a) are contained in that appointment for the purposes of Article 14(4)(d); or
 - (b) being provisions relating to the disposal of a company’s protected land, are stated in the appointment to be provisions which cannot be modified.

(4) Expressions used in paragraph (2) and in Part 3 or (as the case may be) Part 4 of the Enterprise Act have the same meanings in that paragraph as in that Part.

Competition

Functions of the Authority with respect to competition

29.—(1) The functions to which paragraph (2) apply shall be concurrent functions of the Authority and the OFT.

(2) This paragraph applies to the functions of the OFT under Part 4 of the Enterprise Act (other than sections 166 and 171) so far as relating to commercial activities connected with the supply of water or the provision of sewerage services.

(3) The Authority shall be entitled to exercise, concurrently with the OFT, the functions of the OFT under the provisions of Part 1 of the Competition Act 1998 (c. 41) (other than sections 31D(1) to (6), 38(1) to (6) and 51), so far as relating to—

- (a) agreements, decisions or concerted practices of the kind mentioned in section 2(1) of that Act,
- (b) conduct of the kind mentioned in section 18(1) of that Act,
- (c) agreements, decisions or concerted practices of the kind mentioned in Article 81(1) of the treaty establishing the European Community, or
- (d) conduct which amounts to abuse of the kind mentioned in Article 82 of that treaty,

in relation to commercial activities connected with the supply of water or securing the supply of water or the provision or securing the provision of sewerage services.

(4) So far as necessary for the purposes of, or in connection with, the provisions of paragraph (1) and (2), references in Part 4 of the Enterprise Act to the OFT (including references in provisions of that Act applied by that Part) shall be construed as including references to the Authority (except in sections 166 and 171 of that Act and in any other provision of that Act where the context otherwise requires).

(5) So far as necessary for the purposes of, or in connection with, the provisions of paragraph (3), references in Part I of the Competition Act 1998 to the OFT are to be read as including a reference to the Authority (except in sections 31D(1) to (6), 38(1) to (6), 51, 52(6) and (8) and 54 of that Act and in any other provision of that Act where the context otherwise requires).

(6) Before the OFT or the Authority first exercises in relation to any matter functions which are exercisable concurrently by virtue of paragraph (1), it shall consult the other.

(7) Neither the OFT nor the Authority shall exercise in relation to any matter any functions which are exercisable concurrently by virtue of paragraph (1) if functions which are so exercisable have been exercised in relation to that matter by the other.

(8) It shall be the duty of the Authority, for the purpose of assisting the Competition Commission in carrying out an investigation on a reference made to the Commission by the Authority by virtue of paragraph (2), to give to the Commission—

- (a) any information which is in the Authority's possession and which relates to matters falling within the scope of the investigation, and which is either requested by the Commission for that purpose or is information which in the Authority's opinion it would be appropriate for that purpose to give to the Commission without any such request; and
- (b) any other assistance which the Commission may require, and which it is within the Authority's power to give, in relation to any such matters,

and the Commission shall, for the purposes of carrying out any such investigation, take into account any information given to it for that purpose under this paragraph.

(9) If any question arises as to whether paragraph (2) or (3) applies to any particular case, that question shall be referred to and determined by the Secretary of State; and no objection shall be taken to anything done under—

(a) Part 4 of the Enterprise Act; or

(b) Part 1 of the Competition Act 1998 (other than sections 31D(1) to (6), 38(1) to (6) and 51), by or in relation to the Authority on the ground that it should have been done by or in relation to the OFT.

(10) Section 117 of the Enterprise Act (offence of supplying false or misleading information) as applied by section 180 of that Act shall have effect so far as relating to functions exercisable by the Authority by virtue of paragraph (1) as if the reference in section 117(1)(a) and (2) to the OFT included a reference to the Authority.

CHAPTER II

ENFORCEMENT AND INSOLVENCY

Enforcement orders

Orders for securing compliance with certain provisions

30.—(1) Subject to paragraph (2) and Articles 31 and 32, where in the case of any company holding an appointment under Chapter I an enforcing authority is satisfied—

(a) that that company is contravening—

(i) any condition of the company's appointment in relation to which it is the relevant enforcement authority; or

(ii) any statutory or other requirement which is enforceable under this Article and in relation to which it is the relevant enforcement authority; or

(b) that that company is likely to contravene any such condition or requirement,

it shall by a final enforcement order make such provision as is requisite for the purpose of securing compliance with that condition or requirement.

(2) Subject to Article 31, where in the case of any company holding an appointment under Chapter I—

(a) it appears to an enforcement authority as mentioned in sub-paragraph (a) or (b) of paragraph (1); and

(b) it appears to that authority that it is requisite that a provisional enforcement order be made, the enforcement authority may (instead of taking steps towards the making of a final order) by a provisional enforcement order make such provision as appears to it requisite for the purpose of securing compliance with the condition or requirement in question.

(3) In determining for the purposes of paragraph (2)(b) whether it is requisite that a provisional enforcement order be made, an enforcement authority shall have regard, in particular, to the extent to which any person is likely to sustain loss or damage in consequence of anything which, in contravention of any condition or of any statutory or other requirement enforceable under this Article, is likely to be done, or omitted to be done, before a final enforcement order may be made.

(4) Subject to Articles 31 and 32, where an enforcement authority has made a provisional enforcement order, it shall confirm the order, with or without modifications, if—

(a) it is satisfied that the company to which the order relates—

- (i) is contravening any condition or statutory or other requirement in relation to which it is the enforcement authority; or
 - (ii) is likely to contravene any such condition or requirement; and
 - (b) the provision made by the order (with any modifications) is requisite for the purpose of securing compliance with that condition or requirement.
- (5) An enforcement order—
- (a) shall require the company to which it relates (according to the circumstances of the case) to do, or not to do, such things as are specified in the order or are of a description so specified;
 - (b) shall take effect at such time, being the earliest practicable time, as is determined by or under the order; and
 - (c) may be revoked at any time by the enforcement authority which made it.
- (6) For the purposes of this Article and the following provisions of this Order—
- (a) the statutory and other requirements which are enforceable under this Article in relation to a company holding an appointment under Chapter I are such of the requirements of any statutory provision as—
 - (i) are imposed in consequence of that appointment; and
 - (ii) are made so enforceable by that statutory provision;
 - (b) the Authority shall be the relevant enforcement authority in relation to the conditions of an appointment under Chapter I; and
 - (c) the relevant enforcement authority in relation to each of the statutory and other requirements enforceable under this Article shall be—
 - (i) the Department;
 - (ii) the Authority; or
 - (iii) either of the above,
 according to whatever provision is made by the statutory provision by which the requirement is made so enforceable.
- (7) In this Article and the following provisions of this Chapter—
- “enforcement authority” means—
- (a) the Department; or
 - (b) the Authority;
- “enforcement order” means a final enforcement order or a provisional enforcement order;
- “final enforcement order” means an order under this Article other than a provisional enforcement order;
- “provisional enforcement order” means an order under this Article which, if not previously confirmed in accordance with paragraph (4), will cease to have effect at the end of such period (not exceeding 3 months) as is determined by or under the order.
- (8) Where any act or omission constitutes a contravention of a condition of an appointment under Chapter I or of a statutory or other requirement enforceable under this Article, the only remedies for that contravention, apart from those available by virtue of this Article, shall be those for which express provision is made by or under any statutory provision and those that are available in respect of that act or omission otherwise than by virtue of its constituting such a contravention.

Exceptions to the duty to enforce

31.—(1) An enforcement authority shall not be required to make an enforcement order in relation to any company, or to confirm a provisional enforcement order so made, if it is satisfied—

- (a) that the contraventions were, or the apprehended contraventions are, of a trivial nature;
- (b) that, in such circumstance or subject to such conditions as may be prescribed, the company has given, and is complying with, an undertaking to take all such steps as it appears to the enforcement authority for the time being to be appropriate for the company to take for the purpose of securing or facilitating compliance with the condition or requirement in question; or
- (c) that the duties imposed on the enforcement authority by Part II preclude the making or, as the case may be, the confirmation of the order; or
- (d) that the most appropriate way of proceeding is under the Competition Act 1998 (c. 41).

(2) The requirement to comply with an undertaking given for the purposes of paragraph (1)(b) shall be treated as a statutory requirement enforceable under Article 30—

- (a) by the Department; or
- (b) with the consent of or in accordance with a general authorisation given by the Department, by the Authority.

(3) Where an enforcement authority, having notified a company that it is considering the making in relation to the company of an enforcement order or the confirmation of a provisional enforcement order so made, is satisfied as mentioned in sub-paragraph (a), (b), (c) or (d) of paragraph (1), it shall—

- (a) serve notice that it is so satisfied on the company;
- (b) publish a copy of the notice in such manner as it considers appropriate for the purpose of bringing the matters to which the notice relates to the attention of persons likely to be affected by them; and
- (c) in a case where the enforcement authority is satisfied as mentioned in the said sub-paragraph (b), serve a copy of the notice and of the undertaking given for the purposes of that sub-paragraph on the other enforcement authority.

(4) The requirements of paragraph (3) shall not apply, in the case of any proposed order or confirmation in respect of a direction under Article 294, to the extent that the Secretary of State directs that they should not be complied with in the interests of national security.

Procedure for enforcement orders

32.—(1) Before making a final order or confirming a provisional order, an enforcement authority shall give notice—

- (a) stating that it proposes to make or confirm the order and setting out its effect;
- (b) setting out—
 - (i) the relevant condition or requirement for the purpose of securing compliance with which the order is to be made or confirmed;
 - (ii) the acts or omissions which, in the enforcement authority's opinion, constitute or would constitute contraventions of that condition or requirement; and
 - (iii) the other facts which, in its opinion, justify the making or confirmation of the order; and
- (c) specifying the period (not being less than 28 days from the date of publication of the notice) within which representations or objections with respect to the proposed order or proposed confirmation may be made,

and shall consider any representations or objections which are duly made and not withdrawn.

- (2) A notice under paragraph (1) shall be given—
 - (a) by publishing the notice in such manner as the enforcement authority considers appropriate for the purpose of bringing the matters to which the notice relates to the attention of persons likely to be affected by them; and
 - (b) by serving a copy of the notice, and a copy of the proposed order or of the order proposed to be confirmed, on the company to which the order relates and on the other enforcement authority.
- (3) An enforcement authority shall not make a final order with modifications, or confirm a provisional order with modifications, except—
 - (a) with the consent to the modifications of the company to which the order relates; or
 - (b) after complying with the requirements of paragraph (4).
- (4) The requirements mentioned in paragraph (3) are that the enforcement authority shall—
 - (a) serve on the company to which the order relates such notice as appears to it to be requisite of its proposal to make or confirm the order with modifications;
 - (b) in that notice specify the period (not being less than 28 days from the date of the service of the notice) within which representations or objections with respect to the proposed modifications may be made; and
 - (c) consider any representations or objections which are duly made and not withdrawn.
- (5) As soon as practicable after making an enforcement order or confirming a provisional order, the enforcement authority shall—
 - (a) serve a copy of the order on the company to which the order relates and on the other enforcement authority; and
 - (b) publish such a copy in such manner as it considers appropriate for the purpose of bringing it to the attention of persons likely to be affected by it.
- (6) Before revoking a final enforcement order or a provisional order which has been confirmed, the enforcement authority shall give notice—
 - (a) stating that it proposes to revoke the order and setting out its effect; and
 - (b) specifying the period (not being less than 28 days from the date of publication of the notice) within which representations or objections with respect to the proposed revocation may be made,

and shall consider any representations or objections which are duly made and not withdrawn.

- (7) If, after giving a notice under paragraph (6), the enforcement authority decides not to revoke the order to which the notice relates, it shall give notice of that decision.
- (8) A notice under paragraph (6) or (7) shall be given—
 - (a) by publishing the notice in such manner as the enforcement authority considers appropriate for the purpose of bringing the matters to which the notice relates to the attention of persons likely to be affected by them; and
 - (b) by serving a copy of the notice on the company to which the order relates and on the other enforcement authority.
- (9) The requirements of the preceding provisions of the Article shall not apply, in the case of any order in respect of contravention of a direction under Article 294, to the extent that the Secretary of State directs that they should not be complied with in the interests of national security.

Validity and effect of enforcement orders

33.—(1) If the company to which an enforcement order relates is aggrieved by the order and desires to question its validity on the ground—

(a) that its making or confirmation was not within the powers of Article 30; or

(b) that any of the requirements of Article 32 have not been complied with in relation to it,

the company may, within 42 days from the date of service on it of a copy of the order, make an application to the High Court under this Article.

(2) On any such application the High Court may, if satisfied that the making or confirmation of the order was not within those powers or that the interests of the company have been substantially prejudiced by a failure to comply with those requirements, quash the order or any provision of the order.

(3) Except as provided by this Article, the validity of a final or provisional order shall not be questioned by any legal proceedings whatsoever.

Effect of enforcement order

34.—(1) The obligation to comply with an enforcement order shall be a duty owed to any person who may be affected by a contravention of the order.

(2) Where a duty is owed under paragraph (1) to any person, any breach of the duty which causes that person to sustain loss or damage shall be actionable at the suit of that person.

(3) In any proceedings brought against a company in pursuance of paragraph (2), other than proceedings in respect of so much of a contravention of any order as consists in a breach of the duty imposed by virtue of Article 108(1)(a), it shall be a defence for the company to prove that it took all reasonable steps and exercised all due diligence to avoid contravening the order.

(4) Without prejudice to any right which any person may have by virtue of paragraph (1) to bring civil proceedings in respect of any contravention or apprehended contravention of an enforcement order, compliance with any such order shall be enforceable by civil proceedings for an injunction or for any other appropriate relief at the suit of the body which is the relevant enforcement authority in relation to the condition or requirement compliance with which was to be secured by the order.

Financial penalties

Financial penalties

35.—(1) Where the Authority is satisfied in the case of any company holding an appointment under Chapter I that the company—

(a) has contravened or is contravening any condition of the appointment; or

(b) has failed or is failing to achieve any standard of performance prescribed under Article 66(2) or 150(2),

the Authority may, subject to Article 37, impose on the company a penalty of such amount as is reasonable in all the circumstances of the case.

(2) Where an enforcement authority is satisfied in the case of any company holding an appointment under Chapter I that the company has contravened or is contravening any statutory or other requirement which is enforceable under Article 30 and in relation to which it is the relevant enforcement authority, the enforcement authority may, subject to Article 37, impose on the company a penalty of such amount as is reasonable in all the circumstances of the case.

(3) Before imposing a penalty on a company under paragraph (1) or (2) an enforcement authority shall give notice—

- (a) stating that it proposes to impose a penalty and the amount of the penalty proposed to be imposed;
- (b) setting out the relevant condition or requirement or the standard of performance in question;
- (c) specifying the acts or omissions which, in the opinion of the enforcement authority, constitute the contravention or failure in question and the other facts which, in the opinion of the enforcement authority, justify the imposition of a penalty and the amount of the penalty proposed; and
- (d) specifying the period (not being less than 28 days from the date of publication of the notice) within which representations or objections with respect to the proposed penalty may be made,

and shall consider any representations or objections which are duly made and not withdrawn.

(4) Before varying any proposal stated in a notice under paragraph (3)(a) the enforcement authority shall give notice—

- (a) setting out the proposed variation and the reasons for it; and
- (b) specifying the period (not being less than 28 days from the date of publication of the notice) within which representations or objections with respect to the proposed variation may be made,

and shall consider any representations or objections which are duly made and not withdrawn.

(5) As soon as practicable after imposing a penalty, the enforcement authority shall give notice—

- (a) stating that it has imposed a penalty on the company and its amount;
- (b) setting out the condition, requirement or standard of performance in question;
- (c) specifying the acts or omissions which, in the opinion of the enforcement authority, constitute the contravention or failure in question and the other facts which, in the opinion of the enforcement authority, justify the imposition of the penalty and its amount; and
- (d) specifying a date, no earlier than the end of the period of 42 days from the date of service of the notice on the company, by which the penalty is required to be paid.

(6) The company may, within 28 days of the date of service on it of a notice under paragraph (5), make an application to the enforcement authority for it to specify different dates by which different portions of the penalty are to be paid.

(7) Any notice required to be given by an enforcement authority under this Article shall be given—

- (a) by publishing the notice in such manner as the enforcement authority considers appropriate for the purpose of bringing the matters to which the notice relates to the attention of persons likely to be affected by them;
- (b) by serving a copy of the notice on the company to which it relates;
- (c) by serving a copy of the notice on the Council; and
- (d) by serving a copy of the notice on the other enforcement authority.

(8) Any sums received by an enforcement authority by way of penalty under this Article shall be paid into the Consolidated Fund.

(9) The power of an enforcement authority to impose a penalty under this Article is not exercisable in respect of any contravention or failure before the coming into operation of this Article.

(10) No penalty imposed by an enforcement authority under this Article may exceed 10 per cent. of the turnover of the company (determined in accordance with provisions specified in an order made by the Department subject to negative resolution).

(11) An enforcement authority shall not impose a penalty under this Article where it is satisfied that the most appropriate way of proceeding is under the Competition Act 1998 (c. 41).

Statement of policy with respect to penalties

36.—(1) Each enforcement authority shall prepare and publish a statement of policy with respect to the imposition of penalties and the determination of their amount.

(2) In deciding whether to impose a penalty, and in determining the amount of any penalty, in respect of a contravention or failure the enforcement authority shall have regard to its statement of policy most recently published at the time when the contravention or failure occurred.

(3) An enforcement authority may revise its statement of policy and where it does so shall publish the revised statement.

(4) Publication under this Article shall be in such manner as the enforcement authority considers appropriate for the purpose of bringing the matters contained in the statement of policy to the attention of persons likely to be affected by them.

(5) An enforcement authority shall undertake such consultation as it considers appropriate when preparing or revising its statement of policy.

Time limits on the imposition of financial penalties

37.—(1) Where no final or provisional order has been made in relation to a contravention or failure, an enforcement authority may not impose a penalty in respect of the contravention or failure later than the end of the period of 12 months from the time of the contravention or failure, unless before the end of that period—

- (a) the notice under Article 35(3) relating to the penalty is served on the company under Article 35(7); or
- (b) a notice relating to the contravention or failure is served on the company under Article 261(2).

(2) Where a final or provisional order has been made in relation to a contravention or failure, an enforcement authority may not impose a penalty in respect of the contravention or failure unless the notice relating to the penalty under Article 35(3) was served on the company under Article 35(7)—

- (a) within 3 months from the confirmation of the provisional order or the making of the final order; or
- (b) where the provisional order is not confirmed, within 6 months from the making of the provisional order.

Interest and payment of instalments

38.—(1) If the whole or any part of a penalty is not paid by the date by which it is required to be paid, the unpaid balance from time to time shall carry interest at the rate for the time being prescribed under Article 127 of the [Judgments Enforcement \(Northern Ireland\) Order 1981 \(NI 6\)](#).

(2) If an application is made under paragraph (6) of Article 35 in relation to a penalty, the penalty is not required to be paid until the application has been determined.

(3) If the enforcement authority grants an application under that paragraph in relation to a penalty but any portion of the penalty is not paid by the date specified in relation to it by the enforcement authority under that paragraph, that authority may where it considers it appropriate require so much of the penalty as has not already been paid to be paid immediately.

Appeals

39.—(1) If the company on which a penalty is imposed is aggrieved by—

- (a) the imposition of the penalty;
- (b) the amount of the penalty; or
- (c) the date by which the penalty is required to be paid, or the different dates by which different portions of the penalty are required to be paid,

the company may make an application to the High Court under this Article.

(2) An application under paragraph (1) must be made—

- (a) within 42 days from the date of service on the company of a notice under Article 35(5); or
- (b) where the application relates to a decision of an enforcement authority on an application by the company under Article 35(6), within 42 days from the date the company is notified of the decision.

(3) On any such application, where the High Court considers it appropriate to do so in all the circumstances of the case and is satisfied of one or more of the grounds falling within paragraph (4), that Court—

- (a) may quash the penalty;
- (b) may substitute a penalty of such lesser amount as that Court considers appropriate in all the circumstances of the case; or
- (c) in the case of an application under paragraph (1)(c), may substitute for the date or dates imposed by the enforcement authority an alternative date or dates.

(4) The grounds falling within this paragraph are—

- (a) that the imposition of the penalty was not within the power of the enforcement authority under Article 35;
- (b) that any of the requirements of paragraphs (3) to (5) or (7) of Article 35 have not been complied with in relation to the imposition of the penalty and the interests of the company have been substantially prejudiced by the non-compliance; or
- (c) that it was unreasonable of the enforcement authority to require the penalty imposed, or any portion of it, to be paid by the date or dates by which it was required to be paid.

(5) If an application is made under this Article in relation to a penalty, the penalty is not required to be paid until the application has been determined.

(6) Where the High Court substitutes a penalty of a lesser amount it may require the payment of interest on the substituted penalty at such rate, and from such date, as it considers just and equitable.

(7) Where the High Court specifies as a date by which the penalty, or a portion of the penalty, is to be paid a date before the determination of the application under this Article it may require the payment of interest on the penalty, or portion, from that date at such rate as it considers just and equitable.

(8) Except as provided by this Article, the validity of a penalty shall not be questioned by any legal proceedings whatsoever.

Recovery of penalties

40. Where a penalty imposed under Article 35(1) or (2), or any portion of it, has not been paid by the date on which it is required to be paid and—

- (a) no application relating to the penalty has been made under Article 39 during the period within which such an application can be made; or

(b) an application has been made under that Article and determined, the enforcement authority may recover from the company, as a civil debt due to it, any of the penalty and any interest which has not been paid.

Special administration orders

Meaning and effect of special administration order

41.—(1) A special administration order is an order of the High Court made in accordance with Article 42 or 43 in relation to a company holding an appointment under Chapter I of this Part and directing that, during the period for which the order is in force, the affairs, business and property of the company shall be managed, by a person appointed by the High Court—

- (a) for the achievement of the purposes of such an order; and
 - (b) in a manner which protects the respective interests of the members, creditors and customers of the company.
- (2) The purposes of a special administration order made in relation to any company shall be—
- (a) the transfer to another company, or (as respects different parts of the area to which the company's appointment relates, or different parts of its undertaking) to two or more different companies, as a going concern, of so much of the company's undertaking as it is necessary to transfer in order to ensure that the functions which have been vested in the company by virtue of its appointment may be properly carried out; and
 - (b) the carrying out of those functions pending the making of the transfer and the vesting of those functions in the other company or companies (whether by virtue of the transfer or of an appointment or variation which replaces the former company as a relevant undertaker).
- (3) The Department may by regulations—
- (a) make provision for applying provisions of the [Insolvency \(Northern Ireland\) Order 1989 \(NI 19\)](#) (with or without modifications) in relation to a special administration order or an application for such an order;
 - (b) make consequential or supplementary provision (including provision modifying other statutory provisions) in relation to special administration orders.
- (4) Schedule 1 shall have effect for enabling provision to be made with respect to cases in which a company is replaced by another as a relevant undertaker without an appointment or variation under Chapter I of this Part in pursuance of a special administration order.
- (5) In this Article “business” and “property” have the same meanings as in the [Insolvency \(Northern Ireland\) Order 1989 \(NI 19\)](#).

Special administration orders made on application of Department or Authority

- 42.**—(1) If, on an application made to the High Court—
- (a) by the Department; or
 - (b) with the consent of the Department, by the Authority,
- that Court is satisfied in relation to any company which holds an appointment under Chapter I that any one or more of the grounds specified in paragraph (2) is satisfied in relation to that company, that Court may make a special administration order in relation to that company.
- (2) The grounds mentioned in paragraph (1) are, in relation to any company—
- (a) that there has been, is or is likely to be such a contravention by the company of any principal duty, not being a contravention in respect of which a notice has been served under

paragraph (3) of Article 31, as is serious enough to make it inappropriate for the company to continue to hold its appointment;

(b) that there has been, is or is likely to be such a contravention by the company of the provisions of any enforcement order which—

(i) is not for the time being the subject-matter of proceedings brought by virtue of Article 33(1); and

(ii) if it is a provisional enforcement order, has been confirmed,

as is serious enough to make it inappropriate for the company to continue to hold its appointment;

(c) that the company is or is likely to be unable to pay its debts;

(d) that, in a case in which DETI has certified that it would be appropriate, but for Article 43, for it to petition for the winding up of the company under Article 104A of the [Insolvency \(Northern Ireland\) Order 1989 \(NI 19\)](#) (winding-up on grounds of public interest), it would be just and equitable, as mentioned in that Article, for the company to be wound up if it did not hold an appointment under Chapter I; or

(e) that the company is unable or unwilling adequately to participate in arrangements certified by the Department or the Authority to be necessary by reason of, or in connection with, a proposal for the making by virtue of Article 14(4)(d) of any appointment or variation replacing a company as a relevant undertaker.

(3) Notice of any application under this Article for a special administration order shall be given forthwith to such persons and in such manner as may be prescribed by rules made under Article 359 of the [Insolvency \(Northern Ireland\) Order 1989 \(NI 19\)](#); and no such application shall be withdrawn except with the leave of the High Court.

(4) For the purposes of this Article a company is unable to pay its debts if—

(a) it is a limited company which is deemed to be so unable under Article 103 of the [Insolvency \(Northern Ireland\) Order 1989 \(NI 19\)](#) (definition of inability to pay debts); or

(b) it is an unregistered company which is deemed, by virtue of any of Articles 186 to 188 of that Order, to be so unable for the purposes of Article 185 of that Order (winding up of unregistered companies).

(5) In this Article “principal duty”, in relation to a company, means a requirement imposed on the company by Article 65 or 149.

Power to make special administration order on winding-up petition

43. On an application made to any court for the winding up of a company which holds an appointment under Chapter I —

(a) the court shall not make a winding-up order in relation to the company; but

(b) if the court is satisfied that it would be appropriate to make such an order if the company were not a company holding such an appointment, it shall, instead, make a special administration order in relation to the company.

Restrictions on voluntary winding up and insolvency proceedings

Restrictions on voluntary winding up and insolvency proceedings

44.—(1) Where a company holds an appointment under Chapter I—

(a) the company shall not be wound up voluntarily;

- (b) no administration order or appointment of an administrator shall be made in relation to the company under Schedule B1 to the [Insolvency \(Northern Ireland\) Order 1989 \(NI 19\)](#);
 - (c) no appointment shall be made under Part IV of that Order (receivers and managers) in relation to the company; and
 - (d) no other step shall be taken by any person to enforce any security over the company's property except where that person has served 14 days' notice of his intention to take that step on the Department and on the Authority.
- (2) In this Article “security” and “property” have the same meanings as in Parts II to VII of the [Insolvency \(Northern Ireland\) Order 1989 \(NI 19\)](#).

