

**RATES (CAPITAL VALUES, ETC.)  
(NORTHERN IRELAND) ORDER 2006**

**S.I. 2006 611**

---

**EXPLANATORY MEMORANDUM**

**COMMENTARY ON ARTICLES**

**Part I - Introductory**

*Article 1: Title and commencement*

13. This Article sets out the title of the Order and provides for its commencement.

*Article 2: Interpretation*

14. This Article provides for the interpretation of the Order and defines some of the expressions used in it.

**Part II – Capital Value**

*Article 3: Application of Part II and Schedule 1: Definition of ‘dwelling-house’ etc.*

15. Paragraph (1) provides that Part II applies to any dwelling-house, any property used partly for the purpose of a private dwelling, any private garage and any private storage premises. These are the categories of properties the capital values of which may be published by the Commissioner.
16. Paragraph (2) provides that where a property is currently vacant and the Commissioner or district valuer considers when next in use it would fall within one of the categories mentioned in paragraph 21 above, the property shall, for the purposes of the Order, be deemed to be in use and to fall within that category.
17. Paragraph (3) gives effect to Schedule 1 to the Order. Paragraph 1 of Schedule 1 to the Order applies Schedule 5 to the principal Order for the purposes of determining what is to be treated as a dwelling-house for the purposes of the Order and to what extent certain properties are to be treated as used for the purposes of a private dwelling for the purposes of the Order. The application of Schedule 5 to the principal Order is subject, however, to a number of modifications which have the effect of excluding armed forces accommodation within the perimeter of a military establishment, prison accommodation and individual pitches within a leisure caravan site from the categories of property in respect of which the Commissioner may publish capital values.
18. Paragraphs 2 and 3 of Schedule 1 to the Order define private garage and private storage premises for the purpose of the Order.
19. Paragraph 4 of Schedule 1 to the Order enables the Department to modify Schedule 1 to the Order by regulations subject to a draft of the regulations having been laid before, and approved by a resolution of, the Northern Ireland Assembly.

**Article 4 and Schedule 2: ‘Capital Value’**

20. Article 4 gives effect to Schedule 2 to the Order.
21. Paragraph 1 of Schedule 2 to the Order defines the capital value of a property as the amount it would have reasonably sold for on the open market on 1 January 2005, based on a number of assumptions as set out in paragraphs 3 to 9 of that Schedule.
22. Paragraph 3 of Schedule 2 to the Order provides for the assumption that the property was sold with vacant possession.
23. Paragraph 4 of Schedule 2 to the Order provides for the assumption that the estate sold was the fee simple absolute or a 99-year lease in the case of a flat.
24. Paragraph 5 of Schedule 2 to the Order provides for the assumption that the property was sold free from rentcharges or other incumbrances, which means that they will not be reflected in the capital value of a property. However, by virtue of the definition of “incumbrance” in paragraph 2 of Schedule 2 to the Order, service charges will be taken into account in determining the capital value of a property.
25. Paragraph 6 of Schedule 2 to the Order provides for the assumption that the property was in an average state of internal repair and fit out, taking account of the age and character of the property. Paragraph 6 also provides that it will be assumed that the property was otherwise in the state and circumstances in which it might reasonably be expected to be on 1 April 2007.
26. Paragraph 7 of Schedule 2 to the Order provides for the assumption that the property had no development potential over and above that for which planning permission is not required or for which no application for planning permission is required.
27. Paragraph 8(1) of Schedule 2 to the Order provides that where a property is a dwelling-house, a private garage or private storage premises or although vacant is deemed to be such a property under Article 3(2) of the Order, it will be assumed that it will always be such a property. Similarly, it will be assumed that where a property is used partly for the purposes of a private dwelling and partly for other purposes or although vacant is deemed to be so used under Article 3(2), it will always be so used.
28. Paragraph 8(2) and 8(3) of Schedule 2 to the Order provide that where a house is occupied in connection with agricultural land or a fish farm and used as the dwelling of a person whose primary occupation is the carrying on of or directing of agricultural or fish farming operations on the land or fish farm or a person employed for these purposes, it will be assumed that it will always be so used.
29. Paragraph 9 of Schedule 2 to the Order provides for the assumption that there has been no contravention of any legal obligation, whether arising under legislation, an agreement or otherwise, which would affect the capital value of the property.

**Article 5: Publication of capital values**

30. Paragraph (1) provides the Commissioner with the power to publish the capital value of any property to which Part II of the Order applies.
31. Paragraphs (2) and (3) provide that, in the case of a property used partly for the purposes of a private dwelling, the Commissioner may publish only that portion of the capital value which can reasonably be regarded as attributable to the use of the property for the purposes of a private dwelling (“the domestic capital value”).
32. Paragraph (4) allows the Commissioner to publish other information relating to the property as determined by the Department.