CHAPTER III

CONSUMER PROTECTION: THE GENERAL CONSUMER COUNCIL

The General Consumer Council: preliminary

45.—(1) This Chapter confers functions on the General Consumer Council for Northern Ireland (“the Council”) in relation to consumer matters.

(2) In this Chapter—

“consumer matter” means any matter connected with the interests of consumers;

“the interests of consumers” means the interests of consumers in relation to—

- (a) the supply of water to premises by water undertakers; and
 - (b) the provision of sewerage services by sewerage undertakers.
- (3) In considering the interests of consumers the Council shall have regard to the interests of—
- (a) individuals who are disabled or chronically sick;
 - (b) individuals of pensionable age;
 - (c) individuals with low incomes; and
 - (d) individuals residing in rural areas,

but that is not to be taken as implying that regard may not be had to the interests of other descriptions of consumer.

(4) The Council shall carry out its functions under this Chapter in the manner which it considers is best calculated to contribute to the achievement of sustainable development.

(5) The Council shall establish a group in connection with the exercise of its functions under this Chapter.

(6) Accordingly, in paragraph 10(1) of Schedule 1 to the [General Consumer Council \(Northern Ireland\) Order 1984 \(NI 12\)](#) (“the 1984 Order”) after head (bb) there shall be inserted—

“(bbb) a group in connection with the exercise of its functions under Chapter III of Part III of the Water and Sewerage Services (Northern Ireland) Order 2006.”.

(7) Nothing in paragraph (5) or (6) or Article 9(1) or (2) of the Energy Order (establishment of group in relation to energy) affects the power conferred by paragraph 10(8) of Schedule 1 to the 1984 Order (power by order to reduce number of groups); and accordingly an order under paragraph 10(8) of that Schedule may repeal paragraphs (5) and (6) and Article 9(1) and (2) of the Energy Order.

(8) Nothing in Article 4 of the 1984 Order authorises or requires the Council to carry out any function in relation to a consumer matter otherwise than in accordance with this Chapter.

(9) The Council shall send to the Department a copy of every annual report prepared by it under paragraph 12 of Schedule 1 to the 1984 Order.

Forward work programme of the Council

46.—(1) The Council shall, before each financial year, publish a document (the “forward work programme”) containing a general description of the projects which it plans to undertake during the year in the exercise of its functions under this Chapter (other than projects comprising routine activities in the exercise of those functions).

(2) That description shall include the objectives of each project.

(3) The forward work programme for any year shall also include an estimate of the overall expenditure which the Council expects to incur during the year in the exercise of its functions under this Chapter.

(4) The forward work programme prepared under this Article may, if the Council so decides, be combined in a single programme with the forward work programme of the Council prepared under Article 10 of the Energy Order.

(5) Before publishing the forward work programme for any year (other than one which is combined as mentioned in paragraph (4)), the Council shall give notice—

- (a) containing a draft of the forward work programme; and
- (b) specifying the time within which representations or objections to the proposals contained in it may be made,

and shall consider any representations or objections which are duly made and not withdrawn.

(6) The notice under paragraph (5) shall be published by the Council in such manner as it considers appropriate for the purpose of bringing the matters contained in it to the attention of persons likely to be affected by them.

(7) The Council shall send a copy of any notice given by it under paragraph (5) to the Authority and the Department.

Co-operation between the Council and other authorities

47.—(1) This Article imposes duties on—

- (a) the Authority and the Council;
- (b) the Council and the Department;

but those duties extend only to their respective functions under this Order.

(2) It shall be the duty of the bodies mentioned in each sub-paragraph of paragraph (1) to make arrangements with a view to securing—

- (a) co-operation and the exchange of information between them; and
- (b) the consistent treatment of matters which affect both of them.

(3) As soon as practicable after agreement is reached on any arrangements required by this Article, the parties shall prepare a memorandum setting them out.

(4) Arrangements under this Article shall be kept under review by the parties.

(5) As soon as practicable after agreement is reached on any changes to arrangements under this Article, the parties shall revise their memorandum.

(6) Parties to arrangements required by this Article shall send a copy of their memorandum, and any revised memorandum, to each other body mentioned in paragraph (1) who is not a party to the arrangements set out in the memorandum (or revised memorandum).

(7) The Department shall lay a copy of every memorandum or revised memorandum under this Article before the Assembly.

Acquisition and review of information

48.—(1) The Council shall obtain and keep under review—

- (a) information about consumer matters; and
- (b) information about the views of consumers on such matters.

(2) Where the Authority is required by any provision of this Order to publish a notice or any other document, it shall send a copy of the document to the Council.

Provision of advice and information to public authorities and other persons

49. Subject to Article 57, the Council may—

- (a) make proposals, or provide advice and information, about consumer matters; and
- (b) represent the views of consumers on such matters,

to public authorities, companies holding an appointment under Chapter I and other persons whose activities may affect the interests of consumers.

Provision of information to consumers

50.—(1) The Council may provide information to consumers about consumer matters in such form as appears to the Council to be most useful to the recipients.

(2) That power may be exercised by—

- (a) publishing information in any manner the Council thinks appropriate for the purpose of bringing it to the attention of those likely to be interested; or
- (b) furnishing information to any consumer (whether in response to a request or otherwise).

Power to publish information and advice about consumer matters

51. Subject to Article 57, if it appears to the Council that the publication of any advice and information about consumer matters (including information about the views of consumers on such matters) would promote the interests of consumers, the Council may publish that advice or information in such manner as it thinks fit.

Provision of information to the Council

52.—(1) The Council may direct—

- (a) the Authority; or
- (b) a company holding an appointment under Chapter I,

to supply to it, in such form as it may reasonably specify, such information specified or described in the direction as it may require for the purpose of exercising its functions under this Chapter.

(2) A body to which a direction under this Article is given shall comply with it as soon as reasonably practicable.

(3) Before giving a direction under this Article and in specifying the form in which any information is to be supplied, the Council shall have regard to the desirability of minimising the costs, or any other detriment, to the body to which the direction is given.

(4) If the Authority fails to comply with the direction under this Article it shall, if so required by the Council, give notice to the Council of the reasons for its failure.

(5) Subject to Article 57, the Council may publish a notice given to it under paragraph (4).

Provision of information by the Council

53.—(1) The Authority or the Department may direct the Council to supply to it, in such form as it may reasonably specify, such information specified or described in the direction as the Authority or the Department may require for the purpose of exercising its functions under this Order.

(2) The Council shall comply with a direction under this Article as soon as reasonably practicable.

(3) Where the Council fails to comply with a direction under this Article it shall give to the body which gave the direction notice of its reason for the failure, and that body may publish that notice in such manner as it considers appropriate.

(4) A body publishing a notice under this Article shall have regard to the need for excluding, so far as that is practicable, any matter which relates to the affairs of a particular individual or body of persons (corporate or unincorporate), where it considers that publication of that matter would or might seriously and prejudicially affect the interests of that individual or body.

Articles 52 and 53: supplementary

54.—(1) The Department may make regulations prescribing—

- (a) descriptions of information which a body to which a direction is given under Article 52 or 53 may refuse to supply; or
- (b) circumstances in which such a body may refuse to comply with a direction given under either of those Articles.

(2) The Council may, if no person is prescribed for the purpose under paragraph (3), refer a failure by a company holding an appointment under Chapter I to comply with a direction under Article 52 to the Authority.

(3) The Department may make regulations for the purpose of enabling a failure to comply with a direction under Article 52 or 53 to be referred by the body which gave the direction to such person (other than the Authority) as may be prescribed by the regulations.

(4) A person to whom such a failure is referred (whether under paragraph (2) or regulations under paragraph (3)) shall—

- (a) consider any representations made by either party;
- (b) determine whether the person failing to comply with the direction is entitled to refuse to do so, and, if not, order him to comply with the direction; and
- (c) give notice of his determination and any order under sub-paragraph (b), with reasons, to both parties.

(5) The duty of a company holding an appointment under Chapter I to comply with an order under this Article shall be enforceable by the Authority under Article 30.

(6) Subject to Article 57, a notice under paragraph (4) may be published by either party to the reference.

Consumer complaints

55.—(1) This Article applies to a complaint which any person (“the complainant”) has against a relevant undertaker in relation to any matter connected with the functions of that undertaker.

(2) Where a complaint to which this Article applies (other than one appearing to the Council to be frivolous or vexatious) is referred to the Council by or on behalf of the complainant, the Council shall (subject to paragraph (8)) investigate the complaint for the purpose of determining whether it is appropriate to take any action under paragraph (9).

(3) Where it appears to the Council that the complaint is one the Authority would be required to investigate under Article 243, the Council shall refer the complaint to the Authority.

(4) Where it appears to the Council that the complaint relates to a matter in respect of which a function under Article 30 or 35 is or may be exercisable by any person, the Council shall (unless it considers that that person already has notice of the matter) refer the matter to that person.

(5) Where it appears to the Council that the complaint relates to a matter which constitutes or might constitute an offence under this Order, the Council shall refer the matter to the Department.

(6) Where it appears to the Council that the complaint relates to a matter which constitutes a dispute of a kind which can be referred to the Authority for determination under any provision of this Order, the Council shall, if the complainant consents, refer the matter to the Authority.

(7) A referral under paragraph (6) shall have effect for the purposes of Article 61 as if it were a referral by the complainant of a dispute for determination by the Authority.

(8) The Council is not required to investigate any matter if it appears to the Council that—

- (a) it is unlikely that the complaint could be resolved by action taken by the relevant undertaker;
- (b) the relevant undertaker has not been given a reasonable opportunity to deal with the complaint; or
- (c) in a case mentioned in paragraph (3), (4), (5) or (6), it is inappropriate to do so.

(9) Where it appears to the Council to be appropriate to do so with a view to assisting in reaching a satisfactory resolution of a complaint referred to it under this Article, the Council shall make representations on behalf of the complainant to the relevant undertaker about anything to which the complaint relates.

(10) After investigating a complaint the Council may make a report to the Authority or the Department.

(11) A report under paragraph (10) may include information about—

- (a) any representations made by the Council under paragraph (9); and
- (b) the response of the relevant undertaker to the complaint or any such representations.

(12) No report under paragraph (10) or information about a complaint referred to the Council under this Article, from which the complainant may be identified, shall be published or disclosed by the Council, the Authority or the Department in the exercise of any power under this Order without the consent of the complainant.

(13) Where a representation made to the Authority or the Department about any matter (other than a representation appearing to it be frivolous or vexatious) appears to that body—

- (a) to be about a matter which is or amounts to a complaint to which this Article applies; and
- (b) to have been made by or on behalf of the complainant,

that body shall refer the matter to the Council.

Power of the Council to investigate other matters

56.—(1) The Council may investigate any matter (not being a matter which it is its duty to investigate under this Part) which appears to it to be a matter relating to the interests of consumers.

(2) Where the Council has investigated a matter under this Article it may make a report on that matter to the Authority, the Department, the OFT or any other public authority whose functions appear to the Council to be exercisable in relation to that matter.

(3) Subject to Article 57, the Council may—

- (a) send a report on any matter investigated under this Article to any person who appears to the Council to have an interest in that matter; and
- (b) publish any such report in such manner as the Council thinks appropriate.

Restrictions on disclosure of information by the Council

57.—(1) This Article applies to the functions of the Council—

- (a) in preparing so much of its annual report under paragraph 12 of Schedule 1 to the 1984 Order as relates to its functions under this Chapter;
- (b) in exercising its functions under Article 49 or 50;
- (c) in publishing anything under Article 51;
- (d) in publishing a notice under Article 52(5) or 54(6); and
- (e) in sending or publishing a report under Article 56(3).

(2) Subject to paragraph (7), information which relates to the affairs of any particular individual or body of persons (corporate or unincorporate) shall not be disclosed in the exercise of a function to which this Article relates unless one or more of sub-paragraphs (a) to (c) of paragraph (3) applies to the information.

(3) Information relating to a particular individual or body may be disclosed if—

- (a) the individual or body has consented to the disclosure;
- (b) it is information that is available to the public from some other source; or
- (c) it is not information the disclosure of which would or might, in the opinion of the Council, seriously and prejudicially affect the interests of the individual or body.

(4) Before deciding to disclose any information relating to a particular individual or body in pursuance of paragraph (3)(c) above, the Council shall—

- (a) consult that individual or body; and
- (b) have regard to any opinion expressed by the Authority as to the application of paragraph (3) (c) to the information or as to the desirability or otherwise of its disclosure;

and sub-paragraph (b) applies whether the opinion is given in relation to the information itself or to information of a description which applies to that information.

(5) Subject to paragraph (7), the Council shall not in the exercise of any function to which this Article applies disclose any information which it considers relates to any matter which is, or is likely to be, the subject of criminal proceedings.

(6) In considering whether information relates to any matter as mentioned in paragraph (5), the Council shall have regard to any opinion expressed (whether in relation to the information itself or to information of a description which applies to that information) by the Department or the Director of Public Prosecutions for Northern Ireland.

(7) Where this Article applies by virtue of paragraph (1)(b), paragraphs (2) to (5) do not apply to a disclosure of information which is made to the Authority, the Department, the Competition Commission or any other public authority.

(8) The disclosure by the Council of information in the exercise of a function to which this Article applies does not contravene Article 265 (restriction on disclosure of information).

(9) In this Article “disclosure” includes publication.

Duty to consult the Council

58.—(1) It shall be the duty of the Authority to consult the Council in relation to the exercise of each of its functions, except where—

- (a) the Council has indicated to the Authority (whether specifically or generally) that it does not wish to be consulted; or
- (b) the Authority considers that it would be clearly inappropriate to consult the Council.

(2) That duty is in addition to any duty on the Authority to consult the Council which is provided for elsewhere.

Provision of statistical information about complaints

59.—(1) It shall be the duty of the Council to publish, in such form and manner and with such frequency as it thinks appropriate, such statistical information as it considers appropriate in relation to(

- (a) complaints made by consumers about any matter relating to the activities of relevant undertakers; and
- (b) the handling of such complaints.

(2) In paragraph (1) “complaints” includes complaints made directly to relevant undertakers (or anyone carrying on activities on their behalf) and complaints to the Authority, the Council or the Department.

CHAPTER IV

MISCELLANEOUS AND SUPPLEMENTARY

Miscellaneous

General duty of the Authority to keep matters under review

60.—(1) It shall be the duty of the Authority, so far as it appears to it practicable to do so, to keep under review the carrying on both in Northern Ireland and elsewhere of activities connected with the matters in relation to which water undertakers or sewerage undertakers carry out functions.

(2) It shall also be the duty of the Authority, so far as it appears to it practicable to do so, to collect information with respect to—

- (a) the carrying out by companies appointed under Chapter I of the functions of relevant undertakers; or
- (b) any such company,

with a view to its becoming aware of, and ascertaining the circumstances relating to, matters with respect to which any power or duty is conferred or imposed on it by or under any statutory provision.

(3) The Department may give general directions indicating considerations to which the Authority should have particular regard in determining the order of priority in which matters are to be brought under review in performing its duty under paragraph (1) or (2); and it shall be the duty of the Authority to comply with any such directions.

(4) It shall be the duty of the Authority, where either it considers it expedient or it is requested by the Department or the OFT to do so, to give information, advice and assistance to the Department or the OFT with respect to any matter relating to—

- (a) the functions of either description of relevant undertaker; or
- (b) the carrying out of any such functions by a company holding an appointment under Chapter I.

Determination of disputes by the Authority

(3) Where the Authority determines any dispute under this Article it shall give its reasons for reaching its decision with respect to the dispute.

(4) On making a determination under this Article the Authority may include such incidental, supplemental and consequential provision (including provision requiring either party to pay a sum in respect of the costs or expenses incurred by the Authority) as it considers appropriate.

(5) A determination under this Article—

- (a) shall be final; and
- (b) shall be enforceable as if it were a money judgment (within the meaning of the [Judgments Enforcement \(Northern Ireland\) Order 1981 \(NI 6\)](#)), in so far as it includes such provision as to costs or expenses as is mentioned in paragraph (4).

(6) The Authority shall not determine any relevant dispute which is the subject of proceedings before, or with respect to which judgment has been given by, any court.

(7) In including in any determination under this Article any provision as to costs or expenses, the Authority shall have regard to the conduct and means of the parties and any other relevant circumstances.

- (b) where such remuneration has been paid or become due, describing the arrangements and the remuneration.

(3) Arrangements fall within this paragraph if they are arrangements for linking the remuneration of the directors of the company to standards of performance in connection with the carrying out by the company of the functions of a relevant undertaker.

(4) A description under paragraph (2)(b) must include in particular—

- (a) a statement of when the arrangements were made;

- (d) an explanation of how the remuneration was calculated.

(5) The statement required by paragraph (2) must also state—

- (a) whether or not there are in force in respect of the financial year during which the statement is made arrangements falling within paragraph (3); or
- (b) if not, whether the company intends that such arrangements will be in force at some time during that financial year,

and if there are, or it is intended that there will be, such arrangements in force the statement must describe those arrangements.

- (a) for providing supplies of water to premises in that area and for making such supplies available to persons who demand them; and
- (b) for maintaining, improving and extending the water undertaker's water mains and other pipes,

as are necessary for securing that the undertaker is and continues to be able to meet its obligations under this Part.

(2) The duty of a water undertaker under this Article shall be enforceable under Article 30—

- (a) by the Department; or

Standards of performance in connection with water supply

66.—(1) For the purpose—

- (a) of facilitating the determination of the extent to which breaches of the obligations imposed by the following provisions of this Part are to amount to breaches of the duty imposed by Article 65; or
- (b) of supplementing that duty by establishing overall standards of performance in relation to that duty,

the Department may, in accordance with Article 69, by regulations provide for contraventions of such requirements as may be prescribed to be treated for the purposes of this Order as breaches of that duty.

(2) The Department may, in accordance with Article 69, by regulations prescribe such standards of performance in connection with the provision of supplies of water as, in its opinion, ought to be achieved in individual cases.

(3) Regulations under paragraph (2) may provide that if a water undertaker fails to meet a prescribed standard it shall pay such amount as may be prescribed to any person who is affected by the failure and is of a prescribed description.

(4) Without prejudice to the generality of the power conferred by paragraph (2), regulations under that paragraph may—

(5) In arranging for the publication of any such information the Authority shall have regard to the need for excluding, so far as practicable—

- (a) any matter which relates to the affairs of an individual, where publication of that matter would or might, in the opinion of the Authority, seriously and prejudicially affect the interests of that individual; and

- (a) the standards of overall performance established under Article 66(1)(b) which are applicable to that undertaker; and
 - (b) that undertaker's level of performance as respects each of those standards.
- (2) In giving any such direction, the Authority shall not specify a frequency of less than once in every period of 12 months.
- (3) The duty of a water undertaker to comply with this Article shall be enforceable by the Authority under Article 30.

- (2) The period mentioned in paragraph (1)(a) may be extended in any case—
- (a) by agreement between the water undertaker and the person or persons who required the provision of the main; or
 - (b) where there is a dispute as to whether the period should be extended, by the Authority on a reference under paragraph (4).
- (3) The places mentioned in paragraph (1)(b) shall be—
- (a) such places as are determined by agreement between the water undertaker and the person or persons who required the provision of the water main; or
 - (b) in default of agreement, such places as are determined by the Authority, on a reference under paragraph (4), to be the places at which it is reasonable, in all the circumstances, for service pipes to premises in the locality in question, or (as the case may be) the self-laid main, to connect with the water main.

(4) A reference for the purposes of paragraph (2) or (3) may be made to the Authority for determination under Article 61 by either party to the dispute.

(5) In this Article “relevant day”, in relation to a requirement to provide a water main, means the day after whichever is the later of the following—

- (a) the day on which the conditions specified in Article 77 are satisfied in relation to the requirement; and
- (b) the day on which the place or places where (as the case may be)—
 - (i) service pipes to premises in the locality in question; or
 - (ii) the self-laid main,will connect with the main are determined under paragraph (3).

Domestic connections

Duty to make connections with main

79.—(1) Subject to the following provisions of this Article and to Articles 80 and 82, it shall be the duty of a water undertaker (in accordance with Article 85) to make a connection under this Article where the owner or occupier of any premises which—

(a) consist in the whole or any part of a building; or
 (b) are premises on which any person is proposing to erect any building or part of a building,
 serves a notice on the undertaker requiring it, for the purpose of providing a supply of water for domestic purposes to that building or part of a building, to connect a service pipe to those premises with one of the undertaker's water mains.

(2) In relation to service pipes which do not belong to or fall to be laid by the undertaker—

(a) paragraph (1) is subject to Article 89(1); and

(b) any such service pipe which is to vest in the undertaker by virtue of an agreement under Article 86 shall be connected to one of the undertaker's water mains subject to and in accordance with the terms of that agreement.

(3) Where a notice has been served for the purposes of this Article, the duty imposed by paragraph (1) shall be a duty, at the expense of the person serving the notice, to make the connection required by the notice if—

(a) the main with which the service pipe is required to be connected is neither a trunk main nor a water main which is or is to be used solely for the purpose of supplying water otherwise than for domestic purposes; and

(b) such conditions as the undertaker may have imposed under Articles 82 to 84 have been satisfied;

and, subject to Article 85, that duty shall arise whether or not the service pipe to which the notice relates has been laid when the notice is served.

(4) A notice for the purposes of this Article—

(a) shall be accompanied or supplemented by all such information as the undertaker may reasonably require; and

(b) if the notice has effect so that a requirement is imposed on the undertaker by virtue of Article 80(4), shall set out the matters that have given rise to the imposition of that requirement;

but, subject to Article 85(5) and without prejudice to the effect (if any) of any other contravention of this paragraph, a failure to provide information in pursuance of the obligation to supplement such a notice shall not invalidate that notice.

(5) The duty imposed on a water undertaker by this Article shall be owed to the person who served the notice by virtue of which the duty arises.

(6) Where a duty is owed by virtue of paragraph (5) to any person, any breach of that duty which causes that person to sustain loss or damage shall be actionable at the suit of that person; but, in any proceedings brought against a water undertaker in pursuance of this paragraph, it shall be a defence for the undertaker to show that it took all reasonable steps and exercised all due diligence to avoid the breach.

(7) Where a water undertaker carries out any works which it is its duty under this Article to carry out at another person's expense, the undertaker shall be entitled to recover from that person an amount equal to the expenses reasonably incurred by the undertaker in carrying out the works.

(8) Any dispute between a water undertaker and any other person as to whether the expenses were incurred reasonably may be referred to the Authority for determination under Article 61 by either party to the dispute.

(9) Nothing in this Article or in Articles 80 to 85 shall impose any duty on a water undertaker to connect a service pipe to any premises with a service pipe to any other premises.

(10) In the following provisions of this Chapter a notice served for the purposes of this Article is referred to as a connection notice.

Duty to carry out ancillary works for the purpose of making domestic connection

80.—(1) Where a water undertaker is required to make a connection in pursuance of any connection notice, it shall also be the duty of the undertaker, at the expense of the person serving the notice, to carry out such of the works to which this Article applies as need to be carried out before the connection can be made.

(2) This Article applies to the laying of so much of the service pipe to be connected with the water main as it is necessary, for the purpose of making that connection, to lay in a street.

(3) In a case where—

- (a) the water main with which the service pipe is to be connected is situated in a street;
- (b) the premises consisting in the building or part of a building in question together with any land occupied with it abut on the part of the street where the main is situated; and
- (c) the service pipe to those premises will—
 - (i) enter the premises otherwise than through an outer wall of a building abutting on the street; and
 - (ii) have a stopcock fitted to it by the undertaker in the premises,

this Article applies to the laying of so much of the service pipe as it is necessary, for the purpose of making the required connection, to lay in land between the boundary of the street and that stopcock.

(4) In a case where the connection notice is served in compliance with a requirement imposed by a notice by DOE under Article 119, this Article applies to the laying of so much of the service pipe to be connected with a water main in pursuance of the connection notice as it is necessary, for the purpose of making the connection, to lay in land owned or occupied by a person who is certified by DOE—

- (a) to have unreasonably refused his consent to the laying of the service pipe; or
- (b) to have sought to make the giving of his consent subject to unreasonable conditions.

(5) Where a water main is alongside a street and within 18 metres of the middle of that street, paragraphs (2) to (4) shall have effect in relation to the laying, for the purpose of making a connection with that main, of a service pipe to any premises as if the street included so much of the land between the main and the boundary of the street as is not comprised in those premises or in any land occupied with those premises.

(6) It shall be the duty of any water undertaker making a connection in pursuance of a connection notice to ensure that a stopcock belonging to the undertaker is fitted to the service pipe which is connected.

(7) Paragraphs (5) to (8) of Article 79 shall have effect—

- (a) in relation to any duties which, by virtue of a connection notice, are imposed on a water undertaker by this Article; and
- (b) in relation to any works which, by virtue of the service of such a notice, such an undertaker carries out under this Article at another person's expense,

as they have effect by virtue of that notice in relation to the duty which arises under that Article or, as the case may be, to works which the undertaker carries out under that Article at another person's expense.

(8) Subject to paragraph (9), a water undertaker may comply with any duty under this Article to lay a service pipe by laying a water main instead; but nothing in Article 79 or this Article shall impose any duty on a water undertaker to lay a water main where it has no power to lay a service pipe.

(9) Where a water undertaker exercises its power under paragraph (8) to lay a water main instead of a service pipe—

- (a) sub-paragraph (a) of Article 85(1) shall have effect as if any additional time reasonably required by reason of the laying of the main instead of the service pipe were included in the time allowed by that sub-paragraph for the laying of the service pipe; but
- (b) the expenses recoverable by virtue of Article 79(7) and paragraph (7) shall not exceed such amount as it would have been reasonable for the undertaker to have incurred in laying a service pipe instead of the main.

Conditions of connection concerning metering

81.—(1) Where the owner or occupier of any premises (“the relevant premises”) serves a connection notice on a water undertaker, the undertaker shall make compliance with the requirements specified in paragraph (2) a condition of its complying with the duties to which it is subject by virtue of that notice.

(2) The requirements mentioned in paragraph (1) are—

- (a) a requirement that a meter for use in determining the amount of any charges which have been or may be fixed in relation to the relevant premises by reference to volume has been installed and connected either—
 - (i) by the undertaker; or
 - (ii) in accordance with specifications approved by the undertaker;
- (b) a requirement that—
 - (i) subject to Article 89(1), so much of the service pipe to the relevant premises as does not belong to, vest in or fall to be laid by the undertaker; and
 - (ii) the plumbing of the premises,

comply with specifications approved by the undertaker for the purpose of ensuring that it will be reasonably practicable for such a meter as is mentioned in sub-paragraph (a) to be installed and connected as so mentioned.

(3) Specifications approved by any water undertaker for the purposes of paragraph (2)(a) or (b) may be approved—

- (a) in relation to particular premises; or
- (b) by being published in such manner as the undertaker considers appropriate, in relation to premises generally or to any description of premises.

(4) Any dispute between a water undertaker and any other person as to the terms of any condition imposed under this Article may be referred by either party for determination by the Authority under Article 61.

Conditions of connection with water main

82.—(1) Subject to paragraph (3) and Articles 83 and 84, where the owner or occupier of any premises (“the relevant premises”) serves a connection notice on a water undertaker, the undertaker may make compliance with one or more of the requirements specified in paragraph (2) a condition of its complying with the duties to which it is subject by virtue of that notice.

(2) The requirements mentioned in paragraph (1) are—

- (a) a requirement that such security as the undertaker may reasonably require has been provided for the discharge of any obligations imposed by virtue of Article 79(7) or 80(7) (b) on the person who served the connection notice;
- (b) a requirement, in a case where the connection required by the connection notice is necessary as a consequence of a disconnection made by reason of any person’s failure to

pay any charges, that the person serving the connection notice has paid any amount owed by him to the undertaker—

- (i) in respect of a supply of water to the relevant premises; or
- (ii) in respect of expenses reasonably incurred in the making of the disconnection;
- (c) a requirement that a separate service pipe has been provided—
 - (i) to each house or building on the relevant premises; or
 - (ii) where different parts of a building on the relevant premises are separately occupied, to each of those parts or to any of them;
- (d) a requirement, in relation to the relevant premises—
 - (i) that such a requirement as may be imposed under Article 106 has been complied with; or
 - (ii) in a case where such a requirement could be imposed but for there already being such a cistern as is mentioned in that Article, that the cistern and its float-operated valve are in good repair;
- (e) a requirement that there is no contravention in relation to the water fittings used or to be used in connection with—
 - (i) the supply of water to the relevant premises; or
 - (ii) the use of water in those premises,of such of the requirements of regulations under Article 114 as are prescribed for the purposes of this sub-paragraph; and
- (f) a requirement that every such step has been taken as has been specified in any notice served on any person under Article 115 in relation to the relevant premises.

(3) No condition shall be imposed by a water undertaker under paragraph (2)(c) unless it is reasonable to do so in order to ensure that the undertaker will be able to perform its functions, in relation to the supply of water to the relevant premises or any part of those premises, efficiently.

(4) A condition shall not be imposed by a water undertaker under this Article or Article 81 on a person who has served a connection notice except by a counter-notice served on that person before the end of the period of 14 days beginning with the day after the service of the connection notice.

(5) Any dispute as to whether any requirement of a kind mentioned in paragraph (2)(a), (b), (c) or (d) has been complied with may be referred to the Authority for determination under Article 61 by either party to the dispute.

- (6) Any dispute between a water undertaker and any other person as to whether—
 - (a) any security required by a condition imposed under paragraph (2)(a) was reasonably required,
 - (b) the expenses referred to in paragraph (2)(b)(ii) were incurred reasonably, or
 - (c) in a particular case, paragraph (3) prevents a water undertaker from imposing a condition under paragraph (2)(c),

may be referred to the Authority for determination under Article 61 by either party to the dispute.

(7) This Article shall be without prejudice to the provisions of Articles 197 and 343 of the [Insolvency \(Northern Ireland\) Order 1989 \(NI 19\)](#) (conditions of supply after insolvency).

Interest on sums deposited in pursuance of the deposit condition

83.—(1) Where for the purposes of paragraph (2)(a) of Article 82 any sums have been deposited with a water undertaker by way of security for the discharge of any obligation, the undertaker shall pay interest at such rate as may be determined either—

- (a) by the undertaker with the approval of the Authority; or
 - (b) in default of a determination under sub-paragraph (a), by the Authority,
- on every sum so deposited for every 3 months during which it remains in the hands of the undertaker.
- (2) An approval or determination by the Authority for the purposes of this Article—
 - (a) may be given or made in relation to a particular case or description of cases or generally; and
 - (b) may be revoked at any time.

Restrictions on imposition of condition requiring separate service pipes

84.—(1) This Article applies where the effect of a connection notice served in respect of any house is to require a service pipe to that house to be connected with a water main with which it has previously been connected.

(2) Where this Article applies, the water undertaker on which the connection notice is served shall not be entitled to make the reconnection subject to any such condition as, apart from this Article, may be imposed by virtue of Article 82(2)(c) unless the undertaker would have been entitled under Article 104 to require the provision of a separate service pipe if the reconnection had already been made.

Time for performance of connection etc. duties

85.—(1) A water undertaker shall not be in breach of a duty imposed by virtue of the service of a connection notice unless—

- (a) in the case of a duty to lay any service pipe or to connect any service pipe to which such a duty relates, it has failed to lay that pipe or to make that connection as soon as reasonably practicable after the relevant day;
- (b) in the case of a duty to connect a service pipe the whole of which has already been laid when the notice is served on the undertaker, it has failed to make the connection before the end of the period of 14 days beginning with the relevant day.

(2) In any case in which a water undertaker is subject to any such duty as is mentioned in paragraph (1)(a), it shall be presumed, unless the contrary is shown in relation to that case, that the period of 21 days beginning with the relevant day is the period within which it is reasonably practicable for a water undertaker—

- (a) to lay so much of any service pipe; and
- (b) to fit such stopcock,

as it is necessary to lay or fit in that case for connecting a water main in a street with a service pipe at the boundary of any premises which abut on the part of the street where the main is situated.

(3) Where—

- (a) a connection notice is served in respect of any premises; and
- (b) at the time when the notice is served, the customer's part of the service pipe to those premises has not been laid,

the duties of the undertaker under Articles 79 and 80 shall not arise by virtue of that notice until the person serving the notice, having obtained the necessary consents from the owners and occupiers of any affected land, has, at his own expense, laid so much of the service pipe as it is necessary, for the purpose of making the connection, to lay otherwise than in a street or in land mentioned in paragraphs (3) to (5) of Article 80.

(4) In paragraph (3) the reference to the customer's part of the service pipe to any premises is a reference to so much of the service pipe to those premises as falls to be laid otherwise than by the water undertaker in pursuance of Article 80.

(5) Where—

- (a) a person who has served a connection notice on a water undertaker has failed to comply with his obligation under Article 79(4)(a) to supplement that notice with information required by the undertaker; and
- (b) that requirement was made by the undertaker at such a time before the end of the period within which the undertaker is required to comply with the duties imposed by virtue of the notice as gave that person a reasonable opportunity to provide the required information within that period,

the undertaker may delay its compliance with those duties until a reasonable time after the required information is provided.

(6) In this Article “the relevant day”, in relation to a duty imposed on a water undertaker by virtue of a connection notice, means the day after whichever is the latest of the following days, that is to say—

- (a) the day on which the notice was served on the undertaker;
- (b) in a case where it is necessary for the person serving the notice to lay any service pipe after serving the notice, the day on which a notice stating that the pipe has been laid is served on the undertaker;
- (c) the day on which all such conditions are satisfied as the undertaker has, under Articles 81 to 84, made conditions of its compliance with that duty.

Adoption of water mains and service pipes

Agreements to adopt water main or service pipe at a future date

86.—(1) Subject to paragraphs (2) and (10), a water undertaker may agree with any person constructing or proposing to construct—

- (a) any water main; or
- (b) any service pipe,

that, if the water main or service pipe is constructed in accordance with the terms of the agreement, the undertaker will, upon completion of the work, at some specified date or on the happening of some future event, declare the water main or (as the case may be) so much of the service pipe as the undertaker could otherwise, by virtue of Articles 79 to 85, be required to lay, to be vested in that undertaker.

(2) Paragraph (1) shall not apply in the case of water mains or service pipes which are to be used (in whole or in part) for the purpose of supplying water other than for domestic purposes, but—

- (a) nothing in this Article shall prevent a water undertaker from agreeing apart from this Article to declare any such water main or service pipe (or a part of it, as specified in the agreement) to be vested in the undertaker; and
- (b) such a declaration shall take effect as a declaration made under this Chapter.

(3) A person constructing or proposing to construct a water main or a service pipe to which paragraph (1) applies may make an application in writing to a water undertaker requesting the undertaker to make an agreement under this Article.

(4) An application under paragraph (3) shall be accompanied and supplemented by all such information as the undertaker may reasonably require; but subject to paragraph (5) and without

prejudice to the effect (if any) of any other contravention of the requirements of this Article in relation to such an application, a failure to provide information in pursuance of the obligation to supplement such an application shall not invalidate the application.

(5) Where—

- (a) a person who has made an application to a water undertaker under paragraph (3) has failed to comply with his obligation under this Article to supplement that application with information required by the undertaker; and
- (b) that requirement was made by the undertaker at such a time before the end of the period within which the undertaker is required, by virtue of Article 87, to respond to the application as gave that person a reasonable opportunity to provide the required information within that period,

the undertaker may delay its response to the application until a reasonable time after the required information is provided.

(6) In deciding whether or on what terms to grant an application under paragraph (3), a water undertaker shall have regard in particular to any effect or potential effect on the quality of water supplies and to any increased danger to life or health which it considers may result.

(7) The terms of an agreement under paragraph (1) relating to a water main may, in particular, include terms—

- (a) for the provision (at the expense of the person constructing or proposing to construct the water main) by—
 - (i) that person; or
 - (ii) the water undertaker,
 of such associated infrastructure at or downstream of the point of connection with the undertaker's supply system as it is necessary to provide in consequence of incorporating the new water main into that system;
- (b) providing that, if the water main and the associated infrastructure are constructed in accordance with the terms of the agreement, the undertaker will, in addition to declaring the water main to be vested in it, declare the associated infrastructure to be so vested;
- (c) where the undertaker considers that the proposed main is, or is likely to be, needed for the provision of water supply services in addition to those for which the person is proposing to construct the main—
 - (i) requiring that person to construct the main in a manner differing, as regards material or size of pipes, depth or otherwise, from the manner in which that person proposes, or could otherwise be required by the undertaker, to construct it; and
 - (ii) providing for the repayment by the undertaker of any extra expense reasonably incurred by that person in complying with that requirement;
- (d) for the connection of the new water main to the undertaker's existing supply system at the point or points specified in the agreement;
- (e) for any service pipes which the person constructing or proposing to construct the new water main proposes to connect to that main to be constructed in accordance with the terms of the agreement and, subject to that, to be vested in the undertaker at the same time as the main.

(8) The terms of an agreement under paragraph (1) relating to a service pipe may, in particular, include terms—

- (a) for the connection of the new service pipe to the undertaker's existing supply system at the point or points specified in the agreement;

(b) for such requirements of the kind referred to in Article 82(2) as may be applicable to be complied with before connection takes place.

(9) An agreement made under this Article by a water undertaker shall be enforceable against the undertaker by the owner or occupier for the time being of any premises connected or to be connected with the water main or service pipe to which it relates.

(10) A water undertaker shall not make an agreement under this Article with respect to a water main or a service pipe situated within the area of another water undertaker, until either—

- (a) that other undertaker has consented in writing to the making of the agreement; or
- (b) the Authority, on an application made to it, has dispensed with the necessity for such consent, either unconditionally or subject to such conditions as the Authority may think fit to impose.

Appeals with respect to adoption

87.—(1) Subject to Article 86(5), a person constructing or proposing to construct a water main or service pipe may appeal to the Authority where the water undertaker—

- (a) has refused an application under Article 86;
- (b) has offered to grant such an application on terms to which that person objects; or
- (c) has failed, before the end of two months from the making of such an application, either to refuse the application or to give notice to the applicant of the terms on which it is prepared to grant the application.

(2) On the hearing of an appeal under this Article, the Authority may—

- (a) uphold the refusal of the undertaker to grant the application or to modify the terms offered; or
- (b) on behalf of the undertaker, refuse the application or enter into any agreement into which the undertaker might have entered on the application.

(3) Where the Authority makes an agreement under paragraph (2)(b) on behalf of a water undertaker, it may do so on such terms as it considers reasonable or, as the case may be, on the terms offered by the undertaker subject to such modifications as it considers appropriate for ensuring that the terms of the agreement are reasonable.

(4) An agreement entered into on behalf of a water undertaker under paragraph (2)(b) shall be deemed, for the purposes of this Order, to have been entered into under Article 86.

(5) In deciding on an appeal under this Article, the Authority may include such incidental, supplemental and consequential provision (including provision requiring either party to pay a sum in respect of the costs or expenses incurred by the Authority) as it thinks fit, and any such provision as to costs or expenses shall be enforceable as if it were a money judgment within the meaning of the [Judgments \(Enforcement\) \(Northern Ireland\) Order 1981\(NI 6\)](#).

Financial conditions of compliance

88.—(1) This Article applies where an agreement is, or is to be, entered into under Article 86 in relation to a water main (“the adopted main”) by, or on behalf of, a water undertaker and a person constructing or proposing to construct that water main.

(2) Where this Article applies, the water undertaker may, as a condition of the undertaker’s compliance with the agreement, require that person to pay to it the reasonable costs incurred by it in connection with the adopted main as determined in accordance with the undertaker’s charges scheme.

(3) For the purposes of any payment required to be made by virtue of paragraph (2), the water undertaker may require the person to provide such security as it may reasonably request, and the provisions of paragraphs (4) and (5) of Article 77 shall apply to any security so required as they apply to security required under that Article.

(4) Where this Article applies, the water undertaker shall pay to the person referred to in paragraph (1), upon declaring the water main to be vested in the undertaker—

- (a) such sum as may be determined in accordance with the charges scheme of the undertaker; or
- (b) if no such provision has been made in the charging scheme, such sum as the undertaker may with the approval of the Authority determine.

(5) Except in a case to which paragraph (4)(b) applies, any dispute between the water undertaker and the other person as to the payments required to be made or the security required to be provided by virtue of this Article may be referred to the Authority for determination under Article 61 by either party to the dispute.

Prohibition on connection without adoption

89.—(1) Where a person (other than a water undertaker) constructs a water main or service pipe which is to be used, in whole or in part, for supplying water for domestic or food production purposes, no water undertaker may permit that water main or service pipe to become connected with its supply system unless it vests (to the relevant extent) in a water undertaker.

(2) In paragraph (1), “the relevant extent” means the extent specified in the agreement for the vesting in the undertaker of the water main or service pipe in question.

(3) The prohibition imposed on a water undertaker by paragraph (1) shall be enforceable under Article 30 by the Authority.

Articles 86 to 89: supplementary

90.—(1) For the purposes of Articles 86 to 89, the definition of “water main” in Article 2(2) shall be treated as if the words “not being a pipe for the time being vested in a person other than the undertaker” were omitted.

(2) In Article 86, references to so much of the service pipe as the undertaker could otherwise, by virtue of Articles 79 to 85, be required to lay shall be construed disregarding Article 80(8).

(3) In this Order, references to vesting or the making of a declaration of vesting with respect to a service pipe refer to so much of the service pipe as is specified for those purposes in the relevant vesting agreement.

Domestic supplies

The domestic supply duty

91.—(1) The domestic supply duty of a water undertaker in relation to any premises is a duty, until there is an interruption of that duty—

- (a) to provide to those premises such a supply of water as (so far as those premises are concerned) is sufficient for domestic purposes; and
- (b) to maintain the connection between the undertaker’s water main and the service pipe by which that supply is provided to those premises.

(2) Subject to the following provisions of this Article and to Article 92, a water undertaker shall owe a domestic supply duty in relation to any premises to which this Article applies if—

- (a) a demand for a supply of water for domestic purposes has been made, in accordance with paragraph (5), to the undertaker in respect of those premises; or
- (b) those premises are premises to which this Article applies by reason of a supply of water provided before the transfer date,

and there has been no interruption of the domestic supply duty in relation to those premises since that demand was made or, as the case may be, since the transfer date.

- (3) This Article applies to any premises if—
 - (a) they consist in the whole or any part of a building and are connected by means of a service pipe to one of the undertaker's water mains; and
 - (b) the requirements of paragraph (4) are satisfied in relation to those premises.
- (4) The requirements of this paragraph are satisfied in relation to any premises if—
 - (a) the pipe by means of which the premises are connected to the water main in question was first connected with that main in pursuance of a connection notice served in respect of those premises;
 - (b) that pipe was the means by which a supply of water from that main was being supplied to those premises for domestic purposes immediately before the transfer date;
 - (c) the condition specified in sub-paragraph (b) would be satisfied in relation to the premises if any service pipe to those premises had not been temporarily disconnected for the purposes of any necessary works which were being carried out immediately before the transfer date; or
 - (d) the condition specified in any of the preceding sub-paragraphs—
 - (i) has been satisfied in relation to the premises at any time on or after the transfer date; and
 - (ii) would continue to be satisfied in relation to the premises had not the whole or any part of a service pipe to those premises, or the main with which such a pipe had been connected, been renewed (on one or more previous occasions).
- (5) For the purposes of this Article a demand in respect of any premises is made in accordance with this paragraph if it is made—
 - (a) by the person who is the occupier of the premises at the time when the demand is made; or
 - (b) by a person who is the owner of the premises at that time and agrees with the undertaker to pay all the undertaker's charges in respect of the supply demanded.
- (6) For the purposes of this Article—
 - (a) there is an interruption of the domestic supply duty owed by a water undertaker in relation to any premises if that supply is cut off by anything done by the undertaker in exercise of any of its disconnection powers, other than a disconnection or cutting off for the purposes of the carrying out of any necessary works; and
 - (b) a domestic supply duty owed in relation to any premises shall not be treated as interrupted by reason only of a change of the occupier or owner of the premises.
- (7) Nothing in this Article shall impose any duty on a water undertaker—
 - (a) to provide a supply of water directly from, or maintain any connection with, a water main which is a trunk main or is or is to be used solely for the purpose of supplying water otherwise than for domestic purposes; or
 - (b) to provide a supply of water to any premises, or maintain the connection between a water main and a service pipe to any premises, during any period during which it is reasonable—
 - (i) for the supply of water to those premises to be cut off or reduced; or

(ii) for the pipe to be disconnected,

for the purposes of the carrying out of any necessary works.

(8) In this Article references to the disconnection powers of a water undertaker are references to the powers conferred on the undertaker by any of Articles 99 to 101 and 115.

Conditions of compliance with domestic supply duty

92.—(1) Where a demand for the purposes of Article 91(2) has been made to a water undertaker in respect of any premises (“the relevant premises”), the undertaker may make compliance with one or more of the requirements specified in paragraph (2) a condition of providing his first supply of water in compliance with that demand.

(2) The requirements mentioned in paragraph (1) are—

(a) a requirement, in a case where the demand is made as a consequence of a supply having been cut off by reason of any person’s failure to pay any charges, that the person making the demand has paid any amount owed by him to the undertaker—

(i) in respect of a supply of water to the relevant premises; or

(ii) in respect of expenses reasonably incurred in cutting off any such supply;

(b) a requirement, in relation to the relevant premises—

(i) that such a requirement as may be imposed under Article 106 has been complied with; or

(ii) in a case where such a requirement could be imposed but for there already being such a cistern as is mentioned in that Article, that the cistern and its float-operated valve are in good repair;

(c) a requirement that there is no contravention in relation to the water fittings used or to be used in connection with—

(i) the supply of water to the relevant premises; or

(ii) the use of water in those premises,

of such of the requirements of regulations under Article 114 as are prescribed for the purposes of this paragraph; and

(d) a requirement that every such step has been taken as has been specified in any notice served on any person under Article 115 in relation to the relevant premises.

(3) Any dispute between a water undertaker and any other person as to whether any requirement of a kind mentioned in paragraph (2)(a) or (b) has been complied with may be referred to the Authority for determination under Article 61 by either party to the dispute.

(4) Any dispute between a water undertaker and any other person as to whether the expenses referred to in paragraph (2)(a)(ii) were incurred reasonably may be referred to the Authority for determination under Article 61 by either party to the dispute.

(5) This Article shall be without prejudice to the provisions of Articles 197 and 343 of the [Insolvency \(Northern Ireland\) Order 1989 \(NI 19\)](#) (conditions of supply after insolvency).

Enforcement of domestic supply duty

93.—(1) A duty imposed on a water undertaker under Article 91—

(a) to provide a supply of water to any premises; or

(b) to maintain a connection between a water main and a service pipe by which such a supply is provided,

shall be owed to the consumer.

(2) Where a duty is owed by virtue of this Article to any person, any breach of that duty which causes that person to sustain loss or damage shall be actionable at the suit of that person; but, in any proceedings brought against a water undertaker in pursuance of this paragraph, it shall be a defence for the undertaker to show that it took all reasonable steps and exercised all due diligence to avoid the breach.

Other supplies

Supplies for non-domestic purposes

94.—(1) This Article applies where the owner or occupier of any premises in the area of a water undertaker requests the undertaker to provide a supply of water to those premises and—

- (a) the premises are premises which do not consist in the whole or any part of a building; or
- (b) the requested supply is for purposes other than domestic purposes.

(2) Where this Article applies, it shall be the duty of the water undertaker, in accordance with such terms and conditions as may be determined under Article 95—

- (a) to take any such steps as may be so determined in order to enable the undertaker to provide the requested supply; and
- (b) having taken any such steps, to provide that supply.

(3) A water undertaker shall not be required by virtue of this Article to provide a new supply to any premises, or to take any steps to enable it to provide such a supply, if the provision of that supply or the taking of those steps would—

- (a) require the undertaker, in order to meet all its existing obligations to supply water for domestic or other purposes, together with its probable future obligations to supply buildings and parts of buildings with water for domestic purposes, to incur unreasonable expenditure in carrying out works; or
- (b) otherwise put at risk the ability of the undertaker to meet any of the existing or probable future obligations mentioned in sub-paragraph (a).

(4) A water undertaker shall not be required by virtue of this Article to provide a new supply to any premises, or to take any steps to enable it to provide such a supply, if there is a contravention in relation to the water fittings used or to be used in connection with—

- (a) the supply of water to those premises; or
- (b) the use of water in those premises,

of such of the requirements of regulations under Article 114 as are prescribed for the purposes of this paragraph.

(5) Where—

- (a) a request has been made by any person to a water undertaker for the purposes of paragraph (2); and
- (b) the steps which the undertaker is required to take by virtue of that request include steps for the purpose of obtaining any necessary authority for, or agreement to, any exercise by the undertaker of any of its powers or the carrying out by the undertaker of any works,

the failure of the undertaker to acquire the necessary authority or agreement shall not affect any liability of that person, under any term or condition in accordance with which those steps are taken, to re-imburse the undertaker in respect of some or all of the expenses incurred by the undertaker in taking those steps.

(6) Nothing in this Article shall impose any duty on a water undertaker to provide a supply of water to any premises during any period during which it is reasonable for the supply of water to those premises to be cut off or reduced for the purposes of the carrying out of any necessary works.

(7) The duty of a water undertaker to supply water under this Article at the request of any person, and any terms and conditions determined under Article 95 in default of agreement between the undertaker and that person, shall have effect as if contained in such an agreement.

(8) Except so far as otherwise provided by the terms and conditions determined under Article 95 in relation to any supply, the duties of a water undertaker under this Article shall have effect subject to the provisions of Articles 99 to 102 and 115.

Determinations on requests for non-domestic supplies

95.—(1) Subject to paragraph (3), any terms or conditions or other matter which falls to be determined for the purposes of a request made by any person to a water undertaker for the purposes of Article 94 shall be determined—

- (a) by agreement between that person and the water undertaker; or
- (b) in default of agreement, by the Authority according to what appears to it to be reasonable.

(2) Subject to paragraph (3), the Authority shall also determine any dispute arising between any person and a water undertaker by virtue of paragraph (3) or (4) of Article 94.

(3) The Authority may, instead of itself making a determination under paragraph (1) or (2), refer any matter submitted to it for determination under that paragraph to the arbitration of such person as it may appoint.

(4) For the purposes of any determination under this Article by the Authority or any person appointed by the Authority, it shall be for a water undertaker to show that it should not be required to comply with a request made for the purposes of Article 94.

(5) The charges in respect of a supply provided in compliance with any request made for the purposes of Article 94—

- (a) shall not be determined by the Authority or a person appointed by the Authority, except in so far as, at the time of the request, no provision is in force by virtue of a charges scheme under Article 201 in respect of supplies of the applicable description; and
- (b) in so far they do fall to be determined, shall be so determined having regard to the desirability of the undertaker's—
 - (i) recovering the expenses of complying with its obligations under Article 94; and
 - (ii) securing a reasonable return on its capital.

(6) To the extent that paragraph (5)(a) excludes any charges from a determination under this Article, those charges shall be fixed from time to time by a charges scheme under Article 201, but not otherwise.

(7) The determination of any matter under this Article shall be without prejudice to the provisions of Articles 197 and 343 of the [Insolvency \(Northern Ireland\) Order 1989 \(NI 19\)](#) (conditions of supply after insolvency).

Duty to provide a supply of water etc. for fire-fighting

96.—(1) It shall be the duty of a water undertaker to allow any person to take water for extinguishing fires from any of its water mains or other pipes on which a fire-hydrant is fixed.

(2) Every water undertaker shall, at the request of the Northern Ireland Fire and Rescue Service Board (“the Board”), fix fire-hydrants on its water mains (other than its trunk mains) at such places

as may be most convenient for affording a supply of water for extinguishing any fire which may break out within the area of the undertaker.

(3) It shall be the duty of every water undertaker to keep every fire-hydrant fixed on any of its water mains or other pipes in good working order and, for that purpose, to replace any such hydrant when necessary.

(4) It shall be the duty of a water undertaker to ensure that the Board has been supplied by the undertaker with all such keys as the Board may require for the fire-hydrants fixed on the water mains or other pipes of the undertaker.

(5) Where a fire-hydrant is removed (other than at the request of the Board) by a water undertaker in the course of carrying out works in relation to any of its water mains or other pipes, the cost of replacing the fire-hydrant shall be borne by the undertaker.

(6) Subject to Article 97(3), the expenses incurred by a water undertaker in complying with its obligations under paragraphs (2) to (4) shall be borne by the Board.

(7) Nothing in this Article shall require a water undertaker to do anything which it is unable to do by reason of the carrying out of any necessary works.

(8) The obligations of a water undertaker under this Article shall be enforceable under Article 30 by the Department.

(9) In addition, where a water undertaker is in breach of its obligations under this Article, the undertaker shall be guilty of an offence and liable—

- (a) on summary conviction, to a fine not exceeding the statutory maximum;
- (b) on conviction on indictment, to a fine.

(10) In any proceedings against any water undertaker for an offence under paragraph (9) it shall be a defence for that undertaker to show that it took all reasonable steps and exercised all due diligence to avoid the commission of the offence.