***Article 6: Publication of list of total published values for each district***

33. [Article 6](#) provides for the publication of a list of the total capital values and domestic capital values in each district council area.

***Article 7: Revision of capital values, etc., by the Commissioner***

34. [Article 7](#) enables the Commissioner to revise any capital value or domestic capital value published under [Article 5](#), any additional information published under that [Article](#) and any list published under [Article 6](#). It also enables him to publish the revision.

***Article 8: Manner and form of publication***

35. This [Article](#) provides that the form and manner of publication under [Articles 5 to 7](#) is to be determined by the Department.

**Part Iii - Reliefs**

***Article 9: Increased reduction of rates for certain hereditaments used for recreation***

36. This [Article](#) provides for an increase in the current level of relief available to amateur sporting organisations from 65% to 80%.

***Article 10: Repayment and recovery of hardship relief***

37. This [Article](#) amends [Article 33B](#) of the principal Order to give the Department a power to repay rates where the conditions for hardship relief are satisfied. It also provides a power to allow the Department to recover rates where EU State Aid limits have been exceeded.

***Article 11 and Schedule 3: Certain hereditaments to be wholly exempt from rates***

38. This [Article](#) inserts a new [Article 41A](#) and a new [Schedule 13A](#) into the principal Order.
39. Paragraph (1) of [Article 41A](#) provides for any property, subject to paragraphs 2(a) and (b), occupied by a body to be distinguished in the valuation list as wholly exempt from rates if that body is listed in [Schedule 13A](#) to the principal Order or is a member of, or affiliated to, a body listed in that [Schedule](#).
40. Paragraph (2)(a) of [Article 41A](#) sets out the criteria to be applied for eligibility for distinguishment under paragraph (1), i.e. the use, or availability for use, of the property to a substantial extent for purposes declared to be, or which are, charitable and where charges are not more than necessary to defray reasonable expenses. Paragraph (2)(b) sets out those properties that are not eligible to be distinguished in the valuation list as exempt from rates under this [Article](#).
41. Paragraph (3) of [Article 41A](#) gives effect to [Schedule 13A](#) to the principal Order.
42. Paragraph (4) of [Article 41A](#) gives the Department the power to amend [Schedule 13A](#) to the principal Order by order subject to affirmative resolution by the Northern Ireland Assembly.

***Article 12: Repeal of [Article 41\(2\)\(f\)](#) of the principal Order with savings, etc.***

43. Paragraph (1) provides that [Article 41\(2\)\(f\)](#) of the principal Order, which provides exemption for certain hereditaments used to an extent of not less than 10% for certain charitable purposes, will cease to have effect.
44. Paragraph (2) provides for a property which does not qualify under [Article 41A\(1\)](#) but was distinguished in the valuation list as partially exempt before the date this [Article](#) commences to continue to be so distinguished to the same extent after that date while it remains occupied by the same body.

*This Explanatory Memorandum refers to the Rates  
(Capital Values, etc.) (Northern Ireland) Order 2006611*

45. Paragraph (3) allows the Commissioner or district valuer to distinguish a property that does not qualify under Article 41A(1) as partially exempt after the date this Article commences, where satisfied that it should have been so distinguished before that date and while it remains occupied by the same body.
46. Paragraphs (4) and (5) provide for a replacement property, which would not qualify under Article 41A(1), to continue to be distinguished to the same extent provided it is occupied by the same body.
47. Paragraph (6) applies the references in Article 41(9) to this Article. Paragraphs (7) and (8) make detailed amendments in the principal Order consequential to the provisions of this Article.

**Part IV - Miscellaneous**

***Article 13: Duties of public bodies with respect to alterations in valuation list***

48. This Article amends Article 57 of the principal Order to oblige a public body to give the district valuer information in its possession or control which is relevant to a decision whether to alter a valuation list. Currently Article 57 only obliges a public body to inform the district valuer if information comes to its notice which leads it to suppose that a valuation list requires alteration.

***Article 14: Application of Articles 57 to 60 of the principal Order***

49. This Article applies certain provisions in the principal Order for the purposes of Part II of this Order subject to modifications. These are the power of entry of valuers, the duty on public bodies to provide information, the power to request information and the offences associated with a breach of these provisions.

***Article 15: Transitional provisions, etc.***

50. This Article provides the Department with the power by regulations to make transitional or consequential provisions or savings which are necessary or expedient for the purposes of, or in connection with, the coming into operation of any provision of the Order.

***Article 16: Repeals***

51. This Article repeals the provisions set out in Schedule 4 to the Order. These repeals are consequential on Part III of the Order.