Specially requested fire hydrants

97.—(1) A water undertaker shall, at the request of the owner or occupier of any factory or place of business, fix a fire-hydrant, to be used for extinguishing fires and not other purposes, at such place on any suitable water main or other pipe of the undertaker as is as near as conveniently possible to that factory or place of business.

(2) For the purposes of paragraph (1) a water main or other pipe is suitable, in relation to a factory or place of business, if—

- (a) it is situated in a road which is in or near to that factory or place of business; and
- (b) it is of sufficient dimensions to carry a hydrant and is not a trunk main.

(3) Paragraph (6) of Article 96 shall not apply in relation to expenses incurred in compliance, in relation to a specially requested fire-hydrant, with the obligations under paragraphs (3) and (4) of that Article.

(4) Any expenses incurred by a water undertaker—

- (a) in complying with its obligations under paragraph (1); or
- (b) in complying, in relation to a specially requested fire-hydrant, with its obligations under Article 96(3) or (4),

shall be borne by the owner or occupier of the factory or place of business in question, according to whether the person who made the original request for the hydrant did so in his capacity as owner or occupier.

(5) Where a specially requested fire-hydrant is removed (other than at the request of the owner or occupier of the factory or place of business in question) by a water undertaker in the course of

carrying out works in relation to any of its water mains or other pipes, the cost of replacing the fire-hydrant shall be borne by the undertaker.

(6) Paragraphs (7) to (10) of Article 96 shall apply in relation to the obligations of a water undertaker under this Article as they apply to the obligations of a water undertaker under that Article.

(7) In this Article—

“factory” has the same meaning as in the Factories Act (Northern Ireland) 1965 (c. 20); and

“specially requested fire-hydrant” means a fire-hydrant which—

- (a) is fixed on a water main or other pipe of a water undertaker; and
- (b) was fixed on that main or pipe in pursuance of a request made by the owner or occupier of a factory or place of business.

Supplies for other public purposes

98.—(1) A water undertaker shall, at the request of a sewerage undertaker, the Department or a district council, provide, from such of its pipes as are of an appropriate capacity, a supply of water for cleansing sewers and drains or for cleansing and watering roads.

(2) A supply of water provided by a water undertaker under this Article shall be provided upon such terms and conditions as may be reasonable.

(3) A water main or other pipe of a water undertaker shall be treated as of an appropriate capacity for the purposes of this Article if and only if it has a fire-hydrant fixed on it.

(4) Nothing in this Article shall require a water undertaker to do anything which it is unable to do by reason of the carrying out of any necessary works.

(5) The obligations of a water undertaker under this Article shall be enforceable under Article 30 by the Authority.

Disconnections

Disconnections for the carrying out of necessary works

99.—(1) Subject to the following provisions of this Article, a water undertaker may—

- (a) disconnect a service pipe which, for the purposes of providing a supply of water to any premises, is connected with any water main of that undertaker; or
- (b) otherwise cut off a supply of water to any premises,

if it is reasonable for the disconnection to be made, or the supply to be cut off, for the purposes of the carrying out of any necessary works.

(2) The power of a water undertaker under this Article to cut off a supply of water shall include power to reduce a supply of water.

(3) Except in an emergency or in the case of a reduction which is immaterial, the power of a water undertaker under this Article to cut off or reduce a supply shall be exercisable in relation to any premises only after the undertaker has served reasonable notice on the consumer of the proposal for the carrying out of the necessary works.

(4) Where a water undertaker exercises its power under this Article to make any disconnection or to cut off or reduce a supply of water to any premises for the purposes of the carrying out of any necessary works, it shall owe a duty to the consumer to secure—

- (a) that those works are carried out with reasonable dispatch; and
- (b) that any supply of water to those premises for domestic purposes is interrupted for more than 24 hours for the purposes of the carrying out of those works only if an emergency

supply has been made available (whether or not in pipes) within a reasonable distance of the premises.

(5) Any breach by a water undertaker of the duty owed by virtue of paragraph (4) which causes any person to whom it is owed to sustain loss or damage shall be actionable at the suit of that person.

Disconnections for non-payment of charges

100.—(1) Subject to the following provisions of this Article, a water undertaker may disconnect a service pipe which for the purposes of providing a supply of water to any premises is connected with any water main of that undertaker, or may otherwise cut off a supply of water to any premises, if the occupier of the premises—

- (a) is liable (whether in his capacity as occupier or under any agreement with the undertaker) to pay charges due to the undertaker in respect of the supply of water to those premises; and
- (b) has failed to do so before the end of the period of 7 days beginning with the day after he is served with notice requiring him to do so.

(2) The power conferred by paragraph (1) is not exercisable in relation to any premises specified in Schedule 2.

(3) Where—

- (a) a water undertaker has served a notice for the purposes of sub-paragraph (b) of paragraph (1) on a person; and
- (b) within the period of 7 days mentioned in that sub-paragraph, that person serves a counter-notice on the undertaker stating that he disputes his liability to pay the charges in question,

the undertaker shall not in respect of that notice exercise his power by virtue of that paragraph in relation to any premises except at a time when that person is the occupier of the premises and those charges are enforceable against that person in a manner specified in paragraph (4).

(4) For the purposes of paragraph (3) charges are enforceable in a manner specified in this paragraph against a person if—

- (a) the undertaker is able to enforce a judgment against that person for the payment of the charges; or
- (b) that person is in breach of an agreement entered into, since the service of his counter-notice, for the purpose of avoiding or settling proceedings by the undertaker for the recovery of the charges.

(5) A water undertaker which exercises its power under this Article to disconnect any pipe or otherwise to cut off any supply of water may recover, from the person in respect of whose liability the power is exercised, any expenses reasonably incurred by the undertaker in making the disconnection or in otherwise cutting off the supply.

(6) Where—

- (a) a water undertaker has power under this Article to disconnect any pipe to any premises, or otherwise to cut off any supply to any premises; and
- (b) a supply of water is provided to those premises and to other premises wholly or partly by the same service pipe,

the undertaker may exercise that power so as to cut off the supply to those other premises if and only if the same person is the occupier of the premises in relation to which the charges are due and of the other premises.

Disconnections at request of customer

101.—(1) Subject to the following provisions of this Article, a water undertaker may—

- (a) disconnect a service pipe which for the purposes of providing a supply of water to any premises is connected with any water main of that undertaker; or
- (b) otherwise cut off a supply of water to any premises,

if notice specifying the time after which a supply of water to those premises will no longer be required has been served on the undertaker by a consumer and that time has passed.

(2) No person shall be liable to a water undertaker for any expenses incurred by the undertaker in exercising the power conferred on the undertaker by this Article.

General duties of undertakers with respect to disconnections

102.—(1) Where a water undertaker—

- (a) disconnects a service pipe to any inhabited house, or otherwise cuts off a supply of water to such a house; and
- (b) does so without restoring the supply to that house before the end of the period of 24 hours beginning with the time when it is cut off,

the undertaker shall, no later than 48 hours after that time, serve notice that it has cut off that supply on the district council in whose district the house is situated.

(2) A water undertaker which fails, without reasonable excuse, to serve a notice on a district council as required by paragraph (1) shall be guilty of an offence under this Article.

(3) A water undertaker shall be guilty of an offence under this Article if—

- (a) it disconnects a service pipe to any premises, or otherwise cuts off a supply of water to any premises, in a case in which it has no power to do so under Articles 99 to 101, Article 115 or any other statutory provision; or
- (b) in disconnecting any such pipe or cutting off any such supply it fails, without reasonable excuse, to comply with any requirement of the provisions in pursuance of which it disconnects the pipe or cuts off the supply.

(4) A water undertaker which is guilty of an offence under this Article shall be liable, on summary conviction, to a fine not exceeding level 3 on the standard scale.

Use of limiting devices

Prohibition of use of limiting devices

103.—(1) A water undertaker shall be guilty of an offence under this Article if it uses a limiting device in relation to any premises specified in Schedule 2, with the intention of enforcing payment of charges which are or may become due to the undertaker in respect of the supply of water to the premises.

(2) For the purposes of this Article “a limiting device”, in relation to any premises, means any device or apparatus which—

- (a) is fitted to any pipe by which water is supplied to the premises or a part of the premises, whether that pipe belongs to the undertaker or to any other person, and
- (b) is designed to restrict the use which may be made of water supplied to the premises by the undertaker.

(3) An undertaker does not commit an offence under this Article by disconnecting a service pipe to any premises or otherwise cutting off a supply of water to the premises.

(4) An undertaker guilty of an offence under this Article shall be liable on summary conviction to a fine not exceeding level 3 on the standard scale.

Means of supply

Supply by means of separate service pipes

104.—(1) Subject to the following provisions of this Article, a water undertaker may require the provision of a separate service pipe to any premises which—

- (a) consist in a house or any other building or part of a building, being, in the case of a part of a building, a part which is separately occupied; and
- (b) are already supplied with water by the undertaker but do not have a separate service pipe.

(2) Where the supply of water to two or more houses is provided wholly or partly by the same service pipe, the water undertaker shall not require the provision of separate service pipes to those houses until—

- (a) the service pipe, in so far as it belongs to a person other than the undertaker, becomes so defective as to require renewal or is no longer sufficient to meet the requirements of those houses;
- (b) a payment in respect of the supply of water to any of those houses remains unpaid after the end of the period for which it is due;
- (c) the houses are, by structural alterations to one or more of them, converted into a larger number of houses;
- (d) the owner or occupier of any of those houses has interfered with, or allowed another person to interfere with, the existing service pipe and thereby caused the supply of water to any house to be interfered with; or
- (e) the undertaker has reasonable grounds for believing that such interference as is mentioned in sub-paragraph (d) is likely to take place.

(3) Any dispute between a water undertaker and any other person as to whether any condition of a kind mentioned in paragraph (2) has been complied with may be referred to the Authority for determination under Article 61 by either party to the dispute.

(4) If, in the case of any such premises as are described in paragraph (1), the water undertaker which provides a supply of water to those premises serves notice on the consumer requiring the provision of a separate service pipe and setting out the power of the undertaker under paragraph (5)—

- (a) that consumer shall, within 3 months after the service of the notice, lay so much of the required pipe as the undertaker is not under a duty to lay by virtue of sub-paragraph (b);
- (b) Articles 79 to 85 shall apply as if that consumer had by a connection notice required the undertaker to connect the separate service pipe to those premises with the undertaker's water main;
- (c) that consumer shall be presumed, without prejudice to his power to make further demands and requests—
 - (i) in so far as those premises were provided before the service of the notice with a supply of water for domestic purposes, to have made a demand for the purposes of Article 91 that such a supply is provided by means of the separate service pipe; and
 - (ii) in so far as those premises were provided before the service of the notice with a supply of water for other purposes, to have requested the undertaker to provide the same supply by means of that pipe as was provided before the service of the notice; and
- (d) on providing a supply of water to those premises by means of the separate service pipe, the undertaker may cut off any supply replaced by that supply and may make such disconnections of pipes by which the replaced supply was provided as it thinks fit.

(5) If a person upon whom a notice has been served for the purposes of paragraph (4) fails to comply with the notice, the water undertaker may—

- (a) itself carry out the works which that person was required to carry out; and
- (b) recover the expenses reasonably incurred by the undertaker in doing so from that person.

(6) Without prejudice—

- (a) to the power of a water undertaker by virtue of sub-paragraph (b) of paragraph (4) to impose conditions under Article 82; or
- (b) to the power conferred by virtue of sub-paragraph (d) of that paragraph,

any works carried out by a water undertaker by virtue of the provisions of the said sub-paragraph (b) or of paragraph (5) shall be necessary works for the purposes of this Chapter.

Duties of undertakers as respects constancy and pressure

105.—(1) Subject to the following provisions of this Article, it shall be the duty of a water undertaker to cause the water in such of its water mains and other pipes as—

- (a) are used for providing supplies of water for domestic purposes; or
- (b) have fire-hydrants fixed on them,

to be laid on constantly and at such a pressure as will cause the water to reach to the top of the top-most storey of every building within the undertaker's area.

(2) Nothing in paragraph (1) shall require a water undertaker to provide a supply of water at a height greater than that to which it will flow by gravitation through its water mains from the service reservoir or tank from which that supply is taken.

(3) For the purposes of this Article a water undertaker shall be entitled to choose the service reservoir or tank from which any supply is to be taken.

(4) Nothing in paragraph (1) shall impose any duty on a water undertaker to maintain the constancy or pressure of any supply of water during any period during which it is reasonable for that supply to be cut off or reduced for the purposes of the carrying out of any necessary works.

(5) The Department may by order modify the application of the preceding provisions of this Article in relation to any water undertaker.

(6) The Department shall not make an order under paragraph (5) except—

- (a) in accordance with Schedule 3; and
- (b) on an application made in accordance with that Schedule by the Authority or by the water undertaker in relation to which the order is made.

(7) Subject to paragraph (6), an order under paragraph (5) shall be subject to negative resolution.

(8) An order under paragraph (5) may—

- (a) require the payment of compensation by a water undertaker to persons affected by the order; and
- (b) contain such supplemental, consequential and transitional provision as the Department considers appropriate.

(9) The obligations of a water undertaker under this Article shall be enforceable under Article 30 by the Authority.

(10) In addition, where a water undertaker is in breach of a duty under this Article, the undertaker shall be guilty of an offence and liable—

- (a) on summary conviction, to a fine not exceeding the statutory maximum;
- (b) on conviction on indictment, to a fine.

(11) In any proceedings against any water undertaker for an offence under paragraph (10) it shall be a defence for that undertaker to show that it took all reasonable steps and exercised all due diligence to avoid the commission of the offence.

Requirements by undertaker for maintaining pressure

106.—(1) A water undertaker may require that any premises consisting in—

- (a) any building or part of a building the supply of water to which need not, in accordance with provision contained in or made under this Order, be constantly laid on under pressure; or
- (b) any relevant house to which water is required to be delivered at a height greater than a point 10.5 metres below the draw-off level of the service reservoir or tank from which a supply of water is being provided by the undertaker to those premises,

shall be provided with a cistern which has a float-operated valve and is fitted on the pipe by means of which water is supplied to those premises.

(2) A water undertaker may, in the case of such a house as is mentioned in sub-paragraph (b) of paragraph (1), require that a cistern the provision of which is required under that paragraph shall be capable of holding sufficient water to provide an adequate supply to the house for a period of 24 hours.

(3) If, where a water undertaker provides a supply of water to any premises, the consumer, after having been required to do so by notice served on him by the undertaker, fails before the end of the period specified in the notice—

- (a) to provide a cistern in accordance with a requirement under this Article; or
- (b) to put any such cistern and its float-operated valve into good repair,

the water undertaker may itself provide a cistern, or carry out any repairs necessary to prevent waste of water.

(4) The period specified for the purposes of paragraph (3) in a notice under this Article shall be a period of not less than 28 days beginning with the day after the service of the notice.

(5) Where a water undertaker provides a cistern or carries out any repairs under paragraph (3), it may recover the expenses reasonably incurred by it in doing so from the owner of the premises in question.

(6) In this Article “relevant house” means any house other than a house in relation to which the following two conditions are satisfied, that is to say—

- (a) the erection of the house was commenced before the transfer date; and
- (b) no such requirement as is mentioned in paragraph (1) or (2) could have been imposed by the Department in relation to the house under any statutory provision having effect immediately before that date.

CHAPTER III

QUALITY AND SUFFICIENCY OF SUPPLY

Standards of wholesomeness

Standards of wholesomeness

107.—(1) The Department may by regulations make provision that water supplied to any premises by a water undertaker is or is not to be regarded as wholesome for the purposes of this Chapter if it satisfies or, as the case may be, fails to satisfy such requirements as may be prescribed.

(2) DOE may by regulations make provision that water supplied to any premises by means of a private supply is or is not to be regarded as wholesome for the purposes of this Chapter if it satisfies or, as the case may be, fails to satisfy such requirements as may be prescribed.

(3) Without prejudice to the generality of paragraphs (1) and (2), regulations under this Article may, for the purpose of determining the wholesomeness of any water—

- (a) prescribe general requirements as to the purposes for which the water is to be suitable;
- (b) prescribe specific requirements as to the substances that are to be present in or absent from the water and as to the concentrations of substances which are or are required to be present in the water;
- (c) prescribe specific requirements as to other characteristics of the water;
- (d) provide that the question whether prescribed requirements are satisfied may be determined by reference to such samples as may be prescribed;
- (e) enable the Department (in the case of regulations under paragraph (1)) or DOE (in the case of regulations under paragraph (2)) to authorise such relaxations of and departures from the prescribed requirements (or from any of them) as may be prescribed, to make any such authorisation subject to such conditions as may be prescribed and to modify or revoke any such authorisation or condition.

General obligations of water undertakers

Duties of water undertakers with respect to water quality

108.—(1) It shall be the duty of a water undertaker—

- (a) when supplying water to any premises for domestic or food production purposes to supply only water which is wholesome at the time of supply; and
- (b) so far as reasonably practicable, to ensure, in relation to each source or combination of sources from which that undertaker supplies water to premises for domestic or food production purposes, that there is, in general, no deterioration in the quality of the water which is supplied from time to time from that source or combination of sources.

(2) For the purposes of this Article and Article 109 and subject to paragraph (3), water supplied by a water undertaker to any premises shall not be regarded as unwholesome at the time of supply where it has ceased to be wholesome only after leaving the undertaker's pipes.

(3) Where water supplied by a water undertaker to any premises would not otherwise be regarded as unwholesome at the time of supply, that water shall be regarded as unwholesome at that time if—

- (a) it has ceased to be wholesome after leaving the undertaker's pipes but while in a pipe which is subject to water pressure from a water main or which would be so subject but for the closing of some valve; and
- (b) it has so ceased in consequence of the failure of the undertaker, before supplying the water, to take such steps as may be prescribed for the purpose of securing the elimination, or reduction to a minimum, of any prescribed risk that the water would cease to be wholesome after leaving the undertaker's pipes.

(4) The provisions of this Article shall apply in relation to water which is supplied by a water undertaker whether or not the water is water which the undertaker is required to supply by virtue of any provision of this Order.

(5) The duties of a water undertaker under this Article shall be enforceable under Article 30 by the Department.

Regulations for preserving water quality

109.—(1) The Department may by regulations require a water undertaker to take all such steps as may be prescribed for the purpose of securing compliance with Article 108.

(2) Without prejudice to the generality of the power conferred by paragraph (1), regulations under that paragraph may impose an obligation on a water undertaker—

- (a) to take all such steps as may be prescribed for monitoring and recording whether the water which that undertaker supplies to premises for domestic or food production purposes is wholesome at the time of supply;

- (a) is imposed by virtue of a private supply notice on the owner or occupier of any premises; and
 - (b) is expressed to bind those premises in relation to the owners or occupiers from time to time,
- shall bind successive owners or, as the case may be, occupiers of those premises and shall be a statutory charge.
- (6) Subject to paragraph (7), DOE may by notice served on any person modify or revoke the effect in relation to that person of any private supply notice or notice under this paragraph (including a notice which has been confirmed, with or without modifications, by the Appeals Commission).
- (7) The person on whom the notice is served may, within 28 days from the date of service of the notice, appeal to the Appeals Commission except where the notice—
- (a) extends the period within which any step is required to be taken by that person; or
 - (b) discharges, postpones or abates any obligation of that person to make a payment to DOE.

Powers to do works in relation to private supplies

122.—(1) For the purposes of the taking of any steps falling to be taken by DOE by virtue of a designation under paragraph (3)(a) of Article 119 the provisions of Part VIII shall have effect—

- (a) as if the relevant works powers, so far as conferred on a water undertaker for the purpose of carrying out its functions, were also conferred on DOE for the purpose of ensuring that a supply of water provided by means of a private supply to any premises is both wholesome and (so far as any house on those premises is concerned) sufficient for domestic purposes;
 - (b) as if any such power, so far as it is conferred on a water undertaker in relation to things belonging to or operated or used by the undertaker for the purposes of its functions, were conferred by virtue of sub-paragraph (a) on DOE in relation to things belonging to or operated or used by DOE, or a relevant person, in connection with the provision of water by means of a private supply;
 - (c) as if references to a water undertaker in any provision of Part VIII relating to a relevant works power, except the references in Articles 243 and 244, included references to DOE; and
 - (d) as if the making by any person in pursuance of a private supply notice of any payment in respect of sums incurred in the laying of any pipe entitled that person, for the purposes of Article 241(1), to an interest in the pipe.
- (2) Where by virtue of this Order DOE has power to acquire (whether compulsorily or otherwise) any land for the purpose of ensuring that private supplies of water to premises are both wholesome and (so far as houses on those premises are concerned) sufficient for domestic purposes, that power

shall include power to acquire land in order, for that purpose, to dispose of the land to a person who is a relevant person in relation to such a private supply.

(3) In this Article “relevant works powers” means the powers conferred on water undertakers by Articles 219, 220, 222, 224 and 226.

Power of DOE to obtain information relating to private supplies

123.—(1) DOE may serve on any person a notice requiring him to furnish DOE, within a period or at times specified in the notice and in a form and manner so specified, with such information as is reasonably required by DOE for the purpose of exercising or performing any power or duty conferred or imposed on DOE by or under any of Articles 118 to 121.

(2) A person who fails without reasonable excuse to comply with the requirements of a notice served on him under paragraph (1) shall be guilty of an offence and liable, on summary conviction, to a fine not exceeding level 5 on the standard scale.

Enforcement

Rights of entry

124.—(1) Any person designated for the purpose by the Department or DOE shall, on producing some duly authenticated document showing his authority, have a right at all reasonable hours to enter any premises for the purpose of ascertaining whether there is or has been any contravention of Article 112 in relation to any waterworks on those premises.

(2) Any person designated in writing for the purpose by DOE may—

- (a) enter any premises for the purpose, in relation to any private supply, of—
 - (i) determining whether, and if so in what manner, any power or duty conferred or imposed on DOE by or under any of Articles 118 to 121 should be exercised or performed; or
 - (ii) exercising any such power or performing any such duty;
- (b) carry out such inspections, measurements and tests on premises entered by that person or of articles found on any such premises, and take away such samples of water or of any land or articles, as DOE—
 - (i) considers appropriate for the purposes of any such power or duty; and
 - (ii) has authorised that person to carry out or take away.

(3) Any person designated in writing for the purpose by the Department may—

- (a) enter any premises for the purpose of—
 - (i) ascertaining whether any provision contained in or made or having effect under this Order with respect to any water fittings, or with respect to the waste or misuse of water, is being or has been contravened;
 - (ii) determining whether, and if so in what manner, any power or duty conferred or imposed on any person by regulations under Article 114 should be exercised or performed; or
 - (iii) exercising any such power or performing any such duty; or
- (b) carry out such inspections, measurements and tests on premises entered by that person or on water fittings or other articles found on any such premises, and take away such samples of water or of any land and such water fittings and other articles, as that person has been authorised to carry out or take away in accordance with regulations under that Article.

(4) Part I of Schedule 4 shall apply to the right of entry conferred by paragraph (1); but nothing in that paragraph or in that Part of that Schedule shall entitle any person designated for the purposes of that paragraph by DOE to have access to any waterworks belonging to a water undertaker.

(5) Part II of Schedule 4 shall apply to the rights and powers conferred by paragraphs (2) and (3).

(6) In this Article “waterworks” has the same meaning as in Article 112.

Assessors for the enforcement of water quality

125.—(1) The Department may for the purposes of this Article appoint inspectors to act on its behalf in relation to some or all of—

- (a) the powers and duties conferred or imposed on it by or under Articles 107 to 110 and 117 so far as relating to the quality and sufficiency of water supplied by a water undertaker; and
- (b) such other powers and duties in relation to the quality and sufficiency of water supplied by a water undertaker as are conferred or imposed on the Department by or under any other statutory provision.

(2) DOE may for the purposes of this Article appoint inspectors to act on its behalf in relation to some or all of—

- (a) the powers and duties conferred or imposed on it by or under Articles 107 and 118 to 123 in relation to the quality and sufficiency of water supplied by means of a private supply; and
- (b) such other powers and duties in relation to the quality and sufficiency of water supplied by means of a private supply as are conferred or imposed on DOE by or under any other statutory provision.

(3) A person may be appointed under both paragraph (1) and (2); and the Department and DOE (acting jointly) may designate a person so appointed as the Chief Inspector of Drinking Water.

(4) An inspector appointed under paragraph (1) shall—

- (a) carry out such investigations as the Department may require him to carry out for the purpose of—
 - (i) ascertaining whether any duty or other requirement imposed on an undertaker by or under any of Articles 108 to 110 or Article 117 is being, has been or is likely to be contravened; or
 - (ii) advising the Department as to whether, and if so in what manner, any of its powers in relation to such a contravention, or any of the powers (including the powers to make regulations) which are conferred on it by or under any of Articles 107 to 110 and 117 should be exercised; and
- (b) make such reports to the Department with respect to any such investigation as the Department may require.

(5) An inspector appointed under paragraph (2) shall—

- (a) carry out such investigations as DOE may require him to carry out for the purpose of advising DOE as to whether, and if so in what manner, any of its powers (including the powers to make regulations) which are conferred on it by or under any of Articles 107 and 118 to 121 should be exercised; and
- (b) make such reports to DOE with respect to any such investigation as DOE may require.

(6) Without prejudice to the powers conferred by paragraphs (7) and (8), it shall be the duty of a water undertaker—

- (a) to give an inspector appointed under paragraph (1) all such assistance; and
- (b) to provide an inspector so appointed with all such information,

as that inspector may reasonably require for the purpose of carrying out any such investigation as is mentioned in paragraph (4).

(7) An inspector appointed under paragraph (1) who is designated in writing for the purpose by the Department may—

- (a) enter any premises for the purpose of carrying out any such investigation as is mentioned in paragraph (4);
- (b) carry out such inspections, measurements and tests on premises entered by that person or of articles or records found on any such premises, and take away such samples of water or of any land or articles, as that person considers appropriate for the purpose of enabling him to carry out any such investigation; or
- (c) at any reasonable time require any water undertaker to supply him with copies of, or of extracts from, the contents of any records kept for the purpose of complying with any duty or other requirement imposed on that undertaker by or under any of Articles 108 to 110 or Article 117.

(8) An inspector appointed under paragraph (2) who is designated in writing for the purpose by DOE may—

- (a) enter any premises for the purpose of carrying out any such investigation as is mentioned in paragraph (5);
- (b) carry out such inspections, measurements and tests on premises entered by that person or of articles or records found on any such premises, and take away such samples of water or of any land or articles, as that person considers appropriate for the purpose of enabling him to carry out any such investigation.

(9) Part II of Schedule 4 shall apply to the rights and powers conferred by paragraph (7) or (8).

(10) Any water undertaker which fails to comply with the duty imposed on it by virtue of paragraph (6) shall be guilty of an offence and liable—

- (a) on summary conviction, to a fine not exceeding £20,000;
- (b) on conviction on indictment, to a fine.

(11) Proceedings for an offence under this Article or in relation to the quality and sufficiency of water supplied by a water undertaker may be instituted and carried on in the name of the Chief Inspector of Drinking Water.

CHAPTER IV

FLUORIDATION

Fluoridation of water supplies at request of DHSSPS

126.—(1) If requested in writing to do so by DHSSPS, a water undertaker shall enter into arrangements with DHSSPS to increase the fluoride content of the water supplied by that undertaker to premises within the area specified in the arrangements.

(2) But a water undertaker shall not be required by paragraph (1) to enter into any such arrangements until an indemnity with respect to the arrangements has been given by virtue of Article 133 to the water undertaker.

(3) The area specified in arrangements under this Article may be such area comprising the whole or any part of Northern Ireland as DHSSPS may determine.

(4) The arrangements shall be on such terms as may be agreed between DHSSPS and the water undertaker or, in the absence of agreement, determined in accordance with Article 128.

(5) Those terms shall include provision—

- (a) requiring DHSSPS to meet the reasonable capital and operating costs incurred by the water undertaker in giving effect to the arrangements;
- (b) specifying circumstances in which the requirement to increase the fluoride content may be temporarily suspended; and
- (c) for the variation of the arrangements at the request of DHSSPS.

(6) DHSSPS shall consult the Authority in relation to the terms to be included in any arrangements under this Article (in particular, terms which affect the operation of the water undertaker's supply system).

(7) Before carrying out the consultation required by paragraph (1) of Article 132 in relation to a step mentioned in sub-paragraph (a), (b) or (c) of paragraph (2) of that Article, DHSSPS shall consult the water undertaker in question as to whether the arrangements which would result from taking that step would be operable and efficient (or, where it is proposed to terminate the arrangements, as to whether it would be reasonably practicable to do so).

Target concentration of fluoride

127.—(1) Arrangements under Article 126(1) shall include provision for securing that, so far as reasonably practicable, the concentration of fluoride in the water supplied to premises in the specified area is maintained at the general target concentration of one milligram per litre.

(2) But the arrangements may provide for the concentration in the specified area (or any part of it) to be lower than that if DHSSPS considers that it is not reasonably practicable to achieve the general target concentration in the specified area (or that part of it).

(3) Any such lower concentration must still be as high as is reasonably practicable in the circumstances.

(4) If, in relation to any area ("area A"), an order under Article 131(1) specifies a general target concentration lower than that for which any arrangements effective there provide (or, by the previous operation of this paragraph, are taken to provide), the arrangements shall have effect from the coming into force of the order as if they provided for the general target concentration specified in the order (subject to the operation again of paragraphs (2) and (3)).

(5) If the result of the operation of paragraph (4) in relation to arrangements in area A is that in an area adjoining area A ("area B") it is not reasonably practicable to maintain the concentration of fluoride in the water supplied by virtue of arrangements made in area B with the same water undertaker, the order shall be taken to extend also to area B so far as those arrangements are concerned, and paragraph (4) shall apply accordingly.

(6) An order under Article 131(1) which in relation to any area specifies a general target concentration higher than that for which any arrangements effective there provide (or are taken to provide by virtue of paragraph (4) or (5)) does not have effect to increase the concentration for which the arrangements provide (or are taken to provide).

(7) In this Article "specified area" means the area specified in arrangements under Article 126(1).

Fluoridation arrangements: determination of terms

128.—(1) This Article applies if DHSSPS and a water undertaker fail to agree—

- (a) the terms of arrangements requested by DHSSPS pursuant to paragraph (1) of Article 126; or
- (b) a variation in the terms of those arrangements following a request by DHSSPS pursuant to paragraph (5)(c) of that Article.

(2) DHSSPS may refer the matter to the Authority for determination and following such a reference—

- (a) the Authority may determine the terms of the arrangements as it sees fit; and
 - (b) the determination of the Authority shall be final.
- (3) Following determination under this Article of the terms to be included in any arrangements—
- (a) DHSSPS shall give notice of the determination to the water undertaker in question; and
 - (b) the undertaker shall be deemed to have entered into the arrangements under Article 126(1) on the terms determined under this Article with effect from the day after the date of the notice.
- (4) References in this Chapter to arrangements entered into under Article 126(1) shall include arrangements deemed to have been entered into under that Article by virtue of paragraph (3)(b).

Fluoridation arrangements: compliance

129.—(1) It shall be the duty of each water undertaker to comply with any arrangements entered into by it under Article 126(1).

(2) Where, pursuant to any such arrangements, the fluoride content of any water is increased, the increase may be effected only by the addition of one or more of the following compounds of fluorine—

- (a) hexafluorosilicic acid (H₂SiF₆);
- (b) disodium hexafluorosilicate (Na₂SiF₆).

(3) Subject to paragraph (4), water to which fluoride has been added pursuant to any such arrangements entered into by a water undertaker (with a view to its supply in an area) may be supplied by that or any other undertaker to premises in any other area (whether or not that other area is the subject of arrangements under Article 126(1)).

(4) Paragraph (3) applies if (and only if) the undertaker or undertakers concerned consider that it is necessary for the water to be supplied in the other area—

- (a) for the purpose of dealing with any serious deficiency in supply; or
- (b) in connection with the carrying out of any works (including cleaning and maintenance) by the undertaker concerned or, as the case may be, by the undertakers concerned.

(5) In paragraph (4) “serious deficiency in supply” means any existing or threatened serious deficiency in the supply of water (whether in quantity or quality) caused by an exceptional lack of rain or by any accident or unforeseen circumstances.

(6) Arrangements entered into under Article 126(1) with a water undertaker shall remain in force until DHSSPS terminates them by order.

- (7) An order shall not be made under paragraph (6) unless—
- (a) DHSSPS has consulted the water undertaker in question; and
 - (b) a draft of the order has been laid before, and approved by resolution of, the Assembly.

Power to vary permitted fluoridation agents

130. DHSSPS may by order subject to negative resolution amend Article 129(2) by—

- (a) adding a reference to another compound of fluorine; or
- (b) removing any reference to a compound of fluorine.

Power to vary target concentration of fluoride

131.—(1) DHSSPS may by order provide that Article 127(1) is to have effect as if for “one milligram per litre” there were substituted a lower concentration specified in the order.

(2) An order under paragraph (1) may make different provision for different geographical areas, or for some such areas and not others.

(3) An order shall not be made under paragraph (1) unless a draft of the order has been laid before, and approved by a resolution of, the Assembly.

Consultation

132.—(1) Before taking any step mentioned in paragraph (2), DHSSPS shall—

- (a) consult and ascertain opinion in accordance with regulations made by DHSSPS;
- (b) comply with the requirements set out in regulations made by DHSSPS.

(2) The steps are—

- (a) requesting a water undertaker to enter into arrangements under Article 126(1);
- (b) requesting a water undertaker to vary any such arrangements in, or except in, prescribed circumstances or cases;
- (c) laying before the Assembly an order under Article 129(6) terminating any such arrangements;
- (d) maintaining any such arrangements in prescribed circumstances.

(3) Regulations—

- (a) under sub-paragraph (a) of paragraph (1) shall include provision about the process which DHSSPS is to follow for the purposes of that sub-paragraph;
- (b) under sub-paragraph (b) of that paragraph shall include provision about the requirements which must be satisfied (with respect to the outcome of that process or otherwise) before a step mentioned in paragraph (2) may be taken.

(4) Paragraph (1) shall not apply in relation to a proposal by DHSSPS to take the step mentioned in paragraph (2)(b) if DHSSPS so directs by an instrument in writing (and such a direction may apply either generally or in relation to a particular proposal).

Indemnities in respect of fluoridation

133.—(1) DHSSPS may, with the consent of DFP, agree to indemnify any water undertaker in respect of liabilities which it may incur in complying with arrangements entered into by it pursuant to Article 126(1).

(2) DHSSPS may by regulations make provision with respect to—

- (a) the matters in respect of which an indemnity may be given under paragraph (1);
- (b) the form and terms of any such indemnity; and
- (c) such ancillary matters as it sees fit.

Review of fluoridation

134.—(1) Where DHSSPS has entered into arrangements under Article 126(1), it shall—

- (a) monitor the effects of the arrangements on the health of persons living in the area specified in the arrangements; and
- (b) in accordance with paragraph (3) publish reports containing an analysis of those effects.

(2) DHSSPS shall make available—

- (a) any information collected by it for the purposes of paragraph (1); or
- (b) summaries of that information.

- (3) DHSSPS shall publish a report under paragraph (1)(b)—
 - (a) within the period of 4 years beginning with the date on which the arrangements come into force; and
 - (b) within each period of 4 years beginning with the date on which the last such report was published.
- (4) This Article ceases to apply in relation to any arrangements under Article 126(1) if those arrangements are terminated.

CHAPTER V

SUPPLEMENTAL PROVISIONS OF PART IV

Power to give effect to international agreements

135.—(1) Subject to paragraph (3), the Department may by regulations provide that the provisions of Chapters I to III shall have effect with such modifications as may be prescribed for the purpose of enabling Her Majesty’s Government in the United Kingdom to give effect—

- (a) to any Community obligations; or
- (b) to any international agreement to which the United Kingdom is for the time being a party.

(2) DOE may by regulations provide that the provisions to which paragraph (3) applies shall have effect with such modifications as may be prescribed for the purpose of enabling Her Majesty’s Government in the United Kingdom to give effect—

- (a) to any Community obligations; or
- (b) to any international agreement to which the United Kingdom is for the time being a party.

(3) Paragraph (2) applies to—

- (a) Article 107(2);
- (b) Articles 118 to 123; and
- (c) any other provisions of Chapter III so far as they have effect for the purposes of or in relation to those Articles.

(4) Paragraph (1) shall not authorise any modification of—

- (a) any provision to which paragraph (2) applies;
- (b) any of Articles 111, 112 and 116; or
- (c) any other provisions of Chapters I to III so far as they have effect for the purposes of or in relation to those Articles.

Interpretation

136.—(1) In this Part—

“connection notice” shall be construed in accordance with Article 79(10);

“consumer”, in relation to a supply of water provided by a water undertaker to any premises, means a person who is for the time being the person on whom liability to pay charges to the undertaker in respect of that supply of water would fall;

“food production purposes” means the manufacturing, processing, preserving or marketing purposes with respect to food or drink for which water supplied to food production premises may be used, and for the purposes of this definition “food production premises” means premises used for the purposes of a business of preparing food or drink for consumption otherwise than on the premises;

“necessary works” includes works carried out, in exercise of any power conferred by or under any statutory provision, by a person other than a water undertaker;

“private supply” means, subject to paragraph (2), a supply of water provided otherwise than by a water undertaker (including a supply provided for the purposes of the bottling of water);

“private supply notice” shall be construed in accordance with Article 119(5);

“water fittings” includes pipes (other than water mains), taps, cocks, valves, ferrules, meters, cisterns, baths, water closets, soil pans and other similar apparatus used in connection with the supply and use of water;

“wholesome” shall be construed subject to the provisions of any regulations made under Article 107.

(2) For the purposes of any reference in this Part to a private supply, or to supplying water by means of a private supply, water shall be treated as supplied to any premises not only where it is supplied from outside those premises, but also where it is abstracted, for the purpose of being used or consumed on those premises, from a source which is situated on the premises themselves; and for the purposes of this paragraph water shall be treated as used on any premises where it is bottled on those premises for use or consumption elsewhere.

(3) For the purposes of this Part a service pipe shall be treated as connected with a water main other than a trunk main even if the connection is an indirect connection made by virtue of a connection with another service pipe.

(4) The rights conferred by virtue of this Part as against the owner or occupier of any premises shall be without prejudice to any rights and obligations, as between themselves, of the owner and occupier of the premises.

PART V

USE OF WATER

CHAPTER I

DROUGHT

Drought orders

Power to make drought orders

137.—(1) If the Department is satisfied that, by reason of an exceptional shortage of rain, there exists or is threatened—

- (a) a serious deficiency of supplies of water in any area; or
- (b) such a deficiency in the flow or level of water in any inland waters as to pose a serious threat to any of the flora or fauna which are dependent on those waters,

then, subject to the following provisions of this Chapter, it may by order (in this Chapter referred to as a “drought order”) make such provision authorised by this Chapter as appears to the Department to be expedient with a view to meeting the deficiency.

(2) Subject to Article 139(2), the power to make a drought order in relation to any area shall not be exercisable unless an application is made to the Department—

- (a) in the case of a drought order under paragraph (1)(a), by a water undertaker which supplies water to premises in that area, after consultation with DOE;
- (b) in the case of a drought order under paragraph (1)(b), by—

- (i) DARD or DCAL, after consultation with DOE; or
- (ii) DOE.

(3) Schedule 5 shall have effect with respect to the procedure on an application for a drought order.

Provisions and duration of drought order

138.—(1) A drought order may contain any of the following provisions—

- (a) provision authorising any person (including a water undertaker) to take water from any source specified in the order subject to any conditions or restrictions so specified;
- (b) provision authorising a water undertaker to prohibit or limit the use of water for any purpose specified in the order, being a purpose for the time being set out in a direction given by the Department to water undertakers generally as a purpose which may be specified by virtue of this sub-paragraph in any drought order;
- (c) provision authorising a water undertaker to discharge water to any place specified in the order subject to any conditions or restrictions so specified;
- (d) provision authorising DOE to prohibit or limit the taking by any person of water from a source specified in the order if DOE is satisfied that the taking of water from that source seriously affects the supplies available to a water undertaker;
- (e) provision suspending or modifying, subject to any conditions specified in the order, any restriction or obligation to which a water undertaker or a sewerage undertaker or any other person is subject as respects—
 - (i) the taking of water from any source;
 - (ii) the discharge of water;
 - (iii) the supply of water (whether in point of quantity, pressure, quality, means of supply or otherwise); or
 - (iv) the filtration or other treatment of water;
- (f) provision authorising DOE to suspend or vary, or attach conditions to, any consent specified in the order for the discharge of any effluent by any person, including any relevant undertaker.

(2) The period for which—

- (a) an authorisation given by or under a drought order;
- (b) a prohibition or limitation imposed by or under a drought order; or
- (c) a suspension or modification effected by or under a drought order,

has effect shall expire before the end of the period of 3 months beginning with the day on which the order comes into operation, unless that period of 3 months is extended, in relation to that order, by virtue of the exercise by the Department of its power (subject to paragraph (3)) to amend the order.

(3) The power of the Department to amend a drought order shall not be exercised so as to extend the period of 3 months mentioned in paragraph (2) beyond the end of the period of 9 months beginning with the day on which that order came into operation.

(4) Without prejudice to the following provisions of this Chapter, a drought order may—

- (a) make different provision for different cases, including different provision in relation to different persons, circumstances or localities; and
- (b) contain such supplemental, consequential and transitional provision as the Department considers appropriate.

Provisions of drought order restricting use of water

139.—(1) The following provisions apply where a drought order contains a provision authorising a water undertaker to prohibit or limit the use of water—

- (a) the power may be exercised in relation to consumers generally, a class of consumer or a particular consumer;
- (b) the water undertaker shall take such steps as it thinks appropriate for bringing the prohibition or limitation to the attention of the persons to whom the prohibition or limitation will apply and, in particular, shall (as the undertaker thinks appropriate)—
 - (i) cause notice of the prohibition or limitation to be published in at least two newspapers circulating within that part of the water undertaker's area which would be affected by the provision of the order; or
 - (ii) send notice of the prohibition or limitation to the persons to whom the prohibition or limitation will apply;
- (c) the prohibition or limitation shall not come into operation until the end of the period of 72 hours beginning with the day on which the notice is published or, as the case may be, sent to the person in question.

(2) Where any purpose set out in a direction given for the purposes of Article 138(1)(b) will cease, by virtue of the variation or revocation of the direction, to be one which may be specified in a drought order, the Department shall (without an application having been made to it) exercise its power to vary or revoke drought orders, in so far as any orders in operation will be affected by the variation or revocation of the direction, so as to make those orders conform to the variation or reflect the revocation.

(3) The revocation or variation of a direction given for the purposes of Article 138(1)(b) by a further direction shall not affect either—

- (a) the validity of anything done in pursuance of a drought order before the giving of the further direction; or
- (b) any obligation or liability accrued or incurred before the giving of the further direction.

Provisions of drought order with respect to abstraction and discharges

140.—(1) Any drought order which—

- (a) authorises the taking of water from a source from which water is supplied to an inland navigation; or
- (b) suspends or modifies—
 - (i) a restriction as respects the taking of water from a source from which water is supplied to an inland navigation; or
 - (ii) an obligation to discharge compensation water into a canal or into any river or stream which forms part of, or from which water is supplied to, an inland navigation,

may include provision for prohibiting or imposing limitations on the taking of water from the inland navigation or for the suspension or modification of any obligation to which a navigation authority is subject as respects the discharge of water from the inland navigation.

(2) A prohibition or limitation by or under a drought order on the taking of water from any source may be imposed so as to have effect in relation to a source from which a person to whom the prohibition or limitation applies has a right to take water whether by virtue of a statutory provision, an agreement or the ownership of land.

(3) Where a drought order made on the application of a water undertaker confers power on DOE—

(a) to prohibit or limit the taking of water from any source; or
(b) to suspend or vary, or attach conditions to, any consent for the discharge of any effluent,
DOE shall exercise that power in such manner as will ensure, so far as reasonably practicable, that the supplies of water available to the water undertaker are not seriously affected.

(4) Where—

- (a) any drought order confers power on DOE to suspend or vary, or attach conditions to, any consent for the discharge of any effluent; and
(b) DOE exercises that power so as to restrict the discharge of effluent by a sewerage undertaker,

the sewerage undertaker may so modify any consents or agreements relating to the discharge by other persons of trade effluent as to enable it to comply with any requirements or conditions imposed on it by or under the order with respect to discharges from sewers or works of the undertaker.

(5) In this Article—

“compensation water” means water which a water undertaker or any other person is under an obligation to discharge—

- (a) in accordance with the provisions of a licence under Article 20 of the 1999 Order into any watercourse or underground strata; or
(b) under any local statutory provision, into any river, stream or other running water or into a canal; and

“inland navigation” includes any canal or navigable river.

Works under drought orders

141.—(1) A drought order may authorise a water undertaker, subject to any conditions and restrictions specified in the order, to carry out any works required for the performance of any duty or the exercise of any power which is imposed or conferred by or under the order.

(2) A drought order authorising a water undertaker to carry out any works—

- (a) may authorise that undertaker for that purpose to enter any land specified in the order and to occupy and use the land to such extent and in such manner as may be necessary for the carrying out and maintenance of the works; and
(b) may apply in relation to the carrying out of the works such of the provisions of Part VIII as appear to the Department to be appropriate, subject to such modifications as may be specified in the order.

(3) The Department shall include in any drought order authorising a water undertaker to enter any land provisions requiring that undertaker to give to the occupier of the land and to such other persons concerned with the land as may be specified in the order not less than 24 hours' notice of any intended entry.

(4) Subject to paragraph (3), a drought order may make any such provision in relation to provisions of the order authorising any person to enter any land as corresponds to provision contained in Part II of Schedule 4.

(5) Any works to be carried out under the authority of a drought order shall be included in the definition of emergency works in Article 6 of the [Street Works \(Northern Ireland\) Order 1995 \(NI 19\)](#).

Compensation and charges where drought order made

142.—(1) Schedule 6 shall have effect with respect to the payment of compensation where a drought order has been made.

(2) Except as provided by Schedule 6, neither DOE nor any water undertaker or sewerage undertaker shall incur any liability to any person for loss or damage sustained by reason of anything done in pursuance of any drought order or of any omission in pursuance of such an order.

(3) Nothing in any drought order shall affect the right of DOE, a water undertaker or a sewerage undertaker, in the event of an interruption or diminution of the supply of water, to recover any fixed or minimum charge which might have been recovered from any person by DOE or that undertaker if there had been no such interruption or diminution.

(4) Where a water undertaker makes an application for a drought order, the Department may recover from the water undertaker any expenses (whether of a revenue or capital nature)—

- (a) in connection with any local inquiry held in respect of the application;
- (b) in the exercise of the Department's functions so far as their exercise is attributable to the application and (if the order is made) to the order,

in so far as those expenses have not been recovered (whether from the water undertaker or not) under any other statutory provision.

Offences against drought order

143.—(1) If any person—

- (a) takes or uses water in contravention of a prohibition or limitation imposed by or under any drought order or takes or uses water otherwise than in accordance with any condition or restriction so imposed; or
- (b) discharges water otherwise than in accordance with any condition or restriction imposed by or under a drought order,

he shall be guilty of an offence.

(2) If any person—

- (a) fails to construct or maintain in good order a gauge, weir or other apparatus for measuring the flow of water which he was required to construct or maintain by any drought order; or
- (b) fails to allow some person authorised for the purpose by or under a drought order to inspect and examine any such apparatus or any records made thereby or kept by that person in connection therewith or to take copies of any such records,

he shall be guilty of an offence.

(3) In any proceedings against any person for an offence under this Article it shall be a defence for that person to show that he took all reasonable precautions and exercised all due diligence to avoid the commission of the offence.

(4) A person who is guilty of an offence under this Article shall be liable—

- (a) on summary conviction, to a fine not exceeding the statutory maximum;
- (b) on conviction on indictment, to a fine.

*Interpretation***Interpretation of this Chapter**

144. In this Chapter—

- (a) references to the taking of water include references to the collection, impounding, diversion or appropriation of water; and

CHAPTER II

PROMOTION OF THE EFFICIENT USE OF WATER

Duty to promote efficient use of water

145.—(1) It shall be the duty of every water undertaker to promote the efficient use of water by its customers.

(2) The duty of a water undertaker under this Article shall be enforceable under Article 30—

- (a) by the Department; or
- (b) with the consent of or in accordance with a general authorisation given by the Department, by the Authority.

(3) Nothing in this Part shall have effect to authorise or require a water undertaker to impose any requirement on any of its customers or potential customers.

Power of the Authority to impose requirements on water undertakers

146.—(1) The Authority may require a water undertaker, in its performance of its duty under Article 145, to—

- (a) take any such action; or
- (b) achieve any such overall standards of performance,

as the Authority may specify in the document imposing the requirement.

(2) Where the Authority, in the document imposing a requirement on a water undertaker under paragraph (1), stipulates that any contravention of the requirement by the undertaker will be a breach of its duty under Article 145, any contravention of that requirement by the undertaker shall be a breach of that duty.

(3) Without prejudice to the generality of paragraph (1), a requirement under that paragraph may—

- (a) require a water undertaker to make available to its customers or potential customers such facilities as may be specified in the document imposing the requirement;
- (b) require a water undertaker to provide or make available to its customers or potential customers such information as may be specified in the document imposing the requirement, and may specify the form in which, the times at which or the frequency with which any such information is to be provided or made available.

(4) In exercising its powers under this Article in relation to any water undertaker, the Authority shall have regard to the extent to which water resources are available to that undertaker.

(5) Before imposing any requirement on a water undertaker under paragraph (1) the Authority shall consult that undertaker.

(6) Nothing in this Article authorises the Authority to impose any requirement on a water undertaker which has or may have the effect of authorising or requiring that undertaker to impose any requirement on any of its customers or potential customers.

Publicity of requirements imposed under Article 146

147.—(1) Where, under Article 146(1), the Authority imposes any requirement on a water undertaker, the Authority may arrange for that requirement to be publicised in any such manner as the Authority may consider appropriate for the purpose of bringing it to the attention of that undertaker's customers.

(2) Without prejudice to the generality of paragraph (1), the Authority may arrange for such publicising of the requirement as is mentioned in that paragraph by—

- (a) itself publicising the requirement or causing it to be publicised; or
- (b) directing the undertaker to inform or arrange to inform its customers of the requirement.

Information as to compliance with requirements under Article 146

148.—(1) Where a water undertaker is subject to any requirement imposed under Article 146(1), the Authority may arrange for there to be given to the customers of that undertaker at such times or with such frequency, and in any such manner, as the Authority may consider appropriate, such information about the level of performance achieved by the undertaker in relation to that requirement as appears to the Authority to be expedient to be given to those customers.

(2) Without prejudice to the generality of paragraph (1), the Authority may arrange for such giving of information as is mentioned in that paragraph by—

- (a) itself disseminating the information or causing it to be disseminated; or
- (b) directing the undertaker to give or arrange to give the information to its customers.

(3) At such times and in such form or manner as the Authority may direct, a water undertaker shall provide the Authority with such information as may be specified in the direction in connection with the undertaker's performance in relation to any requirement imposed upon the undertaker under Article 146(1).

(4) A water undertaker who fails without reasonable excuse to do anything required of him by paragraph (3) shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 5 on the standard scale.

PART VI**SEWERAGE SERVICES****CHAPTER I****GENERAL FUNCTIONS OF SEWERAGE UNDERTAKERS***Principal duties and standards of performance***General duty to provide sewerage system**

149.—(1) It shall be the duty of every sewerage undertaker—

- (a) to provide, improve and extend such a system of public sewers (whether inside its area or elsewhere) and so to cleanse and maintain those sewers and any lateral drains which belong to or vest in the undertaker as to ensure that that area is and continues to be effectually drained; and
- (b) to make provision for the emptying of those sewers and such further provision (whether inside its area or elsewhere) as is necessary from time to time for effectually dealing, by means of waste water treatment works or otherwise, with the contents of those sewers.

(2) It shall be the duty of a sewerage undertaker in performing its duty under paragraph (1) to have regard—

- (a) to its existing and likely future obligations to allow for the discharge of trade effluent into its public sewers; and
- (b) to the need to provide for the disposal of trade effluent which is so discharged.

(3) The duty of a sewerage undertaker under paragraph (1) shall be enforceable under Article 30—

- (a) by the Department; or
- (b) with the consent of or in accordance with a general authorisation given by the Department, by the Authority.

(4) The obligations imposed on a sewerage undertaker by the following Chapters of this Part, and the remedies available in respect of contraventions of those obligations, shall be in addition to any duty imposed or remedy available by virtue of any provision of this Article or Article 150 and shall not be in any way qualified by any such provision.

(5) In this Article “trade effluent” has the same meaning as in Chapter III of this Part; and, accordingly, Article 198 shall have effect for the purposes of this Article as it has effect for the purposes of Chapter III of this Part.

Standards of performance in connection with provision of sewerage services

150.—(1) For the purpose—

- (a) of facilitating the determination of the extent to which breaches of the obligations imposed by virtue of the following provisions of this Part are to amount to breaches of the duty imposed by Article 149; or
- (b) of supplementing that duty by establishing overall standards of performance in relation to the provision of sewerage services by any sewerage undertaker,

the Department may, in accordance with Article 152, by regulations provide for contraventions of such requirements as may be prescribed to be treated for the purposes of this Order as breaches of that duty.

(2) The Department may, in accordance with Article 152, by regulations prescribe such standards of performance in connection with the provision of sewerage services as, in its opinion, ought to be achieved in individual cases.

(3) Regulations under paragraph (2) may provide that, if a sewerage undertaker fails to meet a prescribed standard, it shall pay such amount as may be prescribed to any person who is affected by the failure and is of a prescribed description.

(4) Without prejudice to the generality of the power conferred by paragraph (2), regulations under that paragraph may—

- (a) include in a standard of performance a requirement for a sewerage undertaker, in prescribed circumstances, to inform a person of his rights by virtue of any such regulations;
- (b) provide for any dispute under the regulations to be referred by either party to the dispute to the Authority;
- (c) make provision for the procedure to be followed in connection with any such reference and for the Authority’s determination on such a reference to be enforceable in such manner as may be prescribed;
- (d) prescribe circumstances in which a sewerage undertaker is to be exempted from requirements of the regulations.

(5) Where the Authority determines any dispute in accordance with regulations under this Article it shall, in such manner as may be specified in the regulations, give its reasons for reaching its decision with respect to the dispute.

Information with respect to levels of performance

151.—(1) The Authority shall from time to time collect information with respect to—

- (a) the compensation paid by sewerage undertakers under regulations under Article 150(2); and
- (b) the levels of overall performance achieved by sewerage undertakers in connection with the provision of sewerage services.

(2) At such times as the Authority may direct, each sewerage undertaker shall give the following information to the Authority—

- (a) as respects each standard prescribed by regulations under Article 150(2), the number of cases in which compensation was paid and the aggregate amount or value of that compensation; and
- (b) as respects each standard established by regulations under Article 150(1)(b), such information with respect to the level of performance achieved by the undertaker as may be prescribed.

(3) A sewerage undertaker which without reasonable excuse fails to do anything required of it by paragraph (2) shall be liable on summary conviction to a fine not exceeding level 5 on the standard scale.

(4) The Authority shall, at least once in every year, arrange for the publication, in such form and in such manner as it considers appropriate, of such of the information collected by or given to the Authority under this Article as it may appear to the Authority expedient to give to customers or potential customers of sewerage undertakers.

(5) In arranging for the publication of any such information the Authority shall have regard to the need for excluding, so far as practicable—

- (a) any matter which relates to the affairs of an individual, where publication of that matter would or might, in the opinion of the Authority, seriously and prejudicially affect the interests of that individual; and
- (b) any matter which relates specifically to the affairs of a particular body of persons, whether corporate or not, where publication of that matter would or might, in the opinion of the Authority, seriously and prejudicially affect the interests of that body.

Procedure for regulations under Article 150

152.—(1) The Department shall not make any regulations under Article 150 unless—

- (a) the Authority has made to the Department a written application complying with paragraph (3);
- (b) the Department is satisfied that a copy of the application has been served by the Authority on—
 - (i) every sewerage undertaker specified in the application; and
 - (ii) persons or bodies appearing to the Department to be representative of persons likely to be affected by the regulations;
- (c) such period as the Department considers appropriate has been allowed for the making—
 - (i) by the Authority; or

- (ii) by any affected sewerage undertaker or person or body on whom a copy of the application has been served under sub-paragraph (b)(ii),
 - of representations or objections with respect to the Authority's proposals and any modifications proposed by the Department; and
 - (d) the Department has considered the summary mentioned in paragraph (3)(c), the Authority's reasons for its proposals and every representation or objection which has been duly made with respect to those proposals, or any proposed modifications of those proposals, and has not been withdrawn.
- (2) Before making an application to the Department under this Article the Authority shall arrange for such research as it considers appropriate with a view to discovering the views of a representative sample of persons likely to be affected and consider the results.
- (3) An application made by the Authority to the Department complies with this paragraph if it—
- (a) sets out the draft provisions proposed by the Authority for inclusion in regulations under Article 150;
 - (b) specifies the sewerage undertaker or undertakers in relation to which it is proposed those provisions should apply;
 - (c) is accompanied by a written summary of the results of the research carried out in accordance with paragraph (2); and
 - (d) summarises the Authority's reasons for its proposals.
- (4) The Department shall not make any regulations under Article 150 except where—
- (a) the only provisions of the regulations are those proposed by the Authority in its application or those provisions with such modifications as the Department considers appropriate; and
 - (b) each of the modifications (if any) of the Authority's proposals to which effect is given by the regulations is a modification the proposal to make which has been notified—
 - (i) to the Authority; and
 - (ii) to any sewerage undertaker appearing to the Department to be likely to be affected by the modifications.

Information to be given to customers about overall performance

- 153.**—(1) Each sewerage undertaker shall, in such form and manner and with such frequency as the Authority may direct, take steps to inform its customers of—
- (a) the standards of overall performance established under Article 150(1)(b) which are applicable to that undertaker; and
 - (b) that undertaker's level of performance as respects each of those standards.
- (2) In giving any such direction, the Authority shall not specify a frequency of less than once in every period of 12 months.
- (3) The duty of a sewerage undertaker to comply with this Article shall be enforceable by the Authority under Article 30.

CHAPTER II
PROVISION OF SEWERAGE SERVICES

Requisition of public sewer or lateral drain

Duty to comply with sewer and lateral drain requisition

154.—(1) It shall be the duty of a sewerage undertaker (in accordance with Article 156) to provide a public sewer to be used for the drainage for domestic purposes of premises in a particular locality in its area if—

- (a) the undertaker is required to provide the sewer by a notice served on the undertaker by the owner or occupier of any premises in that locality;
- (b) the premises in that locality the drainage of which would be by means of that sewer are—
 - (i) premises on which there are buildings; or
 - (ii) premises on which there will be buildings when proposals made by any person for the erection of any buildings are carried out; and
- (c) the conditions specified in Article 155 are satisfied in relation to that requirement.

(2) It shall be the duty of a sewerage undertaker (in accordance with Article 156) to provide a lateral drain to communicate with a public sewer and to be used for the drainage for domestic purposes of premises in its area if—

- (a) the undertaker is required to provide the lateral drain by a notice served on the undertaker by the owner or occupier of premises the drainage of which would be by means of that lateral drain;
- (b) the premises the drainage of which would be by means of that lateral drain are—
 - (i) premises on which there are buildings; or
 - (ii) premises on which there will be buildings when proposals made by any person for the erection of any buildings are carried out; and
- (c) the conditions specified in Article 155 are satisfied in relation to that requirement.

(3) The duty of a sewerage undertaker under this Article to provide a public sewer or a lateral drain shall be owed to the person who requires the provision of the sewer or lateral drain or, as the case may be, to each of the persons who joins in doing so.

(4) Where a duty is owed by virtue of paragraph (3) to any person, any breach of that duty which causes that person to sustain loss or damage shall be actionable at the suit of that person; but, in any proceedings brought against a sewerage undertaker in pursuance of this paragraph, it shall be a defence for the undertaker to show that it took all reasonable steps and exercised all due diligence to avoid the breach.

(5) In this Article the reference to domestic purposes, in relation to the drainage of premises to which a requirement under this Article relates, is a reference—

- (a) where there are buildings on those premises, to such domestic sewerage purposes as are specified in relation to those buildings in the requirement; and
- (b) where any person is proposing to erect buildings on those premises, to such domestic sewerage purposes as are so specified in relation to the buildings and to times after the erection of the buildings.

Financial conditions of compliance

155.—(1) The conditions mentioned in Article 154(1)(c) and (2)(c) are satisfied in relation to a requirement for the provision of a public sewer or, as the case may be, lateral drain by a sewerage undertaker if—

- (a) such undertakings as the undertaker may have reasonably required in accordance with paragraph (2) have been given by the person or persons who have required the provision of the sewer or lateral drain; and
- (b) such security as the undertaker may have reasonably required has been provided for the discharge of any obligations imposed by those undertakings on any person who, under paragraph (3), may be required to secure his undertakings.

(2) The undertakings which a sewerage undertaker may require for the purposes of paragraph (1) in respect of any public sewer or lateral drain are undertakings which—

- (a) bind the person or persons mentioned in that paragraph to pay to the undertaker the reasonable costs of providing that sewer or lateral drain, as determined in accordance with the undertaker's charges scheme; and
- (b) in the case of undertakings binding two or more persons, bind them either jointly and severally or with liability to pay apportioned in such manner as they may agree.

(3) For the purposes of paragraph (1)(b) a person may be required to secure his undertakings in relation to the provision of a public sewer or, as the case may be, lateral drain if he is not a public authority.

(4) Where for the purposes of paragraph (1)(b) any sums have been deposited with a sewerage undertaker by way of security for the discharge of any obligation, the undertaker shall pay interest at such rate as may be determined either—

- (a) by the undertaker with the approval of the Authority; or
- (b) in default of a determination under sub-paragraph (a), by the Authority,

on every sum so deposited for every three months during which it remains in the hands of the undertaker.

(5) An approval or determination given or made by the Authority for the purposes of paragraph (4)

- (a) may be given or made in relation to the provision of a particular public sewer or lateral drain, in relation to the provision of public sewers or lateral drains of a particular description or in relation to the provision of public sewers or lateral drains generally; and
- (b) may be revoked at any time.

(6) Any dispute between a sewerage undertaker and any other person as to—

- (a) the undertakings or security required by the undertaker for the purposes of this Article; or
- (b) the amount required to be paid in pursuance of any such undertaking,

may be referred to the Authority for determination under Article 61 by either party to the dispute.

Determination of completion date and route for requisitioned sewer or lateral drain

156.—(1) A sewerage undertaker shall not be in breach of a duty imposed by Article 154 in relation to any locality or (in the case of a lateral drain) in relation to any premises unless—

- (a) the period of 6 months beginning with the relevant day has expired; and
- (b) the sewerage undertaker has not, before the end of that period, so laid (as the case may be)—

- (i) the public sewer to be provided as to enable drains and private sewers to be used for the drainage of premises in the locality to communicate with the public sewer; or
 - (ii) the lateral drain to be provided as to enable the drain to be used for the drainage of premises to communicate with a public sewer vested in that undertaker,
- at the place or places determined under paragraph (3).
- (2) The period mentioned in paragraph (1)(a) may be extended—
- (a) by agreement between the undertaker and the person or persons who required the provision of the public sewer or, as the case may be, lateral drain; or
 - (b) where there is a dispute as to whether the period should be extended, by the Authority on a reference under paragraph (4).
- (3) The places mentioned in paragraph (1)(b) shall be—
- (a) such place or places as are determined by agreement between the sewerage undertaker and the person or persons who required the provision of the public sewer or, as the case may be, lateral drain; or
 - (b) in default of agreement, such place or places as are determined by the Authority on a reference under paragraph (4) to be the place or places at which it is reasonable, in all the circumstances—
 - (i) in relation to the provision of a public sewer, for drains or private sewers to be used for the drainage of premises in the locality in question to communicate with the public sewer; or
 - (ii) in relation to the provision of a lateral drain, for the lateral drain to communicate with a public sewer vested in the undertaker and for the remainder of the drain of which the lateral drain forms part to connect with the lateral drain.
- (4) A reference for the purposes of paragraph (2) or (3) may be made to the Authority for determination under Article 61 by either party to the dispute.
- (5) In this Article “relevant day”, in relation to a requirement to provide a public sewer for any locality or, as the case may be, a lateral drain, means the day after whichever is the later of the following—
- (a) the day on which the conditions specified in Article 155 are satisfied in relation to the requirement; and
 - (b) the day on which the place or places where (as the case may be)—
 - (i) drains or private sewers to be used for the drainage of premises in that locality will communicate with the public sewer; or
 - (ii) the lateral drain will communicate with a public sewer and the remainder of the drain will connect with the lateral drain,
 are determined under paragraph (3).

Provision of sewers other than by requisition

Further duty to provide sewers

157.—(1) Without prejudice to Article 154, it shall be the duty of a sewerage undertaker to provide a public sewer to be used for the drainage for domestic sewerage purposes of premises in a particular locality in its area if the conditions specified in paragraph (2) are satisfied.

- (2) The conditions mentioned in paragraph (1) are—

- (a) that the premises in question, or any of those premises, are premises on which there are buildings;
- (b) that the drains or sewers used for the drainage for domestic sewerage purposes of the premises in question do not, either directly or through an intermediate drain or sewer, connect with a public sewer; and
- (c) that the drainage of any of the premises in question is giving, or is likely to give, rise to such adverse effects to the environment or amenity that it is appropriate, having regard to any guidance issued under this Article by the Department and all other relevant considerations, to provide a public sewer for the drainage for domestic purposes of the premises in question.

(3) Without prejudice to the generality of paragraph (2)(c), regard shall be had to the following considerations, so far as relevant, in determining whether it is appropriate for any sewer to be provided by virtue of this Article—

- (a) the geology of the locality in question or of any other locality;
- (b) the number of premises, being premises on which there are buildings, which might reasonably be expected to be drained by means of that sewer;
- (c) the costs of providing that sewer;
- (d) the nature and extent of any adverse effects to the environment or amenity arising, or likely to arise, as a result of the premises, or, as the case may be, the locality in question not being drained by means of a public sewer; and
- (e) the extent to which it is practicable for those effects to be overcome otherwise than by the provision (whether by virtue of this Article or otherwise) of public sewers, and the costs of so overcoming those effects.

(4) Guidance issued by the Department under this Article may—

- (a) relate to how regard is to be had to the considerations mentioned in sub-paragraphs (a) to (e) of paragraph (3);
- (b) relate to any other matter which it considers may be a relevant consideration in any case and to how regard is to be had to any such matter;
- (c) set out considerations, other than those mentioned in sub-paragraphs (a) to (e) of paragraph (3), to which (so far as relevant) regard shall be had in determining whether it is appropriate for any sewer to be provided by virtue of this Article;
- (d) relate to how regard is to be had to any such consideration as is mentioned in sub-paragraph (c); and
- (e) without prejudice to sub-paragraphs (a) to (d), relate to how a sewerage undertaker is to discharge its functions under this Article.

(5) Before issuing guidance under this Article the Department shall consult—

- (a) DOE;
- (b) the Authority;
- (c) sewerage undertakers; and
- (d) such other bodies or persons as it considers appropriate;

and the Department shall arrange for any guidance issued by it under this Article to be published in such manner as it considers appropriate.

(6) Subject to the following provisions of this Article, the duty of a sewerage undertaker by virtue of paragraph (1) shall be enforceable under Article 30—

- (a) by the Department; or

- (b) with the consent of or in accordance with a general authorisation given by the Department, by the Authority.
- (7) Any dispute between a sewerage undertaker and an owner or occupier of any premises in its area as to—
- (a) whether the undertaker is under a duty by virtue of paragraph (1) to provide a public sewer to be used for any such drainage of those premises as is mentioned in that paragraph;
 - (b) the domestic sewerage purposes for which any such sewer should be provided; or
 - (c) the time by which any such duty of the undertaker should be performed,
- shall be determined by the Authority, and may be referred to the Authority for determination by either of the parties to the dispute.
- (8) The Authority—
- (a) shall notify the parties of the reasons for its decision on any dispute referred to it under paragraph (7); and
 - (b) may make any such recommendation, or give any such guidance, relating to or in connection with the drainage of the premises or locality in question as it considers appropriate.
- (9) The decision of the Authority on any dispute referred to it under paragraph (7) shall be final.
- (10) A sewerage undertaker shall only be taken to be in breach of its duty under paragraph (1) where, and to the extent that, it has accepted, or the Authority has determined under this Article, that it is under such a duty and where any time accepted by it, or determined by the Authority under this Article, as the time by which the duty is to that extent to be performed has passed.

Power to construct lateral drains following provision of public sewer

- 158.**—(1) Where a sewerage undertaker provides a public sewer pursuant to a duty to do so imposed on it by Article 154 or Article 157, the undertaker may, at the request of the person mentioned in paragraph (2), also provide at the same time one or more lateral drains to be used for the drainage for domestic sewerage purposes of premises in its area and to communicate with that sewer.
- (2) A request under paragraph (1) may be made—
- (a) in the case of a public sewer to be provided under Article 154, by the person who requires the provision of the sewer under that Article; and
 - (b) in the case of a public sewer to be provided under Article 157, by the owner or occupier of any premises in respect of which the duty to provide the sewer arises under that Article (but any request may only be for the provision of a lateral drain to his premises).
- (3) The person making a request under this Article shall pay to the sewerage undertaker, following provision of the lateral drain, the costs reasonably incurred in or in connection with providing that drain.
- (4) Any dispute between the sewerage undertaker and the person making a request under this Article as to—
- (a) whether a lateral drain should be provided pursuant to the request; or
 - (b) the costs reasonably incurred in the provision of a lateral drain,
- may be referred to the Authority for determination under Article 61 by either party to the dispute.
- (5) Any lateral drain provided pursuant to a request made to a sewerage undertaker under this Article shall belong to the undertaker.

Adoption of sewers and waste water treatment works

Adoption of sewers and waste water treatment works

159.—(1) Subject to the following provisions of this Article and to Articles 160, 162 and 206(3), a sewerage undertaker may at any time declare that—

- (a) any sewer which is situated within its area or which serves the whole or any part of that area; or
- (b) any lateral drain which communicates or is to communicate with a public sewer which—
 - (i) is so situated or serves the whole or any part of that area; and
 - (ii) is vested in that undertaker; or
- (c) any waste water treatment works which are so situated or which serve the whole or any part of that area,

shall, as from such date as may be specified in the declaration, become vested in the undertaker.

(2) The owner, or any of the owners, of any sewer, lateral drain or waste water treatment works with respect to which a sewerage undertaker might make a declaration under this Article may make an application to that undertaker requesting it to make a declaration under this Article with respect to the sewer, lateral drain or works.

(3) A declaration or application under this Article may be made with respect to a part only of a sewer.

(4) A sewerage undertaker which proposes to make a declaration under this Article—

- (a) shall give notice of its proposal to the owner or owners of the sewer, lateral drain or works in question; and
- (b) shall take no further action in the matter until two months have elapsed without an appeal against the proposal being lodged under Article 162 or, as the case may be, until any appeal so lodged has been determined.

(5) A sewerage undertaker, in deciding whether a declaration should be made under this Article, shall have regard to all the circumstances of the case and, in particular, to the following considerations, that is to say—

- (a) whether the sewer or works in question is or are adapted to, or required for, any general system of sewerage or sewage disposal which the undertaker has provided, or proposes to provide, for the whole or any part of its area;
- (b) whether the sewer or lateral drain is constructed under a road or under land reserved by a planning scheme for a street;
- (c) the number of buildings which the sewer or lateral drain is intended to serve, and whether, regard being had to the proximity of other buildings or the prospect of future development, it is likely to be required to serve additional buildings;
- (d) the method of construction and state of repair of the sewer, lateral drain or works; and
- (e) in a case where an owner objects, whether the making of the proposed declaration would be seriously detrimental to him.

(6) Any person who immediately before the making of a declaration under this Article was entitled to use the sewer or lateral drain in question shall be entitled to use it, or any sewer or lateral drain substituted for it, to the same extent as if the declaration had not been made.

(7) No declaration may be made under this Article in respect of—

it shall give notice to the other undertaker.

(2) Where a sewerage undertaker is required to give notice under paragraph (1) to another undertaker, no declaration under Article 159 shall be made by the former undertaker until either—

- (b) in the case of a sewer, part of a sewer, lateral drain or works vested in a railway undertaking or harbour authority, the sewer, part or lateral drain in question is, or the works are, situated in or on land belonging to that operator or authority and held or used by that operator or authority for the purposes of its undertaking,

(3) An application under paragraph (2) shall be accompanied and supplemented by all such information as the undertaker may reasonably require; but, subject to paragraph (4) and without prejudice to the effect (if any) of any other contravention of the requirements of this Article in relation to such an application, a failure to provide information in pursuance of the obligation to supplement such an application shall not invalidate the application.

(4) Where—

- (a) a person who has made an application to a sewerage undertaker under paragraph (2) has failed to comply with his obligation under this Article to supplement that application with information required by the undertaker; and
- (b) that requirement was made by the undertaker at such a time before the end of the period within which the undertaker is required, by virtue of Article 162, to respond to the application as gave that person a reasonable opportunity to provide the required information within that period,

the undertaker may delay its response to the application until a reasonable time after the required information is provided.

(5) Any agreement made under this Article by a sewerage undertaker shall be enforceable against the undertaker by the owner or occupier for the time being of any premises served by the sewer, lateral drain or works to which it relates.

- (c) has failed, before the end of two months from the making of such an application, either to refuse the application or to give notice to the applicant of the terms on which it is prepared to grant the application.

(3) The time for the making of an appeal under paragraph (1) by the owner of any sewer, lateral drain or waste water treatment works shall be—

- (a) in the case of an appeal by virtue of sub-paragraph (a) of that paragraph, any time within two months after notice of the proposal is served on that owner; and
- (b) in the case of an appeal by virtue of sub-paragraph (b) of that paragraph, any time after receipt of notice of the undertaker's refusal or, if no such notice is given, at any time after the end of two months from the making of the application for the declaration.

(4) On the hearing of an appeal under this Article, the Authority may—

(b) direct that its declaration shall not take effect unless any conditions so specified are accepted.

(6) Where the Authority makes an agreement under paragraph (4)(b) on behalf of a sewerage undertaker, it may do so on such terms as it considers reasonable or, as the case may be, on the terms offered by the undertaker subject to such modifications as the Authority considers appropriate for ensuring that the terms of the agreement are reasonable.

(7) The Authority, in deciding on an appeal under this Article whether any declaration or agreement should be made, shall have regard to all the circumstances of the case and, in particular, to the considerations specified in Article 159(5); and for the purposes of this paragraph, in its application in relation to an appeal under paragraph (2), sub-paragraphs (a) to (e) of Article 159(5) shall have effect with the necessary modifications.

- (a) to discharge directly or indirectly into any public sewer—
 - (i) any liquid from a factory, other than domestic sewage or surface or storm water, or any liquid from a manufacturing process; or

(5) At any time within 21 days after a sewerage undertaker receives a notice under paragraph (4), the undertaker may by notice to the person who gave the notice refuse to permit the communication to be made, if it appears to the undertaker that the mode of construction or condition of the drain or sewer—

- (a) does not satisfy the standards reasonably required by the undertaker; or
- (b) is such that the making of the communication would be prejudicial to the undertaker's sewerage system.

(6) For the purpose of examining the mode of construction and condition of a drain or sewer to which a notice under paragraph (4) relates a sewerage undertaker may, if necessary, require it to be laid open for inspection.

(7) Where the sewer or drain satisfies the standards reasonably required by it, a sewerage undertaker may, as a condition of permitting the communication to be made, require that the sewer or that part of the drain forming the lateral drain be vested in it by virtue of a declaration under Article 159.

(ii) there has been given to the undertaker such security for the payment of the cost of the work as it may reasonably have required.

(4) If any payment made to a sewerage undertaker under paragraph (3) exceeds the expenses reasonably incurred by it in the carrying out of the work in question, the excess shall be repaid by the undertaker; and, if and so far as those expenses are not covered by such a payment, the undertaker may recover summarily as a civil debt the expenses, or the balance of them, from the person for whom the work was done.

- (a) is not adapted to the general sewerage system of the area; or
- (b) is, in the opinion of the sewerage undertaker for the area, otherwise objectionable,

the undertaker may, at its own expense, close the existing drain or sewer and fill up the cesspool, if any, and do any work necessary for that purpose.

(2) The power conferred on a sewerage undertaker by paragraph (1) shall be exercisable on condition only that the undertaker first provides, in a position equally convenient to the owner of the premises in question, a drain or sewer which—

- (b) that any such drain or private sewer is so defective as to admit subsoil water,

the undertaker may examine the condition of the drain or sewer and, for that purpose, may apply any test, other than a test by water under pressure and, if the undertaker deems it necessary, open the ground.

(2) If on examination the drain or sewer is found to be in proper condition, the undertaker shall, as soon as possible, reinstate any ground which has been opened by it and make good any damage done by the undertaker.

(5) If, in the case of any trade premises, any trade effluent is discharged without such consent or other authorisation as is necessary for the purposes of this Chapter, the occupier of the premises shall be guilty of an offence and liable—

Applications for the discharge of special category effluent

178.—(1) Subject to paragraph (3), where a notice containing an application under Article 176 is served on a sewerage undertaker with respect to discharges of any special category effluent, it shall be the duty of the undertaker to refer to DOE the questions—

- (a) whether the discharges to which the notice relates should be prohibited; and
- (b) whether, if they are not prohibited, any requirements should be imposed as to the conditions on which they are made.

(2) Subject to paragraph (3), a reference which is required to be made by a sewerage undertaker by virtue of paragraph (1) shall be made before the end of the period of two months beginning with the day after the notice containing the application is served on the undertaker.

(3) There shall be no obligation on a sewerage undertaker to make a reference under this Article in respect of any application if, before the end of the period mentioned in paragraph (2), there is a refusal by the undertaker to give any consent on the application.

(4) It shall be the duty of a sewerage undertaker where it has made a reference under this Article not to give any consent, or enter into any agreement, with respect to the discharges to which the reference relates at any time before DOE serves notice on the undertaker of its determination on the reference.

- (c) any condition attached by a sewerage undertaker to such a consent,

may appeal to the Authority.

(2) On an appeal under this Article in respect of a refusal or failure to give a consent, the Authority may give the necessary consent, either unconditionally or subject to such conditions as it thinks fit to impose for determining any of the matters as respects which the undertaker has power to impose conditions under Article 179.

(3) On an appeal under this Article in respect of a condition attached to a consent, the Authority may take into review all the conditions attached to the consent, whether appealed against or not, and may—

- (a) substitute for them any other set of conditions, whether more or less favourable to the appellant; or
- (b) annul any of the conditions.

(4) The Authority may, under paragraph (3), include provision as to the charges to be made in pursuance of any condition attached to a consent for any period before the determination of the appeal.

Appeals with respect to the discharge of special category effluent

181.—(1) Where a reference is made to DOE under Article 178, the period mentioned in subparagraph (b) of paragraph (1) of Article 180 shall not begin to run for the purposes of that paragraph, in relation to the application to which the reference relates, until the day after DOE serves notice on the sewerage undertaker in question of its determination on the reference.

(2) If, on an appeal under Article 180, it appears to the Authority—

- (a) that the case is one in which the sewerage undertaker in question is required to make a reference under Article 178 before giving a consent; and
- (b) that the undertaker has not made such a reference, whether because the case falls within paragraph (3) of that Article or otherwise,

the Authority shall not be entitled to determine the appeal, otherwise than by upholding a refusal, except where the conditions set out in paragraph (3) are satisfied.

(3) The conditions mentioned in paragraph (2) are satisfied if the Authority—

- (a) has itself referred the questions mentioned in Article 178(1) to DOE; and
- (b) has been sent a copy of the notice of DOE's determination on the reference.

(4) Every reference under this Article shall be made in writing and shall be accompanied by a copy of the notice containing the application in respect of which the appeal and reference is made.

(5) It shall be the duty of the Authority, on making a reference under this Article, to serve a copy of the reference—

- (a) within two years from the date of the consent; or
- (b) where a previous direction has been given under this Article with respect to that consent, within two years from the date on which notice was given of that direction.

(3) Paragraph (2) shall not prevent a direction being given before the time specified in that paragraph if it is given with the consent of the holder of the consent under this Chapter.

(4) A direction given with the consent mentioned in paragraph (3) shall not affect the time at which any subsequent direction may be given.

(5) The sewerage undertaker shall give notice of any direction under this Article with respect to a consent under this Chapter to the holder of that consent.

(6) A notice under paragraph (5) shall—

- (a) include information as to the right of appeal conferred by paragraph (1) of Article 184; and
- (b) state the date, being a date not less than two months after the giving of the notice, on which (subject to paragraph (2) of that Article) the direction is to take effect.

(7) For the purposes of this Article references to the variation of conditions include references to the addition or annulment of a condition and to the attachment of a condition to a consent to which no condition was previously attached.

(8) In this Chapter “holder”, in relation to a consent under this Chapter, means the person on whose application the consent was granted (or a person treated as such under Article 177(4)).

Variations within time limit

183.—(1) A sewerage undertaker may give a direction under Article 182 before the time specified in paragraph (2) of that Article and without the consent required by paragraph (3) of that Article if it considers it necessary to do so in order to provide proper protection for persons likely to be affected by the discharges which could lawfully be made apart from the direction.

(2) Subject to Article 192(3), where a sewerage undertaker gives a direction by virtue of paragraph (1), the undertaker shall be liable to pay compensation to the holder of the consent under this Chapter to which the direction relates unless the undertaker is of the opinion that the direction is required—

- (a) in consequence of a change of circumstances which—
 - (i) has occurred since the beginning of the period of two years in question; and
 - (ii) could not reasonably have been foreseen at the beginning of that period; and
- (b) otherwise than in consequence of consents for discharges given after the beginning of that period.

(3) Where a sewerage undertaker gives a direction by virtue of paragraph (1) and is of the opinion mentioned in paragraph (2), it shall be the duty of the undertaker to give notice of the reasons for its opinion to the holder of the consent under this Chapter to which the direction relates.

(4) For the purposes of this Article the circumstances referred to in paragraph (2)(a) may include the information available as to the discharges to which the consent in question relates or as to the interaction of those discharges with other discharges or matter.

(5) The Department may by regulations make provision as to the manner of determining the amount of any compensation payable under this Article, including the factors to be taken into account in determining that amount.

Appeals with respect to variations of consent

(3) In so far as the direction which is the subject of an appeal relates to the making of charges payable by the occupier of any trade premises, it may take effect on any date after the giving of the notice.

(4) On an appeal under paragraph (1) with respect to a direction, the Authority shall have power—

- (a) to annul the direction given by the sewerage undertaker; and
- (b) to substitute for it any other direction, whether more or less favourable to the appellant;

(5) A person to whom notice is given in pursuance of Article 183(3) may, in accordance with regulations made by the Department, appeal to the Authority against the notice on the ground that compensation should be paid in consequence of the direction to which the notice relates.

(6) On an appeal under paragraph (5) the Authority may direct that Article 183 shall have effect as if the sewerage undertaker in question were not of the opinion to which the notice relates.

(7) Any consent given or conditions imposed by the Authority under this Article in respect of discharges of trade effluent shall have effect for the purposes of this Chapter as if given or imposed by the sewerage undertaker in question.

(8) The powers of the Authority under this Article shall be subject to the provisions of Articles 191, 193 and 196.

Review by DOE of consents relating to special category effluent

185.—(1) Where the occupier of any trade premises is (whether or not in accordance with a notice under Article 190) for the time being authorised by virtue of a consent under this Chapter to make discharges of any special category effluent from those premises into a sewerage undertaker's public sewer, DOE may review the questions—

- (a) whether the discharges authorised by the consent should be prohibited; and
 - (b) whether, if they are not prohibited, any requirements should be imposed as to the conditions on which they are made.
- (2) Subject to paragraph (3), DOE shall not review any question under this Article unless—
- (a) the consent or variation by virtue of which the discharges in question are made has not previously been the subject-matter of a review and was given or made—
 - (i) before the transfer date; or
 - (ii) in contravention of Article 191;
 - (b) a period of more than two years has elapsed since the time, or last time, when notice of DOE's determination on any reference or review relating to that consent or the consent to which that variation relates was served under Article 190 on the occupier of the trade premises in question; or
 - (c) there has, since the time, or last time, when such a notice was so served, been a contravention of any provision which was included in compliance with a requirement of a notice under Article 190 in the consent or variation by virtue of which the discharges in question are made.
- (3) Paragraph (2) shall not apply if the review is carried out—
- (a) for the purpose of enabling Her Majesty's Government in the United Kingdom to give effect to any Community obligation or to any international agreement to which the United Kingdom is for the time being a party; or
 - (b) for the protection of public health or of flora and fauna dependent on an aquatic environment.

Application for variation of time for discharge

Application for variation of time for discharge

186.—(1) If, after a direction has been given under any of the preceding provisions of this Chapter requiring that trade effluent shall not be discharged until a specified date, it appears to the sewerage undertaker in question that in consequence—

- (a) of a failure to complete any works required in connection with the reception and disposal of the trade effluent; or
- (b) of any other exceptional circumstances,

a later date ought to be substituted for the date so specified in the direction, the undertaker may apply to the Authority for such a substitution.

(2) The Authority shall have power, on an application under paragraph (1), to vary the direction so as to extend the period during which the trade effluent may not be discharged until the date specified in the application or, if it thinks fit, any earlier date.

(3) Not less than one month before making an application under paragraph (1) a sewerage undertaker shall give notice of its intention to the holder of the consent under this Chapter in respect of the trade premises from which the trade effluent is to be discharged.

(4) The Authority, before varying a direction on an application under paragraph (1), shall take into account any representations made to it by the person to whom notice is given under paragraph (3).

Agreements with respect to the disposal etc. of trade effluent

Agreements with respect to the disposal etc. of trade effluent

187.—(1) Subject to Articles 188 and 191, a sewerage undertaker may enter into and carry into effect—

- (b) an agreement with the owner or occupier of any such premises under which it undertakes, on such terms as may be specified in the agreement, to remove and dispose of substances produced in the course of treating any trade effluent on or in connection with those premises.

(2) Without prejudice to the generality of paragraph (1), an agreement such as is mentioned in sub-paragraph (a) of that paragraph may, in particular, provide—

- (a) for the construction or extension by the sewerage undertaker of such works as may be required for the reception or disposal of the trade effluent; and
- (b) for the repayment by the owner or occupier, as the case may be, of the whole or part of the expenses incurred by the undertaker in carrying out its obligations under the agreement.

(3) The power of a sewerage undertaker to enter into an agreement under this Article includes a power, by that agreement, to authorise such a discharge as apart from the agreement would require a consent under this Chapter.

Reference to DOE of agreements relating to special category effluent

188.—(1) Where a sewerage undertaker and the owner or occupier of any trade premises are proposing to enter into an agreement under Article 187 with respect to, or to any matter connected with, the reception or disposal of any special category effluent, it shall be the duty of the undertaker to refer to DOE the questions—

- (a) whether the operations which would, for the purposes of or in connection with the reception or disposal of that effluent, be carried out in pursuance of the proposed agreement should be prohibited; and
- (b) whether, if they are not prohibited, any requirements should be imposed as to the conditions on which they are carried out.

(2) It shall be the duty of a sewerage undertaker where it has made a reference under this Article not to give any consent or enter into any agreement with respect to any such operations as are mentioned in paragraph (1)(a) at any time before DOE serves notice on the undertaker of its determination on the reference.

(3) Every reference under this Article shall be made in writing and shall be accompanied by a copy of the proposed agreement.

(4) It shall be the duty of a sewerage undertaker, on making a reference under this Article, to serve a copy of the reference on the owner or the occupier of the trade premises in question, according to whether it is the owner or occupier who is proposing to be a party to the agreement.

(5) If a sewerage undertaker fails, before giving any consent or entering into any agreement with respect to any such operations as are mentioned in sub-paragraph (a) of paragraph (1), to refer to DOE any question which it is required by that paragraph to refer to DOE, the undertaker shall be guilty of an offence and liable—

- (a) on summary conviction, to a fine not exceeding the statutory maximum;
- (b) on conviction on indictment, to a fine.

(6) If DOE becomes aware—

- (a) that a sewerage undertaker and the owner or occupier of any trade premises are proposing to enter into any such agreement as is mentioned in paragraph (1), and
- (b) that the sewerage undertaker has not referred to DOE any question which it is required to refer to DOE by that paragraph,

DOE may proceed as if the reference required by that paragraph had been made.

(7) If DOE becomes aware that any consent has been given or agreement entered into with respect to any such operations as are mentioned in sub-paragraph (a) of paragraph (1) without the sewerage undertaker in question having referred to DOE any question which it is required by that paragraph to refer to it, DOE may exercise its powers of review under Article 185 or, as the case may be, Article 189, notwithstanding anything in paragraph (2) of the Article in question.

Review by DOE of agreements relating to special category effluent

189.—(1) Where any person, as the owner or occupier of any trade premises, is (whether or not in accordance with a notice under Article 190) for the time being a party to any agreement under Article 187 with respect to, or to any matter connected with, the reception or disposal of special category effluent, DOE may review the questions—

- (a) whether the operations which, for the purposes of or in connection with the reception or disposal of that effluent, are carried out in pursuance of the agreement should be prohibited; and
- (b) whether, if they are not prohibited, any requirements should be imposed as to the conditions on which they are carried out.

(2) Subject to paragraph (3), DOE shall not review any question under this Article unless—

- (a) the agreement by virtue of which the operations in question are carried out has not previously been the subject matter of a review and was entered into—
 - (i) before the transfer date; or
 - (ii) in contravention of Article 191;
- (b) a period of more than two years has elapsed since the time, or last time, when notice of DOE's determination on any reference or review relating to that agreement was served under Article 190 on the owner or occupier of the trade premises in question; or

- (c) there has, since the time, or last time, when such a notice was so served, been a contravention of any provision which was included in compliance with a requirement of a notice under Article 190 in the agreement by virtue of which the operations in question are carried out.
- (3) Paragraph (2) shall not apply if the review is carried out—
 - (a) for the purpose of enabling Her Majesty's Government in the United Kingdom to give effect to any Community obligation or to any international agreement to which the United Kingdom is for the time being a party; or
 - (b) for the protection of public health or of flora and fauna dependent on an aquatic environment.
- (4) References in this Article to an agreement include references to an agreement as varied from time to time by a notice under Article 190.

(2) This paragraph applies to the following powers, that is to say—

- (a) in relation to a sewerage undertaker, its power to give a consent under this Chapter, any of its powers under Article 179 or 182 and any power to enter into or vary an agreement under Article 187; and
- (b) in relation to the Authority, any of its powers under this Chapter.

(3) Nothing in paragraph (1) or (2) of Article 179 shall be construed as restricting the power of a sewerage undertaker, for the purpose of complying with this Article, to impose any condition specified in a notice under Article 190.

(4) A sewerage undertaker which fails to perform its duty under paragraph (1) shall be guilty of an offence and liable—

- (a) on summary conviction, to a fine not exceeding the statutory maximum;
- (b) on conviction on indictment, to a fine.

(5) DOE may, for the purpose of securing compliance with the provisions of a notice under Article 190, by serving notice on the sewerage undertaker in question and on the person specified in Article 190(2)(a)(ii), vary or revoke—

- (a) any consent given under this Chapter to make discharges of any special category effluent; or
- (b) any agreement under Article 187.

Compensation in respect of determinations made for the protection of public health etc.

192.—(1) Subject to paragraph (2), DOE shall be liable to pay compensation to the relevant person in respect of any loss or damage sustained by that person as a result of any notice under Article 190 containing DOE's determination on a review which—

- (a) has been carried out for the protection of public health or of flora and fauna dependent on an aquatic environment; and
- (b) but for being so carried out would have been prohibited by virtue of Article 185(2) or 189(2).

(2) DOE shall not be required to pay any compensation under this Article if the determination in question is shown to have been given in consequence of—

- (a) a change of circumstances which could not reasonably have been foreseen at the time when the period of two years mentioned in Article 185(2) or, as the case may be, Article 189(2) began to run; or
 - (b) consideration by DOE of material information which was not reasonably available to DOE at that time.
- (3) No person shall be entitled to any compensation under Article 183 in respect of anything done in pursuance of Article 191.
- (4) In this Article “the relevant person” means—
- (a) in relation to a review of a consent, the holder of the consent;
 - (b) in relation to a review of an agreement, the owner or occupier of the trade premises in question, according to whether it is the owner or the occupier who is a party to the agreement.

Supplemental provisions of Chapter III

Restrictions on power to fix charges under Chapter III

193.—(1) On any appeal under Article 180 or 184(1) conditions providing for the payment of charges to the sewerage undertaker in question shall not be determined by the Authority except in so far as no provision is in force by virtue of a charges scheme under Article 201 in respect of any such receptions, discharges, removals or disposals of effluent or substances as are of the same description as the reception, discharge, removal or disposal which is the subject matter of the appeal.

(2) In so far as any such conditions as are mentioned in paragraph (1) do fall to be determined by the Authority, they shall be determined having regard to the desirability of that undertaker's—

- (a) recovering the expenses of complying with its obligations in consequence of the consent or agreement to which the conditions relate; and
- (b) securing a reasonable return on its capital.

(3) To the extent that paragraph (1) excludes any charges from a determination on an appeal those charges shall be fixed from time to time by a charges scheme under Article 201 but not otherwise.

Power of DOE to require information for the purpose of its functions in relation to special category effluent

194.—(1) For the purpose of the discharge of its functions under this Chapter, DOE may, by notice in writing served on any person, require that person to furnish such information specified in the notice as DOE reasonably considers it needs, in such form and within such period following service of the notice, or at such time, as is so specified.

(2) A person who—

- (a) fails, without reasonable excuse, to comply with a requirement imposed under paragraph (1), or
- (b) in furnishing any information in compliance with such a requirement, makes any statement which he knows to be false or misleading in a material particular,

shall be guilty of an offence.

(3) A person guilty of an offence under paragraph (2) shall be liable—

- (a) on summary conviction, to a fine not exceeding the statutory maximum;
- (b) on conviction on indictment, to a fine or to imprisonment for a term not exceeding two years, or to both.

Evidence from meters etc.

195. Any meter or apparatus provided in pursuance of this Chapter in any trade premises for the purpose of measuring, recording or determining the volume, rate of discharge, nature or composition of any trade effluent discharged from those premises shall be presumed in any proceedings to register accurately, unless the contrary is shown.

Statement of case on appeal

196.—(1) At any stage of the proceedings on an appeal under Article 180 or 184(1), the Authority may, and if so directed by the High Court shall, state in the form of a special case for the decision of the High Court any question of law arising in those proceedings.

(2) The decision of the High Court on a special case under this Article shall be deemed to be a judgment of the Court within the meaning of section 35 of the Judicature (Northern Ireland) Act 1978 (c. 23) (which relates to the jurisdiction of the Court of Appeal); but no appeal to the Court of Appeal shall be brought by virtue of this paragraph except with the leave of the High Court or of the Court of Appeal.

Meaning of “special category effluent”

197.—(1) Subject to paragraphs (2) and (3), trade effluent shall be special category effluent for the purposes of this Chapter if—

- (a) such substances as may be prescribed are present in the effluent or are present in the effluent in prescribed concentrations; or
- (b) the effluent derives from any such process as may be prescribed or from a process involving the use of prescribed substances or the use of such substances in quantities which exceed the prescribed amounts.

(2) If trade effluent is produced, or to be produced, by operating any installation or plant or otherwise carrying on any activity, the operation or carrying on of which requires a permit, that effluent shall not be special category effluent for the purposes of this Chapter as from the determination date relating to the installation, plant or activity in question.

(3) In paragraph (2)—

- (a) “determination date”, in relation to an installation, plant or activity, means—
 - (i) in the case of an installation, plant or activity in relation to which a permit is granted, the date on which it is granted, whether in pursuance of the application, or on an appeal, of a direction to grant it;
 - (ii) in the case of an installation, plant or activity in relation to which the grant of a permit is refused, the date of refusal or, on appeal, of the affirmation of the refusal, and in this paragraph the references to an appeal are references to an appeal under regulations under Article 4 of the [Environment \(Northern Ireland\) Order 2002 \(NI 17\)](#);
- (b) “permit” means a permit granted, under regulations under that Article, by an authority exercising functions under the regulations that are exercisable for the purpose of preventing or reducing emissions into the air, water and land.

(4) Regulations under this Article shall be made by DOE.

Power to apply Chapter III to specified activities

198.—(1) The Department may by order provide, in relation to discharge into public sewers—

- (a) that a liquid or other matter of a description specified in the order shall be treated as if it were trade effluent for the purposes of this Chapter; or

(b) that—

- (i) the discharge restrictions shall not apply to a liquid or other matter of a description specified in the order; and
- (ii) (in the case of a liquid) the liquid shall be deemed not to be trade effluent for the purposes of this Chapter.

(2) An order under paragraph (1) may so provide whether or not the liquid or other matter specified would otherwise have fallen within (or, as the case may be, outside) a proper construction of “trade effluent” as defined in Article 199(1).

(3) An order under paragraph (1) may so provide, in relation to the liquid or other matter specified, either generally or in particular cases or classes of case or for particular purposes or as otherwise specified in the order.

(4) In this Article, references to the discharge restrictions are references to—

- (a) the restrictions imposed by sub-paragraphs (a) and (b) of Article 163(3); and
- (b) the restrictions imposed by Article 168 so far as it relates to anything falling within sub-paragraph (a) or (b) of paragraph (1) of that Article.

(5) Where any provisions of this Chapter are to apply to a liquid or other matter by virtue of an order under paragraph (1)(a), the order may provide for them so to apply subject to such modifications as may be specified in the order and, in particular, subject to any such modification of the meaning for the purposes of this Chapter of the expression “trade premises” as may be so specified.

(6) The Department may include in an order under paragraph (1) such provisions as appear to it expedient for modifying any statutory provision as it applies in relation to the discharge into sewers of any liquid or other matter specified in the order.

(7) Where the discharge restrictions do not apply to a liquid by virtue of an order under paragraph (1)(b), paragraphs (4) to (9) of Article 163 and Articles 165 and 166 shall have effect in relation to communication with a sewer for the purpose of making any discharge of that liquid as they apply in relation to any other discharges which are authorised by paragraph (1) of Article 163.

(8) The Department may include in an order under this Article such other supplemental, incidental or transitional provision as appears to it to be expedient.

(9) An order made under this Article shall not be made unless a draft of the order has been laid before, and approved by a resolution of, the Assembly.

(10) In this Article, references to a liquid are to a liquid either with or without particles of matter in suspension in the liquid.

Interpretation of Chapter III

Interpretation of Chapter III

199.—(1) In this Chapter, subject to Article 198—

“special category effluent” has the meaning given by Article 197;

“trade effluent”—

- (a) means any liquid, either with or without particles of matter in suspension in the liquid, which is wholly or partly produced in the course of any trade or industry carried on at trade premises; and
- (b) in relation to any trade premises, means any such liquid which is so produced in the course of any trade or industry carried on at those premises,

but does not include domestic sewage;

“trade premises” means, subject to paragraph (2), any premises used or intended to be used for carrying on any trade or industry.

(2) For the purposes of this Chapter, any land or premises used or intended for use (in whole or in part and whether or not for profit)—

- (a) for agricultural or horticultural purposes or for the purposes of fish farming;
- (b) for scientific research or experiment;
- (c) for the purposes of a hospital or nursing home;

shall be deemed to be premises used for carrying on a trade or industry; and the references to a trade or industry in the definition of “trade effluent” in paragraph (1) shall include references to agriculture, horticulture, fish farming, scientific research or experiment and the carrying on of a hospital or nursing home.

(3) In relation to any consent under this Chapter “holder” has the meaning given by Article 182(8).

(4) Every application or consent made or given under this Chapter shall be made or given in writing.

(5) Nothing in this Chapter shall affect any right with respect to water in a watercourse, or authorise any infringement of such a right, except in so far as any such right would dispense with the requirements of this Chapter so far as they have effect by virtue of any regulations under Article 197.

PART VII

FINANCIAL PROVISIONS

CHAPTER I

CHARGES

Manner of fixing charges

Powers of undertakers to charge

200.—(1) Subject to the following provisions of this Chapter, the powers of every relevant undertaker shall include power—

- (a) to fix charges for any services provided or other things done in the course of carrying out its functions and, in the case of a sewerage undertaker, charges to be paid in connection with the carrying out of its trade effluent functions; and
 - (b) to demand and recover charges fixed under this Article from any persons to whom the undertaker provides services or in relation to whom it carries out trade effluent functions.
- (2) Subject to paragraphs (3) to (6), the powers conferred by paragraph (1) shall be exercisable—
- (a) by or in accordance with a charges scheme under Article 201; or
 - (b) by or in accordance with agreements with the persons to be charged.
- (3) Sub-paragraph (b) of paragraph (2) shall not have effect in relation to—
- (a) charges for the supply of water to a dwelling, or
 - (b) charges for the provision of sewerage services in respect of a dwelling.
- (4) In paragraph (3) “dwelling” means —
- (a) a private dwelling-house (which may be a building or part of a building);

- (b) a caravan within the meaning of the Caravans Act (Northern Ireland) 1963 (c. 17);
- (c) a boat or similar structure designed or adapted for use as a place of permanent habitation.

(5) Sub-paragraph (b) of paragraph (2) shall have effect in relation to the exercise of powers with respect to charges in connection with the carrying out of a sewerage undertaker's trade effluent functions only in so far as provision for the fixing, demanding or recovery of such charges may be contained in an agreement entered into in accordance with Article 187.

(6) The power of a sewerage undertaker to charge, by virtue of paragraph (1), for any services provided in the course of carrying out its duty under Article 157(1) shall be exercisable only by or in accordance with a charges scheme under Article 201.

(7) Except in so far as this Chapter otherwise provides, a relevant undertaker may fix charges under this Article by reference to such matters, and may adopt such methods and principles for the calculation and imposition of the charges, as appear to the undertaker to be appropriate.

(8) The powers in relation to which this Article has effect shall be exercisable notwithstanding any local statutory provision which provides that no charge shall be made for a particular service.

(9) Nothing in paragraphs (1) to (8) or in any charges scheme under Article 201 shall affect any power of a relevant undertaker to fix charges under any power conferred otherwise than by virtue of this Chapter.

Charges schemes

201.—(1) A relevant undertaker may make a scheme (“a charges scheme”) which has effect in relation to a specified period of 12 months and does any one or more of the following, that is to say—

- (a) fixes the charges to be paid for any services provided or other things done by the undertaker in the course of carrying out its functions;
- (b) in the case of a sewerage undertaker, requires such charges as may be fixed by the scheme to be paid to the undertaker where, in the circumstances set out in the scheme—
 - (i) a notice containing an application for a consent is served on the undertaker under Article 176;
 - (ii) such a consent as is necessary for the purposes of Chapter III of Part VI is given by the undertaker; or
 - (iii) a discharge is made in pursuance of such a consent; and
- (c) makes provision with respect to the times and methods of payment of the charges fixed by the scheme.

(2) The persons who may be required by a charges scheme to pay any charge fixed by virtue of paragraph (1)(b) shall be the person who serves the notice, the person to whom the consent is given or, as the case may be, any person who makes a discharge in pursuance of the consent at any time during the period to which, in accordance with the scheme, the charge relates.

(3) A charges scheme which requires the payment of charges where a discharge has been made in pursuance of such a consent as is mentioned in paragraph (1)(b) may impose—

- (a) a single charge in respect of the whole period for which the consent is in force;
- (b) separate charges in respect of different parts of that period; or
- (c) both such a single charge and such separate charges.

(4) A sewerage undertaker is under a duty to ensure that any charges scheme made by the undertaker, so far as having effect to recover the undertaker's costs of providing a sewer by virtue of its duty under Article 157(1), causes those costs to be borne by the undertaker's customers generally; and a sewerage undertaker's duty under this paragraph shall be enforceable under Article 30—

- (a) by the Department; or

- (b) with the consent of or in accordance with a general authorisation given by the Department, by the Authority.
- (5) A charges scheme may contain supplemental, consequential and transitional provision for the purposes of the scheme.
- (6) Nothing in any charges scheme shall affect—
 - (a) any power of a relevant undertaker in a case not falling within Article 200(3) to enter into such an agreement with any person in any particular case as determines the charges to be made for the services provided to that person by the undertaker; or
 - (b) the power of a sewerage undertaker to enter into any agreement under Article 187 on terms that provide for the making of payments to the undertaker.
- (7) A charges scheme shall not take effect unless it has been approved by the Authority.
- (8) The Department may give guidance to the Authority on the exercise of its power under paragraph (7); and the Authority shall have regard to that guidance in the exercise of that power.
- (9) The Department shall arrange for any guidance given by it under paragraph (8) to be published in such manner as it considers appropriate.
- (10) The Authority may not exercise its power under paragraph (7) for the purpose of limiting the total revenues of relevant undertakers from charges fixed by or in accordance with charges schemes.
- (11) The Department may, in relation to any relevant undertaker, make a scheme (“an initial scheme”) having effect in relation to a period of 12 months from the day appointed for the coming into operation of Article 200.
- (12) Subject to paragraph (13), an initial scheme—
 - (a) shall comply with the provisions of this Chapter relating to the contents of a charges scheme; and
 - (b) shall have effect for the purposes of this Order as if it were a charges scheme duly made by the undertaker under this Article.
- (13) Paragraphs (7) to (10) do not apply to an initial scheme.

Regulations as to provisions to be included in charges schemes

- 202.**—(1) The provisions of any charges scheme under Article 201 must comply with any requirements prescribed by the Department by regulations.
- (2) Without prejudice to the generality of paragraph (1), regulations under this Article may—
 - (a) prescribe items with respect to which a consumer is, or is not, to be liable to pay a charge;
 - (b) make provision as to the matters by reference to which charges may or must be fixed and as to methods and principles to be adopted in calculating and imposing charges;
 - (c) require alternative bases of charging to be made available to consumers;
 - (d) require special provision, including exemption from specified charges, to be made for the purpose of—
 - (i) assisting individuals who are or would be liable to pay any charges and who fall within any class of individuals appearing to the Department to require special provision; or
 - (ii) promoting the efficient use of water.
 - (3) Regulations under this Article imposing requirements for the purpose mentioned in paragraph (2)(d)(i) may—
 - (a) prescribe the classes of persons for whom special provision is to be made in relation to any premises by reference to matters such as financial circumstances, age or ill-health;

(b) make provision as to the method of identifying those entitled to assistance under the regulations.

(4) The power to make regulations under this Article may not be exercised for the purpose of limiting the total revenues of relevant undertakers from charges fixed by or in accordance with charges schemes.

Liability for charges

203.—(1) Subject to the following provisions of this Article and except in so far as provision to the contrary is made by any agreement to which the undertaker is a party—

- (a) supplies of water provided by a water undertaker shall be treated for the purposes of this Chapter as services provided to the occupiers for the time being of any premises supplied; and
- (b) sewerage services provided by a sewerage undertaker shall be treated for the purposes of this Chapter as provided to the occupiers for the time being of any premises which—
 - (i) are drained by a sewer or drain connecting, either directly or through an intermediate sewer or drain, with such a public sewer of the undertaker as is provided for foul water or surface water or both; or
 - (ii) are premises the occupiers of which have, in respect of the premises, the benefit of facilities which drain to a sewer or drain so connecting.

(2) Subject to paragraph (3), charges which, under the preceding provisions of this Chapter, are fixed in relation to any premises may be imposed so that a person is made liable in relation to those premises to pay charges for services provided by a relevant undertaker after that person has ceased to be the occupier of the premises.

(3) A person shall not be made liable by virtue of paragraph (2) for any charges fixed in relation to any premises by any relevant undertaker, except where—

- (a) he fails to inform the undertaker of the ending of his occupation of the premises at least two working days before he ceases to occupy them; and
- (b) the charges are in respect of a period ending no later than with the first relevant day.

(4) For the purposes of paragraph (3), “the first relevant day”, in relation to a case in which a person has ceased to be the occupier of any premises in relation to which charges are fixed by a relevant undertaker, means whichever of the following first occurs after he ceases to occupy the premises, that is to say—

- (a) where that person informs the undertaker of the ending of his occupation of the premises less than two working days before, or at any time after, he ceases to occupy them, the twenty-eighth day after he so informs the undertaker;
- (b) any day on which any meter would normally have been read in order for the amount of the charges to be determined;
- (c) any day on which any other person informs the undertaker that he has become the new occupier of the premises.

(5) Where—

- (a) any person who is the occupier of any premises to which a supply of water is provided by a water undertaker has served notice on the undertaker for the purposes of Article 101; and
- (b) that notice is given otherwise than in connection with that person’s ceasing to be the occupier of the premises in a case in which provision is made by virtue of paragraph (2) for a person who has ceased to be the occupier of the premises to be made liable for any charges,

then, notwithstanding that that person continues to be the occupier of those premises, he shall not be liable to the undertaker (otherwise than in pursuance of a demand for a supply made since the service of the notice) for any charges in respect of any supply of water to those premises after the appropriate time.

(6) In paragraph (5) “the appropriate time”, in relation to a case in which a notice has been served for the purposes of Article 101, means whichever is the later of—

- (a) the expiry of the notice; and
- (b) the end of the period of two working days beginning with the service of the notice.

(7) In this Article any reference to two working days is a reference to a period of 48 hours calculated after disregarding any time falling on—

- (a) a Saturday or Sunday; or
- (b) Christmas Day, Good Friday or any day which is a bank holiday in Northern Ireland under the Banking and Financial Dealings Act 1971 (c. 80).

Right of consumer to elect for charging by reference to volume

204.—(1) Where—

- (a) water is supplied by a water undertaker to premises in which, or in any part of which, a person has his home; and
- (b) charges in respect of those premises are fixed by virtue of any charges scheme under Article 201 without reference to the volume of water supplied; and
- (c) the consumer falls within any description prescribed for the purposes of this Article,

the consumer may at any time give the undertaker a notice (in this Article referred to as a “measured charges notice”) requiring the undertaker to fix charges in respect of the supply by reference to the volume of water supplied.

(2) Subject to paragraph (3), a water undertaker must give effect to a measured charges notice before the end of a period determined in accordance with the undertaker’s charges scheme.

(3) A water undertaker is not obliged to give effect to a measured charges notice if—

- (a) it is not reasonably practicable to fix charges in respect of the premises by reference to the volume of water supplied; or
- (b) to do so would involve the incurring by the undertaker of unreasonable expense.

(4) Any dispute between a water undertaker and a consumer as to the application of sub-paragraph (a) or (b) of paragraph (3) may be referred to the Authority for determination under Article 61 by either party to the dispute.

(5) Where—

- (a) either the conditions in paragraph (6) or the conditions in paragraph (7) are satisfied in relation to premises in respect of which a measured charges notice has been given; and
- (b) such other conditions as may be prescribed are also satisfied in relation to the premises,

the consumer may at any time before the end of the period of 12 months beginning with the day on which the supply began to be measured by volume for charging purposes, revoke the measured charges notice by notice to the water undertaker.

(6) The conditions in this paragraph are—

- (a) that the person who gave the measured charges notice had not given any previous measured charges notice in relation to the premises; and
- (b) that he remains the consumer in respect of the premises.

- (7) The conditions in this paragraph are—
- (a) that the person who gave the measured charges notice has, since the notice was given, ceased to be the consumer in respect of the premises,
 - (b) that neither he nor the person who has become the consumer had given any previous measured charges notice in respect of the premises, and
 - (c) that any person who was in occupation of the premises when the measured charges notice was given remains in occupation.
- (8) Where a measured charges notice has been revoked under paragraph (5), the water undertaker must—
- (a) if reasonably practicable, before the end of the period of 12 months referred to in that paragraph, or
 - (b) in any other case, as soon as reasonably practicable after the end of that period,
- revert to fixing the charges for the supply in respect of the premises without reference to the volume of water supplied.
- (9) If and so long as a water undertaker is obliged under paragraph (2) to fix charges for the supply of water in respect of any premises by reference to the volume of water supplied, a sewerage undertaker is under a corresponding obligation to fix charges in respect of foul water drainage provided by the sewerage undertaker in respect of those premises by reference to that volume.
- (10) If a water undertaker is obliged under paragraph (8) to fix charges without reference to volume, a sewerage undertaker is under a corresponding obligation in respect of charges for services provided by it.
- (11) Any charges scheme under Article 201—
- (a) must contain provision for determining the period mentioned in paragraph (2); and
 - (b) shall have effect subject to the preceding provisions of this Article.

Restriction on undertakers' power to require fixing of charges by reference to volume

- 205.**—(1) Paragraph (2) applies where—
- (a) water is supplied to any premises in which, or in any part of which, a person has his home;
 - (b) charges in respect of those premises have previously been fixed without reference to volume; and
 - (c) such conditions as may be prescribed are satisfied in relation to the premises.
- (2) Where this paragraph applies, a relevant undertaker may not by virtue of any charges scheme under Article 201 begin to fix the charges in respect of those premises by reference to volume unless either—
- (a) the consumer—
 - (i) has given the undertaker a measured charges notice under Article 204 which has not been revoked under that Article; or
 - (ii) has consented to the charges in respect of the premises being so fixed and has not revoked that consent under Article 204; or
 - (b) there has been a change in the occupation of the premises and no charges have yet been demanded from the person who has become the consumer.
- (3) A change in the persons occupying any premises does not constitute a change in the occupation of the premises for the purposes of paragraph (2)(b) if any person who was in occupation of the premises before the change remains in occupation after the change.

(4) Where a consumer gives consent for the purposes of paragraph (2)(a)(ii) in relation to premises in which, or in any part of which, a person has his home, he shall be treated for the purposes of paragraphs (5) to (8) of Article 204 as having given a measured charges notice under that Article.

Connection charges

206.—(1) Subject to paragraph (2), nothing in this Chapter or in any other statutory provision shall entitle any relevant undertaker to fix, demand or recover an initial charge for its becoming, or for its taking steps for the purpose of becoming—

- (a) the person who provides a supply of water for domestic purposes to any premises; or
- (b) the person who provides sewerage services for the purposes of the drainage for domestic sewerage purposes of any premises.

(2) Subject to paragraph (3), nothing in paragraph (1) or in any other statutory provision shall be construed as prohibiting the fixing, demand or recovery by a relevant undertaker of—

- (a) a charge for the connection to a water supply of premises which have never at any previous time (whether before or after the coming into operation of the restriction contained in this Article) been connected to a supply of water provided for domestic purposes by a water undertaker or by any other authority or body which at that time provided supplies of water in the course of carrying out functions under any statutory provision; or
- (b) a charge for the connection to a public sewer of premises which have never at any previous time (whether before or after the coming into operation of the restriction contained in this Article) been connected to a sewer used for the drainage for domestic sewerage purposes of those premises by a sewerage undertaker or by any other authority or body which at that time provided sewerage services in the course of carrying out functions under any statutory provision.

(3) Nothing in this Chapter or in any other statutory provision or in the terms of any agreement under Article 161 shall authorise a sewerage undertaker to require any payment to be made to the undertaker in respect of the making by the undertaker of any declaration of vesting under Chapter II of Part VI or in respect of any agreement to make such a declaration.

(4) The preceding provisions of this Article, so far as they restrict the making of certain charges, shall be without prejudice—

- (a) to statutory provisions by virtue of which a relevant undertaker may recover expenses incurred by it in carrying out works; and
- (b) to the power of any such undertaker, by virtue of Article 200(7), to fix the amount of any of its other charges by reference to such matters as it thinks appropriate.

(5) In this Article “domestic sewerage purposes” has the same meaning as in Chapter II of Part VI.

Charging for emergency use of water

207.—(1) Notwithstanding anything in Article 200 or in any charges scheme under Article 201 or in any agreement as to charges in respect of any supply of water, no charge may be made by any water undertaker in respect of—

- (a) water taken for the purpose of extinguishing fires or taken by the Northern Ireland Fire and Rescue Service Board for any other emergency purposes;
- (b) water taken for the purpose of testing apparatus installed or equipment used for extinguishing fires or for the purpose of training persons for fire-fighting; or
- (c) the availability of water for any purpose mentioned in sub-paragraph (a) or (b).

(2) This Article shall not prevent the making of charges in respect of work carried out at the request of or for the benefit of any person receiving a supply of water for the purposes mentioned in sub-paragraph (a) or (b) of paragraph (1).

(3) This Article shall not have the effect, where any water is used or made available for any of the purposes mentioned in sub-paragraph (a) or (b) of paragraph (1), of requiring a reduction in the charges imposed in respect of the provision for other purposes of the supply from which that water is taken.

Metering

Restriction on charging for metering works

208.—(1) Subject to paragraphs (2) to (4) and Article 239, where any meter capable of being used in determining the amount of any charges is installed by or at the request of any relevant undertaker then, notwithstanding the provisions of any statutory provision or of any agreement to the contrary between the undertaker and any other person, the undertaker shall bear—

- (a) the expenses of installing and connecting the meter;
- (b) any expenses incurred in maintaining, repairing, disconnecting or removing the meter in accordance with any requirements of the undertaker; and
- (c) any expenses incurred in carrying out any works for purposes connected with the installation and connection of the meter or with the maintenance, repair, disconnection or removal of the meter in accordance with any such requirements.

(2) References in paragraph (1) to expenses include references to expenses incurred in meeting the needs of a disabled person.

(2) Without prejudice to the generality of paragraph (1), regulations under that paragraph may—

(2) For the purposes of this Article water supplies or sewerage services are provided to a person with the help of services provided by a relevant undertaker if—

- (b) that person is provided with a supply of water in pipes by a person to whom the water is supplied, directly or indirectly, by a water undertaker; or
- (c) that person is provided with sewerage services by a person who, for the purpose of providing those services, makes use of sewerage services provided, directly or indirectly, by a sewerage undertaker.

(3) An order under this Article may require the person providing the supplies or services to furnish the person who is provided with them with such information as may be specified or described in the order.

(4) An order containing such a requirement may also provide that, in the event of the failure of the person providing the supplies or services to furnish that information, the maximum charges he is entitled to recover from the person provided with them in respect of those supplies or services shall be such as may be fixed by the order.

- (8) No relevant undertaker may commence proceedings before any court in respect of any charge in connection with the supply of water for domestic purposes or (as the case may be) the provision of sewerage services other than by the carrying out of trade effluent functions unless, not less than 28 days before doing so, the customer concerned was informed by it, in such form and manner as may be prescribed, of—
- (a) its intention to commence proceedings;

 - (b) by virtue of that appointment a company (“the new appointee”) will hold an appointment as the water undertaker or sewerage undertaker for an area which is or includes the whole or any part of the area for which, until the relevant date, another company (“the existing appointee”) holds an appointment as the water undertaker or, as the case may be, sewerage undertaker.
- (3) The second case in which this Schedule applies is where—
- (a) the High Court has made a special administration order in relation to any company holding an appointment under Chapter I (“the existing appointee”); and
 - (b) it is proposed that on and after the relevant date another company (“the new appointee”) should, without any such appointment or variation as is mentioned in sub-paragraph (2) having been made, hold an appointment as water undertaker or sewerage undertaker for an area which is or includes the whole or any part of the area for which until that date the existing appointee holds an appointment as water undertaker or, as the case may be, sewerage undertaker.
- (4) In this Schedule—
- “existing appointee” and “new appointee” shall be construed in accordance with sub-paragraph (2) or (3) according to whether this Schedule is applying in the case mentioned in the first or second of those sub-paragraphs;
- “other appointees” means any companies, other than the existing appointee and the new appointee, which are likely on or at a time after the relevant date to be holding appointments as water undertakers or sewerage undertakers for any area which is or includes any part of the area for which the existing appointee has at any time held an appointment as water undertaker or sewerage undertaker;
- “the relevant date” means—
- (a) where this Schedule applies by virtue of sub-paragraph (2), the coming into force of the appointment or variation mentioned in head (a) of that sub-paragraph; and

Making and effect of scheme

2.—(1) The existing appointee, acting with the consent of the new appointee and, in relation to the matters affecting them, of any other appointees, may make a scheme under this Schedule for the transfer of assets and liabilities from the existing appointee to the new appointee.

(2) A scheme under this Schedule shall not take effect unless it is approved by the Department or the Authority.

(3) Where a scheme under this Schedule is submitted to the Department or the Authority for its approval, the Department or the Authority may, with the consent of the new appointee, of the existing appointee and, in relation to the matters affecting them, of any other appointees, modify the scheme before approving it.

(4) A scheme under this Schedule for the transfer of the existing appointee’s assets and liabilities shall come into force on the relevant date and, on coming into force, shall, by virtue of this paragraph have effect, in accordance with its provisions and without further assurance, so as to transfer to the new appointee the assets and liabilities specified for transfer to it.

(5) If at any time after a scheme under this Schedule has come into force in relation to the assets and liabilities of any existing appointee the Department considers it appropriate to do so and the existing appointee, the new appointee and, in relation to the provisions of the order which affect them, any other appointees consent to the making of the order, the Department may by order provide that that scheme shall for all purposes be deemed to have come into force with such modifications as may be provided for in the order.

(6) The power under sub-paragraph (5) to provide for the modification of the transfer scheme shall be exercisable for the purpose only of making provision that could originally have been made by the scheme; and an order under that sub-paragraph —

- (b) may, in connection with giving effect to that provision from that time, contain such supplemental, consequential and transitional provision as the Department considers appropriate.

(7) In determining, in accordance with its duties under Part II of this Order, whether and in what manner to exercise any power conferred on it by this paragraph the Department or the Authority shall have regard to the need to ensure that any provision for the transfer of assets and liabilities in accordance with a scheme under this Schedule allocates assets and liabilities to the different companies affected by the scheme in such proportions as appear to it to be appropriate in the context

Status: This is the original version (as it was originally made).

of the different functions which will, by virtue of this Order, be carried out at different times on and after the relevant date by the new appointee, by the existing appointee and by any other appointees.

(8) It shall be the duty of the new appointee, of the existing appointee and of any other appointees to provide the Department or the Authority with all such information and other assistance as it may reasonably require for the purposes of, or in connection with, the exercise of any power conferred on it by this paragraph.

(9) A company which without reasonable excuse fails to do anything required of it by virtue of sub-paragraph (8) shall be guilty of an offence and liable, on summary conviction, to a fine not exceeding level 5 on the standard scale.

(10) Without prejudice to the other provisions of this Order relating to the special administrator of a company, anything which is required by this paragraph to be done by a company shall, where that company is a company in relation to which a special administration order is in force, be effective only if it is done on the company's behalf by its special administrator.

Contents of scheme

3.—(1) A scheme under this Schedule—

- (a) shall specify the assets and liabilities to be transferred to the new appointee; and
- (b) may make supplementary, incidental, transitional and consequential provisions in connection with the transfer of those assets and liabilities.

(2) The provisions of a scheme specifying the assets and liabilities to be transferred may do so—

- (a) by specifying them or describing them in particular; or
- (b) by identifying them generally by reference to a specified part of the existing appointee's undertaking, or their connection with the exercise of specified functions of that appointee; or
- (c) in any other manner appearing to the existing appointee to be appropriate in relation to the assets or liabilities in question;

and a scheme may except assets and liabilities from transfer in any corresponding manner.

(3) The assets and liabilities that may be specified by a scheme under this Schedule for transfer to the new appointee include—

- (a) assets and liabilities that would not otherwise be capable of being transferred or assigned by the existing appointee;
- (b) assets acquired and liabilities arising in the period after the making of the scheme and before the relevant date;
- (c) rights and liabilities arising after the relevant date in respect of matters occurring before that date;
- (d) property situated anywhere in the United Kingdom or elsewhere and rights and liabilities under the law of any part of the United Kingdom or of any place outside the United Kingdom; and
- (e) rights and liabilities under a statutory provision or Community instrument.

(4) A scheme under this Schedule may make provision for the division of any assets or liabilities between the existing appointee and the new appointee; and

- (a) where any rights or liabilities under a contract are so divided, the contract shall have effect as from the relevant date as if it constituted two separate contracts separately enforceable by and against the existing appointee and the new appointee respectively as respects the part of the rights or liabilities which falls to it as a result of the division; and

(b) where any land is so divided, any rent payable under a lease (or a fee farm grant creating the relationship of landlord and tenant) in respect of that land or charged on that land shall be correspondingly divided so that one part is payable in respect of, or charged on, only one part of the land and the other part is payable in respect of, or charged on, only the other part.

(5) For the purpose of making any division of assets or liabilities which it is considered appropriate to make in connection with the transfer of assets and liabilities in accordance with a scheme under this Schedule, the provisions of that scheme may—

- (a) create for the existing appointee, the new appointee or any other appointees an interest in or right over any property to which the scheme relates;
- (b) create new rights and liabilities as between any two or more of those companies; and
- (c) in connection with any provision made by virtue of sub-paragraph (a) or (b), make incidental provision as to the interests, rights and liabilities of other persons with respect to the subject-matter of the scheme.

(6) A scheme under this Schedule may include provision imposing on the new appointee the obligation to enter into specified written agreements with, or execute such other instruments in favour of, the existing appointee or any other specified person: and any obligation so imposed shall be enforceable by civil proceedings for an injunction or other appropriate relief.

(7) The transfers provided for by a scheme under this Schedule, and the rights and liabilities that may be created by virtue of sub-paragraph (5) or an agreement or instrument under sub-paragraph (6), include transfers that are to take effect, and rights and liabilities that are to arise, regardless of any contravention, liability or interference with a right that would otherwise exist by reason of a provision having effect (whether under a statutory provision or an agreement or in any other way) in relation to the terms on which the existing appointee is entitled or subject to any asset or liability.

(8) A scheme under this Schedule may contain provision for the consideration to be provided by the new appointee and by any other appointees in respect of the transfer or creation of assets and liabilities by means of the scheme; and any such provision shall be enforceable in the same way as if the assets and liabilities had been created or transferred, and (if the case so requires) had been capable of being created or transferred, by agreement between the parties.

(9) A scheme under this Schedule may include provision—

- (a) for the new appointee to be treated as the same person in law as the existing appointee for such purposes or in such circumstances as are specified;
- (b) for agreements made, transactions effected or other things done (or treated as made effected or done) by or in relation to the existing appointee to be treated, so far as may be necessary for the purposes of or in connection with the transfer, as made, effected or done in relation to the new appointee;
- (c) for references in any agreement, instrument or other document to (or references which are to be treated as references to) the existing appointee or to an officer or employee of the existing appointee to have effect, so far as may be necessary for the purposes of or in connection with the transfer, as a reference to, or to an officer or employee of, the new appointee;

(7) The transfers provided for by a transfer scheme, and the rights and liabilities that may be created by virtue of sub-paragraph (5) or an agreement or instrument under sub-paragraph (6), include transfers that are to take effect, and rights and liabilities that are to arise, regardless of any contravention, liability or interference with a right that would otherwise exist by reason of a provision having effect (whether under a statutory provision or an agreement or in any other way) in relation to the terms on which the Department is entitled or subject to any asset or liability.

(8) The transfer scheme may include provision—

- (a) for the successor company to be treated as the same person in law as the Department for such purposes or in such circumstances as are specified;

 - (b) applying section 9 of the Conveyancing Act 1881 (c. 41) (with any specified modifications) in relation to any such case.
- (11) A transfer scheme may include provision for disputes between the Department and the successor company—
- (a) as to the effect of the scheme; and
 - (b) arising at any time after the successor company has ceased to be wholly owned by the Crown,
- to be referred to such arbitration as may be specified in or determined under the scheme.

Modification of the transfer scheme

3.—(1) If, at any time after the transfer date but before the successor company has ceased to be wholly owned by the Crown, it appears to the Department that it is appropriate to do so, it may by order provide for the scheme to be deemed for all purposes to have been made with such modifications as may be provided for in the order.

(2) At any time after the successor company has ceased to be wholly owned by the Crown, the Department and the successor company may agree in writing that the scheme shall be deemed to have been made with such modifications as may be provided for in the agreement; and on the making of such agreement the scheme shall be deemed for all purposes to have been made with such modifications.

(3) The power under this paragraph to provide by order or agreement for the modification of the transfer scheme shall be exercisable for the purpose only of making provision that could originally have been made by the scheme.

Proof of title by certificate

4. A certificate issued by the Department to the effect that—

- (a) any asset or liability vested in the successor company in pursuance of the scheme; or
- (b) any asset or liability did not so vest,

(2) The contract of employment—

(3) Except as provided by the scheme, the rights, powers, duties and liabilities of the Department under or in connection with the contract are transferred to the successor company on the transfer date.

(4) Except as so provided, anything done before the transfer date by or in relation to the Department in respect of the contract or the employee is to be treated from that date as having been done by or in relation to the successor company.

(5) But if an employee informs the Department before the transfer date that he objects to the transfer of his contract of employment under the scheme—

- (a) sub-paragraphs (2) to (4) do not apply in relation to his contract of employment; and
- (b) his employment with the Department is terminated immediately before the transfer date.

(6) A person is not to be treated as having been dismissed by the Department by reason of—

- (a) the transfer of his contract of employment under this paragraph; or
- (b) the termination of his employment under sub-paragraph (5).

(7) This paragraph does not affect any right a person has to terminate his contract of employment if (apart from the change of employer) a substantial change is made to his detriment in his working conditions.

(8) For the purposes of this paragraph, if a person is employed in the civil service on terms which do not constitute a contract of employment—

- (a) he is to be treated as employed by the Department by virtue of a contract of employment;
- (b) the terms of that employment are to be regarded as constituting the terms of that contract.

Effect on third parties

6.—(1) Sub-paragraph (2) applies where (apart from that sub-paragraph) a third party would be entitled, in consequence of anything done or likely to be done by or under this Order in connection with the transfer scheme—

- (a) to terminate, modify, acquire or claim any asset; or
- (b) to treat any asset as modified or terminated.

(2) That entitlement—

- (a) shall not be enforceable in relation to that asset, until after the transfer of the asset; and
- (b) shall then be enforceable in relation to the asset only in so far as the scheme contains provision for the asset to be transferred subject to whatever confers that entitlement.

Compensation

7.—(1) Where, in consequence of any provision included in a transfer scheme, or anything done under this Schedule—

(a) the rights or liabilities of a third party which were enforceable against or by the Department become enforceable as to part against or by the Department and as to part against or by the successor company; and

(b) the value of any asset of that party is thereby diminished,

such compensation as may be just shall be paid to the third party by the successor company.

(2) Where—

- (a) a third party would, apart from any provision of a transfer scheme or paragraph 6, have become entitled to, or to exercise, any interest or right arising or exercisable in respect of the transfer or creation in accordance with such a scheme of any assets or liabilities, and
- (b) the provisions of that scheme or of paragraph 6 have the effect of preventing that party's entitlement to, or to exercise, that interest or right from arising on any occasion in respect of anything mentioned in head (a), and
- (c) provision is not made by the transfer scheme for securing that an entitlement to, or to exercise, that interest or right or an equivalent interest or right, is preserved or created so as to arise in respect of the first occasion when corresponding circumstances next occur after the transfer date,

such compensation as may be just in respect of the extinguishment of the interest or right shall be paid to the third party by the successor company.

(3) Any dispute as to whether any compensation is to be paid under this paragraph, and any dispute as to the amount of compensation to be paid, shall be referred to and determined by an arbitrator appointed by the Department.

External assets etc.

8.—(1) This paragraph applies in any case where the transfer scheme provides for the transfer of any external assets or liabilities.

(2) It shall be the duty of the Department and the successor company to take, as and when the successor company considers appropriate, all such steps as may be requisite to secure that the vesting in the successor company by virtue of the transfer of any external assets or liabilities is effective under the relevant law.

(3) Until the vesting in the successor company, by virtue of the transfer, of any external assets or liabilities is effective under the relevant external law, it shall be the duty of the Department to hold those assets for the benefit of, or to discharge those liabilities on behalf of, the successor company.

(4) Nothing in sub-paragraphs (2) and (3) shall be taken as prejudicing the effect under the law of Northern Ireland of the vesting in the successor company by virtue of the transfer of any external assets or liabilities.

(5) The Department shall have all such powers as may be requisite for the performance of its duty under this paragraph, but it shall be the duty of the successor company to act on behalf of the Department (so far as possible) in performing the duty imposed on the Department by this paragraph.

(6) Duties imposed on the Department or the successor company by this paragraph shall be enforceable in the same way as if the duties were imposed by a contract between the Department and that company.

(7) Any expenses incurred by the Department under this paragraph shall be met by the successor company.
